ELECTION OF DIRECTORS

[ITEM (1) ON PROXY CARD]

ITEM 1

The Board of Directors currently consists of thirteen members divided into three classes with overlapping three-year terms. In accordance with the Company's policy on the age limitations for directors, Mr. Joe B. Foster and Mrs. Hazel Gluck are retiring from the Board of Directors after ten years of service and nine years of service, respectively, effective as of the date of the Meeting, and are not being replaced at this time. We thank them for their outstanding service to the Company. Because of these retirements, subsequent to the Meeting, the Board of Directors will consist of eleven members.

Five individuals have been nominated for election as directors at the Meeting, each to serve for three-year terms expiring 2007 and each until their respective successors are elected and have qualified. Each of the nominees is currently serving as a director of the Company. With the exception of Dr. Gitenstein and Mr. Koeppe, the newest members of the Board, the other nominees have each been previously elected by the Company's shareholders at least once. There were no nominee recommendations from shareholders or group of shareholders. Unless otherwise indicated on a proxy, the proxy holders intend to vote the shares each proxy represents for all of the nominees for election as directors.

The affirmative vote of a plurality of the shares of the Company's Common Stock, present or represented by proxy and voted at the Meeting, is required for the election of directors.

Proxies solicited by the Board will be voted in favor of the nominees listed below, unless otherwise specified in the proxy. While it is not anticipated that any of the nominees will be unable to serve, if any should be unable to serve, the proxy holders reserve the right to substitute any other person approved by the Board of Directors.

Each director attended more than 75% of the combined meetings of the Board of Directors and the committees on which he or she served during the year. BOARD STANDARDS OF INDEPENDENCE

The Board has determined that each member of the Board, other than the Chief Executive Officer (CEO), must be "independent" and have no relationships with the Company. The standards set by the Board are more stringent than the definition of "independence" set forth in the New York Stock Exchange listing standards. With the exception of Mr. Downes, the Chairman of the Board and CEO, each member of the Board has been determined to be independent in accordance with the adopted standards.

NON-MANAGEMENT DIRECTORS

The non-management members of the Board meet without management present at each regularly scheduled meeting of the Board. The non-management director meetings are chaired by the lead director, Mr. Lawrence R. Codey. Any shareholder wishing to communicate with the non-management directors on an anonymous basis may do so by calling Ethicspoint, Inc., an unaffiliated toll-free hotline service at 1-866-384-4277 or via E-mail at ethicspoint.com. Ethicspoint, Inc. will then notify the lead director or another designated representative of the non-management directors. A copy of the Board's Corporate Governance Guidelines is available on the Company's website at njliving.com under the caption "Investor Relations".

CODE OF BUSINESS CONDUCT AND ETHICS

Edgar Filing: NEW JERSEY RESOURCES CORP - Form DEF 14A

The Board of Directors has adopted a Code of Business Conduct and Ethics governing the Company's CEO and senior financial officers, as required by the Sarbanes-Oxley Act and SEC regulations and a code for all senior management as required by the New York Stock Exchange rules. Our Codes govern such matters as conflicts of interest, use of corporate opportunity, confidentiality, compliance with law and the like. A copy of both Codes of Conduct are available on the Company's website at njliving.com under the caption "Investor Relations".

INFORMATION ABOUT THE BOARD'S COMMITTEES

AUDIT COMMITTEE

The Audit Committee consists of Nina Aversano, Lawrence R. Codey, J. Terry Strange (Committee Chair) William H. Turner and Gary W. Wolf. Mr. Strange has been determined by the Board to be the Audit Committee financial expert, as such term is defined by the SEC Regulation S-K Item 401(h)(2). Each member of the Audit Committee is independent, under the standards set by the Board, which are more stringent than the standards set by the New York Stock Exchange. In addition, each Audit Committee member satisfies the audit committee independence standards under the Sarbanes-Oxley Act of 2002. The Audit Committee met thirteen times during fiscal 2003 for the purpose of overseeing management's responsibilities for accounting, internal controls and financial reporting. The Committee also selects and approves the independent public accounting firm to serve as the Company's auditors for each fiscal year, approves the retention of such firm for any other purposes, and approves the audit and non-audit fees the Company pays to such firm. The functions and responsibilities of the Committee are described in the "Report of the Audit Committee" set forth below. A copy of the Audit Committee Charter is attached as Appendix "A" and is also available on the Company's website at njliving.com under the caption "Investor Relations".

EXECUTIVE COMMITTEE

The Executive Committee consisted during fiscal 2003 of Lawrence R. Codey (Committee Chair), Leonard S. Coleman, Laurence M. Downes, Joe B. Foster, Hazel S. Gluck and J. Terry Strange. During the interval between meetings of the Board of Directors, the Executive Committee is authorized under the Company's By-Laws to exercise all the powers of the Board of Directors in the management of the Company, unless specifically directed otherwise by the Board or otherwise proscribed by law. This Committee did not meet during fiscal 2003.

7

FINANCIAL POLICY COMMITTEE

The Financial Policy Committee, which consisted of Lawrence R. Codey, Leonard S. Coleman (Committee Chair), Dr. R. Barbara Gitenstein, Hazel S. Gluck, J. Terry Strange and William H. Turner during fiscal 2003, met three times during fiscal 2003 to review and make recommendations to the Board concerning financing proposals, dividend guidelines, capital and operating budgets and other corporate financial and pension matters.

LEADERSHIP DEVELOPMENT AND COMPENSATION COMMITTEE

The Leadership Development and Compensation Committee, which consisted during fiscal 2003 of Nina Aversano, Joe B. Foster (Committee Chair), Dorothy K. Light, Gary W. Wolf and George R. Zoffinger, met twice during fiscal 2003 to oversee the performance and qualifications of senior management, and to interpret, implement and administer the annual compensation and benefits of all elected officers of the Company and its subsidiaries. See the "Report of the Leadership Development and Compensation Committee", below, regarding the factors

Edgar Filing: NEW JERSEY RESOURCES CORP - Form DEF 14A

considered by the Committee in its review of executive compensation. Each member of the Leadership Development and Compensation Committee is "independent" under the standards set by the Board, which are more stringent than the standards set by the New York Stock Exchange. A copy of the Leadership Development and Compensation Committee Charter can be found on the Company's website at njliving.com under the caption "Investor Relations".

NOMINATING/CORPORATE GOVERNANCE COMMITTEE

The members of the Nominating/Corporate Governance Committee during fiscal 2003 were Leonard S. Coleman, Joe B. Foster, Hazel S. Gluck (Committee Chair), Dorothy K. Light, Gary W. Wolf and George R. Zoffinger, and this Committee met six times in fiscal 2003. Each member of the Nominating/Corporate Governance Committee is independent under the standards set by the Board, which are more stringent than the standards set by the New York Stock Exchange. The purpose of the Committee is to assess the corporate needs for an effective Board and then, using those assessments, make recommendations to the Board regarding Board composition, size, additional skills and talents needed. The Committee recommends to the Board the nominees for election as directors, and considers performance of incumbent directors to determine whether to nominate them for re-election. The Nominating/Corporate Governance Committee will consider qualified nominations for directors recommended by shareholders. Recommendations should be sent to New Jersey Resources Corporation, Office of the Secretary, 1415 Wyckoff Road, P.O. Box 1464, Wall, New Jersey 07719. Any nomination for director should be received by the Secretary on or before September 5, 2004. Nominees will be required to bring the skills and talents and have the knowledge and expertise at the time needed to assure that the composition, structure and operation of the Board serve the best interest of the Company and its shareholders. The Nominating/Corporate Governance Committee has a written charter available on the Company's website at njliving.com under the caption "Investor Relations".

AUDIT COMMITTEE REPORT

In accordance with the Audit Committee Charter, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the integrity of the accounting, auditing and financial reporting practices of the Company. During the fiscal year ended September 30, 2003, the Audit Committee met thirteen times, and the Audit Committee discussed the interim financial information contained in the Company's Quarterly Reports on Form 10-Q with the Chief Financial Officer and the independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on their independence consistent with Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees," discussed with the auditors relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and the internal audit functions, organization,

responsibilities, budget and staffing. The Audit Committee reviewed with both the independent and the internal auditors their audit plans, audit scope, and identification of audit risks.

The Audit Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including

Edgar Filing: NEW JERSEY RESOURCES CORP - Form DEF 14A

those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Audit Committee also discussed the results of the internal audit examinations.

The Audit Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended September 30, 2003, with management and the independent auditors. Management has the responsibility for the preparation of the Company's financial statements and the independent auditors have the responsibility for the audit of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included by incorporating by reference in its Annual Report on Form 10-K for the fiscal year ended September 30, 2003, for filing with the Securities and Exchange Commission. The Audit Committee also recommended the reappointment of the independent auditors and the Board concurred in such recommendation.

LEADERSHIP DEVELOPMENT AND COMPENSATION COMMITTEE REPORT

The Leadership Development and Compensation Committee (the "Committee") of the Board of Directors consists of five non-employee directors who are independent of the Company under the standards set by the Board, which are more stringent than standards set by the New York Stock Exchange.

9

The Committee's executive compensation philosophy is designed to attract, energize, reward and retain qualified executive personnel who will provide superior results over the long-term and enhance the Company's position in a highly competitive market. The Committee reviews the performance of the officers of the Company and its subsidiaries, and makes recommendations to the Board with respect to the compensation and benefit programs that are applicable to these officers. The Committee also has oversight of certain of the Company's employee benefit plans.

The Committee uses a national compensation consultant to review competitive compensation levels of senior executives in the industry. Through this process, the Committee identifies the competitive compensation levels, both with respect to base salary and overall executive compensation packages among the Company's peers. Many, but not all of the compensation peer companies are contained in the Standard and Poor's Utilities Index used in the performance graph on page 15.

The Committee compares this external data to the base salary and other compensation provided to senior Company executives. In this fashion, the Committee is able to establish both individual compensation levels and target performance levels under the Company's Officer Incentive Compensation Plan (the "Incentive Plan").

Compensation levels set for each executive officer are based upon marketplace compensation information, the Committee's judgment and performance against established goals. Individual performance is measured in several specific areas, including the development and execution of annual operating plans, strategic plans, leadership qualities, staff development, change in leadership responsibilities and the individual's specific contributions to corporate objectives which have a significant and positive impact on the Company. Performance of the subsidiary companies is measured by comparing actual achievements to financial and strategic objectives in their annual operating plans. Company performance is reviewed to ensure consistency with the overall corporate vision, mission and strategies. In making compensation decisions for 2003, the Committee reviewed executive accomplishments in total energy deliveries, number of new customers, cost of adding a new customer, earnings, expenses, return on equity, operating and net income, total shareholder return and the Company's assumption of a leadership role in energy-related businesses.

The Committee has established three programs providing for direct compensation of executive officers: the Base Salary Program, the Incentive Plan and the Long-Term Plan. The structure of the total executive compensation package is such that when the Company achieves its target annual business objectives, the Company's senior executives receive a level of compensation approximately equivalent to the median compensation paid to similar executive positions in the marketplace.

BASE SALARY PROGRAM

In setting the base salary level of each executive officer, the Committee

Edgar Filing: NEW JERSEY RESOURCES CORP - Form DEF 14A

considers the base salaries of executive officers in comparable positions in similar companies. The Committee also considers the executive's experience level, time and placement in grade and the actual performance of the executive. Changes in compensation are directly dependent upon individual and Company performance.

INCENTIVE PLAN

Under the Incentive Plan, officers and certain key employees of the Company and New Jersey Natural Gas Company ("NJNG"), a wholly-owned subsidiary of the Company, designated by the Committee, may receive additional cash compensation based upon the Committee's thorough evaluation of the Company's performance against a series of performance objectives. The Committee believes that variable at-risk compensation, both annual and long-term, should make up a significant part of an executive's compensation and that the amount of this compensation component opportunity should increase with increasing levels of responsibility. Awards under the Incentive Plan are based upon a percentage of the base salary of each eligible Incentive Plan participant during the year. Threshold, target and maximum incentive award levels are established annually by the Committee for each award group.

10

Individual awards are payable based on the attainment of a portfolio of goals including earnings, customer satisfaction and leadership. Incentive award levels provide payments that are at approximately market median when target results are achieved.

LONG-TERM PLAN

The Long-Term Plan provides for the award of stock options, (the "Stock Options"), performance units (the "Performance Units"), or restricted stock (the "Restricted Stock") to designated employees. The Committee believes that Performance Units, each unit of which is equal to a share of Common Stock, and Restricted Stock awards provide executives a strong incentive to create earnings that could be the foundation for the payment of dividends and as a focus on stock price appreciation. As the value of the Company's stock is generally considered the strongest indicator of overall corporate performance, awards of Stock Options, which allow the executive to benefit by appreciation in stock price, and the performance-based Performance Units and Restricted Stock provide strong incentives to executives by relating a portion of their compensation to the future value of the Company's stock. Additionally, the use of stock-based compensation encourages individuals to act as owners/managers and is an important means of fostering a mutual interest between management and shareholders. Share ownership guidelines were established for Directors and executives in fiscal 2003, specifying by position an expected level of stock ownership to be achieved over a five-year period.

In fiscal 2003, the Committee made two-year awards under the Long-Term Plan in the form of Performance Units and Stock Options. Performance Units were valued at fair market value of Company stock at the time of grant. The Performance Units will only vest upon (i) the attainment of a schedule of performance goals related to total shareholder return as measured against a peer group and (ii) additional service beyond the point when the goal is reached. The higher the ranking of the Company among the peer group, the greater the number of Performance Units that will be earned, up to a maximum of 150% of target. No Performance Units will vest if the Company does not perform in at least the top half of the peer group. Stock Options were also granted with an exercise price equal to fair market value at the time of grant. Awards made to executives under the long-term plan are calibrated to position total remuneration at approximately the 60th percentile of the competitive marketplace if all awards

vest.

CEO COMPENSATION

Mr. Downes' calendar 2003 base salary was \$500,000, positioned at approximately the median level for comparable companies. The incentive award of \$300,000 made to Mr. Downes for achievements in fiscal 2003 reflects results that overall exceeded the specific 2003 targets. The Committee awarded Mr. Downes 60,000 Stock Options and 16,000 Performance Units (at target).

US INCOME TAX LIMITS ON DEDUCTIBILITY

Section 162(m) of the Internal Revenue Code (the "Code") provides that executive compensation in excess of \$1 million will not be deductible for purposes of corporate income tax, unless it is performance-based compensation and is paid pursuant to a plan meeting certain requirements of the Code. The Committee has relied and intends to continue to rely on performance-based compensation programs. The Committee expects that such programs will fulfill future corporate business objectives. The Committee currently anticipates that, to the extent practicable and in the Company's best interest, such programs will be designed to satisfy the requirements of Section 162(m) with respect to the deductibility of compensation paid. The Committee recognizes, however, that there may be business considerations that dictate that compensation be paid that is not deductible under Section 162(m).

11

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Committee is a former or current officer or employee of the Company or any of its subsidiaries, nor does any executive officer of the Company serve as an officer, director or member of a compensation committee of any entity whose executive officer or director is a director of the Company.

- * The stock options granted to Mr. Downes in fiscal 2003 would produce the pre-tax gain of \$3,011,212 shown in the table above only if the Company's stock price rises to \$81.68 per share before Mr. Downes exercises the stock options. Based on the number of shares of Company stock outstanding at the end of 2003, such an increase in the Company's stock price would produce a corresponding aggregate pre-tax gain of approximately \$1,366,824,000 for the Company's shareholders. In other words, Mr. Downes' potential gain from stock options granted in 2003 would equal two-tenths of one percent (.2%) of the potential gain to all shareholders resulting from the assumed future stock price increases.

The higher the Company's ranking, the greater the LTIP Units that will be earned, up to a maximum of 150% of the grant, plus an equivalent number of units that reflect accrued reinvested dividends on the total ("Possible Total"). If the performance goal is met, each executive will receive 50% of the Possible Total on 10/01/05. The remaining 50% will be paid out on 10/01/06 if the executive is still employed by the Company.

For the five executives named in the Summary Compensation Table, compensation covered by the Retirement Allowance Plan equals their 5-year average Base Salary.

The number of years of credited service at normal retirement for the named executive officers are as follows:

Laurence M. Downes.....	37
Oleta J. Harden.....	30
Glenn C. Lockwood.....	38

Benefits are computed on a straight life, annuity basis. The benefits listed in the above table are not subject to deduction for Social Security or other amounts.

To the extent benefits that would otherwise be payable to an employee under the Company's Savings Plan exceed the specified limits on such benefits imposed by the Code, the Company intends to pay such excess benefits to the employee at the time the employee receives payment under the Retirement Allowance Plan. These excess benefit payments would be made from the general funds of the Company. As of September 30, 2003, two employees, Messrs. Downes and Lockwood, were eligible for excess benefit payments.

16

The Company has supplemental retirement agreements ("Supplemental Retirement Agreements") with Messrs. Downes, Lockwood, Shields and Tarney, and Ms. Harden and certain other officers not named in the Summary Compensation Table, payable over a five-year period commencing with retirement at age 65. At projected retirement, the total maximum amounts currently payable to Messrs. Downes, Lockwood, Shields and Tarney, and Ms. Harden under their respective Supplemental Retirement Agreements would be \$250,000 for Mr. Downes and \$125,000 for each of the remaining four officers named in the Summary Compensation Table.

CHANGE OF CONTROL ARRANGEMENTS

Under the Long-Term Plan, in the event of a Change of Control (as defined in the Long-Term Plan) of the Company, the Board may, among other things, accelerate the entitlement to outstanding benefits awarded thereunder.

Pursuant to the Supplemental Retirement Agreements of Messrs. Downes, Lockwood, Shields and Tarney, and Ms. Harden, in the event of a change of control of the Company, the right to the amounts payable to each of them thereunder becomes immediately vested and such amounts are immediately payable in the event of a subsequent termination of employment for any reason. Change of Control of the Company is defined in the Supplemental Retirement Agreements as a reportable change of control under the proxy rules of the SEC, including the acquisition of a 30% beneficial voting interest in the Company, or a change in any calendar year in such number of directors as constitutes a majority of the Board, unless the election, or the nomination for election by the Company's shareholders, of each new director was approved by a vote of at least two-thirds

Edgar Filing: NEW JERSEY RESOURCES CORP - Form DEF 14A

of the directors then still in office who were directors at the beginning of the year.

The Company has entered into agreements with each of the 5 executives named in the Summary Compensation Table that provide each such executive certain rights in the event that his or her employment with the Company is terminated within three years following the occurrence of a Change of Control (i) by the Company without "Cause" (i.e., conviction of a felony, gross neglect, willful malfeasance or willful gross misconduct which has had a material adverse effect on the Company or repeated material willful violations of the executive's duties which result in material damage to the Company) or (ii) by the executive for "Good Reason" (e.g., due to a material breach of the agreement by the Company, including, without limitation, a material adverse change in executive's position or responsibilities or a reduction of the executive's compensation). Subject to the limitation described below, upon either such termination of employment, the executive will receive three times, in the case of Mr. Downes, and two times, in all other cases, the sum of (x) his or her then annual base salary and (y) the average of his or her annual bonuses with respect to the last three calendar years ended prior to the Change of Control. The agreements further provide that, if any such executive is subject to the so-called "golden parachute" excise tax imposed under Section 4999 of the Code, the Company shall make an additional payment to the executive in an amount sufficient to place the executive in the same after-tax position as if no such excise taxes had been imposed. For purposes of these agreements, a "Change of Control" generally means (i) the acquisition by any person of beneficial ownership of securities representing 25% or more of the combined voting power of the Company's securities; (ii) within any 24-month period, the persons who were directors of the Company immediately before such period (the "Incumbent Directors") and directors whose nomination or election is approved by two-thirds of the Incumbent Directors and directors previously approved by the Incumbent Directors ceasing to constitute a majority of the Board or (iii) the shareholders of the Company approve a merger, consolidation, share exchange, division, sale or other disposition of all or substantially all of the assets of the Company, as a result of which the shareholders of the Company immediately prior to such event do not hold, directly or indirectly, a majority of the Voting Power (as defined in such agreements) of the acquiring or surviving corporation.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Apart from the delivery of gas service to any Director or executive officer living in the Company's service territory, the Company does not engage in transactions with its directors or executive officers.

APPOINTMENT OF AUDITORS

[ITEM (2) ON PROXY CARD]

ITEM 2

The Board intends to vote the shares represented by the proxies for approval of the appointment of Deloitte & Touche LLP (unless otherwise indicated on proxy) as independent public accountants (auditors) to report to the shareholders on the financial statements of the Company for the fiscal year ending September 30, 2004. Each professional service performed by Deloitte & Touche LLP during fiscal 2003 was approved in advance and the possible effect on the auditors' independence was considered by the Audit Committee. The Audit Committee has retained Deloitte & Touche LLP to report to the shareholders on the financial statements of the Company for the fiscal year ending September 30, 2004, subject to the approval of the shareholders at the Meeting. Although

Edgar Filing: NEW JERSEY RESOURCES CORP - Form DEF 14A

submission of the appointment of independent public accountants to shareholders is not required by law, the Board of Directors, consistent with its past policy, considers it appropriate to submit the selection of auditors for shareholder approval. Representatives of Deloitte & Touche LLP are expected to be present at the Meeting with the opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions.

The affirmative vote of the holders of a majority of the shares of Common Stock of the Company present, or represented by proxy, and voted at the Meeting is required for the approval of this item. The Board has not determined what action it would take if the shareholders do not approve the selection of Deloitte & Touche LLP, but would reconsider its selection if the shareholders' action so warrants.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR
THE APPOINTMENT OF DELOITTE & TOUCHE LLP

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who beneficially own more than ten percent of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

The Company believes that all such filing requirements applicable to its officers and directors (the Company not being aware of any ten percent holder) were complied with during fiscal 2003.

EXPENSES OF SOLICITATION

All expenses of soliciting proxies, including clerical work, printing, and postage will be paid by the Company. Proxies may be solicited personally, or by mail, telephone, facsimile, internet or telegraph, by officers and other regular employees of the Company, but the Company will not pay any compensation for such solicitations. In addition, the Company has agreed to pay The Altman Group, Inc. a fee of \$5,000 plus reasonable expenses for proxy solicitation services. The Company will also reimburse brokers and other persons holding shares in their names or in the names of nominees for their expenses for sending material to beneficial owners and obtaining proxies from beneficial owners.

SHAREHOLDER PROPOSALS FOR 2005 ANNUAL MEETING

Proposals of shareholders intended to be presented at the 2005 Annual Meeting must be received by the Company on or before September 5, 2004 to be considered for inclusion in the Company's Proxy Statement and for consideration at that meeting. Shareholders submitting such proposals are required to be the beneficial owners of shares of the Company's Common Stock amounting to at least \$2,000 in market value and to have held such shares for at least one year prior to the date of submission.

Shareholder proposals submitted to the Company outside the processes of Rule 14a-8 of the Exchange Act (i.e., the procedures for placing a shareholder proposal in the Company's proxy materials) with respect to the Company's 2005 annual meeting of shareholders will be considered untimely if received by the Company after October 29, 2004. Accordingly, the proxy with respect to the Company's 2005 annual meeting of shareholders will confer discretionary authority to vote on any shareholder proposals received by the Company after such date.

OTHER BUSINESS

The Board does not know of any other business that may be brought before the Meeting. However, if any other matters should properly come before the Meeting or at any adjournment thereof, it is the intention of the persons named in the accompanying proxy to vote on such matters as they, in their discretion, may determine.

By Order of the Board of Directors

AUDIT COMMITTEE CHARTER

The By-Laws of New Jersey Resources Corporation (together with its subsidiaries, the "Company") in Article IV, Section 2 require the Board of Directors ("Board") to appoint an Audit Committee ("Committee") composed of at least three independent directors. The primary purposes of the Committee are (a) to assist the Board in its oversight of (1) the integrity of the Company's financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the independent auditor's qualifications and independence; and (4) the performance of the Company's internal audit function and independent auditors, and (b) to prepare the report that SEC rules require to be included in the Company's annual Proxy Statement. The By-Laws also require the Audit Committee to (1) retain the Company's independent auditors; (2) review the plan and scope of annual and other independent audits; (3) consult with the independent auditors regarding audit results and financial statements (including compliance with disclosure requirements); (4) oversee the adequacy of the system of internal accounting control; (5) oversee the effectiveness of the internal audit function (including reviewing and consulting with the internal auditors with respect to internal audit results and recommendations); and (6) take such other action as may be required by regulation or law.

The Board, acting in accordance with the By-laws and in furtherance thereof, has adopted this Audit Committee Charter:

GENERAL

The Committee shall be appointed by the Board on an annual basis, and the Board shall designate a Chairperson from among its members. All Committee nominations are the responsibility of the Nominating/Corporate Governance Committee comprised of independent directors. In accordance with the rules of the New York Stock Exchange ("NYSE"), and the Composition/Expertise and Independence Requirements thereof, and of the Securities and Exchange Commission ("SEC"):

- Each member shall be financially literate or must become financially literate within a reasonable time after being appointed to the Committee. In addition, at least one member shall be an audit committee financial expert, as defined by the SEC. The Board shall determine whether the members meet these criteria.
- The "Corporate Governance Guidelines" of the Company set forth the requirements for a director to be considered independent from management and the Company. In addition, Committee members shall meet the requirements with respect to independence imposed by the rules of the NYSE.
- No Committee member may simultaneously serve on the audit committees of more than three public companies, unless the Board determines that such simultaneous service does not impair the Committee member's ability to effectively serve on the Committee and such determination is disclosed in the Proxy Statement.

The head of the Internal Auditing Department of the Company ("head of Internal Audit") shall report directly to the Chief Executive Officer of the Company and to the Committee. The Committee shall have direct access to the independent auditors.

MEETINGS

Edgar Filing: NEW JERSEY RESOURCES CORP - Form DEF 14A

The Committee shall hold at least four regular meetings a year, and any additional meetings that may be requested by a Committee member, the Board, the Chief Executive Officer or the independent auditors.

In addition to Committee members, meetings shall normally be attended by representatives of the independent auditors; the Chief Executive Officer, the Chief Financial Officer and the Chief Accounting Officer of the Company; the chief financial officer of New Jersey Natural Gas Company; and the head of Internal Audit. Other persons, including officers and employees of the Company, may be asked to attend at

the Committee's discretion. The Secretary of the Company shall attend the meetings of the Committee to record the minutes thereof. For a portion of each meeting, the Committee shall meet separately with the independent auditors, the head of Internal Audit, the Chief Executive Officer, and other management personnel the Committee deems appropriate. Non-members may be excused from any meeting, or portion of any meeting, of the Committee upon the request of the Committee Chairperson.
