QUESTIONS AND ANSWERS

Following are questions often asked by shareholders of publicly held companies. We hope that the answers will assist you in casting your vote.

WHAT AM I VOTING ON?

We are soliciting your vote on:

1. The election of three directors for a three-year term beginning at the Annual Meeting; and

Edgar Filing: PERRIGO CO - Form DEF 14A

2. The approval of our 2003 Long-Term Incentive Plan.

WHO MAY VOTE?

Shareholders of record at the close of business on September 2, 2003, the record date, may vote. On that date, there were 70,006,921 shares of Perrigo common stock outstanding.

HOW MANY VOTES DO I HAVE?

Each share of Perrigo common stock that you own entitles you to one vote.

HOW DO I VOTE?

You may vote your shares in any of the following four ways:

1. By mail: complete the proxy card or voting instruction form and sign, date and return it in the enclosed envelope.
2. By telephone: call the toll-free number on the proxy card, enter the control number on the proxy card and follow the recorded instructions.
3. By Internet: go to the website listed on the proxy card, enter the control number on the proxy card and follow the instructions provided.
4. In person: attend the Annual Meeting, where ballots will be provided.

You may also vote by telephone or over the Internet if you hold your shares through a bank or broker that offers either of those options. If you choose to vote in person at the Annual Meeting and your shares are held in the name of your broker, bank or other nominee, you need to bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on September 2, 2003, the record date for voting.

1

HOW DOES DISCRETIONARY VOTING AUTHORITY APPLY?

If you sign, date and return your proxy card or vote by telephone or Internet, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Douglas R. Schrank and John R. Nichols to vote for the items discussed in these proxy materials and on any other matter that is properly raised at the Annual Meeting. In that event, your proxy will be voted FOR the election of each director nominee, FOR the approval of the 2003 Long-Term Incentive Plan and FOR or AGAINST any other properly raised matters at the discretion of Messrs. Schrank and Nichols.

MAY I REVOKE MY PROXY?

You may revoke your proxy at any time before it is exercised in one of four ways:

1. Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy. The notice should be sent to our address on

Edgar Filing: PERRIGO CO - Form DEF 14A

the cover of this proxy statement.

2. Submit another proxy with a later date.
3. Vote by telephone or Internet after you have given your proxy.
4. Vote in person at the Annual Meeting.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

Your shares are likely registered differently or are in more than one account. You should sign and return all proxy cards to guarantee that all of your shares are voted.

WHAT CONSTITUTES A QUORUM?

The presence, in person or by proxy, of the holders of a majority of Perrigo shares entitled to vote at the Annual Meeting constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy card, if you vote by telephone or Internet, or if you attend the Annual Meeting.

Abstentions and broker non-votes are counted as "shares present" at the Annual Meeting for purposes of determining whether a quorum exists. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for a proposal because he or she does not have voting authority and has not received voting instructions from you.

WHAT VOTE IS REQUIRED TO ELECT THE DIRECTOR NOMINEES AND TO APPROVE THE 2003 LONG-TERM INCENTIVE PLAN?

Election of Directors: A plurality of the votes cast will elect directors. This means that the three nominees who receive the highest number of votes will be elected. If you do not want to vote your shares for a particular nominee, you may indicate that by following the instructions on the proxy card or by withholding authority as prompted during telephone or Internet voting or in person at the meeting. Abstentions and broker non-votes will have no effect on the election of the directors.

2

Approval of the 2003 Long-Term Incentive Plan: The Plan must be approved by a majority of the votes cast by the holders of shares entitled to vote on this proposal. Abstentions and broker non-votes will not be treated as votes cast in determining approval of the Plan and, therefore, will not have the effect of a vote for or against the proposal.

HOW DO I SUBMIT A SHAREHOLDER PROPOSAL FOR NEXT YEAR'S ANNUAL MEETING?

You must submit a proposal to be included in our proxy statement for the 2004 annual meeting of shareholders no later than May 29, 2004. Your proposal must be in writing and must comply with the proxy rules of the Securities and Exchange Commission. You may also submit a proposal that you do not want included in the proxy statement but that you want to raise at the 2004 annual meeting. If you want to do this, we must receive your written proposal on or after July 30, 2004, but on or before August 19, 2004. If you submit your proposal after the deadline, then Securities and Exchange Commission rules permit the individuals named in the proxies solicited by Perrigo's Board of Directors for that meeting to exercise discretionary voting power as to that proposal but they are not required to do so.

To be properly brought before an annual meeting, our by-laws require that

Edgar Filing: PERRIGO CO - Form DEF 14A

your proposal include: (1) your name and address as they appear on our stock records; (2) a brief description of the business you want to bring before the meeting; (3) the reasons for conducting the business at the meeting; (4) any interest you have in the business you want to bring before the meeting; and (5) the number of shares of Perrigo common stock that you own beneficially and of record. You should send any proposal to our Secretary at our address on the cover of this proxy statement.

HOW DO I NOMINATE A DIRECTOR?

If you wish to nominate an individual for election as director at the 2004 annual meeting, we must receive your nomination on or after July 30, 2004, but on or before August 19, 2004. In addition, our by-laws require that for each person you propose to nominate you provide: (1) your name and address as they appear on our stock records; (2) the number of shares of Perrigo common stock that you own beneficially and of record; (3) the nominee's written statement that he or she is willing to be named in the proxy statement as a nominee and to serve as a director if elected; and (4) any other information regarding the nominee that would be required by the Securities and Exchange Commission to be included in a proxy statement had Perrigo's Board of Directors nominated that individual. You should send your proposed nomination to our Secretary at our address on the cover of this proxy statement.

WHO PAYS TO PREPARE, MAIL AND SOLICIT THE PROXIES?

Perrigo will pay all of the costs of preparing and mailing the proxy statement and soliciting the proxies. We will ask brokers, dealers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials and our Annual Report to the beneficial owners of Perrigo common stock and to obtain the authority to execute

3

proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

ELECTION OF DIRECTORS

Nine directors currently serve on our Board of Directors. The directors are divided into three classes. At this Annual Meeting, you will be asked to elect three directors. Each director will serve for a term of three years, until a qualified successor director has been elected, or until he or she resigns or is removed by the Board. The remaining six directors will continue to serve on the Board as described below. The nominees for this year, Gary M. Cohen, David T. Gibbons and Judith A. Hemberger, are currently Perrigo directors.

We will vote your shares as you specify on the enclosed proxy card or during telephone or Internet voting. If you do not specify how you want your shares voted, we will vote them FOR the election of the nominees. If unforeseen circumstances (such as death or disability) make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not anticipate that any nominee will be unable to serve. The nominees have provided the following information about themselves.

DIRECTOR COMPENSATION

ANNUAL RETAINER AND ATTENDANCE FEES

Directors who are Perrigo employees receive no fees for their services as directors. Non-employee directors receive a \$21,000 annual retainer fee covering all regular and special Board meetings and the Annual Shareholders' meeting, of

Edgar Filing: PERRIGO CO - Form DEF 14A

which \$11,000 is paid in cash. The balance of this fee is paid on the date of each annual meeting of directors in the form of a restricted stock grant to each of these directors having a value of

7

\$10,000 based upon the average of the high and low price of our stock on that date. The restricted stock grant is made pursuant to a restricted stock plan for directors and is intended to directly link an element of director compensation to shareholders' interests. If shareholders approve the 2003 Long-Term Incentive Plan (which is described in this proxy statement under "Approval of 2003 Long-Term Incentive Plan"), directors instead will receive these restricted stock grants pursuant to that plan.

Prior to January 23, 2003, committee members also received \$1,000 for each in-person committee meeting attended and \$500 for each telephonic committee meeting in which they participated. Committee chairmen received \$2,000 for each in-person committee meeting they attended and \$1,000 for each telephonic committee meeting in which they participated. Effective as of January 24, 2003, the Chairman of the Audit Committee receives \$3,000 for each committee meeting attended and the other members of the Audit Committee each receive \$1,500 for each committee meeting attended. Effective on the same date, the Chairman of each of the Nominating & Governance and the Compensation Committee receives \$2,500 for each committee meeting attended and the members of each of these committees receive \$1,250 for each committee meeting attended. Fees for all telephonic meetings held after January 23, 2003 are one-half of the above amounts. We also reimburse directors for expenses incurred in connection with attending Board and committee meetings.

OPTIONS TO PURCHASE PERRIGO COMMON STOCK

Currently, non-employee directors are eligible to participate in our Non-Qualified Stock Option Plan for Directors, which ties a further portion of director compensation to shareholder interests. The Board administers the Plan, which provides for the issuance of options covering up to 525,000 shares of Perrigo common stock at a purchase price per share at least equal to the fair value of the stock on the grant date. Newly elected directors receive options under the Plan to purchase 5,000 Perrigo shares, and continuing directors annually receive options to purchase shares having a fair value on the date of the grant of \$25,000. Fair value is determined on the basis of a Black-Scholes calculation. If the 2003 Long-Term Incentive Plan is approved, no further awards will be granted under the Non-Qualified Stock Option Plan for Directors, and non-employee directors instead would receive these or other awards under the Long-Term Incentive Plan.

OTHER ARRANGEMENTS WITH DIRECTORS

We entered into a Consulting Agreement dated July 31, 2002 with Michael Jandernoa, under which Mr. Jandernoa provided consulting and advisory services as requested by the Chief Executive Officer for a monthly fee of \$5,000 commencing in May 2002. In addition, we reimbursed Mr. Jandernoa for his office space and secretarial service costs incurred during the term of the agreement up to a maximum total reimbursement of \$46,667. We also reimbursed Mr. Jandernoa for properly documented expenses incurred by him in connection with his consulting services. This agreement terminated on June 30, 2003.

OPTION GRANTS IN FISCAL YEAR 2003

This table gives information relating to option grants to the named executive officers during fiscal year 2003. All of the options were granted under our Employee Stock Option Plan. The potential realizable value is calculated based on the term of the option at its time of grant, 10 years. The calculation assumes that the fair market value on the date of grant appreciates at the indicated rate compounded annually for the entire term of the option and that the option is exercised at the exercise price and sold on the last

Edgar Filing: PERRIGO CO - Form DEF 14A

day of its term at the appreciated price. Stock price appreciation of 5% and 10% is assumed under the rules of the Securities and Exchange Commission. We cannot assure you that the actual stock price will appreciate over the 10-year option term at the assumed levels or any other defined level.

(1) These options vest in five equal annual installments, beginning on the first anniversary date of the grant. The date of the grant was August 6, 2002.

OPTION EXERCISES IN FISCAL YEAR 2003 AND
FISCAL YEAR-END 2003 OPTION VALUES

This table provides information regarding the exercise of options during fiscal year 2003 and options outstanding at the end of fiscal year 2003 for the named executive officers. The "value realized" is calculated using the difference between the option exercise price and the price of Perrigo common stock on the date of exercise multiplied by the number of shares underlying the option. The "value of unexercised in-the-money options at fiscal year end" is calculated using the difference between the option exercise price and \$15.82 (the closing price of Perrigo stock on June 27, 2003, the last trading day of fiscal year 2003) multiplied by the number of shares underlying the option. An option is in-the-money if the market value of Perrigo common stock is greater than the option's exercise price.

We entered into an employment agreement with our Chief Executive Officer, David T. Gibbons, effective May 1, 2000. The agreement has an initial term ending June 30, 2005 and renews for consecutive one-year terms unless either party gives 90 days' notice prior to the expiration of any term. Under the agreement, Mr. Gibbons' base salary is reviewed at least annually by the Board to determine if an increase is appropriate. We paid Mr. Gibbons a base salary of \$540,000 in fiscal year 2003 and, effective July 1, 2003, the Board increased his salary to \$567,000.

Mr. Gibbons is eligible to participate in the Management Incentive Bonus Plan, under which he has a target bonus opportunity of at least 100% of his annual salary. Mr. Gibbons was paid a bonus of \$847,800 under the Plan in fiscal year 2004 for fiscal year 2003. Pursuant to our agreement with Mr. Gibbons, a Deferred Compensation Plan was established in June 2001 for certain key employees, and Mr. Gibbons has elected to defer \$208,780 of his fiscal year 2003 compensation until his retirement. Mr. Gibbons also was granted an option to purchase 750,000 shares of Perrigo common stock under our Employee Stock Option Plan at the time of his employment. Under the terms of the employment agreement, Mr. Gibbons received options to purchase 125,000 shares of Perrigo common stock for each of fiscal years 2002 and 2003. The options for fiscal year 2002 were actually issued to Mr. Gibbons in May 2001 prior to the end of fiscal year 2001. Mr. Gibbons also received 95,715 shares of restricted Perrigo common stock and a cash transition bonus of \$160,000. On June 30, 2003, the restrictions lapsed on all 95,715 shares of Mr. Gibbons' restricted stock. Under the terms of his employment agreement, Mr. Gibbons received certain household storage expenses which amounted to \$8,169 in fiscal year 2003.

If Mr. Gibbons dies or becomes disabled during his employment, he will receive compensation and benefits earned to date, including payment for unused vacation days and a pro rata management incentive bonus for the portion of the year he was employed, and his options and restricted stock will vest in accordance with their terms. If Mr. Gibbons resigns for "good reason" or if we terminate his employment "without cause", each as defined in the employment agreement, Mr. Gibbons, in addition to receiving earned compensation and benefits and vesting of options and restricted stock, will receive a cash payment equal to 12 months' salary. If we terminate Mr. Gibbons' employment for cause, as defined in the employment agreement, he will receive compensation and benefits earned to date, but will forfeit any options and restricted stock, whether vested or unvested, as well as any unvested benefits. The employment agreement also provides for the payment of earned compensation and benefits as well as the automatic vesting of options and lapse of restrictions on restricted stock following a change in control of Perrigo.

In connection with his employment, Mr. Gibbons entered into a noncompetition and nondisclosure agreement with Perrigo. The agreement provides that Mr. Gibbons will not compete with us during the term of his employment and, if his employment with us terminates within five years from the date of the employment agreement, he cannot compete with us in the store brand business for two years thereafter. In addition, Mr. Gibbons has agreed that he will not, at any time during or after his employment with Perrigo, disclose any confidential information that he obtained during his employment.

the Restricted Stock Plan for Directors II, and individual Restricted Stock Agreements with certain officers. The Directors' restricted stock plan and the individual restricted stock arrangements were not approved by our shareholders.

- (2) Of this amount, 2,295,907 shares are available under the Perrigo Company Employee Stock Option Plan and 234,644 shares are available under the Non-Qualified Stock Option Plan for Directors.
- (3) These shares remain available for issuance under the August 2001 Restricted Stock Plan for Directors II. An aggregate of 6,853 shares issued under that plan and 41,000 shares issued under individual Restricted Stock Agreements with certain of our officers continued to be subject to the restrictions imposed under these plans as of June 28, 2003.

RESTRICTED STOCK PLAN FOR DIRECTORS

The Restricted Stock Plan for Directors was established by the Board in November 1997 for the purpose of providing compensation to directors for their services in the form of restricted stock grants. On the date of each annual meeting of directors, a restricted stock grant having a value of \$10,000 based upon the average of the high and low price of our stock on that date is awarded to each non-management director. The Restricted Stock Plan for Directors II was established in August 2001 for the same purpose and on the same terms. Each plan provides for the issuance of up to 25,000 shares of Perrigo common stock. These grants are intended to directly link an element of director compensation to shareholder interests and, as to each director, are subject to forfeiture if his or her service as a member of the Board is terminated under certain specified circumstances prior to the end of his or her then current three-year term as a director. If shareholders approve the 2003 Long-Term Incentive Plan (which is described in this

Edgar Filing: PERRIGO CO - Form DEF 14A

proxy statement under "Approval of 2003 Long-Term Incentive Plan"), no further grants will be awarded under these plans and, instead, directors will receive their restricted stock grants pursuant to the 2003 Long-Term Incentive Plan.

INDIVIDUAL ARRANGEMENTS

Effective May 1, 2000, we entered into an employment agreement with Mr. Gibbons, pursuant to which Mr. Gibbons was granted 95,715 shares of restricted common stock as described above under "Employment Agreement with Chief Executive Officer." Under the terms of the employment agreement, these shares vested on June 30, 2003.

In August 2001, we granted Mr. Gibbons 25,000 shares of restricted common stock and Mr. Schrank 12,000 shares of restricted common stock, each under individual Restricted Stock Agreements. Under the terms of the Restricted Stock Agreements, these shares vested on August 14, 2003. In July 2002, we granted John R. Nichols, our General Counsel, 4,000 shares of restricted common stock under an individual Restricted Stock Agreement. Under the terms of the Restricted Stock Agreement, these shares will vest upon Mr. Nichols' retirement from the company.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

COMPENSATION POLICY

During fiscal year 2003, the Compensation Committee of the Board of Directors was composed of three independent non-employee directors. The Board of Directors has adopted a Compensation Committee Charter, which specifies the composition and responsibilities of the Committee. The Board reviews the Charter annually based on input from the Committee.

The Committee reviews and recommends the compensation arrangements for the Executive Officers with respect to salaries, bonuses and option grants under the Perrigo Company Employee Stock Option Plan.

The Committee strives to:

- motivate officers to create added value for Perrigo shareholders through compensation incentives that are tied to Perrigo's operating and stock market performance;
- reward officers for their individual performance as well as Perrigo's performance;
- provide compensation and benefits at levels that enable Perrigo to attract and retain high-quality executives; and
- align the interests of officers and directors with the interests of Perrigo shareholders through stock ownership.

Perrigo's management compensation policy is intended to provide a compensation package for Executive Officers that is generally competitive with the compensation of executive officers of comparable manufacturing companies. In establishing executive compensation, the Committee considers salary and bonus information compiled by Mercer Human Resource Consulting. The Mercer compensation data includes non-durable goods manufacturing companies, some of which are reflected in the Nasdaq Pharmaceutical Index shown on the Performance Graph included in this proxy statement. The Committee's objective is that the

Edgar Filing: PERRIGO CO - Form DEF 14A

total cash compensation for Perrigo's executive officers approximate the median reflected in the Mercer data.

EXECUTIVE OFFICER COMPENSATION

Executive Officer compensation includes cash-based and stock-based components. Cash-based compensation consists of base salary and an annual bonus, if one is warranted under the criteria of the Management Incentive Bonus Plan. In addition, Perrigo makes annual contributions under its Profit Sharing Plan for employees with at least one year of service, including the Executive Officers. Perrigo also makes matching contributions under its 401(k) Plan to certain of its employees, including the Executive Officers. Stock-based compensation consists of option grants under the Perrigo Company Employee Stock Option Plan. If Perrigo's shareholders approve the Perrigo Company 2003 Long-Term Incentive Plan (which is described in this proxy statement under "Approval of 2003 Long-Term Incentive Plan"), no further grants will be made under the Employee Stock Option Plan, and these employees instead will receive grants of stock-based incentive awards under the 2003 Long-Term Incentive Plan. These awards may be in the form of stock options, stock appreciation rights or stock awards, including restricted shares, performance shares, performance units and other stock unit awards.

Cash-Based Compensation

As discussed above, the Committee considers compensation data provided by Mercer in determining Executive Officer base salary and bonus awards under the Management Incentive Bonus Plan. In addition, the Committee evaluates the following factors, which are ranked in order of importance:

- company-wide performance measured by attainment of specific strategic objectives and quantitative measures;
- individual performance;
- compensation levels at comparable manufacturing companies; and
- historical cash and equity compensation levels.

The primary quantitative measure that the Committee considers is return on assets, although earnings per share and revenue growth are also relevant. Qualitative factors include the quality and progress of Perrigo's marketing and manufacturing operations and the success of strategic actions, such as acquisitions of lines of business or introduction of new products.

17

Stock-Based Compensation

Certain designated key management employees, including the Chief Executive Officer and other executive officers, participate in the Perrigo Company Employee Stock Option Plan. The number of shares underlying option grants to these employees is based on an evaluation of the officer's performance and is subject to the approval of the Committee. Options granted under the Perrigo Company Employee Stock Option Plan must have an exercise price at least equal to the fair market value of Perrigo common stock on the grant date as determined by the Committee. The fair market value, as provided in the Employee Stock Option Plan approved by the shareholders, is the average of the high and low price of our stock on the date of the grant. The Committee views the grant of stock based incentive awards pursuant to a shareholder-approved plan as an effective incentive for executive officers to create value for shareholders since the ultimate value of these awards is directly related to the increase in the market

Edgar Filing: PERRIGO CO - Form DEF 14A

price of Perrigo's common stock.

CHIEF EXECUTIVE OFFICER COMPENSATION

David T. Gibbons, our Chief Executive Officer, is compensated in accordance with the terms of an Employment Agreement entered into at the time of his employment in May 2000. A more complete description of his compensation arrangement can be found in this proxy statement under the heading "Employment Agreement with Chief Executive Officer." Mr. Gibbons' compensation is reviewed and adjusted annually by the Board based upon the same criteria used by the Board to evaluate and determine the appropriate compensation for other Executive Officers. For fiscal year 2003, Mr. Gibbons was paid a base salary of \$540,000 under the terms of his Employment Agreement and a bonus of \$847,800 under the terms of our Management Incentive Bonus Plan.

The Committee believes that the terms of Mr. Gibbons' employment are similar to terms granted to chief executive officers of comparable companies and are necessary to attract and retain a chief executive officer of his stature.

SUMMARY

The Committee carefully reviews executive compensation. After reviewing Perrigo's compensation programs, the Committee has concluded that the amounts paid to executive officers, including stock options, in fiscal year 2003 appropriately reflect individual performance, are linked to Perrigo's financial, operational and market results, and are generally competitive with amounts paid to executive officers of comparable companies.

18

DEDUCTIBILITY OF COMPENSATION

Internal Revenue Code Section 162(m) limits the deductibility by Perrigo of compensation in excess of \$1,000,000 paid to each of the Chief Executive Officer and the next four most highly paid officers. Certain "performance based compensation" is not included in compensation counted for purposes of the limit. The Committee's policy is to establish and maintain a compensation program that will optimize the deductibility of compensation. The Committee, however, reserves the right to use its judgment to authorize compensation that may not be fully deductible where merited by the need to respond to changing business conditions, or by an executive officer's individual performance.

APPROVAL OF 2003 LONG-TERM INCENTIVE PLAN

The Board of Directors approved the 2003 Long-Term Incentive Plan in August 2003, subject to its approval by our shareholders. This Plan is intended to replace the Employee Stock Option Plan, the Non-Qualified Stock Option Plan for Directors and the Restricted Stock Plan for Directors II. The Board of Directors believes that adopting the 2003 Plan is in the best interests of shareholders. The 2003 Plan would permit the grant of certain types of stock awards not permitted under the existing plans. This would allow more of our grants to be performance-based awards. For example, the Employee Stock Option Plan does not allow the grant of restricted stock, which would be permitted under the 2003 Plan.

If shareholders approve the 2003 Plan, no further awards may be granted under the Employee Stock Option Plan, the Non-Qualified Stock Option Plan for Directors or the Restricted Stock Plan for Directors II. If shareholders do not approve the 2003 Plan, the Employee Stock Option Plan, the Non-Qualified Stock Option Plan for Directors and the Restricted Stock Plan for Directors II will remain in effect.

The Board recommends that you approve the Plan. The summary of the Plan provided below describes the material features of the Plan; however, it is not complete and, therefore, you should not rely solely on it for a detailed description of every aspect of the Plan.

THE LONG-TERM INCENTIVE PLAN GENERALLY

The Board approved the Plan, subject to shareholder approval, on August 7, 2003. No awards may be granted under the Plan on a date that is more than ten years after its effective date. The effective date of the Plan will be the date of the Annual Meeting, if the shareholders approve the Plan.

Under the Plan, the Compensation Committee may grant stock-based incentives to employees, directors and other individuals providing material services to Perrigo. Awards under the Plan may be in the form of incentive stock options, nonstatutory stock options, stock appreciation rights or stock awards (including restricted shares, performance shares, performance units and other stock unit awards).

SHARES AVAILABLE FOR THE PLAN

The number of shares of common stock that will be reserved for issuance under the Plan will equal 2,500,000, plus the number of shares remaining available for future grants under the Employee Stock Option Plan, the Non-Qualified Stock Option Plan for Directors and the Restricted Stock Plan for Directors II on the effective date of the 2003 Plan. In addition, any shares attributable to awards that are outstanding on the effective date of the 2003 Plan under the Employee Stock Option Plan, the Non-Qualified Stock Option Plan for Directors, and the Restricted Stock Plan for Directors II that are cancelled, forfeited or otherwise settled without the delivery of shares on or after the effective date will be available for awards under the 2003 Plan.

As of August 31, 2003, there were 1,504,510 shares available for issuance under the Employee Stock Option Plan, 229,644 shares available for issuance under the Non-Qualified Stock Option Plan for Directors, and 9,324 shares available for issuance under the Restricted Stock Plan for Directors II. As of August 31, 2003 the number of shares underlying outstanding awards under the plans was 6,805,055 shares under the Employee Stock Option Plan, and 220,686 shares under the Non-Qualified Stock Option Plan for Directors, and the number of shares subject to restrictions under the Restricted Stock Plan for Directors II was 7,020. The number of available shares under these plans may change prior to the effective date of the 2003 Plan if additional awards are granted or forfeited under the plans between August 31, 2003 and the date of the Annual Meeting, although we do not anticipate any significant new awards or forfeitures during this period.

If any award under the 2003 Plan expires or is terminated on or after the effective date of the 2003 Plan without the issuance of the shares, then the shares subject to the award will be added to the shares available for issuance under the 2003 Plan.

The number of shares that may be issued with respect to awards under the Plan to any one participant in a calendar year may not exceed 400,000 shares.

The number of shares that can be issued and the number of shares subject to outstanding awards may be adjusted in the event of a stock split, stock dividend, recapitalization or other similar event affecting the number of shares of Perrigo's outstanding common stock. In that event, the Compensation Committee also may make appropriate adjustments to any stock appreciation rights, restricted stock or performance units outstanding under the Plan.

PLAN ADMINISTRATION

The Compensation Committee administers the Plan. Subject to the specific provisions of the Plan, the Committee determines award eligibility, timing and the type, amount and terms of the awards. The Committee also interprets the Plan, establishes rules and regulations under the Plan and makes all other determinations necessary or advisable for the Plan's administration.

STOCK OPTIONS

Options under the Plan may be either "incentive stock options," as defined under the tax laws, or nonstatutory stock options; however, only employees may be granted incentive stock options. The per share exercise price may not be less than the fair market value of Perrigo common stock on the date the option is granted. The Compensation Committee may specify any period of time following the date of grant during which options are exercisable, but the period cannot be longer than 10 years for incentive stock options. Incentive stock options are subject to additional limitations relating to such things as employment status, minimum exercise price, length of exercise period, maximum value of the stock underlying the options and a required holding period for stock received upon exercise of the option.

Upon exercise, the option holder may pay the exercise price in several ways. He or she may pay in cash, in previously acquired shares or, if permitted by the Committee, other consideration having a fair market value equal to the exercise price, or through a combination of the foregoing.

Edgar Filing: PERRIGO CO - Form DEF 14A

Except for adjustments to effect stock splits, stock dividends, recapitalizations or similar events, in no event shall the purchase price of an option be decreased after the grant date or surrendered in consideration of a new option grant with a lower exercise price without shareholder approval.

STOCK APPRECIATION RIGHTS

A stock appreciation right allows its holder to receive payment from us equal to the amount by which the fair market value of a share of Perrigo common stock exceeds the grant price of the right on the exercise date. The grant price may not be less than the fair market value of Perrigo common stock on the grant date of the right.

Under the Plan, the Compensation Committee can grant the rights in conjunction with the awarding of stock options or on a stand-alone basis. If the Committee grants a right with an option award, then the holder can exercise the rights at any time during the life of the related option, but the exercise will proportionately reduce the number of his or her related stock options. The holder can exercise stand-alone stock appreciation rights during the period determined by the Compensation Committee. Upon the exercise of a stock appreciation right, the holder receives cash, shares of Perrigo common stock or other property, or a combination thereof, in the discretion of the Committee.

RESTRICTED SHARES

Restricted shares refers to shares of Perrigo common stock that are subject to a risk of forfeiture or other restrictions on ownership for a certain period of time. During the restricted period, the holder of restricted shares may not sell or otherwise transfer the shares, but he or she may vote the shares and may be entitled to any dividend or other distributions if determined by the Committee. The restricted shares become freely transferable when the restriction period expires.

PERFORMANCE SHARES AND PERFORMANCE UNITS

A performance share is a right to receive shares of Perrigo common stock or equivalent value in the future, contingent on the achievement of performance or other objectives during a specified period. A performance unit represents an award valued by reference to property other than shares of Perrigo common stock, as designated by the Compensation Committee, contingent on the achievement of performance or other objectives during a specified period.

22

The Compensation Committee sets the terms and conditions of each award, including the performance goals that its holder must attain and the various percentages of performance unit value to be paid out upon full or partial attainment of those goals. The Committee also determines whether the goals have been satisfied and the form of payment, which may be in cash, Perrigo common stock, other property or a combination thereof. Payment may be made in a lump sum or in installments, as determined by the Committee.

OTHER STOCK UNIT AWARDS

An "other stock unit" award refers to any award, other than an option, stock appreciation right, restricted stock, performance share or performance unit, that is valued in whole or part by reference to shares of Perrigo common stock. The Compensation Committee determines the terms and conditions of other stock unit awards, including whether such awards are payable in cash, shares of Perrigo common stock or other property. If the other stock unit award is a right

Edgar Filing: PERRIGO CO - Form DEF 14A

to purchase shares of Perrigo common stock, the purchase price of such shares cannot be less than the fair market value of the shares on the date the Committee awards the purchase right.

TERMINATION OF EMPLOYMENT

The Plan provides that upon a participant's death, disability or retirement, all outstanding awards immediately vest, and stock options and stock appreciation rights may be exercised by the participant, or his or her estate, beneficiary or conservator in the case of death or disability, at any time prior to their stated expiration dates. If the participant's employment is terminated involuntarily for economic reasons, for example, restructurings, dispositions or layoffs, as determined in the discretion of the Compensation Committee, he or she may exercise any vested options or stock appreciation rights until the earlier of 30 days following the date that is 24 months after the termination date and the expiration date of the options or stock appreciation rights. Unvested options, stock appreciation rights and restricted shares that are scheduled to vest during the 24 month period following the termination date will continue to vest as if the participant had continued to perform services during the 24 month period. Those not scheduled to vest during the 24 month period are forfeited on the termination date. If a participant's termination is for cause, all outstanding awards are forfeited. In all other terminations, unvested awards are forfeited on the termination date and the participant may exercise his or her vested options and stock appreciation rights during the three-month period after the termination, but not later than the expiration date of the option or stock appreciation right. In certain circumstances, the Plan provides for extended exercisability when a participant dies following termination.

CHANGE IN CONTROL

Regardless of the vesting requirements that otherwise apply to an award under the Plan, all outstanding awards vest upon a change in control of Perrigo. Generally, a change in control is defined in the Plan to mean (1) the ownership of 50% or more of Perrigo common stock by a person who was not a shareholder on the date the Plan was initially adopted and (2) a change in Board composition so that a majority of the Board is comprised of individuals who are neither incumbent members nor their nominees.

23

PERFORMANCE-BASED AWARDS

The Compensation Committee may designate any award of restricted shares, performance shares, performance units or other stock unit awards as "performance-based compensation" for purposes of Section 162(m) of the Internal Revenue Code. These awards will be conditioned on the achievement of one or more performance measures based on one or any combination of the following, as selected by the Committee: specified levels of earnings per share from continuing operations, funds from operations, operating income, revenues, gross margin, return on operating assets, return on equity, economic value added, share price appreciation, total shareholder return (measured in terms of share price appreciation and dividend growth), or cost control of Perrigo or of a division or affiliate of Perrigo that employs the participant.

TRANSFERABILITY

The recipient of an award under the Plan generally may not pledge, assign, sell or otherwise transfer his or her stock options, stock appreciation rights, restricted shares or performance units other than by will or by the laws of descent and distribution. The Compensation Committee, however, may establish rules and procedures to allow participants in the Plan to transfer nonstatutory

Edgar Filing: PERRIGO CO - Form DEF 14A

stock options to immediate family members or to certain trusts or partnerships.

TAX CONSEQUENCES

The holder of an award granted under the Plan may be affected by certain federal income tax consequences. Special rules may apply to individuals who may be subject to Section 16(b) of the Securities Exchange Act of 1934. The following discussion of tax consequences is based on current federal tax laws and regulations and you should not consider it to be a complete description of the federal income tax consequences that apply to participants in the Plan. Accordingly, information relating to tax consequences is qualified by reference to current tax laws.

Incentive Stock Options. There are no federal income tax consequences associated with the grant or exercise of an incentive stock option, so long as the holder of the option was our employee at all times during the period beginning on the grant date and ending on the date three months before the exercise date. The "spread" between the exercise price and the fair market value of Perrigo common stock on the exercise date, however, is an adjustment for purposes of the alternative minimum tax. A holder of incentive stock options defers income tax on the stock's appreciation until he or she sells the shares.

24

Upon the sale of the shares, the holder realizes a long-term capital gain (or loss) if he or she sells the shares at least two years after the option grant date and has held the shares for at least one year. The capital gain (or loss) equals the difference between the sales price and the exercise price of the shares. If the holder disposes of the shares before the expiration of these periods, then he or she recognizes ordinary income at the time of sale (or other disqualifying disposition) equal to the lesser of (1) the gain he or she realized on the sale and (2) the difference between the exercise price and the fair market value of the shares on the exercise date. This ordinary income is treated as compensation for tax purposes. The holder will treat any additional gain as short-term or long-term capital gain, depending on whether he or she has held the shares for at least one year from the exercise date. If the holder does not satisfy the employment requirement described above, then he or she recognizes ordinary income (treated as compensation) at the time he or she exercises the option under the tax rules applicable to the exercise of a nonstatutory stock option. We are entitled to an income tax deduction to the extent that an option holder realizes ordinary income.

Nonstatutory Stock Options. There are no federal income tax consequences to us or to the recipient of a nonstatutory stock option upon grant. Upon exercise, the option holder recognizes ordinary income equal to the spread between the exercise price and the fair market value of Perrigo stock on the exercise date. This ordinary income is treated as compensation for tax purposes. The basis in shares acquired by an option holder on exercise equals the fair market value of the shares at that time. The capital gain holding period begins on the exercise date. We receive an income tax deduction upon the exercise of a nonstatutory stock option in an amount equal to the spread.

Stock Appreciation Rights. There are no tax consequences associated with the grant of stock appreciation rights. Upon exercise, the holder of stock appreciation rights recognizes ordinary income in the amount of the appreciation paid to him or her. This ordinary income is treated as compensation for tax purposes. We receive a corresponding deduction in the same amount that the holder recognizes as income.

Restricted Shares. The holder of restricted shares does not recognize any taxable income on the shares while they are restricted. When the restrictions

Edgar Filing: PERRIGO CO - Form DEF 14A

lapse, the holder's taxable income (treated as compensation) equals the fair market value of the shares. The holder may, however, avoid the delay in computing the amount of taxable gain by filing with the Internal Revenue Service, within 30 days after receiving the shares, an election to determine the amount of taxable income at the time of receipt of the restricted shares. Generally, at the time the holder recognizes taxable income with respect to restricted shares, we will receive a deduction in the same amount.

Performance Shares, Performance Units and Other Stock Unit Awards. There are no tax consequences associated with the grant of performance shares, performance units or other stock unit awards. The holder recognizes ordinary income (treated as compensation) upon a payment on the performance shares, performance units or other stock unit awards in amount equal to the payment received, and we receive a corresponding tax deduction.

25

Excise Taxes. Under certain circumstances, the accelerated vesting of an award in connection with a change in control of Perrigo might be deemed an "excess parachute payment" for purposes of the golden parachute tax provisions of Section 280G of the Internal Revenue Code. To the extent they are considered excess parachute payments, a participant in the Plan may be subject to a 20% excise tax and we may be unable to receive a tax deduction.

PLAN AMENDMENT AND TERMINATION

Generally, the Board of Directors may amend or terminate the Plan at any time without shareholder approval. Without shareholder approval, however, the Board may not: (1) increase the number of shares of Perrigo stock available for issuance under the Plan; (2) change employees or class of employees eligible to participate in the Plan; (3) change the minimum purchase price for any option grant below fair market value; or (4) materially change the terms of the Plan. In addition, if any action that the Board proposes to take will have a materially adverse effect on the rights of any participant or beneficiary under an outstanding award, then the affected participants or beneficiaries must consent to the action.

THE APPROVAL OF THE 2003 LONG-TERM INCENTIVE PLAN.

Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors, and the Board of Directors has approved, that Perrigo's audited financial statements be included in Perrigo's Annual Report on Form 10-K for the fiscal year ended June 28, 2003 filed with the Securities and Exchange Commission.

Edgar Filing: PERRIGO CO - Form DEF 14A

(a) AUTHORITY OF COMMITTEE. The Plan shall be administered by the Committee. The Committee shall have full power and authority, subject to such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board, to: (i) select the Participants to whom Awards may from time to time be granted hereunder; (ii) determine the type or types of Award to be granted to each Participant hereunder; (iii) determine the number of Shares to be covered by each Award granted hereunder; (iv) determine the terms and conditions, not inconsistent with the provisions of the Plan, of any Award granted hereunder; (v) determine whether, to what extent and under what circumstances Awards may be settled in cash, Shares or other property or canceled or suspended; (vi) determine whether, to what extent and under what circumstances cash, Shares and other property and other amounts payable with respect to an Award under this Plan shall be deferred either automatically or at the election of the Participant; (vii) interpret and administer the Plan and any instrument or agreement entered into under the Plan; (viii) establish such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (ix) make any other determination and

5

take any other action that the Committee deems necessary or desirable for administration of the Plan. Decisions of the Committee shall be final, conclusive and binding upon all persons, including the Company, any Participant, any shareholder, and any Employee, director or consultant of the Company or of any Affiliate.

(b) DELEGATION. The Committee may delegate to the Company's Chief Executive Officer the authority to grant Awards to Participants, other than Participants who are subject to Section 16 of the Exchange Act, and to determine the terms and conditions of such Awards, subject to the limitations of the Plan and such other limitations and guidelines as the Committee may deem appropriate.

4. DURATION OF, AND SHARES SUBJECT TO PLAN.

(a) TERM. The Plan shall remain in effect until terminated by the Board, provided, however, that no Incentive Stock Option may be granted more than ten (10) years after the Effective Date of the Plan.

(b) SHARES SUBJECT TO THE PLAN. The maximum number of Shares in respect for which Awards may be granted under the Plan, subject to adjustment as provided in Section 4(c) of the Plan, is (i) 2,500,000 Shares, plus (ii) the number of Shares that remain available for issuance as of the Effective Date under the Prior Stock Plans (including Shares underlying outstanding awards under the Prior Stock Plans that are forfeited, terminated, expire unexercised or are otherwise settled without the delivery of Shares on and after the Effective Date). No further awards shall be made under the Prior Stock Plans on and after the Effective Date. No Participant may be granted Awards in any one calendar year with respect to more than 400,000 Shares.

For the purpose of computing the total number of Shares available for Awards under the Plan, there shall be counted against the foregoing limitations the number of Shares subject to issuance upon exercise or settlement of Awards as of the dates on which such Awards are granted. The Shares which were previously subject to Awards shall again be available for Awards under the Plan if any such Awards are forfeited, terminated, expire unexercised, settled in cash or exchanged for other Awards (to the extent of such forfeiture or expiration of

Edgar Filing: PERRIGO CO - Form DEF 14A

such Awards), or if the Shares subject thereto can otherwise no longer be issued. Further, any Shares which are used as full or partial payment to the Company by a Participant of the purchase price of Shares upon exercise of an Option shall again be available for Awards under the Plan. The number of Shares that are forfeited, expire unexercised or are otherwise settled without the delivery of Shares under the Prior Stock Plans on and after the Effective Date shall again be available for Awards under this Plan.

Shares which may be issued under the Plan may be either authorized and unissued shares or issued shares which have been reacquired by the Company. No fractional shares shall be issued under the Plan.

(c) CHANGES IN SHARES. In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, reverse stock split, spin off or similar

6

transaction or other change in corporate structure affecting the Shares, such adjustments and other substitutions shall be made to the Plan and to Awards as the Committee in its sole discretion deems equitable or appropriate, including without limitation such adjustments in the aggregate number, class and kind of Shares which may be delivered under the Plan, in the aggregate or to any one Participant, in the number, class, kind and option or exercise price of Shares subject to outstanding Options, Stock Appreciation Rights or other Awards granted under the Plan, and in the number, class and kind of Shares subject to, Awards granted under the Plan (including, if the Committee deems appropriate, the substitution of similar options to purchase the shares of, or other awards denominated in the shares of, another company) as the Committee may determine to be appropriate in its sole discretion, provided that the number of Shares or other securities subject to any Award shall always be a whole number.

SECTION 5. ELIGIBILITY. Any Employee, director, consultant or other person providing material services to the Company shall be eligible to be selected as a Participant.

SECTION 6. STOCK OPTIONS. Options may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan. Any Option granted under the Plan shall be evidenced by an Award Agreement in such form as the Committee may from time to time approve. Any such Option shall be subject to the following terms and conditions and to such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall deem desirable:

(a) OPTION PRICE. The purchase price per Share purchasable under an Option shall be determined by the Committee in its sole discretion; provided that (i) such purchase price shall not be less than the Fair Market Value of the Share on the date of the grant of the Option, and (ii) such purchase price for an Incentive Stock Option granted to a Ten Percent Shareholder shall be not less than 110% of the Fair Market Value of the Share on the date of grant of the Option.

(b) OPTION PERIOD. The term of each Option shall be fixed by the Committee in its sole discretion; provided that (i) no Incentive Stock Option shall be exercisable after the expiration of ten years from the date the Option is granted, and (ii) no Incentive Stock Option granted to a Ten Percent Shareholder shall be exercisable after the expiration of five years from the

Edgar Filing: PERRIGO CO - Form DEF 14A

date the Option is granted.

(c) EXERCISABILITY. Options shall be exercisable at such time or times as determined by the Committee at or subsequent to grant. Unless otherwise determined by the Committee at or subsequent to grant, no Incentive Stock Option shall be exercisable during the year ending on the day before the first anniversary date of the granting of the Incentive Stock Option.

(d) METHOD OF EXERCISE. Subject to the other provisions of the Plan and any applicable Award Agreement, any Option may be exercised by the Participant in whole or in part at such time or times, and the Participant may make payment of the option price in such form or forms, including, without limitation, payment by delivery of cash, Shares or other consideration (including, where permitted by law and the Committee, Awards) having a Fair Market Value on

7

the exercise date equal to the total option price, or by any combination of cash, Shares and other consideration as the Committee may specify in the applicable Award Agreement.

(e) INCENTIVE STOCK OPTIONS. In accordance with rules and procedures established by the Committee, the aggregate Fair Market Value (determined as of the time of grant) of the Shares with respect to which Incentive Stock Options held by any Participant which are exercisable for the first time by such Participant during any calendar year under the Plan (and under any other benefit plans of the Company or of any parent or subsidiary corporation of the Company) shall not exceed \$100,000 or, if different, the maximum limitation in effect at the time of grant under Section 422 of the Code, or any successor provision, and any regulations promulgated thereunder. The terms of any Incentive Stock Option granted hereunder shall comply in all respects with the provisions of Section 422 of the Code, or any successor provision, and any regulations promulgated thereunder. An Incentive Stock Option must be exercised within three months following the Participant's termination of employment with the Company, or within twelve months if such termination is by reason of death or Disability. If for any reason an Option intended to be an Incentive Stock Option fails to satisfy the requirements of Section 422 of the Code, such Option will automatically convert to a Nonstatutory Stock Option.

(f) REPRICING. Except for adjustments pursuant to Section 4(c) (relating to adjustments to shares), the purchase price for any outstanding Option granted under the Plan may not be decreased after the date of grant nor may an outstanding Option granted under the Plan be surrendered to the Company as consideration for the grant of a new Option with a lower exercise price, without the approval of the Company's shareholders.

SECTION 7. STOCK APPRECIATION RIGHTS. Stock Appreciation Rights may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan and may, but need not, relate to a specific Option granted under Section 6. The provisions of Stock Appreciation Rights need not be the same with respect to each recipient. Any Stock Appreciation Right related to a Nonstatutory Stock Option may be granted at the same time such Option is granted or at any time thereafter before exercise or expiration of such Option. Any Stock Appreciation Right related to an Incentive Stock Option must be granted at the same time such Option is granted, and may be exercised only if and when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the aggregate purchase price for the Option. In the case of any Stock Appreciation Right related to any Option, the Stock Appreciation Right or applicable portion thereof shall terminate and no longer be exercisable upon the

Edgar Filing: PERRIGO CO - Form DEF 14A

termination or exercise of the related Option, except that a Stock Appreciation Right granted with respect to less than the full number of Shares covered by a related Option shall not be reduced until the exercise or termination of the related Option exceeds the number of shares not covered by the Stock Appreciation Right. Any Option related to any Stock Appreciation Right shall no longer be exercisable to the extent the related Stock Appreciation Right has been exercised. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it shall deem appropriate.

SECTION 8. RESTRICTED SHARES.

8

(a) ISSUANCE. Restricted Share Awards may be issued hereunder to Participants, for no cash consideration or for such minimum consideration as may be required by applicable law, either alone or in addition to other Awards granted under the Plan. The provisions of Restricted Share Awards need not be the same with respect to each recipient.

(b) REGISTRATION. Any Restricted Shares issued hereunder may be evidenced in such manner as the Committee in its sole discretion shall deem appropriate, including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of Restricted Shares awarded under the Plan, such certificate shall be registered in the name of the Participant, and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award.

(c) FORFEITURE. Except as set forth in Section 11 or otherwise determined by the Committee at the time of grant, upon a Participant's Termination Date for any reason during the restriction period, all Restricted Shares still subject to restriction shall be forfeited by the Participant and reacquired by the Company; provided that the Committee may, in its sole discretion, when it finds that a waiver would be in the best interests of the Company, waive in whole or in part any or all remaining restrictions with respect to such Participant's Restricted Shares, except for Restricted Share Awards that are intended to comply with the performance-based compensation requirements of Section 13. Unrestricted Shares, evidenced in such manner as the Committee shall deem appropriate, shall be issued to the grantee promptly after the period of forfeiture, as determined or modified by the Committee, shall expire.

SECTION 9. PERFORMANCE AWARDS. Performance Awards may be issued hereunder to Participants, for no cash consideration or for such minimum consideration as may be required by applicable law, either alone or in addition to other Awards granted under the Plan. The performance criteria to be achieved during any Performance Period and the length of the Performance Period shall be determined by the Committee upon the grant of each Performance Award. Except as provided in Section 12, Performance Awards will be distributed only after the end of the relevant Performance Period. Performance Awards may be paid in cash, Shares, other property or any combination thereof, in the sole discretion of the Committee at the time of payment. The performance levels to be achieved for each Performance Period and the amount of the Award to be distributed shall be conclusively determined by the Committee. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the Participants to whom and the time or times

Edgar Filing: PERRIGO CO - Form DEF 14A

at which such Awards shall be made, and all other conditions of the Awards. The provisions of Performance Awards need not be the same with respect to each recipient.

SECTION 10. OTHER STOCK UNIT AWARDS.

(a) STOCK AND ADMINISTRATION. Other Stock Unit Awards may be granted hereunder to Participants, either alone or in addition to other Awards granted under the Plan. Other Stock Unit Awards may be paid in Shares, other securities of the Company, cash or any other form of property as the Committee shall determine. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the Participants to whom and

9

the time or times at which such Awards shall be made, the number of shares of Stock to be granted pursuant to such Awards, and all other conditions of the Awards. The provisions of Other Stock Unit Awards need not be the same with respect to each recipient.

(b) TERMS AND CONDITIONS. Shares (including securities convertible into Shares) granted under this Section 10 may be issued for no cash consideration or for such minimum consideration as may be required by applicable law; Shares (including securities convertible into Shares) purchased pursuant to a purchase right awarded under this Section 10 shall be purchased for such consideration as the Committee shall in its sole discretion determine, which shall not be less than the Fair Market Value of such Shares or other securities as of the date such purchase right is awarded.

SECTION 11. EFFECT OF TERMINATION DATE.

The Committee shall have the discretion to establish terms and conditions relating to the effect of the Participant's Termination Date on Awards under the Plan. Unless the Committee determines otherwise with respect to any individual Award, the following provisions shall apply to Options, Stock Appreciation Rights and Restricted Shares on a Participant's Termination Date.

(a) DEATH, DISABILITY, RETIREMENT. If the Participant's Termination Date occurs for reasons of death, Disability or Retirement, (i) the restriction period with respect to any Restricted Shares shall lapse, and (ii) the Participant's outstanding Options and Stock Appreciation Rights shall immediately vest in full and may thereafter be exercised in whole or in part by the Participant (or the duly appointed fiduciary of the Participant's estate or Beneficiary in the case of death, or conservator of the Participant's estate in the case of Disability) at any time prior to the expiration of the respective terms of the Options or Stock Appreciation Rights, as applicable.

(b) INVOLUNTARY TERMINATION FOR ECONOMIC REASONS. If the Participant's Termination Date occurs by reason of Involuntary Termination for Economic Reasons, the Participant may exercise his or her Options and Stock Appreciation Rights, to the extent vested, at any time prior to the earlier of (i) the date which is 30 days after the date which is 24 months after such Termination Date, or (ii) the expiration of the respective terms of the Options or Stock Appreciation Rights. Any Options, Stock Appreciation Rights or Restricted Shares which are not vested at such Termination Date, but are scheduled to vest during the 24 month period following the Termination Date, shall continue to vest during such 24 month period according to the vesting schedule in effect prior to such Termination Date as if the Participant had continued to provide services to

Edgar Filing: PERRIGO CO - Form DEF 14A

the Company during the 24 month period. Any Options, Stock Appreciation Rights and Restricted Shares which are not scheduled to vest during such 24 month period will be forfeited on the Termination Date.

If the Participant dies after the Termination Date while his or her Options or Stock Appreciation Rights remain exercisable under this paragraph (b), the duly appointed fiduciary of the Participant's estate or his or her Beneficiary may exercise the Options and Stock Appreciation Rights (to the extent that such Options and Stock Appreciation Rights were vested and exercisable prior to death), at any time prior to the later of the date which is (i) 30 days after

10

the date which is 24 months after the Participant's Termination Date, or (ii) 12 months after the date of death, but in no event later than the expiration of the respective terms of the Options and Stock Appreciation Rights.

(c) TERMINATION DATE FOR CAUSE. If the Participant's Termination Date occurs for reasons of Cause, at the time such notice of termination is given by the Company (i) any Restricted Shares subject to a restriction period shall be forfeited, and (ii) the Participant's right to exercise his or her Options and Stock Appreciation Rights shall terminate. If within 60 days of a Participant's Termination Date the Company discovers circumstances which would have permitted it to terminate the Participant's employment or service for Cause, such Termination Date shall be deemed to have occurred for reasons of Cause. Any Shares, cash or other property paid or delivered to the Participant under the Plan within 60 days of such Termination Date shall be forfeited and the Participant shall be required to repay such amount to the Company.

(d) OTHER TERMINATION OF EMPLOYMENT OR SERVICE. In the event the Participant's Termination Date occurs for reasons other than described in the foregoing provisions of this Section 11, the Participant shall have the right to exercise his or her Options and Stock Appreciation Rights at any time prior to the earlier of (i) the date which is three months after such Termination Date, or (ii) the expiration date of the respective terms of the Options or Stock Appreciation Rights, as applicable, but only to the extent such Option or Stock Appreciation Right, as applicable, was vested prior to such Termination Date. Any Options or Stock Appreciation Rights which are not vested at such Termination Date shall be forfeited on the Termination Date.

If the Participant dies after the Termination Date while his or her Options or Stock Appreciation Rights remain exercisable under this paragraph (d), the duly appointed fiduciary of the Participant's estate or his or her Beneficiary may exercise the Options or Stock Appreciation Rights (to the extent that such Options or Stock Appreciation Rights were vested and exercisable prior to death), at any time prior to the earlier of (i) 12 months after the date of death, or (ii) the expiration of the respective terms of the Options or Stock Appreciation Rights, as applicable.

SECTION 12. CHANGE IN CONTROL PROVISIONS.

Notwithstanding any other provision of the Plan to the contrary, in the event of a Change in Control:

(a) Any Options and Stock Appreciation Rights outstanding as of the date such Change in Control is determined to have occurred, and which are not

Edgar Filing: PERRIGO CO - Form DEF 14A

then exercisable and vested, shall become fully exercisable and vested.

(b) The restrictions and deferral limitations applicable to any Restricted Shares shall lapse, and such Restricted Shares shall become free of all restrictions and limitations and become fully vested and transferable.

11

(c) All Performance Awards shall be considered to be earned and payable in full, and any deferral or other restriction shall lapse and such Performance Awards shall be immediately settled or distributed.

(d) The restrictions and deferral limitations and other conditions applicable to any Other Stock Unit Awards or any other Awards shall lapse, and such Other Stock Unit Awards or such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant.

SECTION 13. CODE SECTION 162(M) PROVISIONS.

(a) Notwithstanding any other provision of this Plan, if the Committee determines at the time any Restricted Shares, Performance Awards or Other Stock Unit Awards are granted to a Participant that such Participant is, or is likely to be at the time he or she recognizes income for federal income tax purposes in connection with such Award, a Covered Employee, then the Committee may provide that this Section 13 is applicable to such Award.

(b) If an Award is subject to this Section 13, then the lapsing of restrictions thereon and the distribution of cash, Shares or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment of one or any combination of the following: specified levels of earnings per share from continuing operations, funds from operations, operating income, revenues, gross margin, return on operating assets, return on equity, economic value added, share price appreciation, total shareholder return (measured in terms of share price appreciation and dividend growth), or cost control, of the Company or the Affiliate or division of the Company for or within which the Participant is primarily employed. Such performance goals also may be based upon the attaining specified levels of Company performance under one or more of the measures described above relative to the performance of other corporations. Such performance goals shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code and the regulations thereunder.

(c) Notwithstanding any provision of this Plan other than Section 12, with respect to any Award that is subject to this Section 13, the Committee may not adjust upwards the amount payable pursuant to such Award, nor may it waive the achievement of the applicable performance goals except in the case of the death or disability of the Participant.

(d) The Committee shall have the power to impose such other restrictions on Awards subject to this Section 13 as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for "performance-based compensation" within the meaning of Section 162(m) (4) (B) of the Code or any successor thereto.

Edgar Filing: PERRIGO CO - Form DEF 14A

SECTION 14. AMENDMENTS AND TERMINATION.

The Board may amend, alter or discontinue the Plan at any time; provided, however, no amendment, alteration, or discontinuation shall be made that would impair the rights of an

12

optionee or Participant under an Award theretofore granted, without the optionee's or Participant's consent; provided, further that, any amendment that would (i) except as is provided in Section 4(c) of the Plan, increase the total number of shares reserved for the purpose of the Plan, (ii) change the employees or class of employees eligible to participate in the Plan, (iii) change the minimum purchase price for any Option below the minimum price set forth in Section 6(a) of the Plan, or (iv) materially (within the meaning of rules of NASD) change the terms of the Plan, shall not be effective without the approval of Perrigo Company's shareholders.

The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively; provided, that no such amendment shall impair the rights of any Participant without his or her consent.

SECTION 15. GENERAL PROVISIONS.

(a) Unless the Committee determines otherwise with respect to an Award other than an Incentive Stock Option, no Award, and no Shares subject to Awards described in Section 10 which have not been issued or as to which any applicable restriction, performance or deferral period has not lapsed, may be sold, assigned, transferred, pledged or otherwise encumbered, except by will or by the laws of descent and distribution; provided that, if so determined by the Committee, a Participant may, in the manner established by the Committee, designate a beneficiary to exercise the rights of the Participant with respect to any Award upon the death of the Participant. Unless the Committee determines otherwise, each Award shall be exercisable, during the Participant's lifetime, only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative. Notwithstanding the foregoing, subject to such rules as the Committee may establish, a Nonstatutory Stock Option may be transferred by a Participant during his or her lifetime to a trust, partnership or other entity established for the benefit of the Participant and his or her immediate family which, for purposes of the Plan, shall mean those persons who, at the time of such transfer, would be entitled to inherit part or all of the estate of the Participant under the laws of intestate succession then in effect in the state in which the Participant resides if the Participant had died on such transfer date without a will.

(b) Subject to the provisions of Section 6(b) and Section 7, the term of each Award shall be for such period of months or years from the date of its grant as may be determined by the Committee.

(c) No Employee or Participant shall have any claim to be granted any Award under the Plan nor to remain in the employment or service of the Company and there is no obligation for uniformity of treatment of Employees or Participants under the Plan. The Committee may, in its sole discretion, condition eligibility for an Award on the execution of a noncompete or similar-type agreement.

Edgar Filing: PERRIGO CO - Form DEF 14A

(d) The prospective recipient of any Award under the Plan shall not, with respect to such Award, be deemed to have become a Participant, or to have any rights with respect to such Award, until and unless such recipient shall have executed an agreement or other instrument evidencing the Award and delivered a fully executed copy thereof to the Company, and otherwise complied with the then applicable terms and conditions.

13

(e) Except as provided in Section 13, the Committee shall be authorized to make adjustments in Performance Award criteria or in the terms and conditions of other Awards in recognition of unusual or nonrecurring events affecting the Company or its financial statements or changes in applicable laws, regulations or accounting principles. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry it into effect. In the event the Company shall assume outstanding employee benefit awards or the right or obligation to make future such awards in connection with the acquisition of another corporation or business entity, the Committee may, in its discretion, make such adjustments in the terms of Awards under the Plan as it shall deem appropriate.

(f) The Committee shall have full power and authority to determine whether, to what extent and under what circumstances any Award shall be canceled or suspended.

(g) All certificates for Shares delivered under the Plan pursuant to any Award shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, NASD, any stock exchange upon which the Shares are then listed, and any applicable Federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(h) The Committee shall be authorized to establish procedures pursuant to which the payment of any Award may be deferred. Subject to the provisions of this Plan and any Award Agreement, the recipient of an Award (including, without limitation, any deferred Award) may, if so determined by the Committee, be entitled to receive, currently or on a deferred basis, interest or dividends, or interest or dividend equivalents, with respect to the number of shares covered by the Award, as determined by the Committee, in its sole discretion, and the Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional Shares or otherwise reinvested.

(i) Except as otherwise required in any applicable Award Agreement or by the terms of the Plan, recipients of Awards under the Plan shall not be required to make any payment or provide consideration other than the rendering of services.

(j) The Company shall be authorized to withhold from any Award granted or payment due under the Plan the amount of any withholding taxes due in respect of an Award or payment hereunder and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes. The Committee shall be authorized to establish procedures for election by Participants to satisfy such withholding taxes by delivery of, or directing the Company to retain, Shares.

Edgar Filing: PERRIGO CO - Form DEF 14A

(k) Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is otherwise required; and such arrangements may be either generally applicable or applicable only in specific cases.

14

(l) The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Michigan and applicable Federal law.

(m) If any provision of this Plan is or becomes or is deemed invalid, illegal or unenforceable in any jurisdiction, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan, it shall be stricken and the remainder of the Plan shall remain in full force and effect.

(n) Awards may be granted to Employees, directors or consultants of the Company or Affiliates who are foreign nationals or employed outside the United States, or both, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable in order to recognize differences in local law or tax policy. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for Participants on assignments outside their home country.

SECTION 16. EFFECTIVE DATE OF PLAN. The Plan shall be effective on the date that it is approved by the Company's stockholders (the "Effective Date").

SECTION 17. TERM OF PLAN. No Award shall be granted pursuant to the Plan after 10 years from the Effective Date, but any Award theretofore granted may extend beyond that date.
