ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Amendment to GM Advance Agreement

On August 13, 2009, Delphi Corporation (Delphi or the Company) entered into a further amendment (the Ninth Amendment) to its existing liquidity agreement (the GM Advance Agreement) between Delphi and General Motors Company (as assignee of Motors Liquidation Company, formerly known as General Motors Corporation) (GM). As set forth more fully below, the effect of the Ninth Amendment was to extend the deadline for Delphi to satisfy certain milestones, which if not met, would prevent Delphi from continued access to the facility.

As previously reported, the GM Advance Agreement was amended and restated on June 1, 2009 to provide Delphi with an additional \$250 million credit facility (the Tranche C Facility), subject to Delphi's continued satisfaction of certain conditions and milestones. For a complete description of the terms of the GM Advance Agreement as so amended and restated prior to the First and Second Amendments, see Delphi's Current Reports on Form 8-K filed June 18, 2009, July 30, 2009, July 30, 2009, August 3, 2009, August 5, 2009, August 7, 2009 and August 10, 2009 and Delphi's Annual Report on Form 10-K for the year ended December 31, 2008 and Delphi's Quarterly Report on Form 10-Q for the quarter ended June 30, 2009. The following description of the terms of the Ninth Amendment is qualified by reference to the full text of the amendment, a copy of which is filed as Exhibit 99(a) to this report and incorporated by reference herein.

Delphi's continued ability to request advances under the Tranche C Facility is conditioned on progress in achieving the transactions contemplated by the confirmed First Amended Joint Plan Reorganization as modified (as further modified, amended and supplemented, the Modified Plan), as filed with the United States (U.S.) Bankruptcy Court for the Southern District of New York (the Court) on June 16, 2009. Specifically, prior to the Ninth Amendment, the ability of Delphi to request advances on or after August 13, 2009 was conditioned on the entry by the Court of an order, in form and substance reasonably acceptable to GM, approving the Modified Plan or an implementation agreement pursuant to which the parties to the Master Disposition Agreement, dated June 1, 2009, as revised and amended, among Delphi, GM Components Holdings, LLC, GM and Parnassus Holdings II, LLC, would perform their obligations thereunder pursuant to Section 363 of the Bankruptcy Code, independent of and not pursuant to or contingent on the effectiveness of the Modified Plan. The Ninth Amendment extends the August 13, 2009 date until 8:00 p.m. (Eastern time) on August 18, 2009. All other terms of the GM Advance Agreement remain in effect.

Amendment to Accommodation Agreement

On August 13, 2009, Delphi entered into a further amendment (the Twenty-Eighth Amendment), to its accommodation agreement (as previously amended and supplemented through the date hereof, the Accommodation Agreement), with the lenders under its existing debtor-in-possession financing agreement (the Amended and Restated DIP Credit Facility), consisting of a \$1.1 billion first priority revolving credit facility (the Tranche A Facility), a \$500 million first priority term loan (the Tranche B Term Loan) and a \$2.75 billion second priority term loan (the Tranche C Term Loan). The effect of the Twenty-Eighth Amendment is to extend the term of the Accommodation Agreement to 8:00 p.m. (Eastern time) on August 18, 2009. The following description of the Twenty-Eighth Amendment is qualified in its entirety by the text of such amendment, a copy of which is filed as Exhibit 99(b) to this report and incorporated by reference herein. A description of the material terms of the Accommodation Agreement prior to such modifications is set forth in Delphi's Current Reports on Form 8-K filed with the United States Securities and Exchange Commission on March 31, 2009, as amended on April 1, 2009 solely for the purposes of adding an exhibit, April 3, 2009, as amended on April 7, 2009 solely for the purposes of adding another exhibit, April 23, 2009, May 8, 2009, June 2, 2009, June 9, 2009, June 18, 2009, June 22, 2009, June 24, 2009, July 1, 2009, July 8, 2009, July 13, 2009, July 20, 2009, July 22, 2009, July 30, 2009, July 30, 2009, August 3, 2009, August 5, 2009, August 7, 2009 and August 10, 2009 (the Original Forms 8-K), which descriptions are incorporated herein by reference. Pursuant to the Accommodation Agreement, as in effect through the Twenty-Seventh Amendment (the Prior Accommodation Agreement), the lenders agreed, among other things, to allow Delphi to continue using the proceeds of the Amended and Restated DIP Credit Facility and to forbear from the exercise of certain default-related remedies, in each case until August 13, 2009, subject to the continued satisfaction by Delphi of a number of covenants and conditions. The Twenty-Eighth Amendment further extends that date until 8:00 p.m. (Eastern time) on August 18, 2009. There currently remains approximately \$230 million outstanding under the Tranche A Facility, \$311 million

outstanding under the Tranche B Term Loan and \$2.75 billion outstanding under the Tranche C Term Loan under the Amended and Restated DIP Credit Facility.

The remaining provisions in the Accommodation Agreement are materially unchanged. For information regarding the current terms of the Accommodation Agreement, as modified, which is not otherwise set forth in this Current Report on Form 8-K, including the covenants and conditions of the lenders' continued forbearance from exercising remedies through the accommodation period and including the ability to access certain cash collateral accounts, see Delphi's Annual Report on

Form 10-K for the year ended December 31, 2008 (the Annual Report), including the exhibits to the Annual Report, Delphi's Quarterly Report on Form 10-Q for the quarter ended June 30, 2009 and the Original Forms 8-K.

Although Delphi is currently in compliance with the terms of the Accommodation Agreement (after giving effect to the Twenty-Eighth Amendment), Delphi's continued compliance and access to sufficient liquidity to fund its working capital requirements and operations is dependent on a number of factors including Delphi remaining in compliance with the provisions of the GM Advance Agreement and administrative creditors, including its suppliers, continuing to provide services and goods on customary payment terms.

FORWARD-LOOKING STATEMENTS

This Current Report on Form 8-K, including the exhibits being filed as part of this report, as well as other statements made by Delphi may contain forward-looking statements that reflect, when made, the Company's current views with respect to current events and financial performance.
