ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Agreement and Plan of Merger

On June 11, 2010, Buckeye GP Holdings L.P. (the Partnership) announced that it had entered into an Agreement and Plan of Merger (the Merger Agreement) by and among the Partnership, Buckeye Partners, L.P. (BPL), their respective general partners and Grand Ohio, LLC (Merger Sub), a subsidiary of BPL, pursuant to which Merger Sub will be merged into the Partnership, with the Partnership as the surviving entity (the Merger). In the transaction, the incentive compensation agreement (also referred to as the incentive distribution rights) held by the general partner of BPL will be extinguished, the general partner units held by the general partner of BPL (representing an approximate 0.5% general partner interest in BPL) will be converted to a noneconomic interest, all of the economic interest in the Partnership will be acquired by BPL and the Partnership s unitholders will receive aggregate consideration of approximately 20 million units representing limited partnership interests in BPL (LP Units).

The terms of the Merger Agreement were unanimously approved by the audit committee, comprised of independent directors, of the board of directors of BPL s general partner, and by the board of directors of the Partnership s general partner (with the chief executive officer of each general partner recusing himself). Additionally, the majority unitholder of the Partnership, BGH GP Holdings LLC, and ArcLight Energy Partners Fund III, L.P., ArcLight Energy Partners Fund IV, L.P., Kelso Investment Associates VII, L.P., and KEP VI, LLC (collectively, the Unitholders and, individually, a Unitholder) have executed a Support Agreement (Support Agreement) agreeing to vote in favor of the proposed transaction.

After the Merger, the board of directors of BPL s general partner is expected to consist of nine members, three of whom are expected to be the existing members of the audit committee of the board, one of whom is expected to be the existing chief executive officer of BPL s general partner and three of whom are expected to be the three existing members of the audit committee of the board of directors of the Partnership s general partner. In addition, the Partnership s general partner, which will own a non-economic general partner interest in the Partnership and will continue to be owned by BGH GP Holdings, LLC, will have the right and authority to designate two additional members of the board, subject to reduction if BGH GP Holdings, LLC s ownership of LP Units drops below certain thresholds.

The Merger Agreement provides that the Partnership is subject to a no-solicitation covenant, which restricts its ability to (i) knowingly initiate, solicit or encourage the submission of competing proposals or (ii) participate in any discussions or negotiations regarding, or furnish to any person, any non-public information, with respect to any competing proposal. The no-solicitation restriction does not prohibit discussions or negotiations with any party that submits an unsolicited written acquisition proposal that did not result from a knowing and intentional breach by the Partnership of the no-solicitation covenant if the board of directors of the general partner of the Partnership determines in good faith, after consultation with its outside legal counsel and financial advisors (i) that the acquisition proposal constitutes or is likely to result in a Superior Proposal as defined in the Merger Agreement and (ii) that failure to take such action would be inconsistent with its fiduciary duties under the partnership agreement of the Partnership and applicable law.

BPL may terminate the Merger Agreement if the board of directors of the general partner of the Partnership changes its recommendation to the Partnership s unitholders, in which event the Partnership would be required to pay a termination fee of \$29 million to BPL. The Partnership may terminate the Merger Agreement prior to obtaining its unitholders approval in the event that the board of directors of its general partner determines in good faith that an acquisition proposal is a Superior Proposal, its general partner makes a change in recommendation to its unitholders, the Partnership has not breached the no-solicitation covenant and the Partnership enters into a definitive agreement with respect to the Superior Proposal, in which event the Partnership would be required to pay a termination fee of \$29 million. The Partnership may terminate the Merger Agreement if the audit committee of the board of directors of BPL s general partner changes its recommendation to BPL s unitholders, in which event BPL would be required to pay a termination fee of \$29 million to the Partnership. The Partnership will not participate in any distribution from BPL on its interests in BPL relating to any termination fee that BPL receives.

Subject to certain restrictions and conditions, either BPL or the Partnership may terminate the Merger Agreement, if (i) the Merger has not been consummated on or before December 31, 2010, unless such deadline has been extended to February 28, 2011 in accordance with the terms of the Merger Agreement, (ii) BPL or the Partnership breaches certain representations, warranties, covenants or other agreements contained in the Merger Agreement, (iii) a regulatory authority has permanently restrained, enjoined or otherwise prohibited the consummation of the Merger or made the Merger illegal or (iv) BPL or the Partnership fail to obtain the necessary approval of the holders of the LP Units, Common Units (as defined in the Merger Agreement) and Management Units (as defined in the Merger Agreement). Upon such termination, BPL or the Partnership may be obligated to pay up to \$6 million of the expenses of the other party. In addition, the Merger Agreement may be terminated by the mutual consent of BPL and the Partnership.

The Merger Agreement is subject to customary closing conditions, including, among other things, (i) approval by the affirmative vote of the holders of a majority of the LP Units outstanding and entitled to vote at a meeting of the holders of the LP Units, (ii) approval by the (a) affirmative vote of holders of a majority of the Common Units and (b) affirmative vote of holders of a majority of the Common Units and Management Units, voting together as a single class, (iii) receipt of applicable regulatory approvals, (iv) the effectiveness of a registration statement on Form S-4 with respect to the issuance of LP Units in connection with the Merger, (v) approval for listing LP Units to be issued in connection with the Merger on the New York Stock Exchange and (vi) the execution of BPL's Amended and Restated Agreement of Limited Partnership substantially in the form attached as Annex B to the Merger Agreement.

Support Agreement

On June 10, 2010, BPL and the Unitholders entered into a Support Agreement, pursuant to which the Unitholders agreed to support the Merger by, among other things, voting their Common Units and Management Units in favor of the Merger and against any alternative transaction. The Support Agreement will automatically terminate if the board of directors of the general partner of the Partnership changes its recommendation to the Partnership's unitholders with respect to the Merger or the Merger Agreement is terminated.

Registration Rights Agreement

On June 10, 2010, BPL and the Unitholders entered into a registration rights agreement (the Registration Rights Agreement), pursuant to which BPL is obligated to file a registration statement covering the potential sale of LP units issued to the Unitholders in the Merger. In addition, the Registration Rights Agreement gives the Unitholders piggyback registration rights under certain circumstances. The Registration Rights Agreement also includes provisions dealing with holdback agreements, indemnification and contribution and allocation of expenses.

The foregoing descriptions of the Merger Agreement, the Support Agreement and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the Merger Agreement, the Support Agreement and the Registration Rights Agreement, which are filed as Exhibits 2.1, 10.1 and 10.2 hereto, respectively, and are incorporated into this report by reference.
