Item 8.01. Other Events.

On February 28, 2005, Dr. Roger Jeffs, President and Chief Operating Officer of United Therapeutics Corporation, adopted a prearranged trading plan in accordance with Securities and Exchange Commission Rule 10b5-1 and United Therapeutics Securities Trades by Company Personnel Policy.

Rule 10b5-1 of the Securities Exchange Act of 1934 permits officers and directors of public companies to adopt predetermined written plans for trading specified amounts of company stock when they are not in possession of material nonpublic information in order to gradually diversify their investment portfolio, to minimize the market effect of stock sales by spreading them out over an extended period of time, and to avoid concerns about initiating stock transactions while in possession of material nonpublic information.

The 10b5-1 plan adopted by Dr. Jeffs involves a prearranged order to sell shares of United Therapeutics common stock that will be issued as a result of the exercise of certain stock options, to take place in increments of 3,500 shares approximately every two weeks beginning on March 3, 2005, with no sale occurring at a price below \$30.00 per share. Dr. Jeffs 10b5-1 plan will expire on the first to occur of the date 279,325 shares have been sold or June 28, 2008.
