Item 2.02 Results of Operations and Financial Condition.

The disclosure set forth in Item 4.02 below is incorporated by reference.

Item 4.02(a) Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On January 25, 2008, Management and the Audit Committee of the Board of Directors of Wright Express Corporation (the Committee and Company, respectively) concluded that the Company's financial statements for the second and third quarters of 2007, as reported on Forms 10-Q filed on August 7 and November 7, 2007 and Forms 8-K furnished on August 7 and October 31, are incorrect. Accordingly, the Company is filing this Form 8-K today to report that the previously issued financial statements and earnings releases should no longer be relied upon.

Wright Express has concluded that corrections to its previously issued financial statements are necessary to recognize a change in the State of Maine tax law enacted on June 7, 2007 for tax years beginning on or after January 1, 2007.

The new law effectively reduced the Company's taxable income or loss apportioned to Maine. This resulted in decreases in the amount of the Company's net deferred tax assets and related contractual liability to Avis Budget Group, Inc. as well as a decrease in the Company's blended state income tax rate. The Company has determined that its Forms 10-Q for the second and third quarters of 2007 require restatement.

The Company's management and the Committee have discussed this matter with Deloitte & Touche LLP (D&T), the Company's independent registered public accounting firm.

The Company issued a press release concerning this matter on January 31, 2008, a copy of which is attached as Exhibit 99.1 to this report and is incorporated herein by reference.
