#### Item 3. Source and Amount of Funds or Other Consideration

CPH acquired the 750,000 ADSs (representing 7,500,000 Series B Shares) owned by it in open market purchases using working capital.

## **Item 4. Purpose of Transaction**

The Reporting Persons acquired beneficial ownership of the Series B Shares to which this Schedule 13D relates for investment purposes. The Reporting Persons routinely monitor the performance of their investments in the Company. On March 29, 2007, CPH entered into a De-Merger Letter Agreement (the <u>De-Merger Letter Agreement</u>) with Fernando Chico Pardo (FCP). CPH and FCP are referred to collectively herein as the De-Merger Parties. FCP is the Chairman of the Company s Board of Directors and its Chief Executive Officer. On March 30, 2007, the Company announced that FCP had notified the Board of Directors that he intends to commence simultaneous cash tender offers in the United States and Mexico for 127,950,001 Shares (the Offers ). Pursuant to the De-Merger Letter Agreement, the De-Merger Parties have agreed, subject to satisfaction or waiver of the conditions of the Offers (<u>Completion</u>), to take all actions necessary to effect a de-merger of Inversiones y Técnicas Aeroportuarias, S.A. de C.V., a sociedad anónima de capital variable organized and existing under the laws of Mexico (<u>ITA</u>), immediately after expiration of the Offers (the <u>De-Merger</u>). As a result of the De-Merger, ITA would be de-merged into two separate entities: (i) ITA, which would survive and continue to be owned by FCP (51%) and CPH (49%), and (ii) a newly formed entity (<u>SP</u>V), which would initially be owned by FCP (51%), and CPH (49%). In connection with the De-Merger, the De-Merger Parties have also agreed, pursuant to the De-Merger Letter Agreement, to cause ITA to convert Series BB Shares representing 7.35% of the Company s total outstanding capital stock held by ITA into Series B Shares (the <u>Conversion</u>) and to transfer the 22,050,000 Series B Shares received as a result of the Conversion (the <u>Converted</u> Shares ) to SPV. In addition, pursuant to the De-Merger Letter Agreement, the De-Merger Parties have agreed, subject to Completion, to take all necessary actions to execute an agreement under which CPH agrees to sell its 49% stake in SPV to FCP (the Purchase and Sale ), at a cash price equal to 49% of the Converted Shares multiplied by the tender offer price paid for the Series B Shares in the Offers, which shall be no less than Mexican pesos \$56.00. Additionally, pursuant to the De-Merger Letter Agreement, the De-Merger Parties have agreed, subject to settlement of the Offers, to take all necessary actions to ensure that the members of the Board of Directors of ITA and the members of the Board of Directors of the Company appointed by each of them will propose and cause the Company to implement a distribution policy pursuant to which the Company and its subsidiaries would distribute in each financial year up to the maximum amount of excess cash by way of distributions of net profit after tax and retained earnings lawfully available for distribution, capital reductions (subject to obtaining the necessary approvals) or otherwise pursuant to applicable law (the <u>Distribution Policy</u>). The De-Merger Parties have further agreed that the Company will distribute interim and final dividends. FCP has agreed to vote, and to cause any of his affiliates to vote, their shares in the Company to implement the Distribution Policy. In addition, the De-Merger Parties have agreed to cause ITA to amend, restate or re-execute the trust governing the Series BB Shares so that the Series BB Shares held in such trust would be voted in connection with the Distribution Policy in the same way as the

majority of the Shares vote in any shareholders meeting of the Company.

The De-Merger Parties have also agreed, pursuant to the De-Merger Letter Agreement, to take all actions necessary to ensure that the Series BB Shares owned by ITA will be voted at the next meeting of the Company s shareholders in favor of an amendment to the Company s bylaws that would reduce the amount of Shares outstanding required to constitute a quorum at a second or subsequent call for any extraordinary meeting of the Company s shareholders from 75% to a majority, which is consistent with the threshold required under Mexican law.

The De-Merger Parties have agreed, pursuant to the De-Merger Letter Agreement, to take all necessary actions to ensure that the members of the Board of Directors of the Company appointed by each of them will approve a Capex and Working Capital Facility to be made available to the Company (the <u>Capex and Working Capital Facility</u>) and any subsequent refinancing of the Capex and Working Capital Facility in accordance with the principles contained within the De-Merger Letter Agreement. Pursuant to the commitment letter and related term sheet attached to the De-Merger Letter Agreement, the Capex and Working Capital Facility consists of an unsecured multi-currency loan facility of up to MXP 3,025,000,000 for the Company and its subsidiaries to fund (i) capital expenditure requirements related to a proposed development plan; (ii) the cost of financing, developing and constructing a proposed new runway at the Cancun Airport; (iii) any fees, commissions, costs and expenses and taxes in connection with consummation of the Capex and Working Capital Facility; and (iv) general corporate and working capital requirements. The Capex and Working Capital Facility is subject to the approval of the Board of Directors of the Company.

The foregoing description is qualified in its entirety by reference to the De-Merger Letter Agreement filed as <u>Exhibit A</u> hereto, which is incorporated herein by reference.

The Reporting Person intends to continuously evaluate the Company s business, financial condition, operating results, capital structure, management, stock market performance, competitive outlook and other relevant factors. Depending on such evaluations, the Reporting Person may, at any time and from time to time, purchase additional Shares or may dispose of any and all Shares held by the Reporting Person. As part of such evaluations, the Reporting Person has and may in the future seek the views of, hold active discussions with and respond to inquiries from members of the Board, officers or representatives of the Company, stockholders of the Company, and other persons regarding the Company s affairs and strategic alternatives. The Reporting Person may from time to time develop plans, or have discussions with third parties, respecting, or propose changes in, the management, composition of the Board, policies, operations, capital structure or business of the Company, including a possible acquisition of the Company. In connection with these and other plans or proposals that the Reporting Persons may develop, the Reporting Persons may conduct investigations and, if warranted by such review, make and negotiate proposals to and with the Company, third persons or directly with other stockholders of the Company concerning the matters addressed in the preceding sentence, and may enter into agreements with the Company or such third persons in connection with those negotiations and proposals, including confidentiality and/or other arrangements.

Except as set forth herein, the Reporting Person does not have any present plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D. The Reporting Persons reserve the right to formulate plans or make proposals, and take such action with respect to their investment in the Company, including any or all of the items set forth in paragraphs (a) through (j) of Item 4 of Schedule 13D and any other actions, as they may determine.

#### Item 5. Interest in Securities of the Issuer<sup>1</sup>

The percentages used in this Item 5 are calculated based upon 255,000,000 Series B Shares issued and outstanding as of June 1, 2006 as reported in the Company s Form 20-F for the fiscal year ended December 31, 2005. The Reporting Person and FCP may be deemed a group within the meaning of Section 13(d)(3) of the Exchange Act, with respect to certain agreements made pursuant to the De-Merger Letter Agreement. The filing of this statement shall not be deemed an admission by the Reporting Person that any such group

Excludes the Series BB Shares owned by ITA (see Item 4)

exists, for the purposes of Section 13(d) of the Exchange Act or otherwise. Pursuant to Rule 13d-4 of the Exchange Act, the Reporting Person disclaims beneficial ownership of the 29,550,010 Series B Shares beneficially owned by FCP as reported in the Schedule 13D filed with the Securities and Exchange Commission on April 9, 2007, as the same may be amended from time to time.
