MERCER INTERNATIONAL INC.

PROXY STATEMENT

This statement is furnished in connection with the solicitation by the management of Mercer International Inc. (Mercer or the Company) of proxies for use at the annual general meeting of our shareholders (Shareholders) to be held at the Terminal City Club, 837 West Hastings Street, Vancouver, British Columbia, Canada at 10:00 a.m. (Vancouver time), on June 14, 2005, or any adjournment, postponement or rescheduling thereof (the Meeting). If a proxy in the accompanying form (a Proxy) is properly executed and received by us prior to the Meeting or any adjournment, postponement or rescheduling thereof, our shares of beneficial interest, \$1.00 par value (the Shares) represented by such Proxy will be voted in the manner directed. In the absence of voting instructions, the Shares will be voted for the proposals set out in the accompanying Notice of Annual General Meeting of Shareholders. Please see the Proxy for voting instructions.

A Proxy may be revoked at any time prior to its use by filing a written Notice of Revocation of Proxy or a later dated Proxy with the Company's Registrar and Transfer Agent, Mellon Investor Services LLC, at P.O. Box 3315, South Hackensack, NJ 07606. A Proxy may also be revoked by attending the Meeting and voting Shares in person. Attendance at the Meeting will not, in and of itself, constitute revocation of a Proxy.

The holders of one-third of the outstanding Shares entitled to vote at the Meeting, present in person or represented by Proxy, constitutes a quorum for the Meeting. Under applicable Washington state law, abstentions and broker non-votes will be counted for the purposes of establishing a quorum for the Meeting.

Proxies for the Meeting will be solicited by the Company primarily by mail. Proxies may also be solicited personally by our trustees, officers or regular employees without additional compensation. We may reimburse banks, broker-dealers or other nominees for their reasonable expenses in forwarding the proxy materials for the Meeting to beneficial owners of Shares. The costs of this solicitation will be borne by the Company.

This proxy statement and accompanying Proxy and our annual report for 2004 will be mailed to Shareholders commencing on or about May 23, 2005. The close of business on April 28, 2005 has been fixed as the record date (the Record Date) for the determination of Shareholders entitled to notice of and to vote at the Meeting or any adjournment, postponement or rescheduling thereof.

COMMONLY ASKED QUESTIONS AND ANSWERS

Q: Why am I receiving this proxy statement and Proxy?

A: This proxy statement describes the proposals upon which you, as a Shareholder, will vote. It also gives you information on the proposals, as well as other information so that you can make an informed decision.

Q: What is the Proxy?

A: The Proxy enables you to appoint Jimmy S.H. Lee and David M. Gandossi as your representatives at the Meeting. By completing and returning the Proxy, you are authorizing Mr. Lee and Mr. Gandossi to vote your Shares at the Meeting as you have instructed them on the Proxy. This way your Shares will be voted whether or not you attend the Meeting. Even if you plan to attend the Meeting, it is a good idea to complete and return your Proxy before the date of the Meeting just in case your plans change.

Q: Who can vote at the Meeting?

A: Registered Shareholders who own our Shares on the Record Date may attend and vote at the Meeting. Each Share is entitled to one vote. There were 33,053,455 Shares outstanding on the Record Date.

If you own your Shares through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your Shares should be voted. Your broker or nominee will generally provide you with the appropriate forms at the time you receive this proxy statement. If you own your Shares through a brokerage account or nominee, you cannot vote in person at the Meeting unless you receive a proxy from the broker or the nominee.

Q: What am I voting on?

A: We are asking you to: (i) vote for the election of Jimmy S.H. Lee and William D. McCartney as trustees; and (ii) ratify the selection of Deloitte & Touche LLP as our independent auditors. **OUR BOARD OF TRUSTEES RECOMMENDS A VOTE IN FAVOR OF EACH OF THESE PROPOSALS.**

Q: How do I vote?

A: You may vote by mail.

Complete, date, sign and mail the Proxy to our Registrar and Transfer Agent, Mellon Investor Services LLC, at P.O. Box 3315, South Hackensack, NJ 07606, in the enclosed postage pre-paid envelope. If you mark your voting instructions on the Proxy, your Shares will be voted as you instruct. Please see the Proxy for voting instructions.

You may vote in person at the Meeting.

If you attend the Meeting, you may vote as instructed at the Meeting. However, if you hold your Shares in street name (that is, through a broker/dealer or other nominee), you will need to bring to the Meeting a proxy delivered to you by such nominee reflecting your Share ownership as of the Record Date.

Q: What does it mean if I receive more than one Proxy?

A: It means that you hold Shares in multiple accounts. Please complete and return all Proxies to ensure that all your Shares are voted.

Q: What if I change my mind after returning my Proxy?

A: You may revoke your Proxy and change your vote at any time before completion of voting at the Meeting. You may do this by:

 sending a signed Notice of Revocation of Proxy to our Registrar and Transfer Agent at the address set out above, stating that the Proxy is revoked; or

 signing another Proxy with a later date and sending it to our Registrar and Transfer Agent at the address set out above, before the date of the Meeting; or

 voting at the Meeting.

Your Proxy will not be revoked if you attend the Meeting but do not vote.

If you own your Shares through a broker or other nominee and wish to change your vote, you must send those instructions to your broker or nominee.

Q: Will my Shares be voted if I do not sign and return my Proxy?

A: If your Shares are registered in your name, they will not be voted unless you submit your Proxy, or vote in person at the Meeting. If your Shares are held in street name, your broker/dealer or other nominee will not have the authority to vote your Shares unless you provide instructions.

Q: Who will count the votes?

A: Agents of the Company will tabulate the Proxies. Additionally, votes cast by Shareholders voting in person at the Meeting are tabulated by a person who is appointed by our management before the Meeting.

Q: How many Shares must be present to hold the Meeting?

A: To hold the Meeting and conduct business, at least one-third of the outstanding Shares must be present at the Meeting. This is called a quorum.

Votes are counted as present at the Meeting if a Shareholder either:

is present and votes in person at the Meeting; or

has properly submitted a Proxy.

Abstentions and broker non-votes (Shares held by a broker/dealer or other nominee that are not voted because the broker/dealer or other nominee does not have the authority to vote on a particular matter) will be counted for the purposes of a quorum.

Q: How many votes are required to approve the proposals to be considered at the Meeting?

A: The affirmative vote of a majority of the Shares represented and voting, whether in person or by Proxy, at the Meeting will be required for the election of our nominee trustees and the ratification of the selection of our independent auditors.

Q: How are votes counted?

A: You may vote For or Withhold your vote on the proposal to elect trustees. You may vote For , or Against or Abstain on the proposal to ratify the selection of our independent auditors. If you withhold or abstain from voting on a proposal, it will have the practical effect of voting against the proposal.

If you sign and return your Proxy without voting instructions, your Shares will be counted as a For vote in favor of each proposal.

Q: Could other matters be discussed at the Meeting?

A: We do not know of any other matters to be brought before the Meeting other than those referred to in this proxy statement. If other matters are properly presented at the Meeting for consideration, the persons named in the Proxy will have the discretion to vote on those matters for you.

Trustees Meetings

The Board met 12 times during 2004 and each current member of the Board attended 75% or more of the total number of such meetings and meetings of the committees of the Board on which they serve, including Mr. Lauritzen subsequent to his election to the Board in June 2004. Although we do not have a formal policy with respect to attendance of trustees at our annual meetings, all trustees are encouraged and expected to attend such meetings if possible. Six trustees attended our 2004 annual meeting.

Executive Sessions

Executive sessions of non-management trustees without management present are held regularly, generally before Board meetings, to review, among other things, the criteria upon which the performance of senior officers is based, the Company's governance practices, the reports of our independent registered chartered accountants and any other relevant matters. The Lead Trustee, with input from other trustees, develops the agenda for and presides over these meetings. Meetings are also held formally and informally from time to time with the Chief Executive Officer for a general discussion of relevant subjects.

COMMITTEES OF THE BOARD OF TRUSTEES

Our Board has developed corporate governance guidelines in respect of: (i) the duties and responsibilities of the Board, its committees and the officers of the Company; and (ii) practices with respect to the holding of regular quarterly and strategic meetings of the Board including separate meetings of non-management trustees. Our Board has established three standing committees, the Audit Committee, the Compensation Committee and the Governance and Nominating Committee.

Audit Committee

The Audit Committee functions pursuant to a charter adopted by the trustees. A copy of the current charter is attached as Appendix A to this proxy statement. The function of the Audit Committee generally is to meet with and review the results of the audit of our financial statements performed by the independent public accountants and to recommend the selection of independent public accountants. The members of the Audit Committee are Mr. McCartney, Mr. Witts and Mr. Lauritzen, each of whom is independent under applicable laws and regulations and the listing requirements of the Nasdaq National Market. Both Mr. McCartney and Mr. Witts are chartered accountants and Mr. McCartney is a financial expert within the meaning of such term under the Sarbanes-Oxley Act of 2002. The Audit Committee met five times during 2004.

The Audit Committee has established procedures for: (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential and anonymous submission by the Company's employees and others of concerns regarding questionable accounting or auditing matters. A person wishing to notify the Company of such a complaint or concern should send a

written notice thereof, marked **Private & Confidential**, to the Chairman of the Audit Committee, Mercer International Inc., c/o Suite 2840, 650 West Georgia Street, Vancouver, B.C., V6B 4N8, Canada.

Compensation Committee

The Board has established a Compensation Committee. The Compensation Committee is responsible for reviewing and approving the strategy and design of the Company's compensation, equity-based and benefits programs. The Compensation Committee is also responsible for approving all compensation actions relating to executive officers. The members of the Compensation Committee are Mr. Shields, Mr. McCartney and Mr. Adams, each of whom is independent under applicable laws and regulations and the listing requirements of the Nasdaq National Market. The Compensation Committee met six times during 2004.

Compensation Committee Interlocks and Insider Participation

No person who served as a member of our Compensation Committee during the most recently completed fiscal year was one of our officers or employees, or has formerly been one of our officers.

Governance and Nominating Committee

Our Board has established a Governance and Nominating Committee comprised of Mr. Shields, Mr. McCartney and Mr. Witts, each of whom is independent under applicable laws and regulations and the listing requirements of the Nasdaq National Market. The Governance and Nominating Committee functions pursuant to a charter adopted by the trustees, a copy of which is attached as Appendix B to the definitive proxy statement on Schedule 14A relating to our annual meeting of shareholders held in June 2004. The purpose of the committee is to: (i) manage the corporate governance system of the Board; (ii) assist the Board in fulfilling its duties to meet applicable legal and regulatory and self-regulatory business principles and codes of best practice; (iii) assist in the creation of a corporate culture and environment of integrity and accountability; (iv) in conjunction with the Lead Trustee, monitor the quality of the relationship between the Board and management; (v) review management succession plans; (vi) recommend to the Board nominees for appointment to the Board; (vii) lead the Board's annual review of the Chief Executive Officer's performance; and (viii) set the Board's forward meeting agenda. The Governance and Nominating Committee met three times in 2004.

Consideration of Nominees

The Board is responsible for approving candidates for Board membership. The Board has delegated the screening and recruitment process to the Governance and Nominating Committee in consultation with our Chairman and Chief Executive Officer. The Governance and Nominating Committee will recommend to the Board a nominee to fill a vacancy on the Board and will also annually evaluate and recommend to the Board nominees for election as trustees at annual meetings of Shareholders.

The Governance and Nominating Committee believes that certain criteria should be met by trustee nominees to ensure effective corporate governance, support the Company's strategies and businesses, account for individual trustee attributes and the effect of the overall mix of those attributes on the Board's effectiveness, and support the successful recruitment of qualified candidates for the Board. Qualified candidates are those who, in the judgment of the Governance and Nominating Committee, possess certain personal attributes and a sufficient mix of experience and related attributes to assure effective service on the Board. The personal attributes of trustee nominees that the Governance and Nominating Committee considers include leadership, judgment, integrity, independence and high personal and professional ethics. Nominees considered by the Governance and Nominating Committee are those that also possess a mix of experience and related attributes, including general business experience, industry knowledge,

financial acumen, special business experience and expertise.

The Governance and Nominating Committee may seek recommendations or receive recommendations for Board candidates from various sources, including the Company's trustees, management and Shareholders. The committee may also engage a professional search firm. Mr. Lauritzen, a nominee for election to the Board at the

meeting held in 2004, was recommended by our Lead Trustee, who is an independent trustee under applicable laws and regulations and the listing requirements of the Nasdaq National Market.

Nominees Recommended by Shareholders

The Governance and Nominating Committee will consider nominees recommended by Shareholders as candidates for Board membership. A Shareholder wishing to nominate a candidate for Board membership should provide written notice to the Secretary of the Company as described below. To nominate a candidate for election to the Board at an annual meeting, the notice must be received not less than 120 days before the first anniversary of the date of the Company's proxy statement released to Shareholders in connection with the annual meeting held in the prior year. The notice should contain information about both the nominee and the Shareholder making the nomination, including such information regarding each nominee required to be included in a proxy statement filed pursuant to Commission rules and regulations and such other information sufficient to allow the Governance and Nominating Committee to determine if the candidate meets the criteria for Board membership described above. The committee may require that the proposed nominee furnish additional information to determine that person's eligibility to serve as a trustee.

Shareholder Communications with Board

Shareholders who wish to communicate with the Board (other than with respect to a complaint or concern regarding accounting, internal accounting controls or auditing matters which must be directed to the Audit Committee as described above) should send written correspondence to the Board in the care of the Secretary, Mercer International Inc., c/o Suite 2840, 650 West Georgia Street, Vancouver, B.C., V6B 4N8, Canada. The correspondence should indicate that the person sending the correspondence is a Shareholder and set out the purpose of such communication. The Secretary will (i) forward the correspondence to the trustee to whom it is addressed or, in the case of correspondence addressed to the Board generally, to the Lead Trustee, (ii) attempt to handle the inquiry directly where it is a request for information about the Company, or (iii) not forward the correspondence if it is primarily commercial in nature or if it relates to an improper topic. All such correspondence will be summarized for the Board periodically and each such correspondence will be made available to any trustee upon request.

Lead Trustee

Our Board appointed Mr. Shields as its Lead Trustee in September 2003. The role of the Lead Trustee is to provide leadership to the non-management trustees on the Board and to ensure that the Board can operate independently of management and that trustees have an independent leadership contact. The duties of the Lead Trustee include, among other things: (i) ensuring that the Board has adequate resources to support its decision-making process and ensuring that the Board is appropriately approving strategy and supervising management's progress against that strategy; (ii) ensuring that the independent trustees have adequate opportunity to meet to discuss issues without management being present; (iii) chairing meetings of trustees in the absence of the Chairman and Chief Executive Officer; (iv) ensuring that delegated committee functions are carried out and reported to the Board; and (v) communicating to management, as appropriate, the results of private discussions among outside trustees and acting as a liaison between the Board and the Chief Executive Officer.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews the Company's financial reporting process on behalf of the Board, however, management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, the Audit Committee has met and held discussions with management and the Company's independent registered chartered accountants regarding the fair and complete presentation of the Company's results and the assessment of the Company's internal control over financial reporting. The Audit Committee has discussed significant accounting policies applied by the Company in its financial statements, as well as alternative treatments. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered chartered accountants. The Audit Committee discussed with the independent registered chartered accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees).

In addition, the Audit Committee has discussed with the independent registered chartered accountants the auditor's independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees). The Audit Committee also has considered whether the independent registered chartered accountants' provision of non-audit services to the Company is compatible with the auditor's independence. The Audit Committee has concluded that the Company's independent registered chartered accountants are independent from the Company and its management.

The Audit Committee discussed with the independent registered chartered accountants the overall scope and plans for their respective audits. The Audit Committee met with the independent registered chartered accountants, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Commission. The Audit Committee has selected, and the Board has ratified, subject to shareholder ratification, the selection of the Company's independent registered chartered accountants.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

MFC Bancorp Ltd. (MFC) was an approximately 92% owned subsidiary until June 1996, when Mercer spun-off approximately 83% of its issued shares to the Company's shareholders by way of a special dividend-in-kind. MFC is primarily engaged in merchant banking and financial services including through a wholly owned licensed Swiss bank. Although the Company does not consider MFC currently to be a related party, because of the historical relationship, Mercer has summarized its current business relationships with MFC.

In October 2003, Mercer fully repaid to MFC a bridge loan in the principal amount of 30 million plus accrued interest and fees incurred as part of the initial financing for the Stendal mill. In December 2003 and early 2004, Mercer repaid its other indebtedness to MFC in the amount of 8.6 million principally from the proceeds of the sale of a majority of the MFC shares held by Mercer. This share sale was approved by a special committee of Mercer's trustees and Mercer's Board, with Mr. Lee abstaining. Subsequently, in 2004, Mercer sold its remaining shares of MFC.

Mr. Lee, Mercer's Chairman, chief executive officer and a trustee was formerly a non-executive director of the Swiss banking affiliate of MFC until he resigned from such position in April 2004.

Mercer has in the course of our business entered into transactions and other arrangements with MFC and its affiliates. From time to time, the Company's German pulp mills sell pulp to a commodities trading subsidiary of MFC, both for its own account and as an agent for sales to certain parts of eastern Europe. All such transactions are conducted on market terms on an arm's length basis. As at December 31, 2004, Mercer had trade receivables for pulp sales of approximately 2.7 million from MFC affiliates, which are expected to be collected in the ordinary course.

The Company owns an indirect 39% interest in a limited partnership that owns 80% of a specialty paper mill in Landqart, Switzerland. The other limited partner is MFC. The general partner is wholly-owned by Cade Struktur Corporation, a company in which Mercer owns an approximate 26% interest and MFC owns a 25% interest. An affiliate of MFC previously arranged receivables financing for Landqart, which arrangements were terminated by Landqart in the first half of 2004.

In 2004, MFC acquired an indirect majority interest in AIG Altmark-Industrie AG (subsequently renamed MFC Industrial Holdings AG), a German industrial real estate holding company, which is an indirect 7% shareholder of Stendal. Stendal (our 63.6% subsidiary) informally utilized furnished office space and receptionist services from an MFC affiliate in Berlin at a cost of approximately 80,000 per quarter. The arrangement was terminated by Stendal in 2005.

As at December 31, 2004, the Company had a loan outstanding in the approximate principal amount of 1.5 million plus accrued interest and owned shares of a venture company which is an affiliate of both Mercer and MFC. This is a legacy investment which the Company has held since prior to the spin-off of MFC in 1996. In April 2005, the venture company proposed to place itself into liquidation.

A director of MFC is indebted to a subsidiary of Mercer in the approximate principal amount of 245,000.

Mercer previously utilized administrative services from a private company that also provided similar services to MFC related companies at a cost of C\$125,000 per quarter. The Company terminated using such administrative services at the end of the second quarter of 2004.

Mercer's Board has developed corporate governance guidelines which, among other things, provides that its audit committee or other special committee of trustees review and approve transactions with related and affiliated parties,

including those with MFC. Mercer's Board is comprised of six trustees, only one of which (the Chief Executive Officer) is part of management. There are no cross-directorships or officerships between Mercer (and its subsidiaries) and MFC (and its subsidiaries).

Indemnity Agreements

We have entered into a Trustee s Indemnity Agreement with each of our trustees. We have agreed under each of these agreements to indemnify each of our trustees against any and all claims and costs that are or may be brought

against him as a result of his being one of our trustees, officers or employees or that of a company related to us. However, under the agreements, we are not obligated to indemnify a trustee against any claims or costs in certain instances, including if it is determined that the trustee failed to act honestly and in good faith with a view to our best interests, if the trustee failed to disclose his interest or conflicts as required under corporate legislation in Washington state or we are not permitted to indemnify the trustee under such legislation, or if the trustee has violated any insider trading rules under United States federal and state securities laws.

If there is a change in control (as defined in the agreement) of the Company other than a change in control which has been approved by a majority of our trustees, we are required to seek legal advice as to whether and to what extent a trustee would be permitted to be indemnified under applicable law. In addition, the agreements allow us to defend any claim made against a trustee.

The following summary of the agreement is qualified in its entirety by reference to the full text of the agreement, a copy of which is attached as an exhibit to our Form 8-K dated and filed with the Commission on August 11, 2003. The agreement generally provides, subject to certain termination provisions, for the continued employment of Mr. Gandossi as Chief Financial Officer, Executive Vice-President and Secretary for a period of 36 months, with an automatic 12-month renewal if the Company does not provide written notice of its intention not to renew the agreement at least 12 months before the original term expires. In addition, Mr. Johannson is entitled to certain medical coverage as well as certain directors' and officers' liability coverage under the agreement. The agreement may not be terminated prior to December 31, 2005 and thereafter requires six months' written notice of termination, unless there is a change in control of the Company, in which case 12 months' written notice of termination is required, other than for cause. The agreement automatically terminates at the end of the month in which Mr. Johannson turns 62 years old.

Report of the Compensation Committee

The Company's Compensation Committee is composed entirely of non-employee trustees who are independent under applicable laws and regulations and the listing requirements of the Nasdaq National Market. It is the Compensation Committee's responsibility to review and approve the strategy and design of the Company's compensation, equity based and benefits programs for the Company's executive officers. The Compensation Committee also has the responsibility to approve all the compensation actions for executive officers. The compensation of our executive officers is evaluated on at least an annual basis by the Compensation Committee in consultation with management.

Our compensation philosophy for executive officers is primarily but not exclusively performance-based. As our operations are in Europe and, since February 2005, western Canada, we also consider other factors such as local market demands, availability of qualified management and the local cost of living. Our principal objectives are to: (i) secure and retain the services of qualified executive officers, and (ii) create an environment in which such officers are motivated to achieve and maintain superior performance levels. Our current compensation philosophy is to establish and maintain annual base salaries for executive officers at or near levels consistent with those of other comparable companies operating within the forest products industry. Annual bonuses and long-term incentives, either in the form of stock options awarded under our 1992 Amended Option Plan or long-term incentives in the form of restricted shares, options and/or stock appreciation rights under our 2004 Stock Incentive Plan (together with our 1992 Amended Option Plan, the Incentive Plans), are considered where and as appropriate.

In 2003, the Compensation Committee engaged an outside compensation consultant to assist it in assessing the Company's existing executive compensation programs. The goals of this study were to determine an appropriate peer group for comparison and to assess the structure of the Company's executive compensation programs and the level of compensation paid to the Company's executives. The recommendations of the consultant's report were taken into consideration in developing our current compensation philosophy. In summary, we shall consider the following in addition to the impact of competitive market forces.

Base salaries for executive officers are based upon, among other things, job responsibilities, experience and performance of executive officers, which involves an assessment of an executive officer's skills, judgment, application of knowledge and support of corporate values and priorities. In addition, the impact an executive officer is expected to make to our business in the future is considered.

Bonuses are awarded to executive officers based on the expectations of the trustees and management for, among other things, our financial and operating performance in a particular period and the contribution of an executive officer

in achieving targets. The Compensation Committee also considers the contribution of the executive officer to our business and operations generally.

Executive officers may be granted long-term incentives in the form of stock options, restricted shares and/or stock appreciation rights under the Incentive Plans. Awards under our Incentive Plans are generally granted based

upon the long-term financial and operating expectations of our trustees and management and the contribution an executive officer is expected to make in the future in achieving those targets. Awards under our Incentive Plans generally produce value to executive officers if the price of our Shares appreciate, thereby directly linking the interests of executive officers with those of Shareholders through increased Share ownership.

In implementing our current compensation philosophy, the Compensation Committee will also consider, among other things: (i) our financial and operating targets for a period and the contributions of executive officers in achieving these targets, (ii) the contributions of executive officers to our business and operations generally, (iii) the contributions of executive officers to the successful completion of major transactions such as material acquisitions or financings, (iv) total shareholder return, and (v) the Company's stock performance relative to its peers.

In April 2004, after receiving advice from its outside compensation consultant and considering, among other things, remuneration paid in comparable peer group companies and the effect of changes in currency exchange rates, the Compensation Committee recommended and the Board approved amending the terms of our Chief Executive Officer's remuneration to increase his base salary to \$325,000 and provide him with a housing allowance and other perquisites aggregating not more than \$75,000 per annum. In respect thereof, Mr. Lee's contract was amended to, among other things, delete two loan facilities that the Company had agreed to provide him, which facilities had never been drawn upon. See Executive Compensation Employment Agreements.

The Compensation Committee determined to grant a bonus to the Chief Executive Officer for 2004 of \$150,000 because of, among other things: (i) the contribution made by him in connection with the Stendal mill, the construction of which was completed and the mill was started up in the third quarter of 2004; (ii) the performance of the Company's Shares on the Nasdaq National Market in 2004; and (iii) his contribution towards meeting certain operating and financial objectives.

The Compensation Committee did not recommend and the Company did not grant any long-term incentives to the Chief Executive Officer or any executive officer in respect of 2004. This is primarily because the Committee is still reviewing the use of long-term incentives to incent, motivate and retain executive officers and key employees, including the Chief Executive Officer. Such review will consider, among other things, the significant acquisition and financings completed by the Company in mid-February 2005. Upon completing its review, the Committee expects to make its recommendations to the Board with respect to the grant of long-term incentives under the Incentive Plans in 2005 in order to ensure that the Company's executive compensation arrangements are competitive, consistent with market practice and aligned with shareholder interests.

PROPOSAL 2**INDEPENDENT ACCOUNTANTS AND AUDITORS****Ratification of Independent Auditors**

The Board requests that Shareholders ratify the selection of Deloitte & Touche LLP as our independent auditors as a matter of good corporate practice.

We appointed Deloitte & Touche LLP as our independent auditors in place of Peterson Sullivan PLLC effective July 14, 2003 and received Shareholder ratification of such appointment at our annual meeting held in August 2003 and our annual meeting held in June 2004.
