Item 8.01. Other Events.

On November 8, 2006, the parties to all three of the stockholder derivative lawsuits commenced against Patterson-UTI Energy, Inc. (the Company) and certain of its officers and directors reached an agreement to settle the lawsuits. The lawsuits were filed in response to the Company's announcement on November 10, 2005 that Jonathan D. Nelson, the former Chief Financial Officer of the Company, had embezzled a large sum of money from the Company. The settlement agreement, which contemplates the implementation of certain corporate governance measures, is subject to court approval after notice to the stockholders of the Company and an opportunity for them to be heard by the Court.
