ITEM 5. OTHER EVENTS AND REQUIRED FD DISCLOSURE

On December 23, 2003, Martin Midstream Partners L.P. (MMLP) announced that it had completed the acquisition of marine services assets from Tesoro Marine Services, L.L.C. (Tesoro), a subsidiary of Tesoro Petroleum Corporation, a refiner and marketer of petroleum products. MMLP purchased assets associated with Tesoro's shore based marine activities for \$25 million plus approximately \$1.8 million for Tesoro's lube oil inventories. The assets acquired include 13 marine terminals located along the Gulf Coast from Venice, Louisiana to Corpus Christi, Texas, nine tank barges and four pushboats as well as Tesoro's lubricant distribution and marketing business. Acquisition financing was provided through an expansion of MMLP's existing credit facility with Royal Bank of Canada from \$60 million to \$80 million. After giving effect to the consummation of this transaction, MMLP's borrowings under its credit facility include \$25 million of previously existing term debt and \$40 million of revolving debt, including \$27 million incurred in connection with the Tesoro transaction and \$3 million incurred in connection with the previously announced acquisition of a terminal and three vessels.

In a parallel transaction, Midstream Fuel Service LLC purchased Tesoro's fuel oil distribution business for \$2 million plus approximately \$4.8 million for Tesoro's diesel fuel inventories. Midstream Fuel Service LLC is a subsidiary of privately held Martin Resource Management Corporation (MRMC), the owner of MMLP's general partner. MRMC acquired these assets from Tesoro because fuel oil distribution generates non-qualifying income under Internal Revenue Service regulations applicable to publicly traded limited partnerships such as MMLP. However, pursuant to contractual arrangements between MRMC and MMLP, MMLP will provide marine transportation and storage services to Midstream Fuel Service LLC. Financing for the assets acquired by MRMC was provided through an expansion of MRMC's existing credit facility.
