Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On March 24, 2005, the Audit Committee of our Board of Directors concluded that previously issued financial statements for the fiscal years ended December 31, 2002 and 2003 should no longer be relied upon because of an error in those financial statements.

During the completion of the financial statements for the year ended December 31, 2004, we identified an error in the manner in which we had originally adopted the provisions of SFAS No. 141, *Business Combinations*, and SFAS No. 142, *Goodwill and Other Intangible Assets*, in 2002. Upon adoption of these standards, we incorrectly adjusted the cost of investments in unconsolidated affiliates and the cumulative effect of change in accounting principle for the excess of our share of the affiliates fair value of the net assets over their original cost, which we believed was negative goodwill. The amount originally recorded as a cumulative effect of accounting change was \$154 million and related to our investments in Citrus Corporation, Portland Natural Gas, several Australian investments and an investment in the Korea Independent Energy Corporation. We subsequently determined that the amounts we adjusted were not negative goodwill, but rather amounts that should have been allocated to the long-lived assets underlying our investments. As a result, we were required to restate our 2002 financial statements to reverse the amount we recorded as a cumulative effect of an accounting change on January 1, 2002. This adjustment also impacted a deferred tax adjustment and an unrealized loss we recorded on our Australian investments during 2002, requiring a further restatement of that year. The restatements also affected the investment, deferred tax liability and stockholders' equity balances we reported as of December 31, 2002 and 2003.

The Audit Committee of our Board of Directors and certain authorized officers have discussed the matters described above with PricewaterhouseCoopers LLP, our independent accountant.

Item 8.01 Other Information

On March 28, 2005, we announced that we filed our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, and that we had restated certain prior period financial statements. Included in that Form 10-K was our assessment of internal control over financial reporting in which we reported that we did not maintain effective internal control over financial reporting as of December 31, 2004. A copy of our press release is attached as Exhibit 99.A.
