Item 5. Other Events.

On November 14, 2003, Equistar Chemicals, LP ("Equistar"), filed with the Securities and Exchange Commission a registration statement on Form S-4 that included its consolidated balance sheets and statements of partners' capital at December 31, 2002 and 2001 and its consolidated statements of income and cash flows for each of the years in the three-year period ended December 31, 2002. These financial statements reflect the adoption in 2003 of Statement of Financial Accounting Standards No. 145, "Rescission of FASB Statements No. 4, 44, and 64, Amendment of FASB Statement No. 13, and Technical Corrections." Note 2 to those financial statements describes the impact of the adoption of this accounting standard on Equistar. Because Equistar's financial statements for these years were included in Millennium's 2002 Annual Report on Form 10-K, revised financial statements of Equistar, so filed by Equistar on November 14, 2003, are being filed by Millennium as Exhibit 99.1 to this Current Report on Form 8-K. In the opinion of Millennium's management, the revision to Equistar's financial statements does not impact or change Millennium's financial results.
