These forward-looking statements and all references to financial estimates rely on a number of assumptions concerning future events and are subject to a number of uncertainties and other factors, many of which are outside the Company's control, that could cause actual results to differ materially from such statements. While the Company believes that the assumptions concerning future events are reasonable, it cautions that there are inherent difficulties in predicting certain important factors, especially the finalization of the pending divestiture and acquisition transactions discussed in the Exhibits; the timing and magnitude of technological advances; the performance of recently acquired businesses; the prospects for future acquisitions; the possibility that a current customer could be acquired or otherwise be affected by a future event that would diminish their information technology business process services requirements; the competition in the

These factors, when applicable, are discussed in the Company's filings with the Securities and Exchange Commission, including the most recent Form 10-Q and Form 10-K, a copy of which may be obtained through the Company without charge. The Company disclaims any intention or obligation to revise any forward-looking statements, including financial estimates, whether as a result of new information, future event, or otherwise.
