for
ANNUAL MEETING OF STOCKHOLDERS
To be held on June 12, 2008**

This Proxy Statement with the accompanying proxy card is being mailed or given to stockholders commencing on or about May 7, 2008, in connection with the solicitation of proxies by the Board of Directors of HearUSA, Inc. (the Company) to be used at the 2008 Annual Meeting of Stockholders of the Company to be held at 4000 RCA Boulevard, West Palm Beach, Florida 33410, on Thursday, June 12, 2008 at 2:30 p.m. local time and any adjournments thereof.

The Company s principal executive offices are located at 1250 Northpoint Parkway, West Palm Beach, Florida 33407.

Voting at Meeting

The record date for the Annual Meeting is April 23, 2008. Holders of shares of the Company s common stock, par value \$.10 per share (Common Stock), and holders of exchangeable shares (Exchangeable Shares) of HEARx Canada, Inc., a subsidiary of the Company, as of the close of business on the record date, are entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. Each holder of Common Stock is entitled to one vote for each share held on the record date, and Computershare Trust Company of Canada (the Trustee), the holder of the Company s Special Voting Preferred Stock, is entitled to one vote for each Exchangeable Share outstanding as of the record date. Votes cast with respect to the Exchangeable Shares will be voted through the Special Voting Preferred Stock by the Trustee as directed by the holders of Exchangeable Shares, except votes cast with respect to Exchangeable Shares whose holders request to vote directly in person as proxy for the Trustee at the Annual Meeting.

As of the record date, there were issued and outstanding 38,073,157 shares of Common Stock, one share of the Company s Special Voting Preferred Stock and 534,761 Exchangeable Shares (excluding Exchangeable Shares owned by the Company and its subsidiaries). Each Exchangeable Share is exchangeable at any time, at the option of the holder, for one share of the Company s Common Stock. The holders of a majority of the shares of Common Stock and Exchangeable Shares entitled to vote as of the record date present in person or by proxy will constitute a quorum at the meeting. Under the Delaware General Corporation Law, any stockholder who submits a proxy and abstains from voting on a particular matter described herein will still be counted for purposes of determining a quorum. Broker non-votes will be treated as not represented at the meeting as to any matter for which a non-vote is indicated on the broker s proxy.

Proxy Procedure

Stockholders of record (stockholders who hold their shares in their own name) can vote any one of three ways:

- (1) By Mail: If the enclosed proxy card is properly executed and returned prior to the meeting, the shares represented thereby will be voted in accordance with the stockholder s directions or, if no directions are indicated, the shares will be voted in accordance with the recommendations of the Board of Directors as specified in this proxy statement. The Board of Directors does not know of any other business to be brought

before the meeting, but it is intended that, as to any such other business, a vote may be cast pursuant to the proxy in accordance with the judgment of the person or persons acting thereunder.

Table of Contents

- (2) By Telephone: Call the toll-free number on your proxy card to vote by phone. You will need to follow the instructions on your proxy card and the voice prompts.
- (3) By Internet: Go to the web site listed on your proxy card to vote through the Internet. You will need to follow the instructions on your proxy card and the web site. If you vote through the Internet, you may incur telephone and Internet access charges.

If you vote by telephone or the Internet, your electronic vote authorizes the named proxies in the same manner as if you signed, dated and returned your proxy card. **IF YOU VOTE BY TELEPHONE OR THE INTERNET, YOU SHOULD NOT RETURN YOUR PROXY CARD.**

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted in accordance with your instructions. Telephone and Internet voting also will be offered to stockholders owning shares through most banks and brokers.

Any stockholder voting by written proxy by mail may revoke that proxy at any time prior to the voting thereof either by delivering written notice to the Secretary of the Company or by voting in person at the meeting. If you voted by telephone or the Internet, you may also change your vote with a timely and valid later telephone or Internet vote, as the case may be. Attendance at the meeting will not have the effect of revoking a proxy unless you give proper written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the meeting.

If you hold Exchangeable Shares and you wish to direct the Trustee to cast the votes represented by your Exchangeable Shares attached to the Special Voting Preferred Stock on your behalf, you should follow carefully the instructions provided by the Trustee, which accompany this Proxy Statement. The procedure for instructing the Trustee differs in certain respects from the procedure for delivering a proxy, including the place for depositing the instructions and the manner of revoking the proxy.

Proxy Solicitation

All costs of the solicitation of proxies will be borne by the Company. In addition to the solicitation of proxies by use of the mails, the Company may utilize the services of some of the officers and regular employees of the Company (who will receive no compensation therefore in addition to their regular salaries) to solicit proxies personally and by telephone. The Company will request banks, brokers, custodians, nominees and fiduciaries to forward copies of the proxy solicitation materials to beneficial owners and to request authority for the execution of proxies. The Company will reimburse such persons or entities for their expenses in doing so.

Board of Directors and Committees of the Board

Board of Directors

The Board of Directors has determined that the following directors, constituting a majority of the Board, are independent as defined by the American Stock Exchange listing standards: Messrs. Archibald, Bagni, Gitterman, Labadie and McLachlan. The Board specifically considered Mr. Labadie's beneficial ownership of approximately 6% of the Company's outstanding Common Stock, both in his name and through Les Partenaires de Montreal, s.e.c. and Gestion Fremican, Inc. The Board concluded that stock ownership alone did not preclude Mr. Labadie from being independent of management, particularly noting the small percentage of beneficial ownership and the lack of sole voting and dispositive power by Mr. Labadie relative to such stock.

Table of Contents

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The charters for the Audit, Compensation and Nominating and Corporate Governance Committees are posted on the Company's web site at www.hearusa.com (select Investors then the desired committee charter). A copy of each of these charters is also available in print at no charge to any stockholder who requests the charter by writing to the Corporate Secretary at HearUSA, Inc., 1250 Northpoint Parkway, West Palm Beach, Florida 33407. All committee members are appointed by the Board of Directors on the recommendation of the Nominating and Corporate Governance Committee. The membership and the function of each committee are described below.

There were nine meetings of the Board of Directors during the fiscal year ended December 29, 2007. All of the directors attended at least 75% of the aggregate number of the meetings held by the Board of Directors and its respective committees on which they served during the fiscal year. Directors are encouraged, but not required to attend annual meetings of stockholders. All of the Company's directors attended the 2007 Annual Meeting of Stockholders.

Corporate Governance and Stockholder Communication with the Board

The Board of Directors has adopted corporate governance guidelines upon the recommendation of the Nominating and Corporate Governance Committee. The Board also has adopted a Code of Ethics applicable to all the Company's directors, officers and employees. A copy of both the corporate governance guidelines and the code of ethics are available on the Company's website at www.hearusa.com.

In accordance with our corporate governance guidelines, our independent directors hold executive sessions regularly without management present. In 2007, the independent directors selected David J. McLachlan as the Presiding Director of the Board's non-management directors. In early 2008, upon the recommendation of the Nominating and Corporate Governance Committee, the Board adopted changes to the Company's corporate governance guidelines to establish the position of Lead Independent Director during any period that the Board has determined that it was best for the Chairman of the board to also serve as Chief Executive Officer of the Company. In February of 2008, upon the retirement of Dr. Brown as Chairman of the Board, the Board unanimously appointed Stephen J. Hansbrough, President and Chief Executive Officer of the Company, to serve as Chairman of the Board. At that time, the Board also selected David J. McLachlan to serve as Lead Independent Director. The Lead Independent Director presides at the executive sessions of the independent directors. His role and responsibilities include maintaining an active relationship with the Chairman and Chief Executive Officer, participating in preparation for board meetings (suggesting agenda items as appropriate), serving as a supplemental channel for communications between board members and the Chairman and Chief Executive Officer and providing counsel to individual directors on the performance of their duties.

Any stockholder may communicate with any member of the Board of Directors by sending such communication to 1250 Northpoint Parkway, West Palm Beach, Florida 33407 to the attention of the director or directors of the stockholder's choice. The Company will relay all such communications addressed in this manner to the appropriate director(s). Any communications addressed to the attention of The Board of Directors will be forwarded to the Chairman of the Board for review and further handling. Any communications addressed to the attention of The Independent Directors will be forwarded to the Lead Independent Director for review and further handling. Stockholders wishing to communicate with the Lead Independent Director also may send email to [**LeadDirector@hearusa.com**](mailto:LeadDirector@hearusa.com).

Audit Committee

During 2007, the Audit Committee was comprised of Messrs. Archibald, Bagni, Gitterman, Labadie and McLachlan, all of whom are independent as defined by the American Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended. Mr. McLachlan serves as Chairman of the Audit Committee. In addition, the Board of Directors has determined that each member of the Audit Committee is financially literate and Mr. McLachlan is an audit committee financial

Table of Contents

expert within the meaning of the rules and regulations adopted by the Securities and Exchange Commission. The Audit Committee met ten times during fiscal 2007.

The principal functions of the Audit Committee are to oversee the audit of the Company's financial statements provided to the Securities and Exchange Commission, the Company's shareholders and the general public; the Company's internal financial accounting processes and controls; the Company's disclosure controls and procedures; and the independent audit process. The Audit Committee is responsible for appointing, retaining, compensating, evaluating and, if necessary, terminating HearUSA's independent registered public accounting firm. The Audit Committee meets periodically with representatives from our independent registered public accounting firm separate from management. The Audit Committee has established procedures for the receipt, retention and treatment of confidential and anonymous complaints regarding HearUSA's accounting, internal controls and auditing matters. A copy of these procedures is available in print at no charge to any stockholder who requests the procedures by writing to the Corporate Secretary at HearUSA, Inc., 1250 Northpoint Parkway, West Palm Beach, Florida 33407.

Compensation Committee

During 2007, the Compensation Committee was comprised of Messrs. Archibald, Bagni, Gitterman, Labadie and McLachlan, all of whom are independent as defined by the American Stock Exchange listing standards. The Compensation Committee, chaired by Mr. Archibald, met seven times during the 2007 fiscal year. The primary function of the Compensation Committee is to assist the Board in fulfilling its oversight responsibilities relating to officer and director compensation. Its primary duties and responsibilities are the overall design, approval and implementation of the executive compensation plans, policies and programs for directors, officers and other key executives of the Company.

Nominating and Corporate Governance Committee

During 2007, the Nominating and Corporate Governance Committee was comprised of Messrs. Archibald, Bagni, Gitterman, Labadie and McLachlan, all of whom are independent as defined by the American Stock Exchange listing standards. The Nominating and Corporate Governance Committee, chaired by Mr. Bagni, met three times during fiscal year 2007. The principal functions of the Nominating and Corporate Governance Committee are to recommend to the Board of Directors the director nominees for the next annual meeting of stockholders, candidates to fill vacancies on the Board and directors to be appointed to Board committees. In addition, the Nominating and Governance Committee develops and recommends to the Board a set of corporate governance guidelines applicable to the Board and the Company and oversees the effectiveness of the Company's corporate governance in accordance with these guidelines, making suggested changes from time to time as appropriate. This Committee also oversees the process of evaluations of the Board, its committees and executive management of the Company.

Director Nominating Process

The Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become Board members and recommending to the Board director nominees for the next annual meeting of shareholders and candidates to fill vacancies on the Board.

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by Board members. The Committee may also use outside consultants to identify potential directors. Additionally, in selecting nominees for directors, the Committee will review candidates recommended by stockholders using the same general criteria as other candidates. Any stockholder wishing to recommend a candidate for consideration by the Committee as a nominee for director should follow the procedures set forth below.

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on the information provided to the Committee with the recommendation

Table of Contents

of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries of the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members and the likelihood that the prospective nominee can satisfy the evaluation factors described below. The Committee then evaluates the prospective nominee against the standards and qualifications set out in the Company's Corporate Governance Guidelines, which include among other things, considerations of judgment, specific business experience, independence (for purposes of the American Stock Exchange and SEC rules) and skills (such as understanding of technology, finance and marketing and healthcare), all in the context of an assessment of the perceived needs of the Board at the time.

Upon completion of this evaluation and interview process, the Committee makes a recommendation to the full Board as to whether the candidate should be nominated by the Board and the Board determines whether to approve the nominee after considering the recommendation and report to the Committee.

Stockholders may recommend director nominee candidates by sending the following information to Nominating Committee Chairman, HearUSA, Inc., 1250 Northpoint Parkway, West Palm Beach, Florida, 33407: stockholder's name, number of shares owned, length of period held, and proof of ownership; name, age and address of candidate; candidate's detailed resume; description of any arrangements or understandings between the stockholder and the candidate; and signed statement from the candidate confirming his or her willingness to serve on the Board of Directors.

If a stockholder seeks to nominate a candidate for election at the 2009 annual meeting of stockholders, the stockholder must follow the procedures described under the "Stockholder Proposals" below.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers and persons who own beneficially more than ten percent of any class of equity security of the Company to file with the Securities and Exchange Commission initial reports of such ownership and reports of changes in such ownership. Officers, directors and such beneficial owners are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of copies of reports furnished to the Company, during the fiscal year ended December 29, 2007, all Section 16(a) filing requirements applicable to its executive officers and directors were made on a timely basis.

Audit Committee Report

We have met and held discussions with the Company's management and with the Company's independent registered public accountants, BDO Seidman, LLP. We have reviewed and discussed the audited consolidated financial statements of HearUSA, Inc. for the 2007 fiscal year with the Company's management. We discussed with BDO Seidman, LLP matters required to be discussed by standards of the Public Company Accounting Oversight Board (United States) (PCAOB), including standards set forth in Statement on Auditing Standards No. 61, as amended. BDO Seidman, LLP also provided to us the written disclosures regarding their independence required by Independence Standards Board Standard No. 1, and we discussed with BDO Seidman, LLP their independence

Based on these reviews and discussions, we recommended to the Board of Directors that the audited consolidated financial statements for 2007 be included in HearUSA, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 29, 2007 filed with the Securities and Exchange Commission.

Compensation Discussion and Analysis

The Compensation Committee is comprised entirely of independent directors and has the responsibility for reviewing and approving the Company's executive compensation programs. The Compensation Committee approves all compensation for the Chief Executive Officer and other named executive officers.

The Compensation Committee uses salary and bonus compensation to reward current and past performance while using equity based compensation to provide incentives for long-term performance. To establish compensation for

2007 for the Company's executive officers, including the CEO, the Compensation Committee used subjective performance evaluations, compensation statistics of similar sized health care organizations and, with respect to executive officers other than Mr. Hansbrough, the salary recommendations of Mr. Hansbrough. The Committee also retained a compensation consultant, Radford Surveys + Consulting, to provide industry information and compensation recommendations.

Table of Contents

Objectives and Design of the Executive Compensation Programs

HearUSA's executive compensation program is designed to attract and retain quality executive talent and to provide meaningful incentives for the executives to enhance stockholder value. The Committee's executive compensation philosophy is threefold: (1) all compensation should be referenced and validated based on industry surveys for comparably situated health care related companies; (2) compensation grants and changes to compensation should be performance based; and (3) executive and director pay should be targeted at the mid-range of the industry surveys.

The Committee reviews the executive compensation program at least annually to ensure that its compensation goals and objectives are being met. The Committee determines the final compensation for our Chief Executive Officer and other named executive officers, although with respect to the other named executive officers, the Chief Executive Officer works closely with the Committee to make recommendations to the Committee regarding the named executive officers' compensation. In reviewing our executive compensation program and in making compensation decisions, the Committee has utilized surveys provided by Radford and has used tally sheets to ensure that the Committee has a comprehensive picture of total compensation paid to our named executive officers.

Elements of Compensation

Base Salaries. The Committee typically reviews the base salary of each executive officer on an annual basis to make adjustments based on performance of the officer and performance of the Company. In making base salary decisions, the Committee reviewed comparable salary data from an industry peer group generated by Radford as generally comparable. The Committee targets base salaries at the 50th percentile of those surveyed organizations.

The Committee makes a specific decision on annual adjustments to base salary with input from the Chief Executive Officer regarding the performance appraisal for each officer. In 2007, the survey results reflected that the cash compensation for each named executive officer was slightly below the 50% guideline. The Committee determined to wait until early 2008 to re-evaluate compensation and performance.

Short Term Incentive Awards (Cash Incentive Awards). The Committee believes that short term incentives should be closely tied to the performance of the Company and the creation of shareholder value. One way to accomplish this is through the issuance of cash-based performance awards. The executive is only paid the cash bonus if the Company meets or exceeds target expectations set by the Committee, with inputs from the CEO based on budgets for the year, at the beginning of each year. Executives can earn up to fifty percent of their base salary as a cash incentive award. The Committee, at its discretion, can award a portion of this cash incentive award in the event performance targets are not achieved. No cash incentive awards were made to executives in 2007 as none of the Company performance targets were achieved.

Long Term Incentive Awards (Equity Awards). In keeping with the Committee's performance based philosophy, the Committee believes that long term incentives should be closely tied to creation of shareholder value. One way to accomplish this is through the grant of stock options and restricted stock units, either time vesting or performance-based. Historically, the Committee has made annual grants of stock options to its named executive officers. With changes in accounting for options and the emergence of restricted stock units, the Committee began considering other equity-based performance awards for its executives. In early 2007, the Company adopted an equity compensation plan which was approved by shareholders at the last annual meeting. This plan contemplates the grant not only of options but also of restricted stock and restricted stock units.

In making decisions regarding equity-based incentive awards for 2007, the Committee considered the industry data provided by Radford. The Committee looked at the need to align its executives' long term interest with those of the stockholders and undertook to grant to each of the executives in late 2007 stock options to bring their potential equity

ownership in the company to what the Committee believed was a more appropriate level and one that was consistent with the industry information provided in the

Table of Contents

surveys. Because the new equity compensation plan was not in place early enough in the year to make meaningful performance-based grants, the Committee deferred until early 2008 the task of establishing performance based equity grants for the executives.

The Compensation Committee expects that it may make equity-based grants at three different times: (1) upon the hiring of an executive or employee (typically, the grant date is the employee's start date with the Company), (2) on the date of regularly scheduled quarterly Board of Directors meetings, and (3) on some occasions, in connection with a promotion or special recognition grant. Historically, although most of the grants are scheduled to be made on an annual basis at the Board of Directors meeting in February of each year, grants are occasionally made at other Board meetings. The regularly scheduled quarterly Board of Directors meetings are typically one or two days prior to the date of the Company's regular quarterly earnings press release for the just completed quarters. Therefore, any grants made at such regularly scheduled meetings are made at a time just prior to the release by the Company of material non-public information (i.e., the Company's results of operations for the just-completed quarter). The Committee believes that the timing of such grants is appropriate because by having made such grants on an approximately regular timetable, the unpredictability of both the Company's operating results and the trading markets' reaction to those operating results does not factor into the Committee's decision.

Employment Agreements. Each of our named executive officers has an employment agreement with the Company. Each of the employment agreements provides that the executive will be entitled to receive base compensation, to be reviewed and adjusted in the discretion of the Committee (usually on an annual basis), and performance bonuses, at the discretion of the Compensation Committee, and to participate in and receive benefits, at the discretion of the Committee, under the equity-based compensation plans, and to participate in and receive benefits under the Company's welfare benefit and similar employee benefit plans generally made available by the Company to other key employees. These agreements include change in control provisions that were generated to ensure that the executives would be incentivized to remain with the Company during any potential change in control and not leave the Company at a time when their participation may be critical. The terms of the change in control provision of the 2005 executive employment agreements which were effective during 2007 are described elsewhere in this proxy statement. In its review of the total compensation of the executives in late 2007 and early 2008, the Committee undertook to revise the agreements to reduce some of the post-termination benefits to which the executives otherwise would have been entitled. The new contracts are also described elsewhere in this proxy statement. The changes were made to bring the agreements more into line with prevailing industry agreements for comparably situated executives in similar healthcare companies, all as demonstrated by the Radford surveys.

Report of the Compensation Committee

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on this review and discussion, the Compensation Committee has recommended to the full Board that the Compensation Discussion and Analysis be included in this proxy statement for filing with the Securities and Exchange Commission.

Employment Agreements

In 2007, each of Dr. Paul A. Brown, Stephen J. Hansbrough, Gino Chouinard and Kenneth Schofield were parties to an executive employment agreement with the Company. The term of the agreements for each of Dr. Brown and Mr. Hansbrough was five years (to 2010) with automatic renewals for successive five-year terms. The term of the agreements for each of Mr. Chouinard and Mr. Schofield was three years (to 2008) with automatic renewals for successive three-year terms. The employment agreements provided that the executive were entitled to receive base compensation (to be reviewed and adjusted in the discretion of the Committee usually on an annual basis) and performance bonuses, at the discretion of the Compensation Committee, and to participate in and receive benefits under the Company's welfare benefit and similar employee benefit plans generally made available by the Company to other key employees.

The agreements contemplated severance payments in the event of termination without cause, non-renewal at the end of the term or termination by the executive for good reason after a change in control. The severance payments in the case of Dr. Brown and Mr. Hansbrough were in an amount equal to three times base salary and in the case of Mr. Chouinard and Mr. Schofield in an amount equal to two times base salary. In addition, on such termination, all outstanding and unvested options would accelerate and the Company would be liable to continue to provide benefits to the executives for a period of three years for Dr. Brown and Mr. Hansbrough and for a period of two years for Mr. Chouinard and Mr. Schofield.

Table of Contents

In the event of the executive's death or termination because of disability, the agreements provided that all then outstanding options and similar rights would become fully vested and the executive or his legal representatives could exercise such rights for a one-year period following the executive's death or termination for disability.

The agreements also provided for gross up payments to the executive to cover the executive's incremental tax liabilities in the event payments made under the agreements were subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

On October 12, 2007, the Company and Mr. Schofield entered into a separation agreement upon Mr. Schofield's departure from the Company. Pursuant to the separation agreement, the Company will pay a total of \$301,547.50, including forgiveness of \$60,000 of loans from the Company to Mr. Schofield, an initial cash payment to Mr. Schofield of approximately \$30,000 and the regular bi-weekly payments until the full amount is paid. The Company agreed to assist Mr. Schofield with COBRA payments for twelve months and to extend the time for him to exercise vested options from 90 days to six months from the date of his separation. Effective October 12, 2007, his employment agreement with the Company was terminated.

Subsequent to the end of the fiscal year, Dr. Brown retired from the Company. Pursuant to his retirement agreement, effective February 4, 2008, the Company will pay to Dr. Brown an amount of \$720,000 over three years, provide continuing health and life insurance benefits for three years and extend the exercise period for his options. Accordingly, as of February 4, 2008, Dr. Brown's employment agreement with the Company was terminated.

Also subsequent to the end of the fiscal year, the Company entered into new executive employment agreements on February 25, 2008 with each of Mr. Hansbrough and Mr. Chouinard. The new agreements replace the employment agreements described above. Each is for a three-year term, renewable for successive one-year terms unless notice of non-renewal is given. The agreements provide for annual base compensation (for Mr. Hansbrough in the amount of \$420,000 and for Mr. Chouinard in the amount of \$310,000), participation in the company's current employee benefit plans and, at the discretion of the Board of Directors, in equity compensation plans and cash incentive plans. In the event Mr. Hansbrough is terminated without cause prior to the end of the term, or if the Company declines to renew the agreement at the end of the term, Mr. Hansbrough is entitled to severance of two times base salary plus cash bonus for the year, continuation of health and life insurance benefits for 24 months, acceleration by 12 months of unvested options and extension of post-termination option exercise periods of such vested options. In the event Mr. Chouinard is terminated without cause prior to the end of the term, or if the company declines to renew the agreement at the end of the term, Mr. Chouinard is entitled to severance of 1.5 times base salary plus cash bonus for the year, continuation of health and life insurance benefits for 18 months, acceleration by 12 months of unvested options and extension of post-termination option exercise periods of such vested options.

In the event of a change in control and the termination of Mr. Hansbrough without cause or his resignation with good reason, Mr. Hansbrough will be entitled to receive three times his base salary plus bonus for the year, continuation of health and life insurance benefits for a period of 36 months, acceleration of vesting of all unvested options and extension of the exercise period, and immediate vesting of all performance-based restricted stock or stock unit grants. In the event of a change in control and the termination of Mr. Chouinard without cause or his resignation with good reason, Mr. Chouinard will be entitled to receive two times his base salary plus bonus for the year, continuation of health and life insurance benefits for a period of 24 months, acceleration of vesting of all unvested options and extension of the exercise period, and immediate vesting of all performance-based restricted stock or stock unit grants.

HOUSEHOLDING OF PROXIES

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more stockholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

Once you have received notice from your broker or the Company that your broker or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. You may request to receive at any time a separate copy of our annual report or proxy statement, by sending a written request to HearUSA, Inc. 1250 Northpoint Parkway, West Palm Beach, Florida 33407, Attn: Corporate Secretary, or by telephoning 561-478-8770.

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report and/or proxy statement in the future, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to HearUSA, Inc. 1250 Northpoint Parkway, West Palm Beach, Florida 33407, Attn: Corporate Secretary, or by telephoning 561-478-8770.

If, at any time, you and another stockholder sharing the same address wish to participate in householding and prefer to receive a single copy of the Company's annual report and/or proxy statement, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to HearUSA, Inc. 1250 Northpoint Parkway, West Palm Beach, Florida 33407, Attn: Corporate Secretary, or by telephoning 561-478-8770.
