In the event that any disclosure contained in this Amendment No. 18 is inconsistent with the disclosures contained in the Statement, the disclosures contained herein shall supersede such inconsistent disclosures from the date of this Amendment No. 18.

Item 1. Security and Issuer.

There are no amendments to Item 1 of the Statement pursuant to this Amendment No. 18.

Item 2. Identity and Background.

There are no amendments to Item 2 of the Statement pursuant to this Amendment No. 18.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the Statement is hereby amended by adding one new paragraph following the last paragraph of Item 3 to read as follows:

It is anticipated that funding for the Proposed Acquisition (as defined in Item 4 below) will be in the form of cash contributed to the acquisition vehicle formed by Mr. Karabots. The description of the Proposed Acquisition set forth in Item 4 below is incorporated by reference in its entirety into this Item 3.

Item 4. Purpose of Transaction.

Item 4 of the Statement is hereby amended and restated in its entirety as follows:

Mr. Karabots has acquired all of the shares reported on this Statement as an investment through open market purchases and previously reported privately negotiated transactions. Mr. Karabots now beneficially owns approximately 59.6% of the outstanding Common Stock through direct and indirect holdings.

On September 8, 2010, Mr. Karabots delivered to the Board of Directors of the Corporation a non-binding proposal (the Proposal Letter) to acquire all of the outstanding shares of the Corporation's Common Stock that are not currently owned by Mr. Karabots at a proposed price of \$12.00 per share in cash (the Proposed Acquisition).

There can be no assurance that any agreement for the Proposed Acquisition will be reached or that the Proposed Acquisition will be approved or consummated. Furthermore, there can be no assurance regarding the timing of the Proposed Acquisition or whether Mr. Karabots will elect to pursue any alternative transactions, or that any alternative transaction will be approved or consummated.

A copy of the Proposal Letter is filed as Exhibit 7.01 to this Amendment No. 18 and is incorporated by reference into this Item 4.

CUSIP No. 032159105

Additionally, as a significant shareholder, Mr. Karabots may suggest business strategies to the Corporation which might include acquisitions, dispositions, sales of other transfers of a material amount of assets of the Corporation or any of its subsidiaries, material changes in capitalization, dividend policies, or the composition of the Board of Directors of the Corporation in the future. Also, in the event that the Proposed Acquisition is not completed, Mr. Karabots intends to review his ownership position in the Corporation from time to time and may, depending upon his evaluation of the Corporation's business and prospects, and upon future developments including, but not limited to, the receptiveness of the Board of Directors of the Corporation to his proposals, general economic conditions, and on the results of any negotiations with the Board of Directors of the Corporation, determine to cease buying shares of the Corporation or to increase or decrease his ownership position in the Corporation.

As of January 7, 2008, the Foundation had deposited for sale 447,165 shares of Common Stock with J.P. Morgan Securities, Inc. (JPMSI) pursuant to a plan of disposition (the 10b-5-1 Plan) adopted in accordance with rule 10b-5-1 of the Securities Exchange Act of 1934 and in accordance with Section 4943 of the Internal Revenue Code of 1986 regarding the disposition of excessive business holdings. On March 24, 2008, JPMSI began effectuating the sales of shares of Common Stock pursuant to the 10b-5-1 Plan. To date, a total of 98,437 shares have been sold under the 10b-5-1 Plan.

As a member of the Corporation's Board of Directors, Mr. Karabots is involved in such capacity in an ongoing basis in discussions amongst the members of the board and with management related to strategic planning, management succession, acquisitions, divestitures and other matters, some of which may be considered to be responsive to this Item 4.

Except as described in this Item 4, the Reporting Persons do not have, as of the date of this Amendment, any plans or proposals that relate to or would result in any of the actions or events specified in clauses (a) through (j) of Item 4 of this Amendment. The Reporting Persons may change their plans or proposals in the future. In determining from time to time whether to sell the Corporation's Common Stock or additional Corporation securities reported as beneficially owned in this Amendment (and in what amounts) or to retain such securities, the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Corporation, anticipated future developments concerning the Corporation, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters, and other opportunities available to the Reporting Persons. The Reporting Persons reserve the right to acquire additional securities of the Corporation in the open market, in privately negotiated transactions (which may be with the Corporation or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Corporation or to change their intention with respect to any or all of the matters referred to in this Item 4.

Item 5. Interest in Securities of the Issuer.

Item 5 of the Statement is hereby amended by deleting the paragraphs (a) and (b) thereof and substituting therefore the following:
