Item 1.01. Entry into a Material Definitive Agreement

2006 Annual Cash Bonus Performance Goals

On March 27, 2006, the Compensation Committee of the Board of Directors (the "Committee") designated the Chairman and Chief Executive Officer, the President and Chief Operating Officer, the Executive Vice President, Finance and Technology and Chief Financial Officer, two Executive Vice Presidents, and three Senior Vice Presidents for participation in the Executive Incentive Plan. The Committee also established as performance goals the achievement of pre-established levels of total revenue and operating profit (with additional Commercial Business Unit revenue and operating profit measures for an Executive Vice President and a Senior Vice President with regional responsibilities). The Committee established target bonuses so that a participant under the Executive Incentive Plan would be entitled to receive from 65% to 175% of base salary as a target bonus, depending on management level, with a payout ranging from 0% to 200% of target bonus depending upon the attainment of total performance goals. The Committee has the discretion to reduce, but not increase, the amount of a participant's bonus under the Executive Incentive Plan.

Other executive officers participate in the Management Incentive Plan, which generally has similar financial measures and bonus opportunities.

2006-2007 Turnaround Incentive Plan

On March 27, 2006, the Committee approved the Avon Products, Inc. 2006-2007 Turnaround Incentive Plan (the "Plan"). The Plan is designed to focus key executives on new recalibrated financial and strategic objectives over the performance period from January 1, 2006 through December 31, 2007. The Plan covers the Chief Executive Officer, all other executive officers and other key executives. Actual payouts may range from 0% to 200% of the target award, depending on the achievement of operating profit measures, together with the achievement of initiatives under the Company's four-point turnaround plan announced in November 2005. Target awards were set at 67% of the average of earned base salary for 2006 and 2007.

The foregoing does not constitute a complete summary of the terms of the Plan, and reference is made to the complete text of the Plan, which is attached hereto as Exhibit 10.1.

Restricted Stock Unit Award Agreement for Chief Executive Officer

The Committee approved a grant of equity-based awards for Andrea Jung, the Chairman and Chief Executive Officer, effective as of March 31, 2006, with a grant date value equivalent to 500% of Ms. Jung's base salary, in the form of 50% stock options and 50% restricted stock units. The stock options will be granted pursuant to the form of U.S. Stock Option Agreement under the Avon Products, Inc. 2005 Stock Incentive Plan, previously filed with the Securities and Exchange Commission on a Form 8-K on September 6, 2005. The restricted stock units vest 100% on the third anniversary of the grant date, subject to the satisfaction of cumulative revenue and operating profit performance measures for the fiscal years 2006 through 2008. Such restricted stock units will be granted pursuant to the form of performance contingent restricted stock unit award agreement for the Chief Executive Officer that is attached hereto as Exhibit 10.2 and incorporated herein by reference.
