### NOTES TO UNAUDITED CONDENSED FINANCIAL STATEMENTS

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization - Dolphin Productions, Inc. ("the Company") was organized under the laws of the State of Nevada on June 26, 1998. The Company provides musical and other performance services for concerts and other events. The Company has not yet generated significant revenues from its planned principal operations and is considered a development stage company as defined in Statement of Financial Accounting Standards No. 7. The Company has, at the present time, not paid any dividends and any dividends that may be paid in the future will depend upon the financial requirements of the Company and other relevant factors.

Condensed Financial Statements - The accompanying financial statements have been prepared by the Company without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows at June 30, 2004 and 2003 and for the periods then ended have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles in the United States of America have been condensed or omitted. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's September 30, 2004 audited financial statements. The results of operations for the periods ended June 30, 2005 and 2004 are not necessarily indicative of the operating results for the full year.

Fiscal Year - The Company's fiscal year-end is September 30th.

Cash and Cash Equivalents - The Company considers all highly liquid debt investments purchased with a maturity of three months or less to be cash equivalents.

Accounts and Loans Receivable - The Company records accounts receivable at the lower of cost or fair value. The Company determines the lower of cost or fair value of non-mortgage loans on an individual asset basis. The

## Edgar Filing: DOLPHIN PRODUCTIONS INC - Form 10QSB

Company recognizes interest income on an account receivable based on the stated interest rate for past-due accounts over the period that the account is past due. The Company recognizes interest income on a loan receivable based on the stated interest rate over the term of the loan. The Company accumulates and defers fees and costs associated with establishing a receivable to be amortized over the estimated life of the related receivable. The Company estimates allowances for doubtful accounts based on the aged receivable balances and historical losses. The Company records interest income on delinquent accounts receivable only when payment is received. The Company first applies payments received on delinquent accounts receivable to eliminate the outstanding principal. The Company charges off uncollectible accounts and loans receivable when management estimates no possibility of collecting the related receivable. The Company considers accounts receivable to be past due or delinquent based on contractual terms.

Revenue Recognition - The Company recognizes revenue from the sale of compact discs when the product is delivered.

Advertising Costs - Advertising costs, except for costs associated with direct-response advertising, are charged to operations when incurred. Income Taxes - The Company accounts for income taxes in accordance with Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes" [See Note 4].

Loss Per Share - The computation of loss per share is based on the weighted average number of shares outstanding during the period presented in accordance with Statement of Financial Accounting Standards No. 128, "Earnings Per Share" [See Note 6].

Accounting Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimated by management.

Recently Enacted Accounting Standards - Statement of Financial Accounting Standards ("SFAS") No. 151, "Inventory Costs - an amendment of ARB No. 43, Chapter 4" SFAS No. 152, "Accounting for Real Estate Time-Sharing Transactions - an amendment of FASB Statements No. 66 and 67", SFAS No. 153, "Exchanges of Nonmonetary Assets - an amendment of APB Opinion No.

29", and SFAS No. 123 (revised 2004), "Share-Based Payment", were recently issued. SFAS No. 151, 152, 153 and 123 (revised 2004) have no current applicability to the Company or their effect on the financial statements would not have been significant.

## NOTE 4 - INCOME TAXES

The Company accounts for income taxes in accordance with Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes". SFAS No. 109 requires the Company to provide a net deferred tax asset/liability equal to the expected future tax benefit/expense of temporary reporting differences between book and tax accounting methods and any available operating loss or tax credit carryforwards. DOLPHIN PRODUCTIONS, INC.  
[A Development Stage Company]

## NOTES TO UNAUDITED CONDENSED FINANCIAL STATEMENTS

### NOTE 4 - INCOME TAXES [Continued]

The amount of and ultimate realization of the benefits from the deferred tax assets for income tax purposes is dependent, in part, upon the tax laws in effect, the future earnings of the Company, and other future events, the effects of which cannot be determined. Because of the uncertainty surrounding the realization of the deferred tax assets, the Company has established a valuation allowance equal to their tax effect and, therefore, no deferred tax asset has been recognized for the deferred tax assets. The net deferred tax assets, which consist mainly of accrued compensation and net operating loss carryforward, are approximately \$6,500 and \$5,800 as of June 30, 2005 and September 30, 2004, respectively, with an offsetting valuation allowance of the same amount, resulting in a change in the valuation allowance of approximately \$700 during the nine months ended June 30, 2005.

### NOTE 5 - GOING CONCERN

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America which contemplate continuation of the Company as a going concern. However, the Company has not yet been successful in establishing profitable operations. This factor raises substantial doubt about the ability of the Company to continue as a going concern. In this regard, management is proposing to raise any necessary additional funds through loans or through additional sales of its common stock or through the possible acquisition of other companies. There is no assurance that the Company will be successful in raising this additional capital or in achieving profitable operations.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following is management's discussion and analysis of certain significant factors that have affected the Company's financial condition and operating results for the period included in the accompanying financial statements. DOLPHIN PRODUCTIONS, INC., generated revenues from product sales of \$113 and \$0 during the quarters ended June 30, 2005, and June 30, 2004, respectively. No concerts were presented by the Company during either period. The Company continues to experience difficulties with its entry into the business of marketing original music through e-commerce.

DOLPHIN PRODUCTIONS, INC. recorded a net loss of \$810 for the third quarter of fiscal year 2005 compared to a net loss of \$1,369 for the third quarter of fiscal year 2004. In prior periods, the Company has reflected

## Edgar Filing: DOLPHIN PRODUCTIONS INC - Form 10QSB

in its financial statements certain potential tax benefits which may be available to the Company in the form of tax-loss carryforwards. However, because of the uncertainty that the Company will be able to take advantage of those carryforwards, the Company has partially offset the carryforward amount with a valuation allowance that reflects that uncertainty. During the quarter ended June 30, 2005, the Company received refunds of \$730 from income tax loss carrybacks.

DOLPHIN PRODUCTIONS, INC. has no plans to produce concerts or to provide concert-related services in the future, except as such services may be ancillary to the Companys development and promotion of its web site and the Internet marketing of recorded music.

Nine Months Ended June 30, 2005 Compared to Nine Months Ended June 30, 2004

For the nine month period ended June 30, 2005, DOLPHIN PRODUCTIONS, INC., experienced a net loss of \$4,437 as compared with a loss for the nine months ended June 30, 2004, of \$3,467.

Based on that evaluation, the Company's management, including the CEO and CFO, concluded that the Company's disclosure controls and procedures were effective as of April 14, 2005. There have been no significant changes in the Company's internal controls or in other factors that could significantly affect internal controls subsequent to April 14, 2005.
