The proxy statement was prepared under the direction of AptarGroup's Board of Directors to solicit your proxy for use at the annual meeting. It will be mailed to stockholders on or about April 8, 2003.

***Who is entitled to vote?*** \_\_\_\_\_

If other matters properly come before the annual meeting, the persons named as proxies will vote on them in accordance with their best judgment.

***How does the Board of Directors recommend I vote on the proposal?*** \_\_\_\_\_

The Board recommends a vote FOR the election of the director nominees. Unless you give other instructions when voting your proxy, the persons named as proxies will vote in accordance with the recommendation of the Board.

**Table of Contents**

You can vote your proxy in any of the following ways:

- ◆ ***By Mail:*** Sign, date and complete the enclosed proxy card and return it in the prepaid envelope.
- ◆ ***By Telephone:*** You can vote by touch tone telephone by following the instructions on your proxy card.
- ◆ ***By Internet:*** You can vote by internet by following the instructions on your proxy card.

When voting to elect directors, you have three options:

- FOR the election of all nominees for director

You can revoke your proxy at any time before it is exercised by any of the following methods:

- Writing to AptarGroup's Corporate Secretary
- Submitting another signed proxy card with a later date
- Voting in person at the annual meeting

*What is a quorum?* \_\_\_\_\_

A quorum is the presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares of AptarGroup's common stock on March 13, 2003. There must be a quorum for the meeting to be held. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

*How are shares in a 401(k) plan voted?* \_\_\_\_\_

If you hold shares of AptarGroup through your 401(k) plan, you will be instructing the trustee how to vote your shares by completing and returning your proxy card, voting by phone or by the internet. If you do not return your proxy card, or if you return it with unclear voting instructions, or if you do not vote by phone or the internet, the trustee will vote the shares in your 401(k) account in the same proportion as the 401(k) shares for which voting instructions are received.

**Table of Contents**

*How are shares held in a broker account voted?* \_\_\_\_\_

If you own shares through a broker, you should be contacted by your broker regarding a proxy card and whether telephone or internet voting options are available. If you do not instruct your broker on how to vote your shares, your broker, as the registered holder of your shares, may represent your shares at the annual meeting for purposes of determining a quorum, and may vote your shares on some or all proposals. Any unvoted shares, called broker non-votes, will not affect the outcome of the matter put to a vote.

*How many votes are required to elect each director?* \_\_\_\_\_

The four persons receiving the greatest number of votes will be elected to serve as directors. As a result, withholding authority to vote for a director nominee and non-votes with respect to the election of directors will not affect the outcome of the election.

*Who will count the votes?* \_\_\_\_\_

Our agent, ADP Investor Communications Services, will count the votes.

**COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION \_\_\_\_\_**

***Compensation Policy* \_\_\_\_\_**

The compensation policy is designed to support AptarGroup's overall objective of increasing stockholder value by:

- ◆ Attracting, motivating and retaining key executives who are critical to the long-term success of AptarGroup.
- ◆ Awarding short-term incentives based upon respective unit performance and overall AptarGroup performance.
- ◆ Aligning executive and stockholder interests through a stock-based long-term incentive program which will reward executives for increased stockholder value.

The Compensation Committee's general policy is to qualify long-term incentive compensation of U.S. based executive officers for deductibility under Section 162(m) of the Internal Revenue Code. The total compensation program consists of three components:

***Base Salary* \_\_\_\_\_**

Management performance and accomplishment of goals and objectives are important factors in determining base salary increases. In addition, the salary ranges of executive officers are established in relation to competitive market data provided by outside executive compensation consultants and review of proxy statements of similar publicly-held companies in the packaging industry. Comparisons are made to positions with similar job responsibilities in companies with comparable revenue to that of AptarGroup. Four of the companies used in establishing salary ranges are included in the Value Line Packaging & Container Industry Group used in the performance graph below. Generally, salaries are established between the 50th and 75th percentiles of market rates. Salaries are reviewed and compared to market rates annually.

***Short-term Incentives* \_\_\_\_\_**

Executives are eligible for annual bonuses based upon:

- ◆ Profit growth
- ◆ Return on capital

- ◆ Achievement of other goals and objectives
  
- ◆ General management performance

Profit growth and return on capital are weighted most important in determining annual cash bonuses. For 2002, the bonuses of Messrs. Siebel, Pfeiffer and Hagge were discretionary as determined by the Committee after reviewing AptarGroup's overall performance, strategic actions implemented and individual leadership achievements.

**Table of Contents**

***Long-term Incentives*** \_\_\_\_\_

Executives are eligible for awards of stock options and restricted stock under AptarGroup's Stock Awards Plans. The awards to executives are made to provide an incentive for future performance to increase stockholder value. The members of the Compensation Committee administer this Plan. In 2002, the total amount of options granted was approximately 1.6% of the total stock outstanding. As reflected in the table of option grants, stock options were granted on January 21, 2002 to all of the named executive officers. Awards were determined in relation to the individual's position and responsibility. The exercise price of the options equaled the market price of AptarGroup's Common Stock on the date of the grants.

***Chief Executive Officer Compensation*** \_\_\_\_\_

Mr. Siebel's salary of \$630,000 was not increased in 2002. The Committee typically sets the CEO's compensation slightly above the 50th percentile of the comparable salary range. His 2002 bonus of \$424,000 (\$254,000 of which was paid in restricted stock units) was established based upon AptarGroup's overall performance, strategic actions implemented and leadership achievements. During 2002, Mr. Siebel was awarded an option to purchase 80,000 shares of Common Stock.

**Employment Agreements**

Mr. Siebel's employment agreement provides for employment through December 31, 2003 at a minimum salary of \$660,000 and provides for a payment of three months' salary to his survivors in the event of his death while employed. The agreement provides for an automatic extension for a period of one year, unless it is terminated by AptarGroup or Mr. Siebel by written notice seven months before the end of the then current contract period. A separate pension agreement provides Mr. Siebel with an annual pension compensation, subject to cost of living adjustments, of 60% of his 2000 salary for life, and in the event of his death, provides his surviving widow with annual payments of 60% of his then pension for life. Mr. Siebel began receiving benefits from this pension in February 2000, and pension benefits for the year 2002, which are denominated in Euros, are equivalent to approximately \$336,000. Benefits are not subject to reduction for Social Security benefits or other offset items.

Mr. Pfeiffer's employment agreement provides for employment through April 21, 2008 at a minimum salary of \$440,000 and provides for a payment of three months' salary to his survivors in the event of his death while employed. The agreement provides for an automatic extension for a period of five years, unless it is terminated by AptarGroup or Mr. Pfeiffer by written notice one year before the end of the then current contract period; however, the agreement automatically terminates on June 28, 2013. A separate pension agreement provides Mr. Pfeiffer with an annual pension compensation, subject to cost of living adjustments, of up to 60% of his final year's salary for life, and in the event of his death, provides his surviving widow with annual payments of 60% of his then pension for life and may provide any surviving child with annual payments of up to 30% of his then pension to as late as age 27. Pension benefits would normally commence at age 60, but reduced benefits are available after age 55 subject to a minimum annual payment of approximately \$130,000. Estimated annual pension

**Table of Contents**

benefits upon retirement at age 60 (assuming the current salary remains constant) are equivalent to \$264,000. Benefits are not subject to reduction for Social Security or other offset items.

Mr. Hagge's employment agreement provides for employment through February 1, 2006 at a minimum annual salary of \$335,000 and provides, in the event of disability, payment for a period of two years from termination due to disability of one-half of the amount Mr. Hagge would have received and, in the event of death, payment to his estate until the second anniversary of his death of one-half of the amount he would have received. Mr. Hagge is also entitled to additional term life insurance coverage and supplemental long-term disability coverage. The agreement provides for an automatic extension as of each February 1 for one additional year unless either AptarGroup or Mr. Hagge terminates the automatic extension provision by written notice at least 30 days prior to the automatic extension date; provided, however, that in no event shall the term extend beyond October 28, 2016. Mr. Hagge's employment agreement provides that if he is terminated without cause, Mr. Hagge will continue to receive his salary until the end of the employment period then in effect. In the event of a change in control of AptarGroup, Mr. Hagge may not be terminated unless he receives written notice of such termination at least six months prior to the date of termination. If Mr. Hagge is terminated within two years following a change in control or if he terminates his employment for good reason within such two-year period, Mr. Hagge will continue to receive his salary for 18 months following the date of termination.

Mr. Meshberg's employment agreement provides for employment through February 17, 2004 at a minimum annual salary of \$334,000. The agreement provides for an automatic extension for a period of one year, unless it is terminated by AptarGroup or Mr. Meshberg by written notice six months before the end of the then current contract period. Mr. Meshberg's employment agreement provides that if he is terminated without cause or if he terminates for good reason (which includes, among other things, a change in control of AptarGroup), Mr. Meshberg will continue to receive his salary until the later to occur of February 17, 2004 or 24 months following the date of termination of employment. Mr. Meshberg is also entitled to receive any accrued salary and bonus through the date of termination, as well as certain other benefits.

**Pension Plan**

---

Substantially all of the U.S. employees of AptarGroup and its subsidiaries are eligible to participate in the AptarGroup Pension Plan. Employees are eligible to participate after six months of credited service and become fully vested after five years of credited service. The annual benefit payable to an employee under the Pension Plan upon retirement computed as a straight life annuity equals the sum of the separate amounts the employee accrues for each of his years of credited service under the Plan. Such separate amounts are determined as follows: for each year of credited service through 1988, 1.2% of such year's compensation up to the Social Security wage base for such year and 1.8% (2% for years after 1986) of such year's compensation above such wage base, plus certain increases put into effect prior to 1987; for each year after 1988 through the year in which the employee reaches 35 years of service, 1.2% of such year's Covered Compensation and 1.85% of such year's compensation above such Covered Compensation; and for each year thereafter, 1.2% of such year's compensation. The employee's compensation under the Pension Plan for any year includes all salary, commissions and overtime pay and, beginning in 1989, bonuses, subject to such year's limit applicable

**Table of Contents**

to tax-qualified retirement plans. The employee's Covered Compensation under the Pension Plan for any year is generally the average of the Social Security wage base for each of the 35 years preceding the employee's Social Security retirement age, assuming that such year's Social Security wage base will not change in the future. Normal retirement under the Pension Plan is age 65 and reduced benefits are available as early as age 55. Benefits are not subject to reduction for Social Security benefits or other offset items.

U.S. employees of AptarGroup and its subsidiaries participating in the Pension Plan are also eligible for AptarGroup's non-qualified supplemental retirement plan (SERP). The benefits payable under the SERP will generally be in the form of a single sum and will be computed as a single life annuity equal to the sum of the separate amounts the participant accrues for each year of credited service. Such separate amounts are determined as follows: for each year of credited service through the year in which the participant reaches 35 years of service, 1.85% of the participant's Supplemental Earnings; and for each year after 35 years of credited service, 1.2% of such year's Supplemental Earnings.

Supplemental Earnings is generally the difference between (i) the participant's earnings calculated as if the limitation of Section 401(a)(17) of the Internal Revenue Code were not in effect and (ii) the participant's recognized earnings under the Pension Plan. Participants who terminate service prior to being eligible for retirement (i.e., age 65 or age 55 with 10 years of credited service) will forfeit all accrued benefits under the SERP. The SERP provides for the vesting of all accrued benefits in the event of a change of control.

Estimated annual benefits payable under the Pension Plan and the SERP upon retirement at normal retirement age for Messrs. Hagge, Meshberg and Doherty are approximately \$227,000, \$86,000 and \$128,000, respectively. Messrs. Siebel and Pfeiffer are not eligible to receive benefits under the Pension Plan but, as described above, Messrs. Siebel and Pfeiffer are entitled to certain pension benefits pursuant to their respective employment agreements.

**AUDIT COMMITTEE CHARTER**

**Mission Statement**
