Item 1.01 Entry into a Material Definitive Agreement.

On April 1, 2010, Natural Resource Partners L.P. (the Partnership) entered into an Underwriting Agreement (the Underwriting Agreement) with UBS Securities LLC and Barclays Capital Inc., as representatives of the underwriters set forth in Schedule 1 to the Underwriting Agreement (collectively, the Underwriters), relating to the public offering of 4,000,000 common units representing limited partnership interests in the Partnership (the Common Units), at a public offering price of \$25.17, less underwriting discounts of \$1.04 per Common Unit. Pursuant to the Underwriting Agreement, the Partnership also granted the Underwriters an option to purchase an additional 600,000 Common Units from the Partnership to cover over-allotments, if any.

The Partnership expects the closing of the transactions under the Underwriting Agreement to occur on April 7, 2010, subject to customary closing conditions. The Partnership expects to receive net proceeds from the sale of the Common Units sold pursuant to the Underwriting Agreement of approximately \$96.3 million (after deducting underwriting discounts and commissions and estimated expenses), plus a related capital contribution of approximately \$2.1 million by the Partnership's general partner to maintain its 2.0% general partner interest in the Partnership. The Partnership intends to use the net proceeds from the offering to repay all of the indebtedness outstanding under its credit facility and for general partnership purposes, including to finance future acquisitions.

The offering was made pursuant to the Partnership's shelf registration statement on Form S-3 (File No. 333-157595) filed with the Securities and Exchange Commission (the SEC) on February 27, 2009, which was declared automatically effective by the SEC, and was subsequently amended by post-effective amendment on March 19, 2010.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Partnership, and customary conditions to closing, indemnification obligations of the Partnership and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and incorporated by reference herein.
