Item 1.01. Entry into a Material Definitive Agreement

On November 17, 2006, the Federal Communications Commission delivered a modification to the National Thousands-Block Pooling Administration Agreement (the Pooling Agreement) awarded to NeuStar, Inc. by the Federal Communications Commission. Under the Pooling Agreement, NeuStar manages the administration of inventory and allocation of pooled blocks of unassigned telephone numbers by reassigning 1,000-number blocks of assigned but unused telephone numbers to telecommunications service providers requiring additional telephone numbers. The principal effect of the modification was to extend the term of the Pooling Agreement, as a result of which the term of the Pooling Agreement will run through February 14, 2007 with the option to further extend the Pooling Agreement for two one-month periods.
