- (10) the commencement by the Company or any significant subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for

- (2) all defaults under the Indenture are cured or waived.

In case of any judicial proceeding relative to the Company, its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding.

The holders of a majority in aggregate principal amount of the New Notes then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust power conferred on the Trustee if that direction is not in conflict with applicable law and would not involve the trustee in personal liability.

(b) Authentication and Delivery of the New Notes; Use of Proceeds

The Company will not receive any proceeds from the issuance of the New Notes because the New Notes are being issued in exchange for the Outstanding Notes.
