Item 5. Other Events.

Agere Systems Inc. ("Agere") announced today that it will exit its optoelectronics business, which represented about 10 percent of the company's total revenues in the June quarter of fiscal 2002. Agere is seeking a buyer for all or parts of this business, but will discontinue optoelectronics operations no later than June 30, 2003.

The company will discontinue or sell operations in its facilities in Dallas, Texas, Alhambra and Irwindale, Calif.; and Matamoros, Mexico. As a result of this exit and the previously announced sale of the analog line card business, the company will not move manufacturing operations from its Reading and Breinigsville Pa., facilities to the Allentown, Pa. facility as previously planned. The company will also move its remaining IC wafer fabrication in Allentown to Orlando, Florida enabling it to consolidate all of its U.S. manufacturing operations in one facility.
