**Proxy Statement
Annual Meeting of Shareholders
August 26, 2005**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Advanced Photonix, Inc., a Delaware corporation (the Company), for use at the 2005 Annual Meeting of Shareholders of the Company and for any adjournments or postponements thereof (the Annual Meeting) to be held at the Company's Michigan office, 2925 Boardwalk, Ann Arbor, Michigan, at 10:00 a.m., Eastern time, on August 26, 2005, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. A Board of Directors proxy (the Proxy) for the Annual Meeting is enclosed, by means of which you may vote as to the proposals described in this Proxy Statement.

The Board of Directors recommends a vote **FOR** the election of directors as described in this Proxy Statement. All Proxies that are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in accordance with the stockholder's instructions contained in such Proxy. In the absence of instructions, shares represented by such Proxy will be voted **FOR** the election of the eight nominees to the Board of Directors as described herein. The Board of Directors is not aware of any business to be presented at the Annual Meeting except the matters set forth in the Notice and described in the Proxy Statement. If any other matters come before the Annual Meeting, the persons named in the accompanying Proxy will vote on those matters in accordance with their best judgment. A stockholder may revoke his or her Proxy at any time before it is exercised by filing with the Secretary of the Company at its offices at 1240 Avenida Acaso, Camarillo, CA 93012, either a written notice of revocation or a duly executed Proxy bearing a later date, or by appearing in person at the Annual Meeting and expressing a desire to vote his or her shares in person.

This Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders, Proxy and 2005 Annual Report to Shareholders are being sent to Shareholders on or about July 18, 2005.

VOTING SECURITIES

July 1, 2005 has been fixed as the record date for the determination of Shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. As of that date, the Company had outstanding 16,328,486 shares of Class A and Class B Common Stock, \$.001 par value, which vote together as a single class. A quorum, representing a majority of the total outstanding shares, must be established for the meeting to be held and any action to be taken. The presence, in person or by proxy, of shareholders entitled to cast a majority of votes will constitute a quorum for the Annual Meeting. Holders of Class A and Class B Common Stock are entitled to one vote for each share owned. As a plurality of votes cast is required for the election of directors, abstentions and broker non-votes will have no effect on the outcome of the election.

Brokers holding shares for beneficial owners must vote those shares according to the specific instructions they receive from beneficial owners. If specific instructions are not received, brokers may vote those shares in their discretion, depending on the type of proposal involved. The Corporation believes that, in accordance with the rules applicable to such voting by brokers, brokers will have discretionary authority to vote on the election of directors. Shares as to which brokers have not exercised such discretionary authority or received instructions from beneficial owners are considered broker non-votes.
