PROXY STATEMENT

2010 ANNUAL MEETING OF SHAREHOLDERS

The Board of Trustees (the **Board**) of Ramco-Gershenson Properties Trust (the **Trust**) is soliciting proxies for use at the 2010 annual meeting of shareholders of the Trust and any adjournment or postponement thereof. The annual meeting will be held at The Community House, 380 S. Bates Street, Birmingham, Michigan 48009 on Tuesday, June 8, 2010 at 10:00 a.m., Eastern time. The Trust expects to first mail these proxy materials on or about May 5, 2010 to shareholders of record of the Trust's common shares of beneficial interest (the **Shares**).

ABOUT THE MEETING

What is the purpose of the 2010 annual meeting of shareholders?

At the 2010 annual meeting, shareholders will act upon the matters outlined in the accompanying Notice of Meeting, including (1) the election of three Trustees named in the accompanying proxy statement to serve until the 2013 annual meeting of shareholders, (2) the ratification of the appointment of Grant Thornton LLP (**Grant Thornton**) as the Trust's independent registered public accounting firm for the year ending December 31, 2010, (3) the approval of an amendment to the Declaration of Trust, as amended (the **Declaration of Trust**), for the purpose of declassifying the Board of Trustees, and (4) the approval of an amendment to the Bylaws, as amended and restated (the **Bylaws**), for the purpose of increasing the percentage of votes necessary for shareholders to require the Trust to call a special shareholder meeting. The Board has determined that the implementation of Proposals 3 and 4 is conditioned on the approval of both of these Proposals. Thus, each of Proposal 3 and Proposal 4 will be implemented only if both Proposals are approved by the applicable required shareholder vote.

In addition, management will report on the performance of the Trust and will respond to questions from shareholders. The Trust expects that representatives of Grant Thornton will be present at the annual meeting and will be available to respond to questions. Such representatives will also have an opportunity to make a statement.

What are the Board's recommendations?

The Board recommends a vote:

Proposal 1 FOR the re-election of the Board-nominated slate of Trustees.

Proposal 2 FOR the ratification of Grant Thornton as the Trust's independent registered public accounting firm for the year ending December 31, 2010.

Proposal 3 FOR the approval of the amendment to the Declaration of Trust to declassify the Board of Trustees.

Proposal 4 FOR the approval of an amendment to the Bylaws to increase the percentage of votes necessary for shareholders to require the Trust to call a special shareholder meeting.

Who is entitled to vote?

Only record holders of Shares at the close of business on the record date of April 14, 2010 are entitled to receive notice of the annual meeting and to vote the Shares that they held on the record date. Each outstanding Share is entitled to one vote on each matter to be voted upon at the annual meeting.

Table of Contents

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the Shares outstanding on the record date will constitute a quorum for all purposes. As of the record date, 31,039,893 Shares were outstanding. Broker non-votes (defined below), and proxies marked with abstentions or withhold votes, will be counted as present in determining whether or not there is a quorum.

What is the difference between holding Shares as a shareholder of record and a beneficial owner?

Shareholders of Record. If your Shares are registered directly in your name with the Trust's transfer agent, American Stock Transfer & Trust Company, you are considered the shareholder of record with respect to those Shares, and these proxy materials (including a proxy card) are being sent directly to you by the Trust. As the shareholder of record, you have the right to grant your voting proxy directly to the Trust through the enclosed proxy card, through the Internet or by telephone, or to vote in person at the annual meeting.

Beneficial Owners. Many of the Trust's shareholders hold their Shares through a broker, bank or other nominee rather than directly in their own name. If your Shares are so held, you are considered the beneficial owner of Shares, and these proxy materials (including a voting instruction card) are being forwarded to you by your broker, bank or nominee who is considered the shareholder of record with respect to those Shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the shareholder of record, you can not vote these Shares in person at the annual meeting unless you obtain a proxy from your broker, bank or nominee and bring such proxy to the annual meeting. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee on how to vote your Shares.

Can I vote my Shares in person at the annual meeting?

Even if you plan to be present at the meeting, the Trust encourages you to vote your Shares prior to the meeting.

You will need to present photo identification, such as a driver's license, and proof of Share ownership as of the record date when you arrive at the meeting. If you hold your Shares through a bank, broker or other holder of record and you plan to attend the annual meeting, you must present proof of your ownership of Shares, such as a bank or brokerage account statement, in order to be admitted to the meeting. No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the annual meeting.

Shareholders of Record. If you are a shareholder of record and attend the annual meeting, you can deliver your completed proxy card or vote by ballot in person at the annual meeting.

Beneficial Owners. If you hold your Shares through a broker, bank or other nominee and want to vote such Shares in person at the annual meeting, you must obtain a proxy from your broker, bank or other nominee giving you the power to vote such Shares and bring such proxy to the annual meeting.

Can I vote my shares without attending the annual meeting?

By Mail. You can vote by signing, dating and returning the enclosed proxy card or voting instruction card in the postage-paid envelope provided.

By telephone or through the Internet. You can vote by telephone or through the Internet as indicated on your enclosed proxy card or voting instruction card.

Can I change my vote?

Shareholders of Record. You can change your vote at any time before the proxy is exercised by filing with the Secretary of the Trust either a notice revoking the proxy or a new proxy that is dated later than the proxy card. You can also change your vote through the Internet, by telephone or by taking action at the annual meeting. If you attend the annual meeting, the individuals named as proxy holders in the enclosed proxy card will nevertheless have authority to vote your Shares in accordance with your instructions on the proxy card unless you properly file such revocation notice or new proxy.

Table of Contents

Beneficial Owners. If you hold your Shares through a bank, broker or other nominee, you should contact such person prior to the time such voting instructions are exercised.

What does it mean if I receive more than one proxy card or voting instruction card?

If you receive more than one proxy card or voting instruction card, it means that you have multiple accounts with banks, brokers, other nominees and/or the Trust's transfer agent. Please take action with respect to each proxy card and voting instruction card that you receive. The Trust recommends that you contact such persons to consolidate as many accounts as possible under the same name and address.

What if I do not vote for some of the items listed on my proxy card or voting instruction card?

Shareholders of Record. Proxies that are properly executed without voting instructions on certain matters will be voted in accordance with the recommendations of the Board on such matters. With respect to any matter not set forth on the proxy card that properly comes before the annual meeting, the proxy holders named in the proxy card will vote as the Board recommends or, if the Board gives no recommendation, in their own discretion.

Beneficial Owners. If you hold your Shares in street name through a broker, bank or other nominee and do not provide voting instructions for any or all matters, such nominee will determine if it has the discretionary authority to vote your Shares. Under applicable law and New York Stock Exchange (NYSE) rules and regulations, brokers have the discretion to vote on routine matters, such as the ratification of the appointment of the Trust's independent registered public accounting firm, but do not have discretion to vote on non-routine matters. Effective January 1, 2010, NYSE and Securities and Exchange Commission (SEC) rule changes no longer permit a bank, broker or nominee to vote on behalf of beneficial owners with respect to uncontested elections of Trustees if you do not instruct your bank, broker or nominee on how to vote your Shares in the manner set forth on your voting instruction card. In addition, the Trust believes that the approval of the amendment to the Declaration of Trust and the amendment to the Bylaws will also be considered non-routine matters. If you do not provide voting instructions, your Shares will be considered broker non-votes with regard to the non-routine proposals because the broker will not have discretionary authority to vote thereon. Therefore, in particular, it is very important for you to vote your Shares for the election of Trustees and the approval of the amendment to the Declaration of Trust and the amendment to the Bylaws.

What vote is required to approve each item?

Proposal 1 Election of Trustees. The three nominees who receive the most votes cast FOR at the annual meeting will be elected as Trustees. The Board's slate of nominees consists of Mr. Dennis Gershenson, Mr. Robert Meister and Mr. Michael Ward, each nominated for three-year terms ending at the 2013 annual meeting of shareholders. Withheld votes and broker non-votes will have no effect on the outcome of the vote.

Proposal 2 Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the annual meeting will be necessary to ratify the Audit Committee's appointment of Grant Thornton as the Trust's independent registered public accounting firm for the year ending December 31, 2010. Abstentions will not be counted as votes cast at the annual meeting and will have no effect on the result of the vote. Although shareholder ratification of the appointment is not required by law and is not binding on the Trust, the Audit Committee will take the appointment under advisement if such appointment is not so ratified.

Proposal 3 Approval of Amendment to Declaration of Trust. The affirmative vote of a majority of the votes entitled to be cast at the annual meeting will be necessary to approve the amendment to the Declaration of Trust. Abstentions and broker non-votes will have the same effect as votes against the proposal.

Proposal 4 Approval of Amendment to Bylaws. The affirmative vote of a majority of the votes cast at the annual meeting will be necessary to approve the amendment to the Bylaws. Abstentions and broker non-votes will not be counted as votes cast at the annual meeting and will have no effect on the result of the vote.

Table of Contents

The Board has determined that the implementation of Proposals 3 and 4 is conditioned on the approval of both of these Proposals. Thus, each of Proposal 3 and Proposal 4 will be implemented only if both Proposals are approved by the applicable required shareholder vote.

Other Matters. If any other matter is properly submitted to the shareholders at the annual meeting, its adoption will generally require the affirmative vote of a majority of the votes cast at the annual meeting. The Board does not propose to conduct any business at the annual meeting other than as stated above.

How do I find out the voting results?

Preliminary voting results will be announced at the annual meeting. In accordance with recent rules enacted by the SEC, the Trust will publish the final voting results in a current report on Form 8-K within four business days of the annual meeting.

How can I access the Trust's proxy materials and annual report on Form 10-K?

As a holder of Shares, you should have received a copy of the 2009 Annual Report to Shareholders (which includes the Annual Report on Form 10-K, excluding certain exhibits) together with this proxy statement. Such proxy materials are also available at www.proxyvote.com.

The Investor Info SEC Filings section of the Trust's website, www.rgpt.com, provides access, free of charge, to SEC reports as soon as reasonably practicable after the Trust electronically files such reports with, or furnishes such reports to, the SEC, including proxy materials, Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and amendments to these reports. In addition, a copy of the Trust's Annual Report on Form 10-K for the year ended December 31, 2009 will be sent to any shareholder, without charge, upon written request sent to the Trust's executive offices: Investor Relations, Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, MI 48334. Further, the SEC maintains a website that contains reports, proxy and information statements and other information regarding issuers that file electronically with the SEC, including the Trust, at www.sec.gov.

Mr. Pashcow served as Chairman of the predecessor of the Trust from 1988 to May 1996. He is also a former Governor of the Real Estate Securities Institute and director of the National Realty Committee.

Trustee Independence. The NYSE listing standards set forth objective requirements for a Trustee to satisfy, at a minimum, in order to be determined independent by the Board. In addition, the NYSE listing standards require the Board to consider all relevant facts and circumstances, including the Trustee's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, and such other criteria as the Board may determine from time to time. The Board has determined, after considering all of the relevant facts and circumstances, that each of Messrs. Blank, Goldberg, Meister, Nettina, Ostrower, Pashcow, Rosenfeld and Ward are independent Trustees and therefore the Trust satisfies the requirements of the NYSE listing standards and the Trust's Corporate Governance Guidelines that at least a majority of the Trustees be independent. In particular, the Board considered the following matters:

The Board considered the transactions set forth in Related Person Transactions with respect to Mr. Pashcow and Mr. Goldberg and determined that such transactions did not impede their independence.

The Board considered Mr. Ward's prior service to the Trust as an employee and officer, as well as the partnerships of which he and Mr. Dennis Gershenson are partners, among others, and which hold a significant amount of OP Units, and determined that such relationships did not impede his independence.

Table of Contents

The Audit Committee, Compensation Committee, and Nominating and Governance Committee are composed entirely of independent Trustees. In addition, after considering all of the relevant facts and circumstances, the Board has determined that each member of the Audit Committee of the Board qualifies under the Audit Committee independence standards established by the SEC and the NYSE.

The Board of Trustees

The Board has general oversight responsibility of the Trust's affairs and the Trustees, in exercising their fiduciary duties, represent and act on behalf of the shareholders. Although the Board does not have responsibility for the Trust's day-to-day management, it stays regularly informed about the Trust's business and provides guidance to management through periodic meetings and other informal communications. The Board is significantly involved in, among other things, the Trust's strategic and financial planning process, leadership development, as well as other functions carried out through the Board committees as described below. The Board, led by the Nominating and Governance Committee, also performs an annual performance review of the Board and individual Trustees.

Board Leadership. The Board does not have a specific policy on whether the Chairman should be a non-employee Trustee or if the Chairman and Chief Executive Officer positions should be separate. In accordance with the Corporate Governance Guidelines, if the Chairman is also the Chief Executive Officer of the Trust, then one of the independent members of the Board will be named as Lead Trustee and have the responsibilities set forth below. The Board believes either circumstance provides sufficient checks and balances and is appropriate to further the interests of shareholders of the Trust. Further, in either case, the Board believes that its independent Trustees, who represent eight of nine members of the Board, are deeply engaged and provide significant independent leadership and direction given their executive and Board experience noted above. See Trustee Background and Qualifications above. The independent Trustees are the sole members of the Audit, Compensation, and Nominating and Governance committees, which oversee critical matters of the Trust such as the integrity of the Trust's financial statements, the compensation of executive management, the selection and evaluation of Trustees, and the development and implementation of the Trust's corporate governance policies and structures. The independent Trustees also meet regularly in executive session at Board and committee meetings and have access to independent advisors as they deem appropriate. Management supports this oversight role through its tone-at-the-top and open communication.

Mr. Blank has served as the independent Chairman of the Board since September 2009. From June 2006 to September 2009, Mr. Gershenson was the Chairman of the Board and Mr. Blank served as Lead Trustee.

If there is a Lead Trustee, the Lead Trustee is to be elected annually (or at any time there is a vacancy) by the independent Trustees after consultation with the Nominating and Governance Committee and must be fully independent of management of the Trust. The term of the Lead Trustee's service will commence upon his or her election and conclude upon the occurrence of the Trust's next regularly scheduled meeting of shareholders. The name of, and a means of directly contacting, the Lead Trustee will be made public. The Lead Trustee may be removed at any time by action of a majority of the independent Trustees. The Lead Trustee, if any, will:

chair meetings of the independent Trustees and act as a liaison between the independent Trustees and the Chairman in the communication of the results of such meetings;

assist the Chairman in developing Board meeting agendas and will chair Board meetings in the absence of the Chairman;

assist the Chairman in preparing materials for distribution to the independent Trustees between regularly scheduled Board meetings;

work to establish open, one-on-one, communication between the Chairman, senior managers of the Trust, and the independent Trustees;

work to become sufficiently informed about executive and Board committee activities so as to be able to substitute for the Chairman on short notice or in the event of a succession or transition event;

coordinate and lead the annual performance evaluation of the Chairman; and

Table of Contents

be an ex-officio member of all committees of the Board and will be invited to attend meetings of committees.

Oversight of Risk Management. The Board oversees the Trust's risk management. This oversight is administered primarily through the following:

the Board's review and approval of the management annual business plan and long-term strategic plan;

at least quarterly review by the Board of business developments, strategic plans and implementation, liquidity and financial results;

the Board's oversight of succession planning;

the Board's oversight of capital spending and financings;

the Audit Committee's oversight of the Trust's internal controls over financial reporting and its discussions with management and the independent accountants regarding the quality and adequacy of internal controls and financial reporting (and related reports to the full Board);

the Nominating and Governance Committee's leadership in the self-evaluation assessments of the Board and committees; and

the Compensation Committee's review and approvals regarding executive officer compensation and its relationship to the Trust's business plan, as well its review of compensation plans generally and the related risks.

Meetings. The Board consisted of seven Trustees until the June 2009 annual meeting and thereafter consisted of nine Trustees. In 2009, the Board held 12 meetings. Non-management Trustees hold regularly scheduled executive sessions in which non-management Trustees meet without the presence of management. These executive sessions generally occur around regularly scheduled meetings of the Board. Mr. Blank presides at such executive sessions. In furtherance of his role as Chairman, Mr. Blank attended the 2009 Annual Boardroom Summit in New York, New York, a RiskMetrics accredited director education program.

Trustees are expected to attend all Board and committee meetings, as well as the Trust's annual meeting of shareholders. In 2009, all of the Trustees attended at least 75% of the aggregate of the meetings of the Board and all committees of the Board on which they served. All of the Trustees attended the 2009 annual meeting of shareholders, except for Mr. Meister.

Committees of the Board

The Board has delegated various responsibilities and authority to Board committees and each committee regularly reports on its activities to the Board. Each committee, except the Executive Committee, has regularly scheduled meetings. Each committee operates under a written charter approved by the Board, which is reviewed annually by the respective committees and the Board and is available on the Trust's website under Investor Info Corporate Overview Governance Documents at www.rgpt.com. The table below sets forth the current membership and 2009 meeting information for the four standing committees of the Board:

Audit Committee. The Trust has a separately-designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is responsible for providing independent, objective oversight and review of the Trust's consolidated financial statements, the Trust's system of internal controls, the

Table of Contents

Trust's risk management system, the qualifications, performance and independence of the Trust's independent registered public accounting firm, the performance of the Trust's internal audit function and the Trust's compliance with legal and regulatory requirements. The Audit Committee also has the sole authority and responsibility to appoint, determine the compensation of, evaluate and, when appropriate, replace the Trust's independent registered public accounting firm. See *Audit Committee Disclosure*, *Report of the Audit Committee* and the Audit Committee's charter for additional information on the responsibilities and activities of the Audit Committee.

The Board has determined that Messrs. Blank, Goldberg, Nettina and Rosenfeld are each financially literate and have the accounting or related financial management expertise in accordance with NYSE listing standards, and are each an audit committee financial expert as defined in the rules and regulations of the SEC. See *Trustees and Nominees* for a description of their relevant business experience. The designation of an audit committee financial expert does not impose upon such person any duties, obligations or liabilities that are greater than are generally imposed on such person as a member of the Audit Committee and the Board, and such designation does not affect the duties, obligations or liabilities of any other member of the Audit Committee or the Board.

Compensation Committee. The Compensation Committee administers the executive compensation program of the Trust. The Compensation Committee's responsibilities include recommending and overseeing compensation and benefit plans and policies, approving equity grants and otherwise administering share-based plans, and reviewing annually all compensation decisions relating to the Trust's executive officers. The Compensation Committee also reviews and discusses, at least annually, the relationship between risk management policies and practices, corporate strategy and the Trust's compensation programs. See *Compensation Discussion and Analysis*, *Compensation Committee Report* and the Compensation Committee's charter for additional information on the responsibilities and activities of the Compensation Committee.

Role of Management. Similar to prior years, the Compensation Committee took significant direction from the recommendations of Mr. Gershenson with respect to the design and implementation of the Trust's 2009 executive compensation program. See *Compensation Discussion and Analysis - Advisors Utilized in Compensation Determinations* for further information.

Role of Compensation Consultant. The Compensation Committee has the sole authority to engage outside advisors and establish the terms of such engagement, including compensatory fees. The Compensation Committee determined to re-engage Mercer (US) Inc. (Mercer) as its compensation consultant for 2009 with respect to executive compensation program generally. The Compensation Committee works with management to determine Mercer's responsibilities and direct its work product, but the Compensation Committee is responsible for the formal approval of the annual work plan.

With respect to the 2009 executive compensation program, the Compensation Committee engaged Mercer to discuss best-practices and market trends in compensation.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for identifying and nominating individuals qualified to serve as Board members, recommending Trustees for each Board committee and overseeing the Trust's Corporate Governance Guidelines and related corporate governance issues. The Nominating and Governance Committee also is responsible for the Trust's Code of Business Conduct and Ethics and considers any requests for waivers from such code. See the Nominating and Governance Committee's charter for additional information on its responsibilities and activities.

The Nominating and Governance Committee considers the experience, mix of skills and other qualities of the existing Board to ensure appropriate Board composition. The Nominating and Governance Committee does not have a specific diversity policy underlying its nomination process, although it seeks to ensure the Board includes members with

diverse backgrounds, qualifications, skills and experience, including appropriate financial, governance, capital market, real estate, retail and other expertise relevant to the Trust's business. Generally, the Nominating and Governance Committee will re-nominate incumbent Trustees who continue to satisfy its criteria for members of the Board, who it believes will continue to make important contributions to the Board and who consent to continue their service on the Board. If a vacancy on the Board occurs, the Nominating and Governance Committee will review the experience, mix of skills and background, independence and other qualities of a nominee

Table of Contents

to assure appropriate Board composition after taking into account the current Board members and the specific needs of the Trust and Board.

The Nominating and Governance Committee generally relies on multiple sources for identifying and evaluating nominees, including referrals from the Board and the Trust's management. The Nominating and Governance Committee did not engage a search firm or pay fees to other third parties in connection with identifying or evaluating Board nominees set forth in this proxy statement. The Nominating and Governance Committee does not solicit Trustee nominations, but will consider nominee recommendations by shareholders with respect to elections to be held at an annual meeting, so long as such recommendations are timely made and otherwise in accordance with the Trust's Bylaws and applicable law. Such recommendations will be evaluated against the same criteria used to evaluate other nominees. The Trust did not receive any nominations of Trustees by shareholders for the 2010 annual meeting of shareholders.

Under the Bylaws, shareholders must follow an advance notice procedure to nominate candidates for election as Trustees or to bring other business before an annual meeting. The advanced notice procedures set forth in the Bylaws do not affect the right of shareholders to request the inclusion of proposals in the Trust's proxy statement and form of proxy pursuant to SEC rules. See *Additional Information - Presentation of Shareholder Proposals and Nominations at 2011 Annual Meeting* for information regarding providing timely notice of shareholder proposals and nominations.

Executive Committee. The Executive Committee is permitted to exercise all of the powers and authority of the Board, except as limited by applicable law and the Bylaws. The Executive Committee generally acts pursuant to unanimous written consents.

Trustee Compensation

The Nominating and Governance Committee annually reviews Trustee compensation and makes recommendations to the Board, the body responsible for approving Trustee compensation, as appropriate. The Nominating and Governance Committee has not engaged a compensation consultant with respect to the Trustee compensation program. The Nominating and Governance Committee and Board believe that Trustees should receive a mix of cash and equity. Compensation paid to the non-employee Trustees is intended to provide incentives to such persons to continue to serve on the Board, to further align the interests of the Board and shareholders and to attract new Trustees with outstanding qualifications. Trustees who are employees or officers of the Trust or any of its subsidiaries do not receive any compensation for serving on the Board or any committees thereof; therefore, Mr. Gershenson is excluded from the Trustee compensation table below.

2009 Non-Employee Trustee Compensation. The following table sets forth the compensation program for non-employee Trustees in 2009:

Annual cash retainer (paid quarterly):	\$ 15,000
Additional cash retainer:	
Chairman	100,000
Audit Committee chair(1)	10,000
Audit Committee members(1)	5,000
Executive Committee members(1)	2,500
Attendance fees per Board meeting:	
In person	1,500
Via telephone	750
Annual equity retainer (shares of restricted stock)(2)	2,000

- (1) Payment is subject to attendance by the Trustee at 75% or more of the applicable committee meetings during the applicable calendar year.
- (2) Grants are made under the Trust's 2008 Restricted Share Plan for Non-Employee Trustees. The shares of restricted stock vest over three years. The grant is made on June 30th or, if not a business day, the business day prior to June 30th.

The Trust also reimburses all Trustees for all expenses incurred in connection with attending any meetings or performing their duties as Trustees.

Stock Ownership Guidelines. Effective September 2008, the Compensation Committee approved stock ownership guidelines for the Trustees. The guidelines require such persons to hold a number of Shares having a market value equal to three times the then current annual stock grant denominated in Shares for all Trustees.

Table of Contents

Trustees have a five-year period to comply with the guidelines, with the initial compliance deadline being September 2013. The Compensation Committee will review the minimum equity holding level and other market trends and practices on a periodic basis. The Compensation Committee has confirmed that all Trustees currently satisfy the guidelines or are making significant progress toward the guidelines.

Deferred Fee Plan. In 2008, the Board approved the Ramco-Gershenson Properties Trust Deferred Fee Plan for Trustees. A Trustee may elect to defer fees earned for services provided during a subsequent calendar year (Deferral Year) by completing and filing a proper deferred fee agreement with the Secretary of the Trust no later than December 31 of the year prior to the Deferral Year. A Trustee may elect to credit any cash fees to a stock account or a cash account. Stock fees deferred can only be credited to the stock account. Shares in the stock account will receive distributions, which at the Trustee's election will either be paid in cash or will be reinvested in Shares. Cash in the cash account will accrue interest at JP Morgan Chase's prime rate. A Trustee may modify or revoke his or her existing fee deferral election only on a prospective basis, and only for fees to be earned in a subsequent calendar year, and only if the Trustee executes a new deferred fee agreement or revokes his or her existing deferred fee agreement in writing by December 31 of the year preceding the calendar year for which such modification or revocation is to be effective. The Trustee must elect the end of the deferral period at the time of such election and, except for a few circumstances, no Trustee shall have any right to make any early withdrawals from the Trustee's deferred fee accounts.

Table of Contents

The Trust has adopted a Code of Business Conduct and Ethics which sets forth basic principles to guide the conduct of Trustees and the Trust's employees, including its principal executive officer, principal financial officer, principal accounting officer or controller and persons serving similar functions. The code covers numerous topics including illegal or unethical behavior, conflicts of interest, compliance with laws, corporate opportunities and confidentiality. A copy of the Trust's Code of Business Conduct and Ethics is available on the Trust's website under Investor Info Corporate Overview Governance Documents [at www.rgpt.com](http://www.rgpt.com). COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee of the Board (referred to as the Committee in this section), composed entirely of independent Trustees, administers the executive compensation program of the Trust. The Committee's responsibilities include recommending and overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based compensation plans, and reviewing and approving annually all compensation decisions relating to the Trust's executive officers, including the Chief Executive Officer, the Chief Financial Officer and the other executive officers named in the Summary Compensation Table (the named executive officers). This section of the proxy statement explains how the Trust's compensation programs are designed and operated in practice with respect to the named executive officers.

Mr. Richard Smith resigned as Chief Financial Officer and Secretary on November 16, 2009 and entered into a Separation and Release Agreement (the Separation Agreement) on December 23, 2009. See Potential Payments Upon Termination or Change-in-Control Richard Smith's Severance Agreement for a description of the terms of the Separation Agreement.

On November 17, 2009, the Trust appointed James H. Smith to serve as Interim Chief Financial Officer subsequent to the resignation of Mr. Richard Smith. The Trust paid CFO Synergy, Inc., a consulting company for which Mr. James Smith serves as President, \$275 per hour as well as reimbursement for specified expenses. All references in this CD&A exclude the foregoing compensation arrangement for Mr. James Smith.

Mr. Gregory R. Andrews was appointed Executive Vice President of Finance in February 2010 and became Chief Financial Officer and Secretary in March 2010, replacing Mr. James Smith. See the Current Report on Form 8-K, filed February 19, 2010, for a description of Mr. Andrew's employment agreement with the Trust.

Executive Summary

Compensation Program and Philosophy. The Trust's compensation program for named executive officers is designed to:

establish and reinforce the Trust's pay-for-performance philosophy;

motivate and reward the achievement of specific annual and long-term financial and strategic goals of the Trust;

attract, retain and motivate key executives critical to the Trust's operations and strategies; and

be competitive relative to peer companies.

In furtherance of the foregoing, the Trust's compensation program for named executive officers historically has consisted of a base salary, an annual bonus, long-term incentive compensation and certain other benefits. The Trust also provides certain deferred compensation and severance arrangements.

The Committee recognizes that a compensation program must be flexible to address all of its objectives. The Committee historically has used market data as a compensation guideline, and the Committee also considers Trust performance, individual performance reviews, hiring and retention needs and other market factors in finalizing its

compensation determinations. The Committee customarily takes significant direction from the recommendations of Mr. Gershenson and market data from third party consultants to determine the amount and form of compensation utilized in the executive compensation program. See [Advisors Utilized in Compensation Determinations](#) below.

2009 Compensation Summary for Named Executive Officers. As of the time the Committee deliberated regarding the 2009 compensation program for the named executive officers in late 2008 and early 2009, forecasts for 2009 generally projected a continued weakening economy in the United States, with the continuation of a severe economic recession. Although management was unable to predict the duration and depth of the economic slowdown and the precise impact on the Trust's business at such time, management noted that a continuing weak economy would strain the resources of the Trust's tenants and their customers, as well as the Trust's joint venture partners, and negatively impact the Trust's ongoing business and future operations. In addition, there were a significant number of economic indicators, general and industry specific, that indicated the shopping center industry and the real estate

sector would be negatively affected for a number of years in terms of operations, liquidity and access to the capital markets. As of March 4, 2009, when the Committee finalized the 2009 compensation program for the named executive officers, the Shares closed at \$5.48, approximately 11% lower from December 31, 2008 and 75% lower from March 3, 2008, the date the Committee finalized the 2008 compensation program for the named executive officers.

The foregoing factors materially affected the Committee's design and implementation of the 2009 compensation program. The Committee was challenged to balance the need to properly attract, motivate and retain the named executive officers, the importance of being fiscally conservative and reducing cash and non-cash compensation expense, and ensuring alignment with shareholders. The Committee's key determinations for the 2009 compensation program included:

- to freeze or reduce base salaries for all named executive officers;
- to reduce the target annual bonuses by 50% for 2009 for Mr. Zantello, Mr. Litzler and Mr. Sullivan;
- to obtain the agreement from Mr. Gershenson to eliminate his guaranteed bonus, which was established pursuant to his continuing employment agreement, although such bonus remained discretionary for 2009; and
- to issue no equity awards under long-term incentive program for 2009.

Material Changes for 2010 Compensation Program. See Material Changes for 2010 Compensation Program for Named Executive Officers below for a summary of material changes to the annual bonus program for the Chief Executive Officer and Chief Financial Officer, the long-term incentive compensation program and the Change of Control Policy.
