PROXY STATEMENT

Our Board of Directors is soliciting proxies to be voted at the 2010 Annual Meeting of Stockholders, which we refer to as the Annual Meeting, to be held on June 14, 2010. Your vote is very important. For this reason, our Board of Directors is requesting that you permit your common stock to be represented at the Annual Meeting by the proxies named on the proxy card. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully. In this Proxy Statement, VCA Antech, Inc. is referred to as the Company, VCA, we, us and our.

In accordance with rules and regulations of the Securities and Exchange Commission (the SEC), instead of mailing a printed copy of our proxy materials to each stockholder of record or beneficial owner, we are now furnishing proxy materials, which include the Proxy Statement, proxy card and the Annual Report on Form 10-K for the fiscal year ended December 31, 2009, which we refer to as the 2009 Annual Report, to our shareholders over the Internet. On or about May 2, 2010, we mailed the Notice of Internet Availability of Proxy Materials to our stockholders and made available the proxy materials to our stockholders at www.proxyvote.com.

Because you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you have previously made a permanent election to receive these materials in hard copy. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy. If you received the Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

QUESTIONS AND ANSWERS

Q. Who may vote at the Annual Meeting?

A. You may vote your VCA common stock at the Annual Meeting if our records show that you owned your shares of common stock at the close of business on April 19, 2010, which we refer to as the Record Date. At that time, there were 86,376,632 shares of common stock outstanding, and approximately 284 holders of record. Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting.

Q. What items of business will be voted on at the Annual Meeting?

A. There are two items of business scheduled to be voted on at the Annual Meeting:

Election of one member to the Board of Directors; and

Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2010.

We will also consider other business that comes properly before the Annual Meeting.

Q. How does the Board of Directors recommend that I vote?

A. Our Board of Directors recommends that you vote:

FOR the election of its nominees to the Board of Directors; and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2010.

Table of Contents

Q. Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

A. Pursuant to rules adopted by the SEC, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to our stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice of Internet Availability of Proxy Materials. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

Q. How can I get electronic access to the proxy materials?

A. The Notice of Internet Availability of Proxy Materials will provide you with instructions regarding how to:

View our proxy materials for the Annual Meeting on the Internet; and

Instruct us to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Q. How can I vote my shares in person at the Annual Meeting?

A. If your shares are registered directly in your name with U.S. Stock Transfer Corporation, our Transfer Agent, you are considered the stockholder of record with respect to those shares and the Notice of Internet Availability of Proxy Materials is being sent directly to you by VCA. As the stockholder of record, you have the right to vote in person at the meeting. If you choose to do so, you can vote using the ballot provided at the Annual Meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you decide later not to attend the Annual Meeting.

Most stockholders of VCA hold their shares in street name through a broker, bank or other nominee rather than directly in their own name. In that case, you are considered the beneficial owner of shares held in street name, and the Notice of Internet Availability of Proxy Materials is being forwarded to you by your broker, bank or other nominee, as applicable. As the beneficial owner, you are also invited to attend the Annual Meeting. Because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. You will need to contact your broker, trustee or nominee to obtain a legal proxy, and you will need to bring it to the Annual Meeting in order to vote in person.

Q. How can I vote my shares without attending the Annual Meeting?

A. If you are a stockholder of record and you do not wish to vote in person at the Annual Meeting, you may vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials, or, if you received printed copies of the proxy materials, you can also vote by mail or by telephone

pursuant to the instructions included on the proxy card.

If you are a beneficial owner of shares held in street name and you do not wish to obtain a legal proxy from your broker, trustee or other nominee giving you a right to vote these shares in person at the Annual Meeting, you may direct the voting of these shares over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials, or if you received printed copies of the proxy materials, you can also vote by mail or by telephone by following the instructions included on the voting instruction card provided to you by your broker, trustee or other nominee.

Table of Contents

Q. What happens if additional matters are presented at the Annual Meeting?

- A. Other than the two items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxies, Robert L. Antin and Tomas W. Fuller, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

Q. What happens if I do not give specific voting instructions?

- A. If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, the proxy holders vote your shares in the manner recommended by our Board of Directors on all matters presented in this Proxy Statement, and, with respect to any other matters that properly come before the Annual Meeting, as the proxy holders may determine in their discretion.

If you hold your shares through a broker, bank or other nominee and you do not provide your broker with specific voting instructions, your broker may vote your shares only with respect to certain matters considered routine.

Specifically, your broker may not vote on the election of directors if you do not furnish instructions for that proposal. This reflects a change in the applicable rules and differs from our previous annual meetings. ***You should use the voting instruction card provided by the institution that holds your shares to instruct your broker to vote your shares or else your shares will be considered broker non-votes.***

Broker non-votes are shares held by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote those shares and the broker or nominee does not have discretionary voting power under rules applicable to broker-dealers. Under these rules, the proposal to elect directors is not an item on which brokerage firms may vote in their discretion on behalf of their clients if those clients have not furnished voting instructions.

Your broker may vote in its discretion on the ratification of the appointment of our independent registered public accounting firm if you do not furnish instructions.

Q. What is the quorum requirement for the Annual Meeting?

- A. A majority of VCA's outstanding shares as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum, whether representing votes for, against, withheld or abstained, if you:

are present and vote at the Annual Meeting; or

properly submit a proxy card, vote by telephone or vote over the Internet.

Broker non-votes also are counted as present for the purpose of determining the existence of a quorum at the Annual Meeting.

Q. How can I change my vote after I return my proxy card?

- A. If you are a stockholder of record, there are three ways you can change your vote or revoke your proxy after you have sent in your proxy form.

First, you may send a written notice to VCA Antech, Inc., c/o Office of Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064, stating that you would like to revoke your proxy.

Second, you may complete and submit a new proxy form. Any earlier proxies will be revoked automatically.

Third, you may attend the Annual Meeting and vote in person. Any earlier proxy will be revoked. However, attending the Annual Meeting without voting in person will not revoke your proxy.

If your shares are held in street name and you have instructed a broker or other nominee to vote your shares, you must follow directions from your broker or other nominee to change your vote.

Table of Contents

Q. What is the voting requirement to approve each of the items?

A.

Item 1 Election of director	The person receiving the highest number of FOR votes at the Annual Meeting will be elected
Item 2 Ratification of appointment of independent registered public accounting firm	To be approved by the stockholders, this item must receive the affirmative FOR vote of a majority of the votes casts on this item at the Annual Meeting

Q. Where can I find the voting results of the Annual Meeting?

A. We intend to publish the final voting results in our current report on Form 8-K within four business days of the Annual Meeting, unless final results are unavailable in which case we will publish the preliminary results in that current report on Form 8-K. If final results are not filed with our current report on Form 8-K to be filed within four business days of the Annual Meeting, the final results will be published in an amendment to our current report on Form 8-K within four business days after the final voting results are known.

Q. Can I access the Notice of Internet Availability of Proxy Materials, Proxy Statement, proxy card and 2009 Annual Report on the Internet?

A. The Notice of Internet Availability of Proxy Materials, Proxy Statement, proxy card and the 2009 Annual Report are available at www.proxyvote.com.

Q. How can I obtain paper or email copies of proxy materials?

A. The Notice of Internet Availability of Proxy Materials contains a toll-free telephone number, an email address, and a website where stockholders can request a paper or an email copy of the Proxy Statement, proxy card and the 2009 Annual Report. These proxy materials are available free of charge.

Q. Who pays for the cost of this proxy solicitation?

A. We will pay the costs of the solicitation of proxies. We may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding the voting materials to their customers who are beneficial owners and obtaining their voting instructions. In addition to soliciting proxies by mail, our board members, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone.

Q. Is there a list of stockholders entitled to vote at the Annual Meeting?

A. The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting for any purpose relevant to the Annual Meeting, between the hours of 9:00 a.m. and 5:00 p.m., at our principal executive offices by contacting the Secretary of the Company.

Q. What is the deadline to propose actions for consideration at next year's annual meeting?

- A. To be considered for inclusion in our proxy statement for the 2011 annual meeting of stockholders, stockholder proposals must be received at our offices no later than the close of business December 24, 2010. Proposals must comply with Rule 14a-8 under the Securities Exchange Act of 1934, and must be submitted in writing to VCA Antech, Inc., c/o Office of Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064. If the Company's 2011 annual meeting is advanced or delayed more than 30 days from the date of the 2010 annual meeting, stockholder proposals intended to be included in the proxy materials for the 2011 annual meeting must be received by the Company within a reasonable time before the Company begins to print and mail the proxy materials for the 2011 annual meeting.

In addition, our bylaws require that, if a stockholder desires to introduce a stockholder proposal or nominate a director candidate from the floor of the 2011 annual meeting of stockholders, the

Table of Contents

stockholder must submit that proposal or nomination in writing to the Company at the above address after March 9, 2011 and no later than April 8, 2011. The written proposal or nomination must comply with our bylaws. The Chairman of the meeting may refuse to acknowledge or introduce any stockholder proposal or the nomination of any person made after April 8, 2011, or that does not comply with our bylaws. If a stockholder fails to meet these deadlines or satisfy the requirements of Rule 14a-4 under the Securities Exchange Act of 1934, the proxies we solicit allow us to vote on those proposals as we deem appropriate. If a stockholder who presents a proposal does not appear at the annual meeting to present it, the proposal will be disregarded, notwithstanding that proxies in respect of the proposal may have been received by the Company. You can find a copy of our bylaws in the Investor Relations section of the Company's website (www.vcaantech.com) by clicking on Corporate Governance or you may obtain a copy by submitting a request to VCA Antech, Inc., c/o Office of Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064.

Q. How can I communicate with the Board of Directors?

- A. Stockholders may communicate with the Board of Directors by sending a letter to the Board of Directors of VCA Antech, Inc., c/o Office of the Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064. Each communication must contain a clear notation indicating that it is a Stockholder Board Communication or Stockholder Director Communication, and each communication must identify the author as a stockholder. The Office of the Secretary will receive the correspondence and forward it to the Chairman of the Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. The Office of the Secretary has authority to discard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications.

CORPORATE GOVERNANCE

Our business is managed by our employees under the direction and oversight of the Board of Directors. Except for Robert L. Antin, none of the members of our Board of Directors is an employee of VCA. We keep the members of our Board of Directors informed of our business through discussions with management, materials we provide to them, visits to our offices and their participation in Board of Directors and committee meetings.

We believe transparent, effective, and accountable corporate governance practices are key elements of our relationship with our stockholders. To help our stockholders understand our commitment to this relationship and our governance practices, several of our key governance initiatives are summarized below.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines which govern, among other things, criteria for membership on the Board of Directors, vacancies on the Board of Directors, director responsibilities, director education, and committee composition and charters. You can access these Corporate Governance Guidelines, along with other materials such as committee charters, on our website at <http://investor.vcaantech.com>.

Code of Ethics

We have adopted a Code of Ethics and Business Conduct applicable to all of our employees as well as our directors and executive officers. Our Code of Ethics and Business Conduct is designed to set the standards of business conduct and ethics and to help directors and employees resolve ethical issues. Our Code of Ethics and Business Conduct applies to our Chief Executive Officer, Chief Financial Officer, all other senior financial executives, our directors when acting in their capacity as directors and to all of our employees. The purpose of our Code of Ethics and Business Conduct is to ensure to the greatest possible extent that our business is conducted in a consistently legal and ethical manner. Employees may submit concerns or complaints regarding audit, accounting, internal controls or other ethical issues on a confidential basis by means of an anonymous toll-free telephone call or email. We investigate all concerns and complaints. Our Code of Ethics and Business Conduct is posted on our website at <http://investor.vcaantech.com>.

We intend to disclose on our website amendments to, or waivers from, any provision of our Code of Ethics and Business Conduct which applies to our Chief Executive Officer, Chief Financial Officer, Principal Accounting Officer/Controller and persons performing similar functions and amendments to, or waivers from, any provision which relates to any element of our Code of Ethics and Business Conduct described in Item 406(b) of Regulation S-K.

Committee responsibilities

VCA has three committees of the Board of Directors: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each committee meets regularly and has a written charter approved by the Board of Directors. See Further Information Regarding Board of Directors Meetings and Committees contained elsewhere in this Proxy Statement.

Independence

NASDAQ rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that four of our five current directors are independent under the NASDAQ Global Select Market listing standards. Our independent directors are: John M. Baumer, John B. Chickering, Jr., John

Heil and Frank Reddick. In addition, all of the directors currently serving on the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are independent under the NASDAQ Global Select Market listing standards.

Table of Contents

Stockholder communication

Stockholders may communicate with the Board of Directors by sending a letter to the Board of Directors of VCA Antech, Inc., c/o Office of the Secretary, 12401 West Olympic Boulevard, Los Angeles, California 90064. Each communication must contain a clear notation indicating that it is a Stockholder Board Communication or Stockholder Director Communication, and each communication must identify the author as a stockholder. The Office of the Secretary will receive the correspondence and forward it to the Chairman of the Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. The Office of the Secretary has authority to discard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications.

Director attendance at Annual Meetings

All directors are encouraged to attend VCA's Annual Meetings of stockholders. Three of our directors attended our 2009 Annual Meeting of Stockholders.

Executive sessions

VCA's independent directors regularly meet in executive session without management present.

Board Leadership

VCA is led by its founder, Robert L. Antin, who has served as Chairman of the Board, Chief Executive Officer and President since our inception in 1986. We believe that combining the role of Chairman of the Board and Chief Executive Officer promotes unified leadership and direction for VCA and provides for a single, clear focus for management to execute the Company's strategy and business plan. Mr. Antin's industry expertise and intimate knowledge of VCA's operations and strategy make him uniquely positioned and qualified to serve in these capacities, and we believe Mr. Antin is seen by our customers, business partners, investors and other stakeholders as providing strong leadership for the Company and the industry.

VCA does not have a lead director and does not believe that appointing a lead director would materially impact the performance of the Board of Directors, as it currently employs a variety of structural and operational controls that serve the same purpose. For example, our independent directors meet regularly in executive sessions. This allows independent directors to speak candidly on any matter of interest, without the Chief Executive Officer or other managers present. Moreover, each committee chair acts as presiding director for Board of Directors discussions on topics within the sphere of his committee. All members of the Board of Directors are free to suggest the inclusion of items on Board of Directors and committee meeting agendas, and, to the fullest extent possible, all meeting materials and presentations are distributed to the Board of Directors in advance, allowing efficient use of time during meetings for questions and comprehensive deliberations. All members of the Board of Directors have direct and complete access to the Company's management at all times, subject to reasonable time constraints and their judgment. Additionally, the Chief Executive Officer's performance and compensation are evaluated and determined by the compensation committee of the Board of Directors, which is comprised solely of independent directors. Finally, each committee, all of which are comprised solely of independent directors, has the right at any time to retain independent outside financial, legal or other advisors.

Risk Oversight

The Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of the Company's objectives and to maintain stockholder value. The fully independent Audit Committee is primarily responsible for overseeing the Company's exposure to financial risk and reviewing the steps the Company's management has taken to monitor and control such exposure. The Audit Committee

Table of Contents

meets at least four times per year, in addition to periodic meetings with management and internal and independent auditors to accomplish its purpose. While the Audit Committee has primary responsibility for overseeing risk management, the full Board of Directors participates in an annual enterprise risk management assessment, which is led by the Company's management. This assessment includes a discussion of the Company's most significant risks as well as a centralized evaluation and determination of the Company's risk appetite, to ensure consensus and mutual understanding between the Board and management. Additionally, each of our committees considers the risks within its area of responsibilities. We believe that the leadership structure of our Board of Directors supports its effective oversight of the Company's risk management.

Outside advisors

The Board of Directors, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee may each retain outside advisors and consultants of their choosing at VCA's expense.

Director education

On February 10, 2009, John B. Chickering, Jr., attended the 2009 Annual Audit Committee Issues Conference, which is a director education program accredited by Risk Metrics Group (formerly known as Institutional Shareholder Services).

Frank Reddick routinely participates in continuing legal education programs on corporate governance, and board and board committee functions.

Table of Contents

ITEM 1: ELECTION OF DIRECTORS

We have five members on our Board of Directors. Four of the five members of our Board of Directors have been determined by our Board of Directors to meet the independence requirements of the NASDAQ Global Select Market listing standards.

As provided in our Amended and Restated Certificate of Incorporation, the Board of Directors has been grouped into three classes, as nearly equal in number as possible, which are elected for staggered terms. Our Class II director will be elected at this Annual Meeting and will hold office for three years until the 2013 Annual Meeting and thereafter until his successor is duly elected and qualified. The terms of our Class I directors expire at our 2012 Annual Meeting. The terms of our Class III directors expire at our 2011 Annual Meeting. In accordance with our Corporate Governance Guidelines, any director appointed to fill a vacant seat in a class other than the class of directors whose terms expire at the next annual meeting of stockholders will stand for re-election at the next annual meeting of stockholders.

Although we know of no reason why the nominee would not be able to serve, if the nominee is unavailable for election, the proxies will vote your common stock to approve the election of any substitute nominee proposed by our Nominating and Corporate Governance Committee. The Board of Directors may choose to reduce the size of the Board, as permitted by our Bylaws, provided we maintain the number of independent directors required by the listing standards of the NASDAQ Global Select Market. The Board of Directors has no reason to believe that VCA's nominee will be unwilling or unable to serve if elected as a director.

Nominees

Our nominee for election as Class II director, Robert L. Antin, is currently a director and Chairman of the Board and has agreed to be named in this Proxy Statement and to serve if elected.

The Board of Directors proposes the following candidate for election as Class II director:

Class II Director Nominee

Robert L. Antin

The principal occupation and certain other information about the nominee, our other directors and our executive officers are set forth on the following pages.

A plurality of the votes cast is required for election as a director. All proxies will be voted to approve the election of the nominees listed above unless a contrary vote is indicated on the enclosed proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINEE IDENTIFIED ABOVE.

FURTHER INFORMATION REGARDING THE BOARD OF DIRECTORS

Composition

Four of the five members of our Board of Directors have been determined by our Board of Directors to meet the independence requirements of the NASDAQ Global Select Market listing standards. We refer to each of these directors as an independent director.

Meetings & Committees

During fiscal 2009, the Board of Directors held four meetings and acted twice by unanimous written consent. VCA's independent directors regularly meet in executive session without management present.

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, all of which are constituted solely of independent directors.

Audit Committee

The Audit Committee consists of John M. Baumer, John B. Chickering, Jr. (Chairman) and John Heil, each an independent director and each financially literate as required by the NASDAQ Global Select Market listing standards. Our Board of Directors has determined that Messrs. Baumer, Chickering and Heil qualify as audit committee financial expert[s] as that term is defined in Item 407(d)(5)(ii) of Regulation S-K of the Exchange Act. During fiscal 2009, the Audit Committee held eight meetings.

Among other matters, the Audit Committee:

engages and replaces the independent registered public accounting firm as appropriate;

evaluates the performance and independence of and pre-approves all services provided by the independent registered public accounting firm;

discusses with management, the internal auditor and the independent registered public accounting firm the quality of our accounting principles and financial reporting; and

oversees our internal controls.

Our Audit Committee charter is posted on our website at <http://investor.vcaantech.com>.

Compensation Committee

The Compensation Committee consists of John M. Baumer, John B. Chickering, Jr. and Frank Reddick (Chairman), each an independent director. During fiscal 2009, the Compensation Committee held four meetings. The Compensation Committee:

assists the Board of Directors in ensuring a proper system of long-term and short-term compensation is in place to provide performance-oriented incentives to management, and compensation plans are appropriate and competitive and properly reflect the objectives and performance of management and the Company;

establishes the compensation of all of our executive officers; and

administers the Company's equity incentive programs, including the VCA Antech Inc. 2006 Equity Incentive Plan and the VCA Antech Inc. 2007 Annual Cash Incentive Plan, which we refer to collectively as the Plans.

The Compensation Committee is responsible for overseeing the determination, implementation and administration of remuneration, including compensation, benefits and perquisites, of all executive officers and

Table of Contents

other members of senior management whose remuneration is the responsibility of the Board of Directors. The Compensation Committee seeks the views of our Chief Executive Officer with respect to establishing appropriate compensation packages for the executive officers (other than the Chief Executive Officer). The Compensation Committee also has the authority to delegate its responsibilities to subcommittees of the Compensation Committee if it determines such delegation would be in the best interest of the Company. On October 23, 2007, the Compensation Committee established the 162(m) subcommittee, which consists of the two outside directors (as such term is defined in Treasury Regulation 1.162-27(e)(3)) of the Compensation Committee, John M. Baumer and John B. Chickering, Jr. The 162(m) subcommittee has the power and authority, to the same extent as would the Compensation Committee, to act, in the name of and on behalf of the Company, with respect to the administration of the Plans, including (i) granting equity awards to the Company's executive officers pursuant to the terms of the VCA Antech Inc. 2006 Equity Incentive Plan, (ii) granting performance awards consisting of equity and/or cash to the Company's executive officers under the Plans and (iii) establishing the performance goals underlying the performance awards and determining whether these performance goals have been met.

The Chairman of the Compensation Committee develops the meeting calendar for the year based on member availability and other relevant events within our corporate calendar. The Compensation Committee meeting agendas are generally developed by our Compensation Committee Chairman. The Compensation Committee generally meets in executive session, with no member of management being present at the meetings. In addition, the Compensation Committee may request that any of our directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Compensation Committee requests.

The Compensation Committee has the sole authority to retain independent counsel or other advisors, as it deems necessary in connection with its responsibilities at the Company's expense. The Compensation Committee also has the sole authority to retain and terminate compensation consultants. The Compensation Committee engaged Mercer as its compensation consultant in 2009.

In 2009, the Compensation Committee reviewed VCA's compensation policies and practices for all employees, including executive officers, and determined that any potential risks arising from VCA's compensation programs will not have a material adverse affect on the Company.

Our Compensation Committee charter is posted on our website at <http://investor.vcaantech.com>.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of John M. Baumer and John B. Chickering, Jr., each an independent director. During fiscal 2009, the Nominating and Corporate Governance Committee held one meeting. The principal responsibilities of the Nominating and Corporate Governance Committee are to propose to the Board of Directors a slate of nominees for election by the stockholders at our Annual Meetings and to review and reassess the adequacy of the Corporate Governance Guidelines and recommend any proposed changes to the Board of Directors.

In considering director candidates, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met in order to be recommended as a nominee. The Nominating and Corporate Governance Committee does believe, however, that all members of the Board of Directors should have high personal and professional ethics, integrity, practical wisdom and mature judgment, no conflict of interest that would interfere with their performance as a director of a public corporation, a commitment to serve on the Board of Directors over a period of several years, a willingness to represent the best interests of all stockholders and objectively appraise management performance and sufficient time to devote to matters of the Board of Directors.

Although the Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity, both the Board and the Nominating and Corporate Governance Committee believe that diversity with respect to viewpoint, skills and experience is an important factor in Board composition. The Board and the

Table of Contents

Nominating and Corporate Governance Committee consider the experience, mix of skills and other qualities of each candidate to assure appropriate Board composition, taking into account the current Board members and the specific needs of the Company and the Board.

Our Nominating and Corporate Governance Committee may employ a variety of methods for identifying and evaluating nominees for director, including stockholder recommendations. The Nominating and Corporate Governance Committee will consider candidates recommended by our stockholders, provided that the recommendations are made in accordance with the procedures required under our Bylaws, as summarized in the Questions and Answers section of this Proxy Statement. The Nominating and Corporate Governance Committee will not evaluate candidates differently based on who made the recommendation for consideration. Our Nominating and Corporate Governance Committee charter is posted on our website at <http://investor.vcaantech.com>.

Director Attendance

All directors attended 75% or more of all the meetings of the Board of Directors in fiscal 2009. All directors attended 75% or more of all the meetings of those committees on which they served in fiscal 2009. The Company encourages, but does not require, all directors and director nominees to attend our Annual Meetings of stockholders. Three of our directors attended our 2009 Annual Meeting of Stockholders.

Compensation Committee Interlocks and Insider Participation

During fiscal 2009, the Compensation Committee of our Board of Directors consisted of John B. Chickering, Jr., John M. Baumer and Frank Reddick. None of these individuals was one of our officers or employees at any time during fiscal 2009. Mr. Reddick is a partner at Akin Gump Strauss Hauer & Feld LLP, which provided legal services to us during fiscal 2009 and is providing legal services to us in fiscal 2010. In 2009, the Company paid Akin Gump Strauss Hauer & Feld LLP \$1.3 million for legal services. Nevertheless, Mr. Reddick is not disqualified from serving as an independent director on our Board of Directors under the NASDAQ Global Select Market listing standards because of the relatively small amount of fees we paid to Akin Gump Strauss Hauer & Feld LLP in fiscal years 2009, 2008 and 2007 in relation to our total revenues and the total revenues of Akin Gump Strauss Hauer & Feld LLP for those same periods. None of our executive officers served as a member of the board of directors or compensation committee of any entity that has or has had one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee has established a policy with respect to the pre-approval of audit and permissible non-audit services and fees provided by the independent registered public accounting firm. The Audit Committee's pre-approval policy requires that all audit and permissible non-audit services and fees be pre-approved by the Audit Committee. Specific pre-approval is not required for permissible non-audit services provided that they:

do not, in the aggregate, amount to more than five percent of total revenues paid by the Company to the independent registered public accounting firm in the fiscal year in which the services are provided;

were not recognized by the Company as non-audit services at the time of the relevant engagement; and

are promptly brought to the attention of the Audit Committee and approved by the Audit Committee (or its designated representatives) prior to the completion of the annual audit.

Pursuant to the pre-approval policy, the Audit Committee's Chairman is delegated the authority to pre-approve audit services and fees, provided he reports those approvals at the next meeting of the Audit Committee. The term of any pre-approval granted by the Audit Committee with respect to a given service is twelve months. All fees in excess of pre-approved levels require specific pre-approval by the Audit Committee. All audit and permissible non-audit services provided to us in connection to fiscal 2009 were approved by the Audit Committee.

REPORT OF AUDIT COMMITTEE

The Audit Committee Report does not constitute soliciting material, and shall not be deemed filed with the Securities and Exchange Commission or to be subject to Regulation 14A or 14C as promulgated by the Securities and Exchange Commission, or to the liabilities of Section 18 of the Securities Exchange Act of 1934.

The Committee is responsible for overseeing, on behalf of the Board of Directors, the Company's accounting and financial reporting process and the audits of VCA's financial statements. The Committee acts only in an oversight capacity and relies on the work and assurances of management, which has the primary responsibility for the financial reporting process, including the system of internal controls, and the financial statements.

The Committee has:

reviewed and discussed the audited financial statements with management and the independent registered public accounting firm;

discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication With Audit Committees); and

received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and discussed with the independent registered public accounting firm the independent accountant's independence from the Company and its management.

The Committee also has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with the accountant's independence. The Committee has concluded that the independent registered public accounting firm is independent from the Company and its management.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following discussion and analysis is intended to provide you with an explanation of our current compensation program, focused on the compensation of our Chairman and Chief Executive Officer and our four other most highly compensated executive officers. Throughout this discussion, these executives are referred to as the Named Executive Officers .

The first part of this discussion summarizes the key decisions related to compensation in fiscal year 2009. The remaining sections provide details on our compensation philosophy and program s objectives, the elements of compensation used to pay our executives and historical information regarding the development of our program and its relationship to how our Named Executive Officers are compensated.

Key 2009 Decisions

The following are key decisions we made in 2009 relating to compensation for our Named Executive Officers, which are described in more detail below:

We historically have reviewed and adjusted the base salary of our Named Executive Officers effective July 1 of each year. In light of economic conditions affecting our Company s business, we determined to make no adjustment to the base salaries of the Named Executive Officers for the period commencing July 1, 2009.

In March 2009, we determined to pay bonuses to our Named Executive Officers (other than Josh Drake) for 2008 in the form of restricted stock units. The common stock award underlying the restricted stock units is not payable until May 1, 2012 (subject to acceleration on death, disability, termination of employment, or change in control).

We historically have made annual stock award grants to our Named Executive Officers under our equity plans. We did not make annual grants of stock awards to our Named Executive Officers in 2009.

We awarded our Named Executive Officers a discretionary bonus for services rendered in 2009. The principal factors we took into account in making these awards were our 2009 financial performance during a very difficult economic environment; the increase in value to our shareholders represented by the 25.4% increase in our stock price during the fiscal year; and the significant decrease in the size of the 2009 compensation packages provided to our Named Executive Officers compared to 2008 and 2007.

We amended the employment agreements for our Named Executive Officers to bring them into compliance with the requirements of Section 409A of the Code, and related regulations and other guidance promulgated thereunder. We made no other material changes to the agreements.

The remainder of this discussion and analysis is divided into the following key sections:

Compensation Program Objectives

Compensation Program Elements

Compensation Decision Making Process

Determination of fiscal year 2009 Compensation

Table of Contents

Compensation Program Objectives

We believe that compensation of our executive and other officers should be directly and materially linked to our operating performance. We believe that the performance of individual officers is best viewed through the impact of their performance on our company's performance as reflected by achievement of annual performance targets that we consider to be drivers of long-term stockholder value. As a result, for executive officers, our compensation programs focus on the performance of our company, rather than individual performance. Our executives with the most senior leadership positions within our organization have the greatest ability to influence our company's performance. Both the annual and long-term incentive awards as a percentage of total compensation for these executives are greater than that of our other employees.

The fundamental objectives of our compensation program are to attract, retain and motivate top quality executive and other officers through compensation and incentives which are competitive with the market and industry in which we compete for talent and which align the interests of our officers and senior management with the interests of our stockholders. We seek to promote service longevity and to provide our executives with long-term wealth accumulation opportunities, assuming that we are able to maintain a high-level of financial and stock performance. We strive to deliver a market-competitive level of fixed compensation, with the opportunity for above market compensation when the Company and the individual exceed our performance objectives.

Overall, we have designed our compensation program to:

- reward performance, with variable pay constituting a significant portion of total compensation;
- support the attainment of our long- and short-term strategic and financial objectives;
- align executive's interests with our stockholders;
- reward executives for continuous improvement in earnings and growth in shareholder value;
- be competitive with our peer companies; and
- promote and reward longevity of service.

Compensation Program Elements

Our compensation program consists of the following principal elements:

- annual base salary;
- an annual performance award or bonus;
- long-term incentive compensation in the form of equity awards, such as stock options and restricted stock; and
- other executive benefits and perquisites.

Base Salary

Our employees are paid a fixed base salary based on the responsibilities of their positions, the skills and experience required for the job, their individual performance, business performance, labor market conditions and by reference to market median salary levels. Our Named Executive Officers' salaries are reviewed annually and salary increases typically take effect in July of each year, unless business circumstances require otherwise.

We take into account compensation levels at similarly situated companies for similar positions, referred to as benchmarking, in establishing the base salaries for our executive officers. We use benchmarking as a point of

Table of Contents

reference for measurement, and the Compensation Committee has discretion in determining how much weight to place on the benchmarking analysis. Benchmarking helps the Compensation Committee assess whether our level of executive pay is appropriate when compared to industry standards.

In addition to benchmarking, the Compensation Committee reviews the executive officer's historical compensation, the executive officer's compensation in relation to other officers, individual performance of the executive officer and corporate performance. Salary levels are also considered upon a promotion or other change in job responsibility. In addition, the Compensation Committee takes into account internal equity considerations in making its executive compensation decisions.

No salary increases were granted for the period commencing with July 1, 2009 to our Named Executive Officers.

Annual Performance Awards or Bonus

Our annual bonus awards are intended to reward our executives for performance over our fiscal year. They also align our executives' interests with those of our stockholders and help us attract, motivate and retain executives. Historically, annual performance awards have been tied to achieving pre-established objective performance goals established pursuant to our 2007 Cash Incentive Plan. Under this plan, each participant is eligible to receive a predetermined maximum annual award if the maximum objective performance levels have been satisfied. Lower awards are set for target performance and minimum threshold performance.

Historically, the performance measure we used was Adjusted EBITDA, which is the principal financial metric used by management in managing our business. Each year we set our financial measures, targets and bonus payout schedules with reference to achieving pre-set levels of desired financial performance, and with consideration given to our annual and long-term financial plan, macroeconomic conditions and our goal to provide to our executives a competitive compensation package. Actual payments are typically made in cash to all participants within three months after the end of our fiscal year, based on the degree to which the objectives have been achieved, as certified and approved by the 162(m) subcommittee of our Compensation Committee.

The 162(m) subcommittee did not grant cash performance awards in 2008 and no cash bonus was awarded to our four senior executive officers for the year as part of the decision to weight compensation for the year to equity based awards, which have a direct alignment with the interests of the stockholders. In lieu of a cash bonus award, the Named Executive Officers (other than Josh Drake) received a grant of fully vested restricted stock units, which are not payable until May 1, 2012 (subject to acceleration in the event of death, disability or change in control). Josh Drake, the President of our Laboratory Division, received a cash bonus for the year.

In 2009 we determined not to establish cash bonus awards under our 2007 Cash Incentive Plan in light of the turmoil existing in the economy and the lack of visibility in our markets. Instead, we assessed the financial and stock performance of the Company after the end of the fiscal year and awarded discretionary bonuses that were not tied to preestablished performance goals. The principal factors we took into account in making these awards were our 2009 financial performance during a very difficult economic environment; the increase in value to our shareholders represented by the 25.4% increase in our stock price during the fiscal year; and the significant decrease in the size of the 2009 compensation packages provided to our Named Executive Officers compared to 2008 and 2007.

In the first quarter of 2010, the 162(m) subcommittee of the Compensation Committee set our financial measures, targets and bonus payout schedules for fiscal 2010 under the 2007 Cash Incentive Plan. The performance measure adopted for 2010 was Adjusted EBITDA.

Table of Contents

Long Term Incentives

Long term incentives represent a significant proportion of compensation at the Company, and are designed to reward participants the way stockholders are rewarded: through growth in the value of our common stock. At the end of fiscal 2009, over 200 employees held equity awards under the Company's equity plans. The purpose of the grants is to align executives with the interests of our stockholders, reward employees for enhancing stockholder value, encourage retention and provide a means to increase ownership of our common stock. We also grant equity awards on a selective basis as part of new hire agreements, to encourage retention or to reward extraordinary individual results.

We do not have, nor do we intend to have, a program, plan or practice to select the grant dates of equity awards for executive officers in coordination with the release of material non-public information. Although there is no specified grant date for equity awards, the Compensation Committee has adopted a policy pursuant to which it will, at a regularly scheduled Compensation Committee meeting, set in advance of the meeting date, consider the grant of equity awards to the executive officers. The Compensation Committee adopted this policy to mitigate against the perception that grant dates are set to achieve benefits for the executive officers.

We did not make any equity awards to the Named Executive Officers in fiscal 2009.

Adjustment or Recovery of Awards

We have not created a policy to recover any incentive payments if the relevant performance measures and financial targets on which they were based are restated or otherwise adjusted in a manner that would reduce the size of a payment already made. We would review such a situation, if and when it arose.

However, under Section 304 of the Sarbanes-Oxley Act, if we were required to restate our financial results due to material noncompliance with any financial reporting requirements as a result of misconduct, the Chief Executive Officer and Chief Financial Officer could be required to reimburse the Company for (1) any bonus or other incentive-based or equity-based compensation received during the twelve months following the first public issuance or filing with the SEC of the non-complying document and (2) any profits realized from the sale of securities of the Company during those twelve months.

Perquisites and Other Personal Benefits

In order to better enable us to attract and retain highly skilled executive and other officers and to round out a competitive compensation package for our executive and other officers, we provide our executive and other officers with perquisites and other personal benefits that we believe are reasonable and consistent with our overall compensation philosophy and objectives. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to our executive officers.

The executive officers, among other things, are provided use of automobiles and are reimbursed for their out-of-pocket medical expenses.

Stock Ownership

Although the Company has not formally adopted stock ownership guidelines, each Named Executive Officer holds a substantial amount of shares of our common stock, including shares of restricted stock, and vested in-the-money options. See Outstanding Equity Awards at Fiscal Year-End Table and the Principal Stockholders Table on pages 27 and 44 of this Proxy Statement, respectively.

Termination and Change in Control Payments

We have entered into employment agreements with three of our executive officers and into a severance agreement with another executive officer. These employment agreements and severance agreement, which are designed to promote stability and continuity of senior management, provide for termination and change in

Table of Contents

control payment. We have also entered into post-retirement medical benefits coverage agreements with our four senior executive officers. We entered into post-retirement medical benefits agreements with our senior executive officers as recognition of each officer's extended service to the Company. A summary of these severance payments and post-termination benefits is set forth under the heading Employment Agreements; Post-Retirement Medical Benefits Coverage Agreements; Payment Upon Termination and Change in Control on page 28 of this Proxy Statement.

Tax Implications

The Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which provides that the Company may not deduct non-performance based compensation of more than \$1,000,000 that is paid to certain executive officers. However, in order to maintain flexibility in compensating our executive officers in a manner designed to promote varying corporate goals, we have not adopted a policy that all compensation must be deductible. Except with respect to a portion of the compensation paid to our Chief Executive Officer, all compensation paid to the executive officers for fiscal year 2009 will be fully deductible.

Compensation Decision Making Process

Roles and Responsibilities

The Compensation Committee oversees our executive compensation and benefit plans and practices, while establishing management compensation policies and procedures to be reflected in the compensation program offered to our executive officers. The Compensation Committee operates under the written charter approved by the entire Board of Directors, a copy of which is available at <http://www.vcaantech.com>. When necessary, the Compensation Committee recommends amendments to its charter to the Board of Directors for approval. In addition, the Compensation Committee has established a Section 162(m) subcommittee, consisting of Messrs. Baumer and Chickering, each of whom meet the definition of outside director for purposes of Section 162(m) of the Internal Revenue Code. The Section 162(m) subcommittee (i) grants equity awards to the named executive officers pursuant to the terms of the VCA Antech Inc. 2006 Equity Incentive Plan, (ii) grants performance awards consisting of equity and/or cash to the named executive officers under the Plans, (iii) establishes the performance goals underlying the performance awards and (iv) determines whether these performance goals have been met.

The Compensation Committee has the sole authority to retain independent counsel or other consultants, as it deems necessary, in connection with its responsibilities at the Company's expense. In 2009, the Compensation Committee determined to undertake a review of the structure and elements of its compensation program. As part of this review, the Compensation Committee engaged Mercer as its compensation consultant. The Compensation Committee may request that any of our directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

Our Chief Executive Officer is involved in the design and implementation of our executive compensation programs. He typically provides his input through consultation with the Chairman of the Compensation Committee and typically is not present at Compensation Committee meetings. Our Chief Executive Officer annually reviews the performance of each executive officer (other than the Chief Executive Officer whose performance is reviewed by the Compensation Committee) and presents his conclusions and recommendations regarding base salary and incentive award amounts for each executive officer (other than the Chief Executive Officer) to the Compensation Committee for its consideration. The Compensation Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations.

Table of Contents**Determination of Fiscal Year 2009 Compensation*****Base Salaries***

In 2009, the Company adopted a Company-wide cost reduction initiative in light of the economic turmoil the Company was facing in its markets. As part of this initiative, the Company imposed strict limits on salary and wage increases during the year. Our Chief Executive Officer recommended to the Compensation Committee that the Base Salaries for the Named Executive Officers (other than the Chief Executive Officer, for which he made no recommendation) not be adjusted at the time of the annual review in July 2009. We adopted this recommendation and imposed the same standard to the Chief Executive Officer's Base Salary.

Base Salaries for fiscal 2009 for the Named Executive Officers were as follows:

Named Executive Officer	7/1/2008 Base Salary	Increase	7/1/2009 Base Salary
Robert L. Antin	\$ 892,320	\$ 0	\$ 892,320
Arthur J. Antin	\$ 567,840	\$ 0	\$ 567,840
Neil Tauber	\$ 383,968	\$ 0	\$ 383,968
Tomas W. Fuller	\$ 383,968	\$ 0	\$ 383,968
Josh Drake	\$ 325,000	\$ 0	\$ 325,000

Annual Incentive Cash Bonus

In 2009 we determined not to establish cash bonus awards under our 2007 Cash Incentive Plan in light of the turmoil existing in the economy and the lack of visibility in our markets. Instead, we assessed the financial and stock performance of the Company after the end of the fiscal year and awarded discretionary bonuses that were not tied to preestablished performance goals. The principal factors we took into account in making these awards were our 2009 financial performance during a very difficult economic environment; the increase in value to our shareholders represented by the 25.4% increase in our stock price during the fiscal year; and the significant decrease in the size of the 2009 compensation packages provided to our Named Executive Officers compared to 2008 and 2007.

For fiscal 2009, the discretionary bonuses awarded were as follows:

Named Executive Officer	Discretionary Bonus
Robert L. Antin	\$ 892,320
Arthur J. Antin	\$ 511,056
Neil Tauber	\$ 268,777
Tomas W. Fuller	\$ 268,777
Josh Drake	\$ 100,000

2009 Long-Term Incentives

Consistent with the Company's cost reduction initiative in 2009, the Company did not make equity award grants to its employees in 2009 other in connection with new hires or significant changes in responsibility. Our Chief Executive Officer recommended to the Compensation Committee that the Committee not make equity grants to the Named Executive Officers (other than the Chief Executive Officer, for which he made no recommendation) consistent with

this policy. We adopted this recommendation and also determined not to make any 2009 award to the Chief Executive Officer.

Employment Agreements; Post-Retirement Medical Benefits Coverage Agreements; Payments Upon Termination and Change in Control

We have employment agreements with Robert L. Antin, Arthur J. Antin and Tomas W. Fuller, and a severance agreement with Neil Tauber. Each of these agreements provide for certain payments upon termination or Change in Control. For purposes of this proxy statement, a Change in Control shall be deemed to have occurred if (a) there shall be consummated (x) any consolidation or merger of the Company into or with another person (as such term is used in Sections 13(d)(3) and 14(d)(2) of Exchange Act) pursuant to which shares of the Company's common stock would be converted into cash, securities or other property, other than any consolidation or merger of the Company in which the persons who were stockholders of the Company immediately prior to the consummation of such consolidation or merger are the beneficial owners (within the meaning of Rule 13d-3 under the Exchange Act), immediately following the consummation of such consolidation or merger, of 62.5% or more of the combined voting power of the then outstanding voting securities of the person surviving or resulting from such consolidation or merger, or (y) any sale, lease or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company, or (b) the stockholders of the Company approve any plan or proposal for the liquidation or dissolution of the Company, or (c) any person who is not, immediately following the occurrence of a Public Offering Event (as defined in the Stockholders Agreement, dated as of September 20, 2000, by and among the Company, certain officers of the Company and the other signatories thereto, as amended), the beneficial owner

of 10% or more of the Company's outstanding common stock (or any person who is not an affiliate or related party of such a beneficial owner of 10% or more of the Company's outstanding common stock) shall become the beneficial owner of 25% or more of the Company's outstanding common stock, or (d) during any period of two consecutive years, individuals who at the beginning of such period constitute the entire Board of Directors cease for any reason to constitute a majority thereof unless the election, or the nomination for election by the Company's stockholders, of each new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of the period).

In addition, we have post-retirement medical benefits coverage agreements with Robert L. Antin, Arthur J. Antin, Tomas W. Fuller and Neil Tauber.

Robert L. Antin

Mr. Antin's employment agreement, dated as of November 27, 2001, as amended, provides for Mr. Antin to serve as our Chairman of the Board, Chief Executive Officer and President for a term of five years from any given date, such that there shall always be a minimum of at least five years remaining under his employment agreement. The employment agreement provides for Mr. Antin to receive an annual base salary of \$520,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the Compensation Committee. Mr. Antin also is entitled to specified perquisites.

If Mr. Antin's employment is terminated due to his death, the employment agreement provides that we will pay Mr. Antin's estate his accrued and unpaid salary, his accrued and unused vacation and sick pay, his base salary during the scheduled term of the employment agreement, accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination and continue to provide family medical benefits. If Mr. Antin's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Antin), accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any options that accelerate on the date of termination will remain exercisable for the full term.

If Mr. Antin terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a Change in Control, in which event the employment of Mr. Antin terminates automatically, we will pay Mr. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement and an amount equal to five times the greater of Mr. Antin's last annual bonus or the average of all bonuses paid to Mr. Antin under the employment agreement. In addition, we will accelerate the vesting of his equity awards and continue to provide specified benefits and perquisites. In these circumstances, Mr. Antin may exercise his options, which are accelerated on the date of termination, immediately upon termination and thereafter during the term of the option. For purposes of this paragraph, cause means as the result of (x) a willful breach of any of the material obligations of the Company to Mr. Antin under the employment agreement or (y) the office where Mr. Antin is required to perform his duties to the Company is relocated to a location outside of Los Angeles County, California; provided, however, that in either case Mr. Antin delivered written notice to the Company within 90 days of the condition's initial existence and the Company failed to cure the condition within 30 days.

If Mr. Antin terminates the employment agreement without cause or we terminate the employment agreement for cause, Mr. Antin is entitled to receive all accrued and unpaid salary and other compensation and all accrued and

unused vacation and sick pay. For purposes of this paragraph, for "cause" means for a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude.

Table of Contents

If any of the payments due Mr. Antin upon termination qualify as excess parachute payments under the Code, Mr. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In the event of a Change in Control and at our request, Mr. Antin is obligated to continue to serve under the same terms and conditions of his employment agreement for a period of up to 180 days following the termination date at his then-current base salary.

Mr. Antin's post-retirement medical benefits coverage agreement, effective as of December 27, 2007, provides that Mr. Antin and his family will continue to receive medical benefits coverage from the date employment is terminated until the last to occur of Mr. Antin's death, the death of Mr. Antin's spouse, or the end of the year in which each of Mr. Antin's children has a 25th birthday. The medical benefits coverage afforded to Mr. Antin and his family after the termination of his employment will be at least as favorable as the most favorable level, type and basis of medical coverage provided to Mr. Antin and his family at any time during the five years prior to termination. Upon Mr. Antin's eligibility for Medicare or a similar program, Mr. Antin will have the option to enroll in Medicare or such similar program. If Mr. Antin or any eligible family member elects to enroll in such program, the Company's obligation under the post-retirement medical benefits coverage agreement will be limited to providing Medicare supplementary coverage and Executive Medical Excess Claims Insurance or a substantially similar policy. If the continuation of medical benefits coverage is subject to taxation under Section 409A(a)(1) of the Code as a result of the failure of the post-retirement medical benefits coverage agreement to comply with Section 409A, the Company will make a payment to Mr. Antin equal to all federal, state and local taxes incurred by Mr. Antin as a result thereof.

The following table describes the potential payments to Mr. Robert L. Antin upon termination or Change in Control.

All other payments set forth above, other than those set forth in the Acceleration of Equity Awards and Post-Retirement Medical Benefits rows, will be paid over a five-year period. For example, during such five-year period, Mr. Antin will receive an average annual payment of \$46,545 towards the cost of an automobile.

- (3) As of December 31, 2009, Mr. Antin had no accrued vacation.
- (4) For purposes of calculating the cash severance payable to Mr. Antin, we used his annual base salary as of December 31, 2009 (\$892,320), and the last annual cash bonus paid to Mr. Antin (\$892,320).

- (5) As of December 31, 2009, 195,000 stock options and 88,375 shares of restricted stock held by Mr. Antin were unvested. Amounts do not include the value of 38,966 shares of fully vested restricted stock granted in 2009 as payment in lieu of 2008 cash bonuses that is deemed settled upon the first to occur of the following: May 1, 2012, the date of the senior executive's separation from service, death or disability, or the date of a change in control.
- (6) Consists of payment of insurance premiums for Mr. Antin.
- (7) Consists of payment of insurance premiums for Mr. Antin, including approximately \$11,450 per year for executive medical excess claims insurance coverage. The average annual premium expense for executive medical excess claims insurance was calculated by dividing the sum of the premium expenses for executive medical excess claims insurance paid by the Company on behalf of Mr. Antin for the last five fiscal years (2005-2009) by five. In accordance with the terms of the executive medical excess claims insurance plan maintained by the Company, Mr. Antin is entitled to a maximum annual reimbursement for out-of-pocket medical expenses of \$212,000. If Mr. Antin was reimbursed the maximum amount per year during the period during which he is entitled to such benefits (assuming a life expectancy of 25 years as of December 31, 2009), we estimate that the amount set forth in the Post-Retirement Medical Benefits row would increase by \$5,013,753.
- (8) If the receipt by Mr. Antin of the post-retirement medical benefits coverage described in footnote 7 above is treated as an excess parachute payment, we estimate that the amount set forth in the Excise Tax/Gross-Up row would increase by \$450,691.

Arthur J. Antin

Mr. Antin's employment agreement, dated as of November 27, 2001, as amended, provides for Mr. Antin to serve as our Chief Operating Officer, Senior Vice President and Secretary for a term equal to three years from any given date, such that there shall always be a minimum of at least three years remaining under his employment agreement. (Mr. Antin no longer serves as the Company's Secretary.) The employment agreement provides for Mr. Antin to receive an annual base salary of \$416,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the compensation committee. Mr. Antin also is entitled to specified perquisites.

If Mr. Antin's employment is terminated due to his death, the employment agreement provides that we will pay Mr. Antin's estate his accrued and unpaid salary, his accrued and unused vacation and sick pay, his base salary during the scheduled term of the employment agreement, accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination and continue to provide family medical benefits. If Mr. Antin's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Antin), accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any option that is accelerated on the date of termination will remain exercisable for the full term.

If Mr. Antin terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a Change in Control, in which event the employment of Mr. Antin terminates automatically,

we will pay Mr. Antin his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement and an amount equal to three times the greater of Mr. Antin's last annual bonus or the average of all bonuses paid to Mr. Antin under the employment agreement. In addition, we will accelerate the vesting of his equity awards and continue to provide specified benefits and perquisites. In these circumstances, Mr. Antin may exercise his options that are accelerated on the date of termination during the full term of the option. For purposes of this paragraph, "cause" means as the result of (x) a willful breach of any of the material obligations of the Company to Mr. Antin under the employment agreement or (y) the office where Mr. Antin is required to perform his duties to the Company is relocated to a location outside of Los Angeles County, California; provided, however, that in either case Mr. Antin delivered written notice to the Company within 90 days of the condition's initial existence and the Company failed to cure the condition within 30 days.

If Mr. Antin terminates the employment agreement without cause or we terminate the employment agreement for cause, Mr. Antin is entitled to receive all accrued and unpaid salary and other compensation and all

Table of Contents

accrued and unused vacation and sick pay. For purposes of this paragraph, for cause means for a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude.

If any of the payments due Mr. Antin upon termination qualify as excess parachute payments under the Code, Mr. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In the event of a Change in Control and at our request, Mr. Antin is obligated to continue to serve under the same terms and conditions of his employment agreement for a period of up to 180 days following the termination date at his then-current base salary.

Mr. Antin's post-retirement medical benefits coverage agreement, effective as of December 27, 2007, provides that Mr. Antin and his family will continue to receive medical benefits coverage commencing on or after the date that Mr. Antin attains age 60 until the last to occur of Mr. Antin's death, the death of Mr. Antin's spouse, or the end of the year in which each of Mr. Antin's children has a 25th birthday. The medical benefits coverage afforded to Mr. Antin and his family after the termination of his employment will be at least as favorable as the most favorable level, type and basis of medical coverage provided to Mr. Antin and his family at any time during the five years prior to termination. Upon Mr. Antin's eligibility for Medicare or a similar program, Mr. Antin will have the option to enroll in Medicare or such similar program. If Mr. Antin or any eligible family member elects to enroll in such program, the Company's obligation under the post-retirement medical benefits coverage agreement will be limited to providing Medicare supplementary coverage and Executive Medical Excess Claims Insurance or a substantially similar policy. The coverage provided by the Company is secondary to any employer's group medical plan in which Mr. Antin or an eligible family member participates as an active employee, any employer's group medical plan in which Mr. Antin is covered as the spouse or dependent or an active employee, any individual medical benefits coverage under which Mr. Antin or an eligible family member is covered, or Medicare coverage. If the continuation of medical benefits coverage is subject to taxation under Section 409A(a)(1) of the Code as a result of the failure of the post-retirement medical benefits coverage agreement to comply with Section 409A, the Company will make a payment to Mr. Antin equal to all federal, state and local taxes incurred by Mr. Antin as a result thereof. Furthermore, the Company's obligation to provide post-retirement medical benefits coverage to Mr. Antin will cease if he causes any person or entity controlled by him to induce or attempt to induce (a) any employee of the Company or any of its affiliates to leave the Company or any of its affiliates or (b) any customer, supplier, vendor, licensee, distributor, contractor or other business relation of the Company or any of its affiliates to cease doing business with, or knowingly adversely alter its business relationship with, the Company or any of its affiliates.

If Mr. Antin was reimbursed the maximum amount per year during the period during which he is entitled to such benefits (assuming a life expectancy of 22 years as of December 31, 2009), we estimate that the amount set forth in the Post-Retirement Medical Benefits row would increase by \$4,387,479.
- (8) If the receipt by Mr. Antin of the post-retirement medical benefits coverage described in footnote 7 above is treated as an excess parachute payment, we estimate that the amount set forth in the Excise Tax/Gross-Up row would increase by \$390,802.

Tomas W. Fuller

Mr. Fuller's employment agreement dated as of November 27, 2001, as amended, provides for Mr. Fuller to serve as our Chief Financial Officer, Vice President and Assistant Secretary for a term equal to two years from any given date, such that there shall always be a minimum of at least two years remaining under his

In the case of termination due to death or disability, any options that are accelerated on the date of termination will remain exercisable for the full term.

If Mr. Fuller terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a Change in Control, in which event the employment of Mr. Fuller terminates automatically, we will pay Mr. Fuller his accrued and unpaid salary, his accrued and unused vacation and sick pay, his remaining base salary during the remaining scheduled term of the employment agreement and an amount equal to two times the greater of Mr. Fuller's last annual bonus or the average of all bonuses paid to Mr. Fuller under the employment agreement. In addition, we will accelerate the vesting of his equity awards and continue to provide specified benefits and perquisites; provided, however, that if we terminate Mr. Fuller's employment agreement without cause, we will only accelerate the vesting of his equity awards that would have vested during the 24 months following the date of termination. In accordance with the terms of the executive medical excess claims insurance plan maintained by the Company, Mr. Fuller is entitled to a maximum annual reimbursement for out-of-pocket medical expenses of \$212,000. If Mr. Fuller was reimbursed the maximum amount per year during the two-year period during which he is entitled to such benefits, we estimate that the amount set forth in the Group Life, Medical and Other Company Insurance Plans row would increase by \$414,509.

Neil Tauber

On April 25, 2008, we entered into an amended severance agreement with Mr. Tauber, which amends and restates his severance agreement, dated March 3, 2003. The amended severance agreement is effective as of April 22, 2008, the date on which the Compensation Committee approved the amendment.

If Mr. Tauber's employment with us terminates due to his death or disability, the amended severance agreement provides that we will pay Mr. Tauber (or his estate in the case of termination due to death) a lump-sum payment equal to his accrued and unpaid salary and other compensation and his accrued and unused vacation and sick pay and, within 30 days of the date of termination, a lump-sum payment equal to the amount he would have earned as base salary during the two years following the termination date (reduced by any amounts paid under any long-term disability insurance policy maintained by us for the benefit of Mr. Tauber in the case of termination due to disability), and we will continue to provide specified benefits and perquisites. We will also accelerate the vesting of equity awards held by Mr. Tauber that would have vested during the two years following the date of termination solely as a result of his continued service to the Company and any option or stock appreciation right that is accelerated on the

date of termination will remain exercisable for the full term of the award. In addition, all equity-based performance awards granted to Mr. Tauber, to the extent they would have become vested after the date of his termination upon the attainment of one or more specified performance goals, will vest as provided by such performance award but without regard to Mr. Tauber's termination, conditioned on and to the extent that such performance goal or goals are attained.

If Mr. Tauber terminates his employment for Good Reason, if we terminate his employment without Cause or in the event of a Change in Control, in which event the employment of Mr. Tauber terminates automatically, we will pay Mr. Tauber a lump-sum payment equal to his accrued and unpaid salary and other compensation and his accrued and unused vacation and sick pay and, within 30 days of the date of termination, a lump-sum payment equal to the sum of the amount he would have earned as base salary during the two years following the termination date and an amount equal to two times Mr. Tauber's average annual bonus based on the annual bonuses paid or payable to Mr. Tauber for the last three fiscal years, and we will continue to provide specified benefits and perquisites. We will also accelerate the vesting of equity awards held by Mr. Tauber that would have vested following the date of termination solely as a result of his continued service to the Company and any option or stock appreciation right that is accelerated on the date of

Table of Contents

termination will remain exercisable for the full term of the award; provided, however, that if we terminate Mr. Tauber's employment without Cause, we will only accelerate the vesting of his equity awards that would have vested during the two years following the date of termination. In addition, all equity-based performance awards granted to Mr. Tauber, to the extent they would have become vested after the date of his termination upon the attainment of one or more specified performance goals, will vest as provided by such performance award but without regard to Mr. Tauber's termination, conditioned on and to the extent that such performance goal or goals are attained. For purposes of this paragraph, the termination by Mr. Tauber of his employment will be for "Good Reason" if the termination occurs within two years following the initial existence of one or more of the following conditions without Mr. Tauber's consent (i) a material diminution in Mr. Tauber's authority, duties or responsibilities, (ii) a material diminution in Mr. Tauber's annual base salary or (iii) the relocation of the office where Mr. Tauber is required to perform his duties to the Company to a location outside of Los Angeles County, California; provided Mr. Tauber delivers written notice to the Company of the existence of such condition within 90 days of the initial existence of the condition and the Company does not remedy such condition within 30 days of the receipt of such notice; and for "Cause" means for a conviction (including any plea of guilty or no contest) of (x) any felony involving the embezzlement, theft or misappropriation of monies or other property, of the Company or otherwise, or (y) any crime of moral turpitude.

If any of the payments due Mr. Tauber upon termination qualify as "excess parachute payments" under the Code, Mr. Tauber also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

If Mr. Tauber terminates his employment without Good Reason or we terminate his employment for Cause, Mr. Tauber is entitled by law to receive all accrued, earned and unpaid salary and all accrued and unused vacation and sick pay.

Mr. Tauber's post-retirement medical benefits coverage agreement, effective as of December 27, 2007, provides that Mr. Tauber and his family will continue to receive medical benefits coverage commencing on or after the date that Mr. Tauber attains age 60 until the last to occur of Mr. Tauber's death, the death of Mr. Tauber's spouse, or the end of the year in which each of Mr. Tauber's children has a 25th birthday. The medical benefits coverage afforded to Mr. Tauber and his family after the termination of his employment will be at least as favorable as the most favorable level, type and basis of medical coverage provided to Mr. Tauber and his family at any time during the five years prior to termination. Upon Mr. Tauber's eligibility for Medicare or a similar program, Mr. Tauber will have the option to enroll in Medicare or such similar program. If Mr. Tauber or any eligible family member elects to enroll in such program, the Company's obligation under the post-retirement medical benefits coverage agreement will be limited to providing Medicare supplementary coverage and Executive Medical Excess Claims Insurance or a substantially similar policy. The coverage provided by the Company is secondary to any employer's group medical plan in which Mr. Tauber or an eligible family member participates as an active employee, any employer's group medical plan in which Mr. Tauber is covered as the spouse or dependent or an active employee, any individual medical benefits coverage under which Mr. Tauber or an eligible family member is covered, or Medicare coverage. If the continuation of medical benefits coverage is subject to taxation under Section 409A(a)(1) of the Code as a result of the failure of the post-retirement medical benefits coverage agreement to comply with Section 409A, the Company will make a payment to Mr. Tauber equal to all federal, state and local taxes incurred by Mr. Tauber as a result thereof. Furthermore, the Company's obligation to provide post-retirement medical benefits coverage to Mr. Tauber ceases if he causes any person or entity controlled by him to induce or attempt to induce (a) any employee of the Company or any of its affiliates to leave the Company or any of its affiliates or (b) any customer, supplier, vendor, licensee, distributor, contractor or other business relation of the Company or any of its affiliates to cease doing business with, or knowingly adversely alter its business relationship with, the Company or any of its affiliates.

(1) Upon the termination of Mr. Tauber's employment, Mr. Tauber will receive a lump-sum payment consisting of accrued and unpaid salary and accrued and unpaid vacation, and, within 30 days of the date of termination, a lump-sum payment consisting of cash severance and an additional amount to cover the tax consequences associated with excess parachute payments under the Code, if any. On the fifth day following the date on which a Change in Control occurs, Mr. Tauber will receive a lump-sum payment consisting of accrued and unpaid salary, accrued and unpaid vacation paid, cash severance and an additional amount to cover the tax consequences associated with excess parachute payments under the Code, if any. All other payments set forth above, other than those set forth in the Acceleration of Equity Awards and Post-Retirement Medical Benefits rows, will be paid over a two-year period. For example, during such two-year period, Mr. Tauber will receive an average annual payment of \$32,536 towards the cost of an automobile.

(2) Reflects Mr. Tauber's accrued and unpaid salary as of December 31, 2009.

(3) As of December 31, 2009, Mr. Tauber had no accrued vacation.

(4)

For purposes of calculating the cash severance payable to Mr. Tauber, we used his annual base salary as of December 31, 2009 \$383,968 and the average annual bonus based on the average of the last three annual cash bonuses paid to Mr. Tauber (\$249,235).

- (5) As of December 31, 2009, 100,000 stock options and 46,250 shares of restricted stock held by Mr. Tauber were unvested. Amounts do not include the value of 11,737 shares of fully vested restricted stock granted in 2009 as payment in lieu of 2008 cash bonuses that is deemed settled upon the first to occur of the following: May 1, 2012, the date of the senior executive's separation from service, death or disability, or the date of a change in control.
- (6) Consists of payment of insurance premiums for Mr. Tauber, including approximately \$24,944 per year for executive medical excess claims insurance coverage (for a total of approximately \$49,888 for the two-year period during which Mr. Tauber is entitled to such coverage under the terms of his severance agreement). The average annual premium expense for executive medical excess claims insurance was calculated by dividing the sum of the premium expenses for executive medical excess claims insurance paid by the Company on behalf of Mr. Tauber for the last five fiscal years (2005-2009) by five. In accordance with the terms of the executive medical excess claims insurance plan maintained by the Company, Mr. Tauber is entitled to a maximum annual reimbursement for out-of-pocket medical expenses of \$212,000. If Mr. Tauber was reimbursed the maximum amount per year during the two-year period during which he is entitled to such benefits, we estimate that the amount set forth in the Group Life, Medical and Other Company Insurance Plans row would increase by \$374,112.
- (7) Consists of payment of insurance premiums for Mr. Tauber, including approximately \$24,944 per year for executive medical excess claims insurance coverage. The average annual premium expense for executive medical excess claims insurance was calculated by dividing the sum of the premium expenses for executive medical excess claims insurance paid by the Company on behalf of Mr. Tauber for the last five fiscal years (2005-2009) by five. In accordance with the terms of the executive medical excess claims insurance plan maintained by the Company, Mr. Tauber is entitled to a maximum annual reimbursement for out-of-pocket medical expenses of \$212,000. If Mr. Tauber was reimbursed the maximum amount per year during the period during which he is entitled to such benefits (assuming a life expectancy of 24 years as of December 31, 2011), we estimate that the amount set forth in the Post-Retirement Medical Benefits row would increase by \$4,489,346.
- (8) If the receipt by Mr. Tauber of the post-retirement medical benefits coverage described in footnote 7 above is treated as an excess parachute payment, we estimate that the amount set forth in the Excise Tax/Gross-Up row would increase by \$1,382,884.

DIRECTOR COMPENSATION

The Compensation Committee reviews director compensation on an annual basis. Our non-employee director compensation program for fiscal year 2009 was as follows:

Annual retainer

We pay our non-employee directors \$10,000 per year, paid quarterly in arrears, \$2,000 for each Board of Directors meeting attended in person or committee meeting attended in person which is not held on the same day as a Board of Directors meeting, including reimbursement for out-of-pocket expenses incurred in attending, and \$1,000 for each Board of Directors meeting attended telephonically or committee meeting attended telephonically which is not held on the same day as a Board of Directors meeting. We pay the Chairman of our Audit Committee an additional \$10,000 per year, paid quarterly in arrears. No employee director receives compensation for his or her service as a member of our Board of Directors.

Restricted shares

Upon appointment to the Board of Directors, each non-employee director receives an initial grant of a number of restricted shares of common stock equal to \$75,000 divided by the closing price of VCA's common stock on the grant date. These restricted shares vest in three equal annual installments, in each of the three 12-month periods, each an annual period, following the date of grant on that day during such annual period which is the earlier to occur of (a) the day immediately preceding the date of an annual meeting of the Company's stockholders occurring during such annual period or (b) on the anniversary of the date of grant.

If the date of grant is fewer than 12 months prior to the date of the next annual meeting of stockholders, the number of shares granted is reduced on a pro-rata basis, based upon the number of months until the next annual meeting of stockholders (e.g., if a non-employee director is appointed January 1 and the next annual meeting of stockholders is April 1, such non-employee director will receive 500 restricted shares).

In addition, each non-employee director receives an annual automatic grant on the date of the annual meeting of a number of restricted shares equal to \$75,000 divided by the closing price of the Corporation's common stock on the grant date. These restricted shares vest in three equal annual installments, in each of the three annual periods following the date of grant on that day during such annual period which is the earlier to occur of (a) the day immediately preceding the date of an annual meeting of the Company's stockholders occurring during such annual period or (b) on the anniversary of the date of grant.

The following table and related footnotes summarize the compensation paid by the Company to each non-employee director for the fiscal year 2009.

CERTAIN TRANSACTIONS WITH RELATED PERSONS

In accordance with its charter, our Audit Committee is responsible for reviewing and approving all related-party transactions. At least once a year, the Audit Committee reviews a summary of all related-party transactions, including the Company's transactions with our executive officers and directors and with the firms that employ the directors.

Except as disclosed below, none of our directors, executive officers, stockholders owning more than five percent of our issued shares, or any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which we were a party during fiscal year 2009, or which is presently proposed.

We believe, based on our reasonable judgment, but without further investigation, that the terms of each of the following transactions or arrangements between us and our affiliates, officers, directors or stockholders which were parties to the transactions were, on an overall basis, at least as favorable to us as could then have been obtained from unrelated parties.

Transactions with Zoasis Corporation

We incurred marketing expenses for vaccine reminders and other direct mail services provided by Zoasis, a company that is majority owned by Robert Antin, our Chief Executive Officer and Chairman. Arthur J. Antin, our Chief Operating Officer, owns a 8% interest in Zoasis. We purchased services of \$2.7 million, \$2.1 million and \$1.8 million for 2009, 2008 and 2007, respectively. We believe the pricing of these services is comparable to prices paid by us to independent third parties for similar services. Beginning in late 2006, in connection with a sublease for office space located in the Zoasis corporate office, we paid rent to Zoasis of \$45,000 and \$54,000 in 2008 and 2007, respectively. The lease expired in August 2007 and continued on a month-to-month basis through October 2008, at which time the lease was terminated. The rent under this sublease was comparable to the rent we pay for similar spaces with third parties.

Legal Services

Frank Reddick, who joined us as a director in February 2002, is a partner in the law firm of Akin Gump Strauss Hauer & Feld LLP. Akin Gump Strauss Hauer & Feld LLP currently provides, and provided during fiscal year 2009, legal services to us. In 2009, we paid Akin Gump Strauss Hauer & Feld LLP \$1.3 million for legal services.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms that they file. Based solely upon our review of copies of the forms received by us and written representations from certain reporting persons that they have complied or not complied with the relevant filings requirements, we believe that, during the year ended December 31, 2009, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements.

Table of Contents**PRINCIPAL STOCKHOLDERS**

The following table sets forth information regarding beneficial ownership of our common stock as of March 31, 2010, by:

each of our directors;

each of our named executive officers;

all of our directors and named executive officers as a group; and

all other stockholders known by us to beneficially own more than 5% of our outstanding common stock.

Beneficial ownership is determined in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options held by that person that are currently exercisable or exercisable within 60 days of the date as of which this information is provided, and not subject to repurchase as of that date, are deemed outstanding. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person.

Except as indicated in the notes to this table, and except pursuant to applicable community property laws, each stockholder named in the table has sole voting and investment power with respect to the shares shown as beneficially owned by them. Percentage ownership is based on 86,325,298 shares of common stock outstanding on March 31, 2010. Unless otherwise indicated, the address for each of the stockholders listed below is c/o VCA Antech, Inc., 12401 West Olympic Boulevard, Los Angeles, California 90064.
