### ITEM 1. CHANGES IN CONTROL OF REGISTRANT.

On August 9, 2004 Oneida Ltd. (the "Company") completed the comprehensive restructuring of its existing indebtedness with its lenders. This restructuring included the conversion of \$30 million of principal amount of debt into an issuance of a total of 29,852,907 shares of the common stock of the Company to the individual members of the lender group or their respective nominees identified on Schedule 1 of Exhibit 10.7 hereto (the "New Shareholders"). The common shares were issued to the respective lenders or their respective nominees in blocks of shares proportionate to the amount of debt held by each lender as set forth on Schedule 1 of Exhibit 10.7 hereto. As of August 9, 2004, these 29,852,907 shares of common stock represented approximately 62% of the outstanding shares of common stock of the Company. As part of the debt to equity conversion the Company's Board of Directors (the "Board") will be reorganized so that the New Shareholders will designate 6 of the Board's 9 members. A majority of the Board will remain independent. It is anticipated that the Board reorganization will be completed within 60 days.

In addition to the debt to equity conversion, the Company received a new \$30 million revolving credit facility from the lenders and restructured the balance of the existing indebtedness into a Tranche A loan of approximately \$125 million and a Tranche B loan of approximately \$80 million. All of the restructured bank debt is secured by a first priority lien over substantially all of the Company's and its domestic subsidiaries' assets.

The Tranche A loan will mature in three years and require amortization of principal based on available cash flow for the first two years and fixed amortization of \$1.5 million per quarter in the third year. Interest on the Tranche A loan will accrue at LIBOR (London InterBank Offered Rate) plus 6%-8.25% depending on a leverage to cash flow formula.

The Tranche B loan will mature in 3-1/2 years with no required amortization. Interest on the Tranche B loan will accrue at LIBOR plus 13% with a maximum interest rate of 17%. Interest for the first year will not be payable in cash, but will be added to the principal balance of the Tranche B loan. For the second year, 70% of interest will be added to the principal balance, and for the third year up to 30% of interest will be so added. Interest will be payable in cash thereafter.

### ITEM 5. OTHER EVENTS.

On July 28, 2004, the Board of Directors of Oneida Ltd. (the "Company") approved the amendment of the Amended and Restated Rights Agreement (the "Rights Agreement") dated as of December 3, 1999 between the Company and American Stock Transfer & Trust Company (the "Rights Agent"). The Company has delivered to the Rights Agent the amendment of the Rights Agreement and Certification of Compliance with Section 26 dated August 9, 2004 directing the Rights Agent to amend the Rights Agreement as provided below.

Section 7(a) of the Rights Agreement is amended by deleting clause (ii) thereof and replacing it with the following: "(ii) simultaneously with the execution and delivery of the securities exchange agreement dated as of August 9, 2004 among the Company and the purchasers set forth on Schedule 1 thereto (the "Securities Exchange Agreement") and the consummation of the transactions contemplated thereby." The effect of this amendment is to revise the expiration date of the rights covered by the Rights Agreement so that such expiration date coincides with the execution and delivery of the Securities Exchange Agreement.

The foregoing description of the amendment and its effects does not purport to be complete and is qualified in its entirety by reference to such Exhibit 4 and the Agreement.
