Item 1.01 Entry into a Material Definitive Agreement.

On April 4, 2005, Mission Resources Corporation, a Delaware corporation (Mission), and Petrohawk Energy Corporation, a Delaware corporation (Petrohawk), announced the execution of an Agreement and Plan of Merger, dated as of April 3, 2005 (the Merger Agreement), by and among Mission, Petrohawk and Petrohawk Acquisition Corporation, a Delaware corporation and wholly owned subsidiary of Petrohawk (Merger Sub), pursuant to which Petrohawk has agreed to purchase all of the issued and outstanding shares of Mission common stock.

Under the terms of the Merger Agreement, which was approved by the Boards of Directors of both Mission and Petrohawk, Mission will merge with and into Merger Sub (the Merger), with Merger Sub surviving the Merger. The Merger is intended to qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended

Total consideration for the shares of Mission common stock will be comprised of approximately 60% Petrohawk common stock and 40% cash, and is fixed at approximately \$135 million in cash and approximately 19.2 million shares of Petrohawk common stock, not including outstanding options to purchase Mission common stock. Outstanding options to purchase Mission common stock will be converted into options to purchase Petrohawk common stock pursuant to the terms of the Merger Agreement. Mission stockholders will have the right to elect cash or Petrohawk common stock, subject to a proration if either cash or stock is oversubscribed. While the per share consideration is initially fixed in the Merger Agreement at \$8.15 in cash or 0.7718 shares of Petrohawk common stock, the per share consideration is subject to adjustment upwards or downwards so that each share of Mission common stock receives consideration representing equal value. This adjustment will reflect 46.3% of the difference between \$10.56 and the price of Petrohawk s common stock during a specified period prior to closing. Based on the closing price of \$11.53 per share of Petrohawk common stock on April 1, 2005, the adjusted per share consideration would be valued at \$8.60 or 0.7458 shares of Petrohawk common stock.

Consummation of the transactions contemplated by the Merger Agreement is conditioned upon, among other things, (1) approval by the stockholders of Mission and Petrohawk, (2) the receipt of all required regulatory approvals, (3) absence of any order or injunction prohibiting the consummation of the Merger, (4) subject to certain exceptions, the accuracy of representations and warranties with respect to Mission s or Petrohawk s business, as applicable, (5) receipt of customary tax opinions and (6) the effectiveness of a registration statement relating to the shares of Petrohawk common stock to be issued in the Merger. The Merger Agreement contains certain termination rights and provides that, upon the termination of the Merger Agreement under specified circumstances, Mission will be required to pay Petrohawk a termination fee of \$12.5 million.

The Merger Agreement is included herein as Exhibit 2.1 and is incorporated herein by reference. The forgoing description of the Merger Agreement and the transactions contemplated therein does not purport to be complete and is qualified in its entirety by reference to such document.

The Voting Agreements also grant an irrevocable proxy to Petrohawk empowering it to vote all such shares of Mission common stock at any meeting of Mission's stockholders called for the purpose of voting on the Merger. As of the date of this report, such stockholders own 13,264,905 shares, or approximately 32%, of the issued and outstanding common stock of Mission.

Copies of the Voting Agreements with Harbert Distressed Investment Master Fund, Ltd., and Stellar Funding, Ltd. and Guggenheim Capital, LLC are included herein as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference. The forgoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to such documents.
