**Item 5. Other Events**

On November 19, 2002, Xcel Energy Inc. issued a press release announcing that it agreed to issue \$200 million through a private offering of convertible senior notes with a coupon of 7.5 percent (such amount does not give effect to an option to be granted to the initial purchasers to acquire additional senior notes in an amount equal to 15% of this initial offering). The senior notes are convertible into shares of the Company's common stock at a conversion price of \$12.33 and mature in 2007. The conversion price represents a 25-percent premium over the \$9.86 closing price of the Company's stock on November 19, 2002. The Company anticipates that the transaction will close on November 21, 2002. For more information see the full press release included in this Form 8-K as Exhibit 99.01.
