ANNUAL GENERAL MEETING OF SHAREHOLDERS
SEPTEMBER 17, 2003

GENERAL INFORMATION

This proxy statement and the accompanying form of proxy are being furnished to holders of the common shares (the "Common Shares") of Platinum Underwriters Holdings, Ltd. (the "Company") to solicit proxies on behalf of the Board of Directors of the Company for the 2003 Annual General Meeting of Shareholders (the "Annual Meeting") to be held at the Fairmont Hamilton Princess Hotel, 76 Pitts Bay Road, Pembroke HM 08 Bermuda, on Wednesday, September 17, 2003 at 10:00 a.m., local time. These proxy materials are first being mailed to shareholders on or about August 13, 2003.

The Board of Directors has fixed the close of business on August 1, 2003 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. As of such date, there were 43,024,000 Common Shares outstanding and entitled to vote. Each shareholder is entitled to one vote for each Common Share held of record on the record date with respect to each matter to be acted upon at the Annual Meeting, provided that if the number of "Controlled Shares" (as defined below) of any shareholder constitutes 10% or more of the combined voting power of the issued Common Shares (such holder, a

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

"10% Shareholder"), the vote of any such shareholder is limited to 9.9% of the voting power of the outstanding Common Shares pursuant to the Company's Bye-laws. "Controlled Shares" of any person refers to all Common Shares owned (i) directly, (ii) with respect to persons who are United States persons, by application of the attribution and constructive ownership rules of Sections 958(a) and 958(b) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), or (iii) beneficially, directly or indirectly, within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations thereunder.

As of the date of this proxy statement, the Company is aware of only two shareholders, The St. Paul Companies, Inc. ("St. Paul") and RenaissanceRe Holdings Ltd. ("RenaissanceRe"), which possess Controlled Shares requiring a reduction in each of their voting power to 9.9%. However, the applicability of such provisions may have the effect of increasing another shareholder's voting power to more than 9.9%, thereby requiring a corresponding reduction in such other shareholder's voting power. Because the applicability of the voting power reduction provisions to any particular shareholder depends on facts and circumstances that may be known only to the shareholder or related persons, the Company requests that any holder of Common Shares (other than St. Paul and RenaissanceRe) with reason to believe that it is a 10% Shareholder (as defined in the Company's Bye-laws and described above) contact the Company promptly so that the Company may determine whether the voting power of such holder's Common Shares should be reduced. By submitting a proxy, a holder of Common Shares (other than St. Paul and RenaissanceRe) will be deemed to have confirmed that, to its knowledge, it is not, and is not acting on behalf of, a 10% Shareholder. The directors of the Company are empowered to require any shareholder to provide information as to that shareholder's beneficial share ownership of Common Shares, the names of persons having beneficial ownership of the shareholder's Common Shares, relationships with other shareholders or any other facts the directors may consider relevant to the determination of the number of Controlled Shares attributable to any person. The directors may disregard the votes attached to Common Shares of any holder who fails to respond to such a request or who, in their judgment, submits incomplete or inaccurate information. The directors retain certain discretion to make such final adjustments that they consider fair and reasonable in all the circumstances as to the aggregate number of votes attaching to the Common Shares of any shareholder to ensure that no person shall be a 10% Shareholder at any time.

The presence, in person or by proxy, of holders of more than 50% of the Common Shares outstanding and entitled to vote on the matters to be considered at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. All of the proposals to be considered at the Annual Meeting will be decided by the affirmative vote of a majority of the voting power of the Common Shares present, in person or by proxy, at the Annual Meeting, and entitled to vote thereon. A hand vote will be taken unless a poll is requested pursuant to the Company's Bye-laws.

SOLICITATION AND REVOCATION

Proxies in the form enclosed are being solicited on behalf of the Board of Directors of the Company. Common Shares may be voted at the Annual Meeting by returning the enclosed proxy card or by attending the Annual Meeting and voting in person. The enclosed proxy card authorizes each of Steven H. Newman, Gregory E.A. Morrison and Michael E. Lombardozzi to vote the Common Shares represented thereby in accordance with the instructions given or, if no instructions are given, in their discretion. They may also vote such Common Shares to adjourn or postpone the meeting and will be authorized to vote such Common Shares at any adjournment or postponement of the Annual Meeting. Common Shares held in "street name" by a broker, bank or other nominee must be voted by the broker, bank or nominee according to the instructions of the beneficial owner of the Common

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

Shares.

Proxies may be revoked at any time prior to the Annual Meeting by giving written notice to the Secretary of the Company, by a duly executed proxy bearing a later date or by voting in person at the Annual Meeting. For Common Shares held in "street name" by a broker, bank or other nominee, new voting instructions must be delivered to the broker, bank or nominee prior to the Annual Meeting.

If a shareholder abstains from voting on a particular proposal, or if a shareholder's Common Shares are treated as a broker non-vote, those Common Shares will not be considered as votes cast in favor of or against the proposal but will be included in the number of Common Shares represented for the purpose of determining whether a quorum is present. Generally, broker non-votes occur when Common Shares held for a beneficial owner are not voted on a particular proposal because the broker has not received voting instructions from the beneficial owner, and the broker does not have discretionary authority to vote the Common Shares on a particular proposal. If a quorum is not present, the shareholders who are represented may adjourn the Annual Meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice need be given. An adjournment will have no effect on the business that may be conducted at the adjourned meeting.

The Company will bear all costs of this proxy solicitation. Proxies may be solicited by mail, in person, by telephone or by facsimile by officers, directors, and regular employees. The Company may also reimburse brokerage firms, banks, custodians, nominees and fiduciaries for their expenses to forward proxy materials to beneficial owners. The Company has retained Mellon Investor Services, LLC to assist in the solicitation of proxies and will pay a fee of \$6,000 plus reimbursement of out-of-pocket expenses for those services.

FORMATION OF THE COMPANY

The Company was formed in April 2002 to assume substantially all of the 2002 property and casualty reinsurance business and related assets of the reinsurance underwriting segment of St. Paul ("St. Paul Re"). The St. Paul Re business and assets were transferred to the Company concurrently with the completion by the Company of an initial public offering of the Common Shares and equity security units on November 1, 2002 (the "Public Offering"). The Company provides property and casualty reinsurance, operating through Platinum Underwriters Bermuda, Ltd. ("Platinum Bermuda"), Platinum Underwriters Reinsurance, Inc. ("Platinum US") and Platinum Re (UK) Limited ("Platinum UK").

DIRECTOR COMPENSATION

Currently, each director who is not an employee of the Company (other than Mr. Newman, whose compensation as Chairman of the Board is described below) receives an annual retainer of \$25,000 and an additional \$2,500 per meeting of the Board of Directors if the director attends in person, or an additional \$1,000 per meeting if the director attends by telephone. Each committee chairman who is not an employee of the Company (other than Mr. Newman) receives an additional \$5,000 per year, and each committee member who is not an employee of the Company receives \$1,500 per meeting of any committee attended by such member.

In light of the increase in duties and responsibilities of the directors occasioned by recent legislative initiatives related to corporate governance, commencing with the Annual Meeting and thereafter, each director who is not an employee of the Company (other than Mr. Newman) will receive an annual retainer of \$35,000. The Chairman of the Audit Committee will also receive \$20,000 per year, and each member of that committee who is not an employee of the Company will also receive \$10,000 per year. The Chairman of each other committee of the Board of Directors (other than Mr. Newman) will receive \$15,000 per year, and each member of those committees who is not an employee of the Company will receive \$7,500 per year. Each Director who is not an employee of the Company (other than Mr. Newman) will also receive an additional \$2,500 for attendance at each meeting of the Board and of any committee of which he is a member. In addition, under the Share Incentive Plan, each nonemployee director (other than Mr. Newman) will receive annually, on the date of the Annual General Meeting of Shareholders of the Company (beginning with the Annual Meeting), an option to purchase 5,000 Common Shares with an exercise price equal to the fair market value of the Common Shares on such date. This option will have a five-year term and will become exercisable on the first anniversary of the date of grant. Any Common Shares that become payable under an option award shall be paid from the shares previously authorized under the Share Incentive Plan, and shall be subject to the terms and conditions of such plan.

Mr. Newman entered into a letter agreement with St. Paul, dated March 1, 2002 and amended June 14, 2002, pursuant to which he agreed to serve as Chairman of the Board of Directors of the Company. This agreement was assigned to and assumed by the Company upon completion of the Public Offering. As Chairman, Mr. Newman is entitled to receive an annual fee of \$60,000, and a fee of \$5,000 for each meeting of the Board of Directors that he attends (not to exceed \$20,000 per year). Pursuant to the agreement, Mr. Newman received an option to purchase 975,000 Common Shares at \$22.50 per Common Share (the offering price of the Common Shares in the Public Offering) effective upon completion of the Public Offering. This option has a term of ten years and is exercisable in three equal annual installments beginning November 1, 2003.

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

Pursuant to the Share Unit Plan for Nonemployee Directors (the "Share Unit Plan"), 50% of all fees earned by a director who is not an employee of the Company or any of its affiliates (including retainer fees, meeting fees and committee fees) during each calendar quarter are automatically converted into that number of share units equal to the number of Common Shares which could have been purchased with such fees, based upon the closing price of the Common Shares on the last day of the calendar quarter. In addition to the 50% mandatory conversion, each nonemployee director may elect to have up to a total of 100% of his fees converted into share units, provided the election is made before the start of the calendar year in which the fees are earned. No Common Shares are actually purchased, but the value of the share units is dependent upon the market value of the Common Shares. A nonemployee director will receive distributions under the Share Unit Plan in respect of his share units, each such share unit valued at the then closing price of one Common Share, following the expiration of five calendar years following the year in which his fees were originally converted into share units, or following termination of his service on the

7

Board of Directors, if earlier. Each distribution under the Share Unit Plan will be made, at the discretion of the Board, either in cash or in Common Shares or some combination thereof. The Share Unit Plan provides that a total of 150,000 shares may be issued thereunder. As of August 1, 2003, the following non-employee directors had been credited with the following number of share units: Mr. Newman: 1,312 share units; Mr. Bank: 778 share units; Mr. Carmichael: 755 share units; Mr. Pruitt: 736 share units; Mr. Baldwin: 704 share units; and Mr. Currie: 189 share units.

Under the Share Incentive Plan, a non-qualified option to purchase 25,000 Common Shares at \$22.50 per Common Share (the offering price of the Common Shares in the Public Offering) was granted to each of the nonemployee directors (other than Mr. Newman) effective upon completion of the Public Offering. Each option has a ten-year term and is exercisable in three equal annual installments beginning November 1, 2003, except in the case of Mr. Currie, whose option is exercisable beginning May 13, 2004, the first anniversary of his election as a director.

MR. NEWMAN'S CONSULTING AGREEMENT

Mr. Newman entered into a letter agreement dated March 1, 2002 with St. Paul, which was assigned to and assumed by Platinum US upon completion of the Public Offering, pursuant to which he agreed to provide consulting services to Platinum US through February 28, 2005 (which date is automatically extended from year to year unless either party elects not to extend it). During the consulting term, Mr. Newman performs services as reasonably requested, including assisting with the establishment and development of Platinum US's reinsurance business, for which he receives an annual consulting fee of \$270,000. Pursuant to this agreement, Mr. Newman received a one-time cash incentive payment of \$100,000 from St. Paul and is eligible to receive for each year of the term of this consulting arrangement an annual incentive payment with a target of \$440,000 and a maximum of 200% of the target incentive payment. The objectives for this incentive are determined by the Compensation Committee in consultation with Mr. Newman and are based on the value of Mr. Newman's contributions as a consultant to Platinum US. Mr. Newman assigned all of his right, title and interest in the consulting agreement to SHN Enterprises, Inc., which Mr. Newman established for estate planning purposes and of which he is the sole shareholder. For 2002, SHN Enterprises, Inc. or Mr. Newman received from the Company, St. Paul or St. Paul Re \$45,000 in consulting fees and \$650,000 in respect of incentive payments. If Mr. Newman's consulting agreement is terminated by Platinum US for cause (as defined in the agreement), he will receive no further payments or benefits under

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

the consulting agreement other than amounts accrued prior to termination. Pursuant to the consulting agreement, during the time Mr. Newman serves as a consultant and for fifteen months thereafter, Mr. Newman is not permitted to be employed by, or to own, manage, operate or control, any entity which is primarily engaged in the reinsurance business, except that Mr. Newman is not prohibited from owning less than 5% of any publicly traded corporation. In addition, Mr. Newman has agreed, during the time he serves as a consultant and for two years thereafter, not to solicit any senior executive of the Company or Platinum US who served as such at the time of the termination of his consulting agreement. Mr. Newman would not be bound by either of these provisions if he is terminated without cause unless he receives a payment of \$350,000 from Platinum US. Mr. Newman is also subject to certain confidentiality provisions under the consulting agreement.

SHARE OWNERSHIP GUIDELINES

The Company has adopted share ownership guidelines requiring senior executives to accumulate and hold a meaningful level of share ownership in the Company, in order to align the interests of the Company's senior executives and the shareholders of the Company and to meet shareholder expectations that senior executives have a long-term commitment to share price performance. These guidelines apply to the Chief Executive Officer, Chief Underwriting Officer, Executive Vice Presidents and selected Senior Vice Presidents, as determined by the Compensation Committee. The level of share ownership for each executive under the guidelines is based on the executive's position with the Company, and will initially range from a minimum of 10,000 shares for Senior Vice Presidents to a minimum of 100,000 shares for the Chief Executive Officer. The Compensation Committee may adjust the levels from time to time. Until senior executives meet their ownership requirement, they must retain common shares representing a

8

certain percentage of the after-tax gain from the exercise of options or the after-tax value of other share compensation awards. This percentage ranges from 50% for Senior and Executive Vice Presidents to 75% for the Chief Executive Officer. Shares owned outright by or for the benefit of the executive, as well as other vested share compensation awards, are counted toward fulfilling the share ownership requirement. Common shares that are subject to unexercised stock options or to unvested share compensation awards are not counted toward satisfaction of the guideline levels, but are subject to the retention percentage requirement upon exercise or payment.

ARRANGEMENTS WITH FORMER PRESIDENT AND CHIEF EXECUTIVE OFFICER

Mr. Fadden entered into an employment agreement with St. Paul for a five-year term that began on March 4, 2002, subject to one-year renewal terms thereafter, pursuant to which he agreed to serve as the Company's President and Chief Executive Officer. Upon the completion of the Public Offering, St. Paul assigned all of its rights and obligations under the employment agreement to the Company. The employment agreement provided that Mr. Fadden would receive a base annual salary of at least \$650,000 following the Public Offering. He was also eligible to receive a target annual bonus of 125% of base salary and a maximum annual bonus of 200% of the target bonus following the Public Offering, and a minimum annual bonus of 125% of his base annual salary for 2002. The objectives for Mr. Fadden's annual bonus were to be determined by the Compensation Committee, in consultation with Mr. Fadden. The employment agreement provided for the purchase and maintenance by Platinum of a term life insurance policy in the amount of \$4 million payable to a beneficiary designated by Mr. Fadden. The agreement provided that Mr. Fadden was entitled to the reimbursement of reasonable Bermuda housing expenses, among other employee benefits and perquisites specified in the agreement. On June 1, 2002, Mr. Fadden received a sign-on bonus of \$250,000 from St. Paul. Mr. Fadden also received an initial grant of options to purchase up to 100,000 shares of St. Paul common stock, which were subject to the terms of the St. Paul 1994 Stock Plan and which were to vest in four equal annual installments on the first four anniversaries of the date of grant. Upon completion of the Public Offering, Mr. Fadden forfeited such St. Paul stock options to the extent they were unvested and received options to purchase 975,000 Common Shares with an exercise price equal to the offering price of the Common Shares in the Public Offering. In the event his employment were terminated due to death or "disability" (as defined in the agreement), he was to receive his base salary through the date of termination and an annual bonus (at target level), prorated through the date of termination. In addition, all outstanding options would immediately vest and would remain exercisable (but not beyond their term) for three years, in the case of a disability termination, and one year, in the case of death. In the event Mr. Fadden's employment were terminated under circumstances described in the agreement within two years after a change in control of the Company, Mr. Fadden would be entitled to certain severance benefits. Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

The Company entered into a Separation and Consulting Agreement with Mr. Fadden on May 13, 2003 following Mr. Fadden's resignation as President and Chief Executive Officer of the Company effective May 31, 2003. Under this agreement, Mr. Fadden agreed to provide consulting services to the Company relating to his previous responsibilities with the Company and the transition of these responsibilities to his successor through December 31, 2003. In consideration of the termination of and in accordance with his employment agreement, he received a payment of \$4,950,000 and all base salary and other amounts accrued or owing through the date of termination. Under the Separation and Consulting Agreement, the Company also agreed to pay termination fees and lease payments in connection with Mr. Fadden's residence in Bermuda and relocation expenses and paid Mr. Fadden a total of \$75,000 in respect thereof. The Separation and Consulting Agreement superceded all terms of Mr. Fadden's employment agreement, except that he continues to be bound by the terms of the confidentiality, non-competition and non-solicitation provisions under the employment agreement. In addition, pursuant to the terms of his Nonqualified Share Option Agreement, Mr. Fadden's options to purchase 975,000 Common Shares at \$22.50 per share became fully vested and exercisable effective as of June 1, 2003. These options expire on May 31, 2008.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors is currently composed of the four directors whose names appear at the end of this report. The Compensation Committee reviews the compensation policies and practices of the Company and its subsidiaries and the recommendations of the Chief Executive Officer concerning the compensation of those officers of the Company and its subsidiaries with a title more senior than Vice President, and makes recommendations to the Board with respect thereto. The Compensation Committee also reviews and approves the corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluates the Chief Executive Officer's performance in light of those goals and objectives and sets the Chief Executive Officer's compensation level based on such evaluation. The Compensation Committee grants awards under and oversees the administration of the Share Incentive Plan and the Capital Accumulation Plan in addition to reviewing the recommendation of the Chief Executive Officer concerning the aggregate amount available for the annual incentive bonus program and making a recommendation to the Board with respect thereto. The Compensation Committee has retained the services of a nationally recognized compensation consulting firm to assist it in its responsibilities and to advise management on compensation issues.

The goals of the Company's executive officer compensation policies are to attract, retain and motivate highly-qualified personnel and to reward achievement of specified financial performance objectives and enhancement of shareholder value. In particular, compensation is based on the level of job responsibility, individual performance and Company performance. As employees progress to higher levels in the organization, an increasing proportion of their total compensation is linked to Company performance. Compensation levels also reflect the value of the job in the marketplace. To attract and retain a highly skilled work force, the Company must remain competitive with the pay of other premier employers who compete with the Company for like talent. To assure that the interests of employees and shareholders are aligned, equity ownership is a significant component of the Company's compensation program. The Compensation Committee believes that the Company's compensation program fosters the long-term focus required for success in the Company's industry.

The Company's compensation program for its executive officers consists primarily of base salary, annual incentive compensation and options to purchase Common Shares, and is designed to align the interests of the executive officers and shareholders of the Company and to reward profitable underwriting results

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

and growth.

Prior to the Public Offering, employment or other agreements were entered into by St. Paul or St. Paul Re with each of the executive officers of the Company to ensure the continued retention of these key employees pending the successful completion of the Public Offering and the concurrent transfer of

15

St. Paul's 2002 reinsurance business to the Company. These agreements were assigned to the Company or one of its subsidiaries upon completion of the Public Offering.

BASE SALARIES

Base salaries for 2002 for all executive officers of the Company were determined pursuant to employment or other agreements between each executive officer and St. Paul or St. Paul Re, which agreements were assigned to the Company upon the completion of the Public Offering, as more fully described above under "Employment Arrangements."

ANNUAL INCENTIVE COMPENSATION

The Company's executive officers are eligible to receive annual bonuses designed to reward achievement of shorter-term corporate and individual goals.

The employment or other agreements for each of the executive officers of the Company specified certain minimum or target bonus opportunities for 2002. Final bonuses for executive officers were based on the successful completion of the Public Offering, the Company's solid financial results for the remainder of 2002, the recruitment of a new management team and the implementation of new underwriting standards, among other factors, and ranged from 128% to 174% of the target bonus opportunities.

OPTIONS

The Share Incentive Plan provides that the Compensation Committee has the authority in its discretion to grant awards thereunder in the form of options to purchase Common Shares, restricted Common Shares, share appreciation rights or share units. To date, all awards have been granted in the form of options to purchase Common Shares. The Compensation Committee believes that options provide a direct correlation between the interests of shareholders and executive officers because options have value only if the market price of the Common Shares increases over time. Options ensure that employees are oriented to growth over the long term.

In 2002, each of the executive officers received options effective upon the completion of the Public Offering with an exercise price equal to the offering price of the Common Shares in the Public Offering. The number of shares subject to the options granted to each executive officer was based upon his level of job responsibility and, in certain cases, was set forth in such executive officer's employment agreement as described under the heading "Employment Arrangements" above.

CHIEF EXECUTIVE OFFICER COMPENSATION

As the Company's former Chief Executive Officer, Mr. Fadden was compensated pursuant to an employment agreement entered into with St. Paul in March 2002 and amended in June 2002, which was assigned to the Company upon completion of the Public Offering. Mr. Fadden's employment agreement provided for an annual base salary of at least \$650,000 and an annual bonus for each year of his term, with

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

a target of 125% of base salary and a maximum of 200% of the target bonus. For 2002, the Compensation Committee awarded Mr. Fadden a bonus of \$1 million payable in cash. (This is in addition to a one-time cash sign-on bonus of \$250,000 paid by St. Paul Re in June 2002.) In determining the amount of Mr. Fadden's bonus, the Compensation Committee took into account the successful completion of the Public Offering and the Company's solid financial results for the remainder of 2002, including net income of \$6.4 million and a combined ratio of 91.6%. The Compensation Committee also awarded Mr. Fadden options, effective upon the completion of the Public Offering, to purchase 975,000 Common Shares at an exercise price equal to the offering price of the Common Shares in the Public Offering. This award was made in June 2002 to provide an incentive to successfully complete the Public Offering in a challenging stock market environment. Mr. Fadden's employment as the Company's President and Chief Executive Officer was terminated effective May 31, 2003 and, in connection therewith, the Company and Mr. Fadden entered into a Separation and Consulting Agreement which is described under the heading "Arrangements with Former President and Chief Executive Officer" above.

INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Code imposes a limitation of \$1 million per year on the corporate income tax deduction for compensation paid to the Company's named executive officers that would otherwise be deductible by Platinum US. Among other exceptions, the deduction limit does not apply to compensation that meets the specified requirements for "performance-based compensation."

The Company's share option program is designed to meet the requirements for performance-based compensation. The Compensation Committee currently intends to structure the Company's other incentive compensation programs taking into consideration the requirements of Section 162(m). Towards that end, the Company is proposing that shareholders approve the 162(m) Performance Incentive Plan to comply with Section 162(m). See "Proposal 4 -- Approval of 162(m) Performance Incentive Plan" below. However, the deductibility of compensation is only one factor that the committee expects to consider in assessing whether a particular arrangement is appropriate given the goal of motivating executives to achieve corporate objectives and increase shareholder value.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Pruitt, Bank, Carmichael and Fishman currently serve on the Compensation Committee of the Board of Directors of the Company. Mr. Fishman is Chairman, Chief Executive Officer and President of St. Paul, which, as of August 1, 2003, beneficially owned 27.9% of the outstanding Common Shares of the Company (the voting power of which is limited to 9.9% of the voting power of the outstanding Common Shares pursuant to the Company's Bye-laws) and has entered into various agreements with the Company, as described below under "Related Party Transactions."

RELATED PARTY TRANSACTIONS

TRANSACTIONS WITH ST. PAUL AND ITS SUBSIDIARIES

Concurrently with the completion of the Public Offering on November 1, 2002, the Company issued 6,000,000 Common Shares (or 14% of the outstanding Common Shares) to St. Paul in a private placement pursuant to a Formation and Separation Agreement dated as of October 28, 2002 between the Company and St. Paul (the "Formation Agreement"). The voting power of these Common Shares is limited to 9.9% of the voting power of the outstanding Common Shares, pursuant to the Bye-laws of the Company. St. Paul also received an option to purchase up to 6,000,000 additional Common Shares at any time during the ten years following the Public Offering at a price of \$27.00 per share (the "St. Paul Option"). In

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

return for the Common Shares and the St. Paul Option, St. Paul contributed to the Company cash in the amount of \$122 million and substantially all of the 2002 reinsurance business and related assets of St. Paul Re, including all of the outstanding capital stock of Platinum US. Among the fixed assets transferred were furniture, equipment, systems and software, and the intangible assets included broker lists, contract renewal rights and licenses. In addition, St. Paul has an obligation to reimburse the Company for up to \$4.5 million for certain expenses in connection with the Company's first year of operations. The Formation Agreement contains provisions regarding indemnification of each of St. Paul and the Company by the other, restrictions on St. Paul regarding competition with the Company and the transfer or acquisition of Common Shares in certain circumstances, and requirements relating to pre-emptive rights and participation in Common Share buy-back programs. The Formation Agreement provided that the Company and its subsidiaries enter into several agreements with St. Paul and its subsidiaries, as described below.

The Company entered into a registration rights agreement with St. Paul as of November 1, 2002, pursuant to which St. Paul has the right to require the Company, subject to certain specified exceptions, on four occasions to register under the Securities Act, any Common Shares owned by St. Paul or its affiliates for sale in a public offering beginning as of November 1, 2003, unless the Company consents to an earlier date. Pursuant to this agreement, the Company has also agreed to use its reasonable best efforts to enable St. Paul from and after the third anniversary of the completion of the Public Offering to distribute the Common Shares it beneficially owns in an offering on a continuous or delayed basis pursuant to a registration statement under the 1933 Act. After November 1, 2006, St. Paul will have the right to an additional two demand registrations if St. Paul beneficially owns more than 9.9% of the Common Shares then outstanding. Each demand must include a number of Common Shares with a market value equal to at least \$50 million, except that this limitation will not apply to St. Paul's last demand registration.

Certain subsidiaries of the Company entered into several quota share retrocession agreements with subsidiaries of St. Paul, pursuant to which St. Paul's subsidiaries transferred the liabilities, related assets and rights and risks under substantially all of the reinsurance contracts entered into by St. Paul's subsidiaries on or after January 1, 2002, excluding certain liabilities relating to the flooding in Europe in August 2002, named storms in existence at the time of the completion of the Public Offering, and business underwritten in London for certain financial services companies (the "Quota Share Retrocession Agreements"). These agreements provided for the transfer to subsidiaries of the Company of cash and other assets aggregating approximately \$485,687,000, which represents substantially all of the existing 2002 underwriting year loss reserves, excluding certain liabilities retained by St. Paul, allocated loss adjustment expense reserves, other reserves related to non-traditional reinsurance treaties, unearned premium reserves

21

(subject to agreed upon adjustments) and other related reserves, which relate to contracts entered into on and after January 1, 2002, as of the date of the transfer and 100% of future premiums (less any ceding commission under the Quota Share Retrocession Agreements) associated with the transferred reinsurance contracts relating to periods after the date of the transfer. Trusts have been established and funded to secure Platinum US's reinsurance obligations to St. Paul's subsidiaries.

Platinum US and St. Paul Fire and Marine Insurance Company, a wholly owned subsidiary of St. Paul ("St. Paul Fire and Marine"), entered into a US Underwriting Management Agreement dated as of November 1, 2002, pursuant to which Platinum US has the right for a period of one year following completion of

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

the Public Offering to underwrite specified reinsurance business on behalf of St. Paul Fire and Marine in cases where Platinum US has been unable to underwrite that business because it has not obtained a necessary regulatory license or approval to do so, or Platinum US has not yet been approved as a reinsurer by the cedent. Such business will be reinsured pursuant to the Quota Share Retrocession Agreements. In addition, Platinum US has authority to write renewals of certain non-traditional reinsurance contracts for a period of three years on behalf of St. Paul Fire and Marine or Mountain Ridge Insurance Company, a wholly owned subsidiary of St. Paul. Platinum US bears all the expenses incurred in underwriting and administering traditional and non-traditional business that it reinsures. St. Paul Fire and Marine is required to pay the direct and reasonable indirect costs of non-traditional business not reinsured by Platinum US. Platinum UK and St. Paul Reinsurance Company Limited ("St. Paul Re UK") entered into a similar agreement dated as of November 1, 2002 providing Platinum UK with substantially the same rights to underwrite business on behalf of St. Paul UK.

In addition, St. Paul Re UK, St. Paul Management Limited and Platinum UK entered into a UK Business Transfer Agreement under which Platinum UK acquired the reinsurance business of St. Paul Re UK, together with the associated customer lists and goodwill (other than the assumption of liability for, or the management of, existing reinsurance contracts entered into by St. Paul Re UK on or prior to November 1, 2002). Platinum UK is entitled to write reinsurance business for its own account and benefit in succession to St. Paul Re UK. In consideration for the transfer, a portion of the St. Paul Option, covering 894,260 Common Shares with an aggregate exercise price of \$8,119,881, was allocated to St. Paul Re UK. Pursuant to the agreement, St. Paul Re UK reimbursed Platinum UK for a prorated portion of the 2002 annual bonuses of eligible employees of Platinum UK who would have been eligible to receive bonuses from St. Paul Re UK in the amount of approximately \$699,128.

The Company and Platinum UK entered into Master Services Agreements with St. Paul and St. Paul Re UK pursuant to which St. Paul and its subsidiaries provide certain services, including accounting, payroll administration, human resources management and systems support, at cost until the Company and Platinum UK deem it no longer necessary. The Company's Master Services Agreement, which originally was scheduled to terminate on June 30, 2003, was amended by the parties to extend until June 30, 2004 with respect to certain services. The Company and Platinum UK are required to pay St. Paul and St. Paul Re UK a total of \$147,025 for services provided in 2002 under the Master Services Agreements. The Company and Platinum UK also entered into Run-off Services Agreements with St. Paul and St. Paul Re UK, pursuant to which the Company and Platinum UK, for a period of up to two years following completion of the Public Offering, provide St. Paul and St. Paul Re UK with specified services at cost in administering the run-off of certain reinsurance contracts. St. Paul and St. Paul Re UK paid the Company and Platinum UK approximately \$366,125 for services provided in 2002 under the Run-off Services Agreements.

Pursuant to the Employee Benefits and Compensation Matters Agreement, St. Paul transferred certain of its employees to the Company. The agreement provides for the allocation of assets and liabilities and certain other agreements with respect to employee compensation and benefit plans. In addition, St. Paul is required to reimburse the Company in the amount of \$4,328,676, representing a prorated portion of the 2002 annual bonuses of eligible employees of Platinum US and Platinum Bermuda who would have been eligible to receive bonuses from St. Paul. The agreement also provides that St. Paul shall reimburse the Company for severance payments made pursuant to the terms of the St. Paul Enhanced Severance Program to employees transferred from St. Paul who were terminated within 90 days following

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

completion of the Public Offering. St. Paul is required to pay the Company \$898,880 in respect of those severance payments. In addition, the agreement provides that St. Paul will reimburse the Company pro rata for any retention bonuses that are paid to certain employees of the Company.

The Company was granted a royalty-free, limited, non-sublicensable (except to the Company's operating subsidiaries), non-transferable, exclusive license to use certain St. Paul trademarks and service marks in connection with the Company's reinsurance business until November 1, 2003 pursuant to the Transitional Trademark License Agreement.

The Company entered into sublease agreements with St. Paul or one of its subsidiaries under which subsidiaries of the Company sublease office space in New York and London at a rate equivalent to St. Paul's cost. A total of \$532,045 was paid under those agreements for 2002.

TRANSACTIONS WITH RENAISSANCERE

Concurrently with the completion of the Public Offering, the Company sold 3,960,000 Common Shares (or 9% of the outstanding Common Shares) to RenaissanceRe at a price of \$22.50 per share less the underwriting discount (the "RenaissanceRe Investment") in a private placement pursuant to the Investment Agreement. In addition, RenaissanceRe received an option to purchase up to 2,500,000 additional Common Shares at any time during the ten years following the Public Offering at a purchase price of \$27.00 per share. The Investment Agreement provides that, for so long as RenaissanceRe beneficially owns Common Shares representing at least 62.5% of the Common Shares purchased pursuant to the Investment Agreement, one qualified person designated by RenaissanceRe, who is reasonably acceptable to the Company, but not an officer, director or employee of RenaissanceRe or any of its subsidiaries, will be nominated by the Company for election as a director of the Company at each shareholder meeting at which directors are elected and the Company shall use commercially reasonable efforts to cause this director's appointment to the Executive Committee and, subject to applicable law, rules or regulations, the Governance Committee of the Board of Directors of the Company. The Investment Agreement also provides that, for so long as RenaissanceRe beneficially owns Common Shares representing at least 62.5% of the Common Shares purchased pursuant to the Investment Agreement, RenaissanceRe will have the right to designate a representative to attend (but not to vote at) meetings of the Board of Directors and to receive notices, agendas, minutes and all other materials distributed to participants at such meetings.

The Company and RenaissanceRe entered into a Transfer Restrictions, Registration Rights and Standstill Agreement as of November 1, 2002, pursuant to which, prior to November 1, 2003, RenaissanceRe may not transfer any interest in the Common Shares it purchased pursuant to the Investment Agreement except under certain conditions. Under this agreement, RenaissanceRe will have the right to require the Company, subject to certain specified exceptions, on four occasions to register under the 1933 Act any Common Shares owned by RenaissanceRe or its affiliates for sale in a public offering beginning as of November 1, 2003 unless the Company consents to an earlier date. The Company has also agreed to use its reasonable best efforts to enable RenaissanceRe, from and after the third anniversary of the completion of the Public Offering, to distribute the Common Shares it beneficially owns in an offering on a continuous or delayed basis pursuant to a registration statement under the 1933 Act. After November 1, 2006, RenaissanceRe will have the right to an additional two demand registrations if RenaissanceRe beneficially owns more than 9.9% of the Common Shares then outstanding. Each demand must include a number of Common Shares with a market value equal to at least \$50 million, except that this limitation will not apply to RenaissanceRe's last demand registration. This agreement also contains provisions regarding indemnification of each of RenaissanceRe and the Company by the other, restrictions on RenaissanceRe regarding the acquisition of Common

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

Shares in certain circumstances, and requirements relating to pre-emptive rights and participation in Common Share buy-back programs.

The Company entered into a five-year Services and Capacity Reservation Agreement with RenaissanceRe, effective October 1, 2002, pursuant to which RenaissanceRe provides services to the subsidiaries of the Company in connection with its property catastrophe book of business. At the Company's request, RenaissanceRe will analyze the Company's property catastrophe treaties and contracts

23

and will assist the Company in measuring risk and managing the Company's aggregate catastrophe exposures. Based upon such analysis, RenaissanceRe will furnish quotations at the Company's request for rates for non-marine non-finite property catastrophe retrocessional coverage with aggregate limits up to \$100 million annually, either on an excess-of-loss or proportional basis. The Company and RenaissanceRe may then enter into retrocessional agreements on the basis of the quotations. The fee for the coverage commitment and the services provided by RenaissanceRe under this agreement is \$4 million at inception and at each anniversary, adjusted to 3.5% of the Company's gross written non-marine non-finite property catastrophe premium for the previous annual period, if such amount is greater than \$4 million. Either party may terminate this agreement if the other is deemed impaired or insolvent by applicable regulatory or judicial authorities or is the subject of conservation, rehabilitation, liquidation, bankruptcy or similar insolvency proceedings. The Company paid a total of \$4 million to RenaissanceRe pursuant to this agreement for 2002.

Platinum Bermuda entered into a Referral Agreement with Renaissance Underwriting Managers Ltd. ("RUM"), a subsidiary of RenaissanceRe, effective November 1, 2002 (the "Referral Agreement"), pursuant to which RUM provides referrals of treaty and facultative reinsurance contracts to Platinum Bermuda (the "Referred Contracts"). Under the Referral Agreement, Platinum Bermuda has the opportunity to quote on Referred Contracts that would not otherwise be presented to Platinum Bermuda in the normal course. Under the Referral Agreement, Platinum Bermuda pays RUM an annual finder's fee and, in certain circumstances, a profit commission for Referred Contracts actually bound by Platinum Bermuda in accordance with formulas set forth in the Referral Agreement. Under the Referral Agreement, RUM may elect, at the time it refers a Referred Contract, to cause Platinum Bermuda to retrocede up to 30% of such Referred Contract actually bound by Platinum Bermuda (the "RenRe Retro Share"). The finder's fee and any profit commission due to RUM under the Referral Agreement is reduced by the amount of the RenRe Retro Share. The RenRe Retro Share may be subject to an aggregate loss ratio cap that will limit the maximum liability of RenaissanceRe to 225% of Gross Premium Written (as defined in the Referral Agreement) for each annual period. The Referral Agreement expires on October 31, 2007. No amounts were paid to RUM under the Referral Agreement in 2002. Subject to the approval of the Maryland Insurance Administration, Platinum US intends to enter into a similar agreement with RUM.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is currently composed of the three directors whose names appear at the end of this report. The members are independent as defined in the New York Stock Exchange's listing standards, which provide, among other things, that directors shall have no relationship with the Company that may interfere with the exercise of their independence from management and the Company. The Board of Directors has determined that the members of the Audit Committee also meet the qualifications set forth in the New York Stock Exchange's listing standards regarding financial literacy and accounting or related financial management expertise.

The Audit Committee is responsible for, among other things, reviewing with management and the independent auditors the audited financial statements to be included in the Company's Annual Report on Form 10-K, reviewing with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications With Audit Committees," as amended by Statement on Audit Standards No. 90, "Audit Committee Communications" ("SAS No. 61") and recommending whether the audited financial statements should be included in the Company's Annual Report on

24

Form 10-K. The Company's management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls.

In this context, the Audit Committee has reviewed and discussed the Company's audited financial statements as of December 31, 2002 and for the period from April 19, 2002 to December 31, 2002 with management and KPMG LLP, the Company's independent auditors, and the Audit Committee has discussed with KPMG LLP the matters required to be discussed by SAS No. 61, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the disclosures in the financial statements.

KPMG LLP reported to the Audit Committee regarding the critical accounting policies and practices used in the preparation of the audited financial statements as of December 31, 2002 and for the period from April 19, 2002 to December 31, 2002; any alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with management, including the ramifications of the use of such alternative treatments and the treatment preferred by KPMG LLP; and any material written communications between KPMG LLP and management.

KPMG LLP also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as adopted by the Independence Standards Board, and the Audit Committee discussed with KPMG LLP its independence. When considering KPMG LLP's independence, the Audit Committee considered, among other matters, whether KPMG LLP's provision of non-audit services to the Company is compatible with maintaining the independence of KPMG LLP.

Based on the reviews and discussions with management and KPMG LLP referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements as of December 31, 2002 and for the fiscal year then ended be included in the Company's Annual Report on Form 10-K for such fiscal year. The Audit Committee also recommended to the Board of Directors that KPMG LLP be selected as independent auditors of the Company for the year 2003,

PROPOSAL 4 -- APPROVAL OF SECTION 162(M) PERFORMANCE INCENTIVE PLAN

The Board of Directors recommends that the shareholders approve the Company's Section 162(m) Performance Incentive Plan (the "Plan"), which has been adopted by the Board of Directors subject to

27

shareholder approval. The Plan will enable the Company to provide incentive compensation to certain executive officers of the Company whose compensation is tax deductible for U.S. federal income tax purposes in a manner that qualifies for deduction as "performance-based compensation" under Section 162(m) of the Internal Revenue Code. (See "Internal Revenue Code Section 162(m)" under "Compensation Committee Report" above). If approved by the shareholders, the Plan will become effective on January 1, 2004. If shareholder approval is not obtained, the Plan will not take effect. The Plan does not represent the sole means by which the Company may provide incentive compensation to its executive officers or other employees.

The following is a summary of the material terms of the Plan. This description is qualified by reference to the full text of the Plan, which is attached hereto as Annex B.

DESCRIPTION OF THE PLAN

Purpose. The purpose of the Plan is to provide a means of determining incentive compensation for certain of the Company's executive officers in a manner that qualifies as "performance-based compensation" within the meaning of Section 162(m). The Plan will be coordinated with the Company's incentive compensation plans for executive officers who are not covered by Section 162(m) to provide for a consistent means of determining incentive compensation for the senior management.

Administration. The Plan will be administered by the Compensation Committee of the Board (or other committee designated the Board) or subcommittee thereof which must consist solely of two or more directors who qualify as "outside directors" within the meaning of Section 162(m) (the "Committee"). The Committee may delegate to any appropriate officer or employee of the Company responsibility for certain ministerial functions (but not the exercise of discretion) under the Plan.

Eligibility. Eligibility to participate in the Plan is limited to the executive officers of the Company who are or may become "covered employees" under Section 162(m), in the determination of the Committee. Eligible employees who are designated by the Committee will become participants under the Plan.

Awards. The Plan permits the grant of both short-term (annual) incentive awards and long-term incentive awards. Awards may be denominated by reference to a cash amount (a "Cash-Based Award") or by reference to a number of Common Shares, including restricted shares or share units (a "Share-Based Award"). A participant's right to payment of an award is contingent upon the achievement of pre-established performance goals relating to objective performance criteria established by the Committee for the performance period of the award. The performance period for an award will be determined by the Committee, but will be no longer than five years. A participant may receive an award with respect to more than one performance period under the Plan, which periods may be overlapping.

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

Maximum Awards. The maximum amount of payment under all Cash-Based Awards payable to any one participant during any one calendar year is limited under the Plan to \$3,000,000. The maximum number of Common Shares that may be subject to all Share-Based Awards granted to any one participant during any one calendar year is limited under the Plan to 100,000 shares.

Performance Criteria. The business criteria upon which the performance goals under an award may be based will be one or the combination of the following, as determined by the Committee: net income, earnings per share, operating income, book value per share, return on equity, stock price performance, cash flow and/or underwriting gain or loss. These criteria will be measured in accordance with accounting principles generally accepted in the United States, Statutory Accounting Principles (as defined in the Plan), if applicable, or such other objective measure as established by the Committee at the time of the award.

Performance Goals. For each award granted under the Plan, before the 90th day of the performance period, the Committee will determine the type of award, the duration of the performance period, the performance criteria, the applicable performance goals relating to the performance criteria, and the amount and terms of payment to be made upon achievement of the performance goals. The performance goals

28

may be applied on an absolute or relative basis to an identified index or peer group, as specified by the Committee. The performance goals must be objective and preclude the use of discretion to increase the amount of an award. The performance goals may be applied by the Committee after excluding charges for restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring items, and the cumulative effects of accounting changes, each as determined in accordance with accounting principles generally accepted in the United States or Statutory Accounting Principles, if applicable, provided the adjustments are specified at the time the award is established.

Payment of Awards. Following the completion of a performance period for an award, the Committee will certify in writing the degree of achievement of the performance goals. The amount payable to a participant under any award upon the achievement of the performance goals may be decreased, but may not be increased, in the discretion of the Committee, based on such factors as it may consider appropriate. An award may be paid out in any combination of cash or Common Shares, including restricted shares, or share units, in the discretion of the Committee. Payment of awards may be deferred or subject to such additional requirements as the Committee may determine. Any Common Shares that become payable under an award shall be paid from the shares previously authorized under the Share Incentive Plan, and shall be subject to the terms and conditions of such plan.

Plan Amendment. The Plan may from time to time be amended, suspended or terminated, in whole or in part, by the Board, provided that no such action shall adversely affect the rights of a participant with respect to outstanding awards. A plan amendment will be subject to shareholder approval if necessary to satisfy the requirements of Section 162(m).

New Plan Benefits. The terms of awards under the Plan are to be determined based upon the discretion of the Committee. Since no such determinations have yet been made and since the actual value of future awards will be based upon the future performance of the Company, the benefits or amounts that will be received by or allocated to eligible employees cannot be determined at this time.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE COMPANY'S SECTION 162(M) PERFORMANCE INCENTIVE PLAN.

Notwithstanding anything else contained in the Plan to the contrary, the Committee shall have the right, in its discretion, (i) to reduce or eliminate the amount otherwise payable to any Participant under an Award and (ii) to establish rules or procedures that have the effect of limiting the amount payable to any Participant to an amount that is less than the maximum amount otherwise payable under an Award. The Committee shall not have discretion to increase the amount that is otherwise payable to any Participant under an Award.

SECTION 5. PAYMENT OF AWARDS

(a) Certification. Following the conclusion of the Performance Period of an Award, the Committee shall certify in writing whether the Performance Goals for that Performance Period have been achieved, or certify the degree of achievement, if applicable.

(b) Payment. Upon certification of the Performance Goals for a Cash-Based Award, the Committee shall determine the amount of payment to the Participant pursuant to the Award, if any. Upon certification of the Performance Goals for a Share-Based Award, the Committee shall determine the number of Common Shares, Restricted Shares and/or Share Units payable to the Participant pursuant to the Award, if any. Notwithstanding the foregoing, both Cash-Based Awards and Share-Based Awards may be paid in any combination of cash, Common Shares, Restricted Shares and/or Share Units, as determined by the Committee in its discretion, based upon the Fair Market Value of the Common Shares at the time of payment.

(c) Share Restrictions. Any Common Shares, Restricted Shares or Share Units payable in respect of an Award shall be subject to such terms, conditions, restrictions and/or limitations as the Committee shall determine in its discretion. Any Common Shares that become payable under an Award shall be paid from the Common Shares authorized under the Company's 2002 Share Incentive Plan, and shall be subject to the terms and conditions of such plan.

(d) Employment Requirement. In the event of the termination of employment of a Participant with the Company or a subsidiary before the payment of an Award, the Award shall be forfeited and automatically be cancelled without further action of the Company or the Committee, subject to such conditions as

may be approved by the Committee for certain circumstances of termination of employment, such as death or disability, if approved by the Committee in its sole discretion.

(e) Tax Withholding. Any payment under this Plan shall be subject to applicable federal, state or local income and employment taxes and any other amounts that the Company is required by law to deduct and withhold from such payment.

(f) Deferral of Payments. The Committee may in its discretion grant an Award that provides a Participant the opportunity to elect in writing to defer up to 100% of the payment of amounts payable under the Award, with the election to be made in the manner specified by the Committee. The Committee may in its discretion provide for interest or other investment return on any such deferred amounts.

SECTION 6. GENERAL PROVISIONS

(a) Effective Date. Subject to the approval of the Company's shareholders, the Plan shall be effective with respect to calendar years beginning on or after January 1, 2004.

(b) Amendment and Termination. The Company may, from time to time, by action of the Board, amend, suspend or terminate any or all of the provisions of the Plan, but no such amendment, suspension or termination shall adversely affect the rights of any Participant with respect to Awards then outstanding. Notwithstanding the foregoing, no amendment will be effective without shareholder approval if such approval is required to satisfy the requirements of Section 162(m). For purposes of Section 162(m), the material terms of the Plan must be re-approved by the shareholders no later than the 2008 Annual General Meeting of Shareholders.

Nothing contained in the Plan shall prohibit the Company or any subsidiary from establishing other additional incentive compensation arrangements for one or more employees of the Company or from paying compensation outside of the terms of the Plan, whether or not such compensation qualifies as performance-based compensation under Section 162(m).

(d) No Right to Employment. Nothing in the Plan shall be deemed to give any Participant the right to remain employed by the Company or any subsidiary or to limit, in any way, the right of the Company or any subsidiary to terminate, or to change the terms, of a Participant's employment at any time.
