Private Placement of Series A Preferred Stock

On May 19, 2015, the Company entered into a Purchase Agreement (the "Purchase Agreement") with MI (the "Purchaser"), an affiliate of Cornell Capital LLC, pursuant to which the Company agreed to issue and sell to the Purchaser an aggregate of 363,000 shares of its Series A Preferred Stock, for an aggregate purchase price of \$363 million, or \$1,000 per share, in a privately negotiated transaction (the "Private Placement"). The Series A Preferred Stock was sold pursuant to the Purchase Agreement in a transaction exempt from registration under Section 4(2) of the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

References to and the description of the Purchase Agreement set forth above in this Item 4 do not purport to be complete and are qualified in their entirety by reference to the Purchase Agreement, a copy of which is attached hereto as Exhibit 2 and is incorporated herein by reference.

Certificate of Designations of the Series A Preferred Stock

The Company filed with the Secretary of State of the State of Delaware a Certificate of Designations, Preferences, Rights and Limitations of Series A Preferred Stock (the "Certificate of Designations"), creating the Series A Preferred Stock and establishing the designations, preferences, and other rights of the Series A Preferred Stock, which became effective upon filing with the Secretary of State of the State of Delaware, a copy of which is attached hereto as Exhibit 4 and is incorporated herein by reference.

The Series A Preferred Stock ranks senior to the Common Stock, with respect to dividend rights and rights on liquidation, winding-up and dissolution. The Series A Preferred Stock has a stated value of \$1,000 per share, and holders of Series A Preferred Stock are entitled to cumulative dividends payable quarterly in cash at a rate of 6.50% per annum. Holders of Series A Preferred Stock are entitled to vote together with the holders of the Common Stock as a single class, in each case, on an as-converted basis, except where a separate class vote of the common stockholders is required by law. Holders of Series A Preferred Stock have certain limited special approval rights, including with respect to the issuance of *pari passu* or senior equity securities of the Company.

The Series A Preferred Stock is convertible at the option of the holders at any time after the closing of the Private Placement (the "Issue Date") into shares of Common Stock at an initial conversion rate of 55.9284 shares of Common Stock for each share of Series A Preferred Stock, which represents an initial conversion price of approximately \$17.88 per share of Common Stock, subject to adjustment. On or after the fifth anniversary of the Issue Date, the Company has the option to redeem, in whole but not in part, all the outstanding shares of Series A Preferred Stock, subject to certain redemption price adjustments on the basis of the date of the conversion. At the election of the Company, the Series A Preferred Stock is convertible, in whole but not in part, into the relevant number of shares of Common Stock on or after the 54th month after the Issue Date if the last reported sale price of the Common Stock has been at least 150% of the conversion price then in effect for a specified period. The conversion rate is subject to customary anti-dilution adjustments.

Options

Henry Cornell holds stock options to purchase 9,415 shares of Common Stock, which were issued to Mr. Cornell in his capacity as a director pursuant to the 2011 Omnibus Incentive Plan and the stock option agreement thereunder, a copy of which is attached hereto as Exhibit 5 and is incorporated herein by reference. These stock options are fully vested and expire on November 14, 2015. The exercise price of the options is \$24.07 per share.

The Shareholders' Agreement

In connection with the closing of the Private Placement the Company and the Purchaser have entered into a Shareholders' Agreement (a copy of which is attached hereto as Exhibit 3 and is incorporated herein by reference), establishing the obligations, rights and privileges of the parties with respect to the Series A Preferred Stock, including but not limited to the following:

Observer Rights; Director Designation Rights

For so long as the Purchaser maintains at least 33% of its original investment percentage in the Company, the Purchaser has the right to appoint a single representative, in a non-voting observer capacity, to attend all meetings of the board of directors of the Company (the “Board”), subject to certain exceptions and, following the third anniversary of the Issue Date, to designate one person to serve as a director on the Board. The Purchaser also has certain Board representation rights in the event that dividends payable on the Series A Preferred Stock are in arrears for six or more quarterly periods.

Restrictions on Transfer

The Shareholders’ Agreement contains certain restrictions on the Purchaser in connection with the transfer of the Series A Preferred Stock and the Common Stock issued upon conversion of such Series A Preferred Stock. During the five year period following the Issue Date, the Purchaser may not transfer the Series A Preferred Stock, except for certain permitted transfers. In addition, other than in connection with certain permitted transfers, the Purchaser may not transfer shares of Common Stock issued upon the conversion of the Series A Preferred Stock to any person which would hold, following the transfer, more than 4.9% of the Common Stock (prior to the fifth anniversary of the Issue Date) or more than more than 14.9% of the Common Stock (on and after the fifth anniversary of the Issue Date).

Registration Rights

In addition, the Purchaser has certain registration rights, including customary demand and piggyback registration rights in respect of the shares of Series A Preferred Stock and any shares of Common Stock issued upon

conversion of the Series A Preferred Stock. The Shareholders' Agreement contains customary terms and conditions, including indemnification obligations. If the Company does not fulfill its obligations under the Shareholders' Agreement, the Company is required to pay certain liquidated damages to the holders of the Series A Preferred Stock.

Standstill

During the five years following the Issue Date, the Purchaser may not, among other things, acquire any equity securities of the Company or its subsidiaries, enter into any merger, business combination, recapitalization, restructuring or other extraordinary transaction involving the Company or its subsidiaries, participate in any solicitation of proxies to vote, or seek to advise or influence any person with respect to the voting of, any securities of the Company or form, join or in any way participate in a group with respect to the voting of any securities of the Company. The standstill will terminate when the Purchaser's ownership percentage in the Company falls below 10%, in the case of certain insolvency events with respect to the Company and in certain customary circumstances relating to a change of control transaction or the making or announcement of a proposal with respect to a change of control transaction.

Voting of Shares

The Purchaser is entitled to vote its securities in its sole discretion except that, prior to the fifth anniversary of the Issue Date, the Purchaser will cast all votes that it is entitled to cast for the directors nominated by the Board.
