**INFORMATION TO BE INCLUDED IN THE REPORT**

**Item 1.01. Entry into a Material Definitive Agreement**

On April 27, 2005, we entered into a consulting services agreement with an individual to provide us with certain advisory and business development services.

In consideration of his services, we issued warrants to purchase 500,000 shares of our common stock to the consultant (the Initial Warrants ). The exercise price per share for these Initial Warrants is equal to the closing price per share of our common stock on April 27, 2005 (the Initial Warrants ). We also issued warrants to purchase an additional 500,000 shares of our common stock at an exercise price of \$2.00 per share (the Secondary Warrants ). The Initial Warrants and the Secondary Warrants will expire after 10 years.

One Hundred Thousand (100,000) Initial Warrants vested and were immediately exercisable upon execution of the consulting services agreement. The remainder of the Initial Warrants and then the Secondary Warrants will vest, if at all, in increments of 100,000 warrants for each \$5,000,000 of net revenues that we recognize as a result of business generated through contacts that the consultant brings to us. We also agreed to register the underlying shares of common stock for resale with the U.S. Securities and Exchange Commission on a timely basis.

Copies of the Consulting Services Agreement and the warrant are attached as exhibits to this report.
