Item 8.01 - Other Events.

TEP Rate Case Proceedings.

As previously reported, Tucson Electric Power Company (TEP) filed a rate case with the Arizona Corporation Commission (ACC) in July 2007. TEP requested that the rate case proceeding be concluded within 18 months in order for a rate increase to be effective no later than January 1, 2009.

On February 21, 2008 an ACC Administrative Law Judge (ALJ) issued an order modifying the rate case procedural schedule, providing a one week delay in the filing of ACC Staff and intervenor testimony. The start date for the rate case hearing before the ALJ did not change.

The new procedural schedule is as follows:

	Date
ACC Staff and intervenor testimony	February 29, 2008
TEP rebuttal testimony	April 1, 2008
ACC Staff and intervenor surrebuttal testimony	April 24, 2008
TEP rejoinder testimony	May 7, 2008
Rate case hearing before the ALJ	May 12, 2008

TEP believes that the revised procedural schedule provides sufficient time for new rates to be effective by January 1, 2009. TEP cannot predict the outcome of the rate case proceedings.
