* Broker non-votes represent shares held by broker nominees for beneficial owners that were not voted with respect to a non-routine matter because the broker nominee did not receive voting instructions from the beneficial owner and lacked discretionary authority to vote the shares. If a broker does not receive voting instructions from the beneficial owner, a broker may vote on routine matters

but may not vote on non-routine matters. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum, but are not counted for the purpose of determining the number of shares entitled to vote on non-routine matters, such as the election of directors.
