Item 8.01. Other Events.

On January 24, 2006, Targeted Genetics Corporation announced the restructuring of its operations to reduce expenses and realign resources to advance its lead product candidate, tgAAC94, through clinical trials as quickly as possible. In connection with this restructuring, Targeted Genetics reduced its workforce by approximately 27% or 26 employees, primarily in early-stage research and development groups and in general and administrative functions. A press release announcing this restructuring is attached as Exhibit 99.1 to this current report and is incorporated herein by reference.
