  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 2.01 Completion of Acquisition or Disposition of Assets**

On March 31, 2006, Advanced Energy Technologies, Inc. (AET), an indirect, wholly-owned subsidiary of UniSource Energy Corporation (UniSource Energy) completed the sale of all of the capital stock of Global Solar Energy, Inc. (Global Solar) to Solon AG and I-Sol Ventures GmbH.

The buyers paid \$16 million in cash, which was used to satisfy \$10 million of secured promissory notes held by a UniSource Energy subsidiary with the remainder paid to AET. UniSource Energy expects to record approximately \$1 million of after-tax losses related to the discontinued operations and disposal of Global Solar.

In addition to the cash purchase price, Global Solar granted AET a ten year option to purchase, for a nominal amount, between 5 and 10 percent of the common stock of Global Solar, determined on a fully diluted basis. The option is only exercisable after the seventh anniversary of the closing or upon the occurrence of certain events including a sale of all or substantially all of the assets of Global Solar, a merger, a change of control transaction, an initial public offering of Global Solar common stock or the payment by Global Solar of dividends in excess of specified amounts.
