**Proxy Statement for the 2010 Annual Meeting of Shareholders
to be Held on February 25, 2010**

**Important Notice Regarding the Availability of Proxy Materials for the
2010 Annual Meeting of Shareholders to be Held on February 25, 2010:
This Proxy Statement and the Accompanying Annual Report
are Available on the Internet at: www.cfpproxy.com/6089**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Citizens Community Bancorp, Inc. of proxies, in the accompanying form, to be used at the Annual Meeting of Shareholders of Citizens to be held on February 25, 2010 and any adjournments thereof. Only shareholders of record at the close of business on January 8, 2010 will be entitled to notice of and to vote at the meeting.

Our principal executive offices are located at 2174 EastRidge Center, Eau Claire, Wisconsin 54701. It is expected that this Proxy Statement and the form of Proxy will be mailed to shareholders on or about January 19, 2010.

GENERAL INFORMATION

Proxies and Voting Procedures

The shares represented by each valid proxy received in time will be voted at the meeting and, if a choice is specified in the proxy, it will be voted in accordance with that specification. If no instructions are specified in a signed proxy returned to Citizens, the shares represented thereby will be voted in **FAVOR** of the election of the director listed in the enclosed proxy card. If any other matters are properly presented at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting thereunder will have the authority to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the Annual Meeting is adjourned or postponed, a proxy will remain valid and may be voted at the adjourned or postponed meeting. As of the date of printing of this Proxy Statement, we do not know of any other matters that are to be presented at the Annual Meeting other than the election of the director.

Shareholders may revoke proxies at any time to the extent they have not been exercised by giving us written notice or by a later executed proxy delivered by mail. Attendance at the Annual Meeting will not automatically revoke a proxy, but a shareholder attending the Annual Meeting may request a ballot and vote in person, thereby revoking a prior granted proxy. The cost of solicitation of proxies will be borne by Citizens. Solicitation will be made primarily by use of the mails; however, some solicitation may be made by our employees, without additional compensation, by telephone, by facsimile or in person.

Table of Contents

Shareholders Entitled to Vote

Only shareholders of record at the close of business on January 8, 2010 will be entitled to notice of and to vote at the Annual Meeting. On the record date, we had outstanding 5,113,278 shares of our common stock, \$0.01 par value per share (the Common Stock), entitled to one vote per share.

Quorum; Required Vote

A majority of the votes entitled to be cast at the Annual Meeting, represented either in person or by proxy, shall constitute a quorum with respect to the meeting. Approval of the election of the nominee director requires a plurality of the shares represented at the meeting. Abstentions and broker nonvotes (i.e., shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count toward the quorum requirement but will not count toward the determination of whether the director is elected. The Inspector of Election appointed by our Board of Directors will count the votes and ballots.

Certain shares of our issued and outstanding Common Stock are held by participants in our 401(k) Profit Sharing Plan (the 401(k) Plan). If you hold shares of our Common Stock in the 401(k) Plan, the trustee for the 401(k) Plan will vote the shares you hold through the plan as you direct. We will provide plan participants who hold Common Stock through the plan with forms on which participants may communicate their voting instructions. If voting directions are not received for shares held in the 401(k) Plan, the 401(k) Plan trustee will vote the participant s shares in the same proportion as shares for which the trustee has received voting instructions.

PROPOSAL: ELECTION OF DIRECTORS

It is intended that shares represented by proxies in the enclosed form will be voted for the election of the nominee in the following table to serve as a director. Our Board of Directors is divided into three classes, with the term of office of each class ending in successive years. One director is to be elected at the Annual Meeting to serve for a term of three years expiring at our annual meeting of shareholders in 2013 and four directors will continue to serve for the terms designated in the following schedule. As indicated below, the individual nominated by our Board of Directors is not an incumbent director. We anticipate that the nominee listed in this Proxy Statement will be a candidate when the election is held. However, if for any reason the nominee is not a candidate at that time, proxies will be voted for any substitute nominee designated by Citizens (except where a proxy withholds authority with respect to the election of directors). James G. Cooley is currently a director but will not stand for election at the Annual Meeting.

Audit Committee

The Audit Committee is responsible for assisting our Board of Directors with oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent auditor's qualifications and independence; and (4) the performance of our internal accounting function and independent auditors. Our Audit Committee has the direct authority and responsibility to appoint, compensate, oversee and retain the independent auditors, and is an audit committee for purposes of Section 3(a)(58)(A) of the Securities Exchange Act of 1934. We have placed a current copy of the Charter of the Audit Committee on our web site located at www.citizenscommunityfederal.net.

Compensation Committee

The Compensation Committee, in addition to such other duties as may be specified by our Board of Directors, (1) determines the compensation levels of our Chief Executive Officer and other executive officers, including salary rates, participation in incentive compensation and benefit plans, fringe benefits, non-cash perquisites and other forms of compensation; (2) reviews and makes recommendations to our Board of Directors with respect to incentive compensation plans and equity-based plans; and (3) reviews and makes recommendations to our Board of Directors with respect to the compensation of our outside directors. Table of Contents

Our Compensation Process

Compensation for our executive officers and other senior managers is reviewed and evaluated by the Compensation Committee of our Board of Directors. The Compensation Committee then makes recommendations to the Board for its final approval. Our Compensation Committee views compensation as an ongoing process. The Compensation Committee receives and reviews materials in advance of each meeting, including materials that management believes will be helpful to the Committee, as well as materials specifically requested by members of the Committee.

Our management plays a significant role in assisting the Compensation Committee in its oversight of compensation. Management's role includes assisting the Compensation Committee with evaluating employee performance, establishing individual performance targets and objectives, recommending salary levels and equity incentive grants, and providing financial data on company performance, calculations and reports on achievement of performance objectives, and other information requested by the Committee. Our executive officers work with the Compensation Committee in making recommendations regarding our overall compensation policies and plans as well as specific compensation levels for our executive officers and other key employees, other than with respect to their own compensation. Members of management who were present during Compensation Committee meetings in fiscal 2009 and the first part of fiscal 2010 included James G. Cooley, our former Chief Executive Officer (solely with respect to meetings held during fiscal 2009), Timothy J. Cruciani, our President, and Edward H. Schaefer, our current Chief Executive Officer. The Compensation Committee makes all decisions regarding the compensation of our Chief Executive Officer without our Chief Executive Officer or any other member of our management present.

During fiscal 2009 and 2010 to date, the Compensation Committee did not engage any consultants to assist it in reviewing our compensation practices and levels.

Nominating Committee

The Nominating Committee is responsible for assisting our Board of Directors by: (1) identifying individuals qualified to become members of our Board of Directors and its committees; (2) recommending to our Board of Directors nominees for election to the Board at the annual meeting of shareholders; (3) developing and recommending to our Board of Directors a set of corporate governance principles applicable to Citizens; and (4) assisting our Board of Directors in assessing director performance and the effectiveness of the Board of Directors. We have placed a current copy of the Charter of the Nominating Committee on our web site located at www.citizenscommunityfederal.net.

CORPORATE GOVERNANCE MATTERS

Director Independence

Our Board of Directors has reviewed the independence of our continuing directors and the nominees for election to the Board at the 2010 Annual Meeting of Shareholders under the applicable standards of the NASDAQ Stock Market. Based on this review, our Board of Directors determined that each of the following directors is independent under those standards:

- | | |
|-----------------------|------------------------|
| (1) Richard McHugh | (3) Brian R. Schilling |
| (2) David B. Westrate | (4) Thomas C. Kempen |

Based on such standards, Edward Schaefer, the nominee for election as a director at the Annual Meeting, is not independent because Mr. Schaefer has been retained as a consultant since October 1, 2009 and has received

Table of Contents

consulting fees in connection with the performance of his consulting services. Additionally, effective as of January 4, 2010 Mr. Schaefer was appointed our Chief Executive Officer.

Director Nominations

We have a standing Nominating Committee. Based on the review described under Corporate Governance Matters Director Independence, our Board of Directors has determined that each member of the Nominating Committee is independent under the applicable standards of the NASDAQ Stock Market.

The Nominating Committee will consider director nominees recommended by shareholders. A shareholder who wishes to recommend a person or persons for consideration as a nominee for election to the Board of Directors must send a written notice by mail, c/o Secretary, Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the shareholder proposes to be considered as a nominee; (2) the number of shares of our Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to shareholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934 or as is required by the Corporation's Bylaws; and (4) the name and address (business and residential) of the shareholder making the recommendation and the number of shares of our Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the shareholder making the recommendation.

We may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director. Shareholder recommendations will be considered only if received in accordance with the advance notice provisions contained in the Corporation's Bylaws.

The Nominating Committee will consider any nominee recommended by a shareholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Nominating Committee believes that a nominee recommended for a position on our Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. Qualifications of a prospective nominee that may be considered by the Nominating Committee include:

personal integrity and high ethical character;

professional excellence;

accountability and responsiveness;

absence of conflicts of interest;

fresh intellectual perspectives and ideas; and

relevant expertise and experience and the ability to offer advice and guidance to management based on that expertise and experience.

Edward Schaefer was recommended for nomination as a director by a non-management director.

Communications between Shareholders and the Board of Directors

Our shareholders may communicate with the Board or any individual director by directing such communication to our Secretary at the address of our corporate headquarters, 2174 EastRidge Center, Eau Claire, Wisconsin 54701. Each such communication should indicate that the sender is a shareholder of the Corporation and that the sender is directing the communication to one or more individual directors or to the Board as a whole.

All communications will be compiled by our Secretary and submitted to the Board of Directors or the individual directors on a monthly basis unless such communications are considered, in the reasonable judgment of our Secretary, to be improper for submission to the intended recipient(s). Examples of shareholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to Citizens or our business or communications that relate to improper or irrelevant topics. Our Secretary may also attempt to handle a communication directly where appropriate, such as where the communication is a request for information about Citizens or where it is a stock-related matter.

Attendance of Directors at Annual Meetings of Shareholders

We do not have a formal policy regarding the attendance of our directors and nominees for election as directors at our annual meeting of shareholders. However, we expect that all of our directors and nominees for election as directors at our annual meeting of shareholders will attend the annual meeting, absent a valid reason, such as a schedule conflict. All of our incumbent directors attended the annual meeting of shareholders held on February 26, 2009.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, including our principal executive officer, principal financial officer and principal accounting officer. A copy of the Code of Business Conduct and Ethics is available free of charge by contacting John D. Zettler, our investor relations officer, at (715) 836-9994 and has been filed with the Securities and Exchange Commission (the Commission) as Exhibit 14 to our Annual Report on Form 10-K for the fiscal year ended September 30, 2009, which was filed with the Commission on December 29, 2009.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee is comprised of three members of our Board of Directors. Based upon the review described above under Corporate Governance Matters Director Independence, our Board of Directors has determined that each member of the Audit Committee is independent as defined in the applicable standards of the NASDAQ Stock Market and the Commission.

The Audit Committee has:

reviewed and discussed our audited financial statements for the fiscal year ended September 30, 2009 with our management and with our independent auditors;

discussed with our independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU

Table of Contents

Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and

received and discussed with our independent auditors the written disclosures and the letter from our independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the audit committee concerning independence.

Based on such review and discussions with management and with the independent auditors, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2009, for filing with the Commission.

The rules promulgated by the Commission under section 16(a) of the Exchange Act require those persons to furnish us with copies of all reports filed with the Commission pursuant to section 16(a). Explanatory Notes for Summary Compensation Table:

- For fiscal years 2009 and 2008, the Compensation Committee decided not to award any bonus payments based on that fiscal year's performance.
- These amounts reflect the dollar value of the compensation cost of all outstanding

option awards recognized over the requisite service period, computed in accordance with FAS 123(R) (codified in FASB ASC 718-10) and, therefore, includes amounts from awards granted prior to the applicable fiscal year that vested in the applicable fiscal year. We calculated the fair value of option awards using the Black-Sholes option pricing model. For purposes of this calculation, the impact of forfeitures is excluded until they actually occur. The other assumptions made in valuing the option awards are included under the caption Note 12 Stock-Based Compensation Plans in the Notes to our Consolidated Financial Statements in the fiscal year 2009 Annual Report on Form 10-K and such information is

incorporated
herein by
reference.

3. These amounts reflect the dollar value of the compensation cost of all outstanding restricted stock awards recognized over the requisite service period, computed in accordance with FAS 123(R) (codified in FASB ASC 718-10). The assumptions made in valuing the stock awards are included under the caption Note 12 Stock-Based Compensation Plans in the Notes to our Consolidated Financial Statements in the fiscal year 2009 Annual Report on Form 10-K and such information is incorporated herein by reference.

4. Non-Qualified Deferred Compensation Earnings includes for the applicable fiscal year the aggregate

increase in the actuarial present value of each named executive officer's accumulated benefit under our supplemental executive retirement plan, using the same assumptions and measurement dates used for financial reporting purposes with respect to our audited financial statements for the applicable fiscal year. See the caption "Note 10 - Retirement Plans" in the Notes to our Consolidated Financial Statements in the fiscal year 2009 Annual Report on Form 10-K and such information is incorporated herein by reference. Effective May 2009, we suspended accrual of benefits under the supplemental executive retirement plan, and effective as of September 30,

2009 each of Mr. Cruciani, Mr. Zettler and Ms. Johnson voluntarily terminated their participation in the plan and surrendered any benefit potentially owed them under the plan. The amount disclosed in the table with respect to Mr. Cooley shows the aggregate increase in the actuarial present value of Mr. Cooley's potential benefit under the supplemental executive retirement plan during fiscal 2009 and fiscal 2008.

Employment Agreements

Each of our named executive officers formerly signed an employment agreement with Citizens Community Federal. We had rolling three-year employment agreements with each of Mr. Zettler, Mr. Cruciani,

and Ms. Johnson. Under these employment agreements, the salary levels for fiscal 2009 were \$115,007, \$129,946, and \$99,679, respectively. The agreements also provided for equitable participation by the officers in our employee benefit plans. Effective as of December 7, 2009, with respect to each of Mr. Cruciani and Ms. Johnson, and effective as of December 14, 2009, with respect to Mr. Zettler, we terminated each of these employment agreements.

Additionally, Citizens Community Federal entered into an employment agreement with our former Chief Executive Officer and President, James G. Cooley. This agreement also had a rolling three-year term and provided for equitable participation by Mr. Cooley in our employee benefit plans. Effective as of September 30, 2009, Mr. Cooley's employment with us terminated and, accordingly, Mr. Cooley's employment agreement terminated as of that date. On December 23, 2009, Mr. Cooley notified Citizens that he is seeking arbitration under the rules of the American Arbitration Association in connection with the termination of his employment agreement.

Post-Employment Compensation

401(k) Plan Benefits

Our executive officers are eligible to participate in our 401(k) plan on the same terms as our other employees. Our 401(k) plan is a qualified, tax-exempt savings plan with a cash or deferred feature qualifying under Section 401(k) of the Internal Revenue Code. All employees who have attained age 21 and completed twelve months of continuous employment, during which they worked at least 1,000 hours, are eligible to participate.

Participants are permitted to make salary reduction contributions to the 401(k) plan of up to 100% of their salary, up to a maximum of \$16,500 (\$21,500 for employees over 50 years of age) for calendar year 2009 and 2010. We match each contribution in an amount equal to 150% of the participant's 401(k) deferrals for the year up to 3% of their salary, provided the participant must contribute a minimum of 2% of his or her salary as a condition to receiving the matching contribution. All contributions made by participants are before-tax contributions. All participant contributions and earnings are fully and immediately vested. All matching contributions vest 20% per year over a five-year period commencing after one year of employment with us so that the contributions are vested 20% on the second anniversary of employment, 40% on the third anniversary of employment, 60% on the fourth anniversary of employment, 80% on the fifth anniversary of employment and 100% on the sixth anniversary of employment. However, in the event of retirement at age 65 or older, permanent disability or death, a participant will automatically become 100% vested in the value of all matching contributions and earnings thereon, regardless of the number of years of employment.

Participants may invest amounts contributed to their 401(k) plan accounts in one or more investment options available under the 401(k) plan. Changes in investment directions among the funds are permitted on a periodic basis pursuant to procedures established by the plan administrator. Each participant receives a quarterly statement that provides information regarding, among other things, the market value of all investments and contributions made to the 401(k) plan on the participant's behalf. All named executive officers in the Summary Compensation Table received 3% contributions during our last fiscal year.

Supplemental Executive Retirement Plan

We maintain a Supplemental Executive Retirement Plan (SERP), which provides benefits to certain key employees selected by the Compensation Committee upon retirement, including our named executive officers. This plan was established as an unfunded, non-contributory defined benefit under which we would pay supplemental pension benefits to certain key employees upon retirement. Benefits were based on a formula that includes a participant's past and future earnings and years of service. Effective May 2009, we suspended the

Table of Contents

accrual of benefits to participants under the SERP and effective as of September 30, 2009 the SERP was terminated and each of Mr. Cruciani, Mr. Zettler and Ms. Johnson voluntarily surrendered any benefit potentially owed them under the plan. Accordingly, as of September 30, 2009 each of Mr. Cruciani, Mr. Zettler and Ms. Johnson had no accumulated benefit under the SERP.

Employee Stock Ownership Plan

The Bank established an employee stock ownership plan (the ESOP) in 2004 for employees of the Bank. The ESOP was continued during the second step conversion process in October of 2006. The ESOP plan borrowed funds from Citizens to purchase shares of our Common Stock. The interest rate payable on these loans is fixed at the prime rate of interest at the time the loans were made, and the shares of Common Stock purchased with loan proceeds serve as collateral for this loan. Shares purchased by the employee stock ownership plan with the proceeds of the loan are held in a suspense account. As the Bank repays those loans over a ten-year period, shares are released to participants accounts.

In any plan year, we may make additional discretionary contributions for the benefit of plan participants in either cash or shares of our Common Stock, which may be acquired through the purchase of outstanding shares in the market or from individual shareholders, upon the original issuance of additional shares by us or upon the sale of our treasury shares. These purchases, if made, would be funded through additional borrowings by the ESOP or additional contributions by the Bank. The timing, amount and manner of future contributions to the ESOP will be affected by various factors, including prevailing regulatory policies, the requirements of applicable laws and regulations and market conditions.

Shares released from the ESOP are allocated to each eligible participant s employee stock ownership plan account based on the ratio of each such participant s compensation to the total compensation of all eligible ESOP participants. Forfeitures are reallocated among remaining participating employees and may reduce any amount we might otherwise have contributed to the ESOP. The account balances of participants within the ESOP become 100% vested after five years of service. Credit for eligibility and vesting is given for years of service prior to adoption of the ESOP. In the case of a change in control, as defined in the ESOP, which triggers a termination of the ESOP, participants will become immediately fully vested in their account balances. Benefits are payable upon retirement or other separation from service. Our contributions to the employee stock ownership plan are not fixed, so benefits payable under the ESOP cannot be estimated.

First Bankers Trust Company of Quincy, Illinois, serves as trustee of the ESOP. Under the employee stock ownership plan, the trustee must vote all allocated shares held in the ESOP in accordance with the instructions of the participating employees, and unallocated shares are voted in the same ratio on any matter as those allocated shares for which instructions are given.

During fiscal 2009, we made contributions to each named executive officer s account in the ESOP in the amounts of \$29,154, \$25,831, \$22,267 and \$43,418 with respect to Mr. Cruciani, Mr. Zettler, Ms. Johnson and Mr. Cooley, respectively. Effective as of December 31, 2009, we terminated the ESOP and the allocated shares were merged into the 401(k) Plan. Any unallocated shares were restored to the status of authorized but unissued shares and are available for future issuance.

Other Stock Benefit Plans

At the discretion of our Compensation Committee, our executive officers are eligible to participate in our equity incentive plans, including Citizens Community Bancorp, Inc. s 2004 Stock Option and Incentive Plan and the 2004 Recognition and Retention Plan. Eligible awards under these plans include, without limitation, stock options, stock appreciation rights, restricted stock and restricted stock units. Eligible participants under these plans include our directors, advisory directors, officers and other employees of Citizens Community Bancorp, Inc.

Table of Contents

or Citizens Community Federal. Upon the death or disability of the participant or upon a change of control of Citizens Community Bancorp, Inc., these awards become 100% exercisable or vested.

DIRECTOR COMPENSATION

General Information

Each of our non-employee directors, except our Chairman and Vice-Chairman, receives an annual retainer of \$12,000. Our Chairman receives an annual retainer of \$18,000 and our Vice-Chairman receives an annual retainer of \$14,000. Additionally, each director receives \$1,000 for each Board meeting attended. In addition to the foregoing amounts, the members of our Compensation Committee and Audit Committee each receive an additional annual retainer of \$3,000. Moreover, the chairman of each of our Compensation Committee and Audit Committee receive an additional \$500 per meeting for attendance at each meeting of the Compensation Committee and Audit Committee.

We maintain a Director Retirement Plan, which is an unfunded, non-contributory defined benefit plan providing for supplemental pension benefits for our directors. Benefits are based on a formula that includes participants' past and future earnings and years of service with Citizens. This retirement plan is administered by the Compensation Committee, which selects participants in the plan. Director McHugh is credited with one month of service under the plan for each month served since August 1, 2002. The remaining directors are credited with one month of service under the plan for every two months of service since August 1, 2002. The benefits under the plan are monthly payments for the lesser of 120 months or actual months of service under the plan, rounded up to the next full quarter end. All of the non-employee directors are participants in the plan. Director McHugh has quarterly benefits of \$4,500 per quarter, and the remaining non-employee directors have quarterly benefits of \$2,000 per quarter. Unless a vesting schedule is included in a participant's plan agreement, each participating director is fully vested in the benefits under the plan upon executing the plan agreement. The benefits under the plan are unfunded and unsecured and are merely promised by Citizens. We are under no obligation to fund the plan in advance; however, if we chose to do so, such funded amounts would be automatically expensed at the time of funding. We accrue for the new liability based on a present value calculation. Benefits are expensed on a straight line basis over the remaining months until eligible retirement. Effective as of September 30, 2009, no director elected or selected (that was not an existing director as of such date) to become a director of Citizens after that date is eligible to participate in the Director Retirement Plan. All benefits owing our directors under this plan are vested. As of September 30, 2009, the accumulated present value of the benefit accrued under this plan for each of Mr. McHugh, Mr. Westrate, Mr. Kempen and Mr. Shilling was \$183,464, \$55,837, \$60,660 and \$39,582, respectively.

TRANSACTIONS WITH RELATED PERSONS

The Bank has a written policy of granting loans to officers and directors. Loans to directors and executive officers are made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Citizens, in accordance with the Bank's underwriting guidelines, and do not involve more than the normal risk of collectibility or present other unfavorable features.
