Item 1.01. Entry into a Material Definitive Agreement.

Item 3.03. Material Modification to Rights of Security Holders.

Item 8.01. Other Events.

On June 12, 2007, in connection with its previously announced tender offer and consent solicitation, Inverness Medical Innovations, Inc. entered into a Ninth Supplemental Indenture with respect to its 8.75% Senior Subordinated Notes due 2012 (the "Notes") with U.S. Bank Trust National Association, as trustee, and the Guarantors as defined therein (the "Supplemental Indenture"). The Supplemental Indenture effects amendments to the Indenture, dated as of February 10, 2004, governing the Notes (the "Indenture"). The Supplemental Indenture will eliminate substantially all of the restrictive covenants and certain events of default and modify other provisions contained in the Indenture. The amendments will not become operative until the Notes tendered in the tender offer and consent solicitation are accepted for purchase by Inverness. The tender offer remains conditioned upon, among other things, Inverness receiving new financing in an amount of at least \$1.3 billion and Inverness's purchase of shares of common stock of Biosite Incorporated pursuant to the tender offer for such shares made on May 29, 2007. No assurance can be given that these conditions will be satisfied. The foregoing summary of the Supplemental Indenture is qualified in its entirety by reference to the copy of the Supplemental Indenture, which is attached hereto as Exhibit 99.1 and incorporated herein by reference.

On June 12, 2007, Inverness issued a press release announcing Inverness's receipt of requisite consents to enter into the Supplemental Indenture and the pricing of its tender offer for the Notes. A copy of this press release is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
