**Item 8.01 Other Events.**

On March 24, 2010, the United States Bankruptcy Court for the Central District of California, Santa Ana Division (the Bankruptcy Court ) entered an order granting the motion filed by Fremont General Corporation (the Company ) and approving the Closing Agreement (the Closing Agreement ) to be entered into by and between the Company and its subsidiaries, and the Internal Revenue Service (the IRS ). The Closing Agreement resolves all adjustments related to or arising from the IRS 's examination of the Company 's consolidated taxpayer group 's federal income tax return for the tax period ended December 31, 2006, and determines the allowable net operating loss ( NOL ) deduction for the year ended December 31, 2004 attributable to the NOL carryback from the year ended December 31, 2006. As a result of the adjustments reflected in the Closing Agreement, the Company 's consolidated taxpayer group will owe the IRS approximately \$2.2 million in additional income tax attributable to the tax year ended December 31, 2004, before interest and penalties, if applicable. However, the Company expects to be able to recoup the additional income tax through the carryback of its 2008 NOL pursuant to the provisions of the *Worker, Homeownership, and Business Assistance Act of 2009* (H.R. 3548).

Pursuant to the Internal Revenue Code of 1986, as amended, the Closing Agreement must be approved by the U.S. Congress Joint Committee on Taxation (the Joint Committee ) before the IRS may enter into the Closing Agreement. The parties anticipate that it is more likely than not the Joint Committee will approve the Closing Agreement within the next several months. In the event the Joint Committee disapproves or objects to the Closing Agreement on or before December 31, 2010, the IRS is entitled to further amend its proof of claim.

The Closing Agreement completes the resolution of the IRS 's proof of claim, in the amount of \$89,384,470.43, which was initially filed with the Bankruptcy Court on September 30, 2008 in connection with the Company 's voluntary petition under Chapter 11 for unresolved disputes related to Company 's consolidated taxpayer group 's federal income tax returns for the tax periods ended December 31, 2004 through December 31, 2007. The tax period ended December 31, 2005 was favorably resolved through the IRS appeal process in June 2009, leaving the Company in a net refund position of \$35,774.00 before interest. The tax period ended December 31, 2007 was audited and closed with no deficiencies or refunds attributable to the Company. The IRS filed an amended proof of claim with the Bankruptcy Court on January 12, 2010 in the amount of \$2,761,910.67, which is a significant reduction from their initial proof of claim amount of \$89,384,470.43. The IRS amended proof of claim is consistent with the adjustments included in the Closing Agreement attributable to 2004 tax period, plus an estimate of interest due. Additionally, and as a result of the Company 's resolution of the IRS examinations for tax periods ended December 31, 2004 through December 31, 2007, the California Franchise Tax Board, which had previously filed a related proof of claim in the amount of \$13,292,103.89, filed an amended proof of claim on February 26, 2010 in the amount of \$550,404.00.
