#### Item 8.01. Other Events.

On March 11, 2010, Martin Midstream Partners L.P. (the <u>Partnership</u>) issued a press release announcing that it has received a private letter ruling from the Internal Revenue Service (<u>IRS</u>) relating to the tax characterization of Partnership income derived from its marine time charter agreements as qualifying transportation income, which could affect the Partnership s classification as a partnership for U.S. federal income tax purposes. The private letter ruling favorably concluded that the income that the Partnership derives from transporting crude oil, refined petroleum products, and other qualifying products under Section 7704(d)(1)(E) of the Internal Revenue Code pursuant to its marine time charter agreements is qualifying income. Although this ruling is generally binding on the IRS, the continuing validity of the ruling will be subject to the continuing accuracy of factual representations and assumptions made by the Partnership in its ruling request.

A copy of the press release is furnished as Exhibit 99.1 to this Current Report and will be published on the Partnership s website at www.martinmidstream.com.
