### SELLING STOCKHOLDERS

Our 3<sup>7</sup>/<sub>8</sub>% Convertible Senior Notes due 2011 (the **notes**) were originally issued by us to and immediately resold by Banc of America Securities LLC and J.P. Morgan Securities, Inc. in transactions exempt from the registration requirements of the Securities Act to persons reasonably believed by the initial purchasers to be **qualified institutional buyers** as defined by Rule 144A under the Securities Act. Selling stockholders, including their transferees, pledgees, donees and successors, may from time to time offer and sell pursuant to this prospectus and any accompanying prospectus supplement any or all of the shares of our common stock that we issued upon the conversion of the notes on November 15, 2011.

The table below sets forth the name of each selling stockholder and the number of shares of our common stock that are beneficially owned by each selling stockholder following the issuance of shares of our common stock upon conversion of the notes. We have prepared the table below based on information provided to us by or on behalf of the selling stockholders on or prior to November 14, 2011. The selling stockholders may offer all, some or none of the shares of our common stock that we issued upon the conversion of the notes. Accordingly, we cannot estimate the number of shares of our common stock that will be held by the selling stockholders upon consummation of any of these sales. In addition, the selling stockholders identified below may have acquired, sold, transferred or otherwise disposed of, in transactions exempt from the registration requirements of the Securities Act, all or a portion of their shares of our common stock since the date on which they provided information to us.

Except as otherwise indicated, the number of shares of our common stock owned by the selling stockholders or any future transferee from any such holder assumes that they do not beneficially own any shares of common stock other than the common stock that we issued to them upon the conversion of the notes.

Based upon information provided by the selling stockholders, none of the selling stockholders or their affiliates has, or within the past three years has had, any material relationship with us or any of our predecessors or affiliates.

To the extent any of the selling stockholders identified below are broker-dealers, they may be deemed to be, under interpretations of the staff of the Commission, **underwriters** within the meaning of the Securities Act.

Information about the selling stockholders may change over time. Any changed information will be set forth in supplements to this prospectus, if required.
