Proposed Acquisition of iPCS, Inc.

On October 18, 2009, Sprint Nextel Corporation (Sprint), iPCS, Inc. (iPCS) and Ireland Acquisition Corporation, a wholly owned subsidiary of Sprint, entered into a merger agreement, pursuant to which Sprint agreed to acquire iPCS for approximately \$831 million, including the assumption of approximately \$405 million of net debt.

Under the terms of the merger agreement, Sprint will commence a cash tender offer to acquire all of iPCS's outstanding common stock at a price of \$24.00 per share. Following completion of the tender offer, any remaining shares of iPCS will be acquired in a cash merger at the same price. Upon completion of the merger, iPCS will become a wholly owned subsidiary of Sprint.

The board of directors of iPCS unanimously (1) determined that the merger agreement and the other transactions contemplated by the merger agreement, including the offer and the merger, are fair to and in the best interests of the iPCS stockholders, (2) approved, authorized and declared advisable the merger agreement and approved and authorized the merger and the other transactions contemplated by the merger agreement, and (3) resolved to recommend that the stockholders of iPCS accept the offer, tender their shares of iPCS stock pursuant to the offer and, to the extent applicable, adopt the merger agreement.

The merger agreement contains certain termination rights for each of Sprint and iPCS and further provides that, upon termination of the merger agreement under specified circumstances, iPCS may be required to pay Sprint a termination fee of \$12.5 million. The acquisition is subject to customary regulatory approvals and other customary closing conditions and is expected to be completed either late in the fourth quarter of 2009 or in early 2010. The foregoing description of the merger agreement does not purport to be complete and is qualified in its entirety by reference to the merger agreement, which is filed as Exhibit 99.1 hereto and incorporated herein by reference.

In connection with the merger agreement, Sprint and iPCS will seek an immediate stay of litigation pending in the Circuit Court of Cook County, Illinois, Chancery Division and the Illinois Appellate Court, including iPCS's request for an injunction to block the merger of Sprint and Virgin Mobile USA, Inc., with a final resolution of existing litigation between Sprint and iPCS to become effective upon the closing of the acquisition. As a result, Sprint will no longer be required to divest its iDEN network in certain iPCS territories and will terminate its previously announced divestiture process pending closing of the transaction. The foregoing description of the litigation resolution does not purport to be complete and is qualified in its entirety by reference to the settlement agreement and mutual release, which is filed as Exhibit 99.2 hereto and incorporated herein by reference.

On October 18, 2009, Sprint entered into a stockholders agreement with Apollo Investment Fund IV, L.P., Apollo Overseas Partners IV, L.P., Timothy M. Yager, Stebbins B. Chandor, Jr., Timothy G. Biltz and Mikal J. Thomsen, who collectively beneficially own or have the power to vote approximately 9.5 percent of the outstanding shares of iPCS common stock. Pursuant to the stockholders agreement, the stockholders agreed to tender their shares of iPCS common stock pursuant to the offer and vote their shares of iPCS common stock in favor of the merger, subject to the terms and conditions in the merger agreement. The foregoing description of the stockholders agreement does not purport to be complete and is qualified in its entirety by reference to the agreement, which is filed as Exhibit 99.3 hereto and incorporated herein by reference.
