Pursuant to the Common Stock Underwriting Agreement, the Company agreed to sell and the Common Stock Underwriters agreed to purchase for resale to the public (the Common Stock Offering), subject to the terms and conditions expressed therein, 65,116,279 shares of the Company's common stock at a price per share of \$10.75 to the public, less an underwriting discount of \$0.43 per share. The Common Stock Underwriters also have an option to purchase up to 9,767,441 additional shares of the Company's common stock at the same price per share. The Stock Offering is expected to close on April 26, 2010.

The Common Stock Underwriting Agreement contains customary representations, warranties and agreements of the Company, conditions to closing, indemnification rights and obligations of the parties and termination provisions. The description of the Common Stock Underwriting Agreement set forth above is qualified in its entirety by reference to the text of the Common Stock Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

The Company's common stock to be sold pursuant to the Common Stock Underwriting Agreement was registered pursuant to an effective Registration Statement on Form S-3 (Reg.
