Golden Telecom, Inc. (GTI or the Company) will make several presentations to investors and financial analysts during an Investor Roadshow the Company has planned. These presentations to investors and financial analysts will take place in approximately three cities in Europe and two cities in the United States of America over an approximately seven day period beginning May 11, 2004.

Attached as Exhibit 99.1 is the GTI Investor Roadshow Presentation which has been approved by the Company's Disclosure Policy Committee.

Certain statements contained in this presentation as described above or made during the meeting concerning management's intentions, expectations or predictions are forward looking statements. Such statements include the expected benefits of the Comincom and Sibchallenge acquisitions, estimates of future financial and operating performance, expectations regarding future market position, geographical markets that the Company plans to enter, future product offerings, the Company's assessment of the risk factors and effectiveness of the Company's strategic responses. It is important to note that the Company's actual results may differ materially from those projected in such forward looking statements. Factors that may cause the anticipated results not to occur include the Company's ability to consummate potential acquisitions, the Company's ability to efficiently integrate the acquired companies, unanticipated changes in customer demand, changes in competitive product offerings, increased price competition, changes in the macroeconomic and political environment, changes in local regulatory regimes, or shifts in strategy by the Company's partners. All forward looking statements are made as of March 7, 2004 and GTI disclaims any duty to update such statements. Additional information concerning the factors that could cause actual results to differ materially from those projected in the forward looking statements is contained in the Company's annual report on Form 10-K for the year ended December 31, 2003 and the Company's quarterly report on Form 10-Q for the quarter ended March 31, 2004 and other filings with the United States Securities and Exchange Commission (SEC). Copies of these filings may be obtained by contacting GTI or the SEC.
