**Item 1.01 Entry into a Material Definitive Agreement.**

On August 10, 2009, Seacoast Banking Corporation of Florida, a Florida corporation (the Company), entered into a non-binding letter of intent (the LOI) with CapGen Financial Partners (CapGen), a private equity firm that invests in financial services businesses with a particular focus on community and regional financial institutions, regarding a possible investment in the Company's common stock by CapGen. Pursuant to the LOI, an affiliate of CapGen intends to purchase 6,000,000 shares of the Company's common stock in a public offering (the CapGen Offering). CapGen's designated affiliate intends to purchase shares of Company common stock at the same price at which shares are offered to the public in the Company's previously announced offering (the Underwritten Offering) at a price up to \$2.50 per share.

Upon the closing of the CapGen Offering, CapGen will be entitled to appoint one director to the Company's board of directors. The Company also intends to grant CapGen preemptive rights with respect to further offerings of Company common stock for a period of 24 months. The board seat and preemptive rights are subject to CapGen retaining ownership of all shares purchased in the CapGen Offering. Fox-Pitt Kelton Cochran Caronia Waller is acting as the exclusive placement agent for the CapGen Offering.

The Company also reduced the size of the previously commenced Underwritten Offering from 34,500,000 to 28,500,000 shares of common stock to reflect CapGen's proposed investment.

CapGen has completed its due diligence of the Company, and the LOI with CapGen is subject to the execution and delivery of a definitive stock purchase agreement and the registration statement covering the shares offered in the Underwritten Offering and the CapGen Offering becoming effective. The closing of the CapGen Offering is contingent upon CapGen receiving the necessary regulatory approvals, closing of the Company's Underwritten Offering and to any approvals required of Company shareholders, if any. There can be no assurance that the negotiation of any definitive stock purchase agreement will be completed or that the purchase will be successfully consummated.

The foregoing description of the LOI is not complete and is qualified in its entirety to the full text of the LOI attached hereto as Exhibit 10.1.

On August 10, 2009, the Company issued a press release with respect to the LOI. Copies of the press release and LOI have been filed as Exhibits 99.1 and 10.1, respectively, to this current report and are incorporated herein by reference.
