PROXY STATEMENT OF ILLINOIS COMMUNITY BANCORP, INC.

PROSPECTUS OF CENTRUE FINANCIAL CORPORATION

Merger Proposed Your Vote is Very Important

The boards of directors of Centrue Financial Corporation and Illinois Community Bancorp, Inc. have approved a merger agreement that would result in Centrue Financial's acquisition of Illinois Community.

In the transaction, subject to the limitations described in this document, shareholders of Illinois Community will receive shares of common stock of Centrue Financial, cash or a combination of both in exchange for their shares of Illinois Community stock. On an aggregate basis, 50% of the outstanding shares of Illinois Community common stock will be converted into the right to receive shares of Centrue Financial common stock, and 50% of the outstanding shares of Illinois Community common stock will be converted into the right to receive cash.

Illinois Community shareholders will be entitled to receive, for each share of Illinois Community common stock that they own, \$7.33 payable either in cash, or in shares of Centrue Financial common stock based solely on an exchange ratio that varies with Centrue Financial's average trading price shortly before the merger. Based on the \$27.97 average trading price of Centrue Financial common stock during the 10 trading days ending on the last trading day before the merger was announced, the exchange ratio would be 0.262 shares of Centrue Financial common stock per share. Based on the \$27.98 average trading price of Centrue Financial common stock on the 10 trading days ended February 22, 2005, the exchange ratio would also be 0.262 shares of Centrue Financial common stock per share. We encourage Illinois Community's shareholders to obtain current market price quotations for Centrue Financial common stock.

On February 25, 2005, Centrue Financial common stock began trading on the Nasdaq National Market System under the symbol TRUE. Previously, Centrue Financial common stock was traded on the American Stock Exchange under the symbol CFF. The closing price of Centrue Financial common stock on February 22, 2005, was \$28.35.

To complete this merger, Centrue Financial must obtain regulatory approvals and Illinois Community must obtain the approval of its shareholders. Illinois Community will hold a special meeting to vote on the merger agreement and the transactions it contemplates. **Your vote is very important.** Whether or not you plan to attend the special meeting, please take the time to vote by completing and mailing the enclosed proxy card.

For a description of the significant considerations in connection with the merger and related matters described in this document, see Risk Factors beginning on page 12.

We encourage you to read this entire document carefully. This proxy statement-prospectus gives you detailed information about the merger and it includes a copy of the merger agreement as Appendix A.

Sincerely,

Roger D. Dotson
President

QUESTIONS AND ANSWERS ABOUT ELECTING THE FORM OF MERGER CONSIDERATION

Q: What will I receive in the merger?

A: For each share of Illinois Community common stock that you own, you will be entitled to receive \$7.33 per share payable either in cash or common stock of Centru Financial. On an aggregate basis, 50% of the outstanding shares of Illinois Community common stock will be converted into the cash consideration, and 50% of the outstanding shares of Illinois Community common stock will be converted into the stock consideration. Subject to that requirement, you will be entitled to elect the form of merger consideration that you would like to receive, as we describe further below.

The actual number of shares of Centru Financial common stock that will be issued for each share of Illinois Community common stock will be equal to that number of shares of Centru Financial common stock, rounded to the nearest one-thousandth of a share, equal to the quotient of \$7.33 divided by an average price of Centru Financial common stock. The average price of Centru Financial common stock will be calculated as the unweighted average of the high and low sale prices of a share of Centru Financial common stock, as reported on the Nasdaq National Market System, on which Centru Financial common stock began trading on February 25, 2005, for each of the 10 trading days ending on the third trading day preceding the closing of the merger. Because the determination period that will be used for this calculation has not yet occurred, the actual exchange ratio cannot be determined at this time. However, this document describes the effect of various prices on the exchange ratio. For example, using the average trading price of Centru Financial common stock during the 10 trading days ended February 22, 2005, as reported on the American Stock Exchange, the exchange ratio for each share of Illinois Community common stock would be 0.262 shares of Centru Financial common stock. You should obtain current market price quotations for Centru Financial common stock to determine the effect of changes in the market price on the exchange ratio.

Based on the condition that no more than 452,310 shares of Illinois Community common stock be outstanding when the merger is completed, the total consideration Centru Financial will pay in the merger is expected to equal approximately \$3,315,430.

Q: How do I elect the form of payment I will receive in the merger?

A: Shortly after the merger, you will receive a form in the mail with written instructions on how to elect the form of payment you want to receive in the merger. Subject to the limitations described in this document, you will have the option to elect to receive cash, shares of Centru Financial common stock, or both.

All shareholder elections are subject to the requirement that on an aggregate basis 50% of the outstanding shares of Illinois Community common stock must be converted into the right to receive cash, and 50% of the outstanding shares of Illinois Community common stock must be converted into the right to receive Centru Financial common stock. Therefore, depending on elections made by other shareholders, the exchange agent may modify your election to satisfy this requirement, which means that you may ultimately receive more or fewer shares of Centru Financial common stock or more or less cash than you otherwise elected to receive.

If you do not make a timely election, you will be allocated cash and/or shares as needed to satisfy the overall 50% cash and 50% stock requirement discussed above. Completed election forms must be returned to LaSalle Bank, which is serving as the exchange agent in this transaction, on or before 5:00 p.m., Kankakee, Illinois time, on May 27, 2005.

Table of Contents

Q: How do I exchange my Illinois Community stock certificates?

A: A letter of transmittal, which will include instructions on where to surrender your stock certificates for exchange, will be mailed to you with the election form. The exchange agent will allocate cash and Centrue Financial common stock among Illinois Community's shareholders in accordance with the terms of the merger agreement and will transmit the merger consideration to the former Illinois Community shareholders.

Q: Whom should I call with questions?

General

This proxy statement-prospectus relates to the proposed acquisition of Illinois Community by Centrue Financial. Centrue Financial and Illinois Community believe that the acquisition will enhance shareholder value by allowing Illinois Community shareholders to receive Centrue Financial common stock and cash in exchange for their shares of Illinois Community common stock and by permitting Centrue Financial to expand its presence with the addition of new markets in Illinois.

Special Meeting

(pages 14 and 15)

A special meeting of Illinois Community shareholders will be held on March 31, 2005, at 2:00 p.m., local time, at the Keller Conference and Convention Center, 1202 North Keller Drive, Effingham, Illinois 62401. At the special meeting, shareholders will be asked:

to approve the merger agreement and the transactions it contemplates; and

to act on other matters that may properly be submitted to a vote at the meeting.

Table of Contents

Record Date; Vote Required

(pages 14 and 15)

You may vote at the meeting of Illinois Community's shareholders if you owned Illinois Community common stock at the close of business on February 16, 2005. You can cast one vote for each share of Illinois Community common stock that you owned at that time. To approve the merger agreement and the transactions it contemplates, the holders of at least two-thirds of the outstanding voting shares of Illinois Community as of the record date must vote in favor of doing so.

You may vote your shares in person by attending the meeting or by mailing us your proxy if you are unable or do not wish to attend. You can revoke your proxy at any time before Illinois Community takes a vote at the meeting by submitting a written notice revoking the proxy or a later-dated proxy to the secretary of Illinois Community, or by attending the meeting and voting in person.

Authority to Adjourn Special Meeting to Solicit Additional Proxies

(page 15)

Illinois Community is asking its shareholders to grant full authority for the special meeting to be adjourned, if necessary, to permit solicitation of additional proxies to approve the transactions proposed by this proxy statement-prospectus.

Dissenters' Rights

(page 16)

As more fully described beginning on page 16, under Illinois law, Illinois Community shareholders have the right to dissent from the merger and receive in cash the fair value of their shares of Illinois Community common stock.

To dissent and receive the fair value of their shares, Illinois Community shareholders must follow the procedures outlined in Appendix B.

If you exercise your dissenters' rights and the conditions outlined in Appendix B are met, your shares of Illinois Community common stock will not be converted into the right to receive the consideration provided in the merger agreement. Instead, your only right will be to receive in cash the fair value of your Illinois Community shares as determined by mutual agreement between you and Centru Financial or by a court if you are unable to agree. You should be aware that submitting a signed proxy card without indicating a vote with respect to the merger will be deemed a vote FOR the merger and a waiver of your dissenters' rights. A vote AGAINST the merger does not dispense with the other requirements for exercising dissenters' rights under Illinois law.

The fair value may be more or less than the consideration you would have received under the terms of the merger agreement. If you exercise your dissenters' rights and complete the process of having a court determine the fair value of your shares in accordance with Illinois law, the amount you are awarded could be less than the value of the cash and shares of Centru Financial common stock that you would have received in the merger.

Recommendation to Shareholders

(page 17)

Illinois Community's board of directors believes that the merger agreement and the merger are fair to you and in your best interests, and unanimously recommends that you vote FOR the proposal to approve the merger agreement and the transactions it contemplates.

Share Ownership of Illinois Community's Directors and Officer

(page 15)

Edgar Filing: CENTRUE FINANCIAL CORP - Form 424B3

On the record date, Illinois Community's directors and executive officers owned 144,310 shares, or approximately 31.9% of the outstanding shares of Illinois Community common stock. Illinois Community's

Table of Contents

directors and executive officers have agreed to vote their shares to approve the merger agreement and the transactions it contemplates. However, because they own only approximately 31.9% of the outstanding shares of Illinois Community's common stock, there is no assurance that the proposal will be approved.

The Merger

(page 17)

We have attached a copy of the merger agreement to this document as Appendix A. Please read the merger agreement. It is the legal document that governs the merger.

We propose a combination in which Illinois Community will merge with and into a wholly-owned subsidiary of Centrue Financial. The surviving entity will immediately liquidate, leaving Centrue Financial as the direct owner of Illinois Community Bank. We expect to complete the merger in the second quarter of 2005, although delays could occur.

What You Will Receive in the Merger

(page 17)

For each share of Illinois Community common stock that you own, you will be entitled to receive \$7.33 per share payable either in cash or common stock of Centrue Financial. On an aggregate basis, 50% of the outstanding shares of Illinois Community common stock will be converted into cash and 50% of the outstanding shares of Illinois Community common stock will be converted into Centrue Financial common stock. Subject to that requirement, you will be entitled to elect the form of merger consideration that you would like to receive, as we describe further in this document.

For the consideration paid in the form of stock, the actual number of shares of Centrue Financial common stock that will be issued for each share of Illinois Community common stock will be equal to that number of shares of Centrue Financial common stock, rounded to the nearest one-thousandth of a share, that is equal to the quotient of \$7.33 divided by an average price of Centrue Financial common stock. The average price of Centrue Financial common stock is calculated as the unweighted average of the high and low sale prices of a share of Centrue Financial common stock as reported on the Nasdaq National Market System for each of the 10 trading days ending on the third trading day preceding the closing of the merger. Because the determination period that will be used for this calculation has not yet occurred, the actual exchange ratio cannot be determined at this time. However, this document describes the effect of various prices on the exchange ratio.

*Example: Using \$27.97, which is the average of the high and low trading prices of Centrue Financial common stock during the 10 trading days ended December 30, 2004, the last trading day before the merger agreement was announced, the exchange ratio for each share of Illinois Community common stock would be 0.262 shares of Centrue Financial common stock ($\$7.33 \div \$27.97 = 0.262$). Based on the maximum of 452,310 shares of Illinois Community common stock that may be outstanding at the time of the merger, and taking into account the requirement that 50% of the outstanding shares of Illinois Community common stock be converted into Centrue Financial common stock, Centrue Financial would issue 59,253 shares of its common stock in the merger ($452,310 * 0.50 = 226,155$; $226,155 * 0.262 = 59,253$).*

The average trading price of Centrue Financial common stock during the 10 trading days ended February 22, 2005, is \$27.98, which also results in an exchange ratio of 0.262, as calculated in the above example.

You should obtain current market price quotations for Centrue Financial common stock to determine the effect of changes in the market price on the exchange ratio. On February 25, 2005, Centrue Financial common stock began trading on the Nasdaq National Market System under the symbol TRUE. Prior to that, the stock was traded on the American Stock Exchange under the symbol CFF.

Election of Consideration

(page 19)

Subject to the limitations described in this document, you have the option to receive the merger consideration in the form of cash, Centrue Financial common stock or a combination of both. Shortly after the merger is completed, you will receive an election form in the mail with written instructions on how to elect the form of payment you would like to receive.

All shareholder elections are subject to the requirement that on an aggregate basis 50% of the outstanding shares of Illinois Community common stock must be converted into the right to receive cash, and 50% of the outstanding shares of Illinois Community common stock must be converted into the right to receive Centrue Financial common stock. Therefore, depending on elections made by other shareholders the exchange agent may modify your election to satisfy this requirement, which means that you may ultimately receive more or fewer shares of Centrue Financial common stock or more or less cash than you otherwise elected to receive.

If you do not make a timely election, you will be allocated cash and/or shares as needed to satisfy the overall 50% cash and 50% stock requirement discussed above. Completed election forms must be returned to LaSalle Bank, which is serving as the exchange agent in this transaction, on or before 5:00 p.m., Kankakee, Illinois time, on May 27, 2005.

Exchange of Stock Certificates

(page 19)

After the merger is completed, you will also receive instructions on how to surrender your stock certificates representing Illinois Community common stock in exchange for Centrue Financial stock certificates and cash. You must carefully review and complete these materials and return them as instructed along with your Illinois Community Common stock certificates. **Please do not send any stock certificates to the exchange agent, Centrue Financial or Illinois Community until you receive these instructions.**

Ownership After the Merger

(page 18)

Assuming that the maximum 452,310 shares of Illinois Community common stock are exchanged in the merger, and based on the \$27.98 average trading price of Centrue Financial as reported on the American Stock Exchange during the 10 trading days ended as of February 22, 2005, Centrue Financial will issue 59,253 shares of its common stock and will pay \$1,657,716.15 in cash to Illinois Community shareholders in the merger. Based on the number of outstanding shares of Centrue Financial common stock at February 22, 2005, this would constitute approximately 2.43% of the outstanding common stock of Centrue Financial immediately following the merger.

Effective Time of the Merger

(page 20)

The merger will become final when articles of merger are filed with the Secretary of State of the State of Illinois. If Illinois Community shareholders approve the merger at their special meeting, and if Centrue Financial obtains all required regulatory approvals, we anticipate that the merger will be completed in the second quarter of 2005, although delays could occur.

We cannot assure you that we can obtain the necessary shareholder and regulatory approvals or that the other conditions to completion of the merger can or will be satisfied.

Federal Income Tax Consequences

(page 21)

Edgar Filing: CENTRUE FINANCIAL CORP - Form 424B3

The merger will be tax-free for federal income tax purposes to Illinois Community shareholders who only receive Centrue Financial shares in the merger. For Illinois Community shareholders who receive cash in exchange for any of their Illinois Community shares or for those shareholders who receive cash for fractional

Table of Contents

shares, the cash received will either be characterized as a dividend (to the extent of Illinois Community's earnings and profits) for U.S. federal income tax purposes or it will be characterized as a payment in exchange for stock. Because the determination of each shareholder's tax treatment is highly dependent upon that shareholder's specific facts and relationships with other shareholders, it is not possible to reach any general conclusions with respect to this issue.

Reasons for the Merger

(pages 25 and 26)

Centrue Financial. The Centrue Financial board of directors believes that the merger will enhance shareholder value by increasing the capability to offer a full range of financial products and services in many of central Illinois' most attractive markets.

Illinois Community. The Illinois Community board of directors believes that the merger with Centrue Financial is consistent with Illinois Community's goal of enhancing shareholder value. In addition, the Illinois Community board of directors believes that the customers and communities served by Illinois Community will benefit from the merger.

You can find a more detailed discussion of the background of the merger and Centrue Financial's and Illinois Community's reasons for the merger in this document under "Description of Transaction - Background of the Merger" beginning on page 24, "Centrue Financial's Reasons for the Merger" beginning on page 25 and "Illinois Community's Reasons for the Merger and Board Recommendation" beginning on page 26.

The discussion of each party's reasons for the merger includes forward-looking statements about possible or assumed future results of operations and the performance of the combined company after the merger. For a discussion of factors that could affect these future results, see "A Warning About Forward-Looking Statements" on page 13.

Conditions to Completion of the Merger

(page 29)

The completion of the merger depends on a number of conditions being met. Subject to exceptions described in the merger agreement, these include:

accuracy of the respective representations and warranties of Centrue Financial and Illinois Community in the merger agreement;

compliance in all material respects by each of Centrue Financial and Illinois Community with their respective covenants and agreements in the merger agreement;

approval of regulatory authorities;

approval of the merger agreement by Illinois Community shareholders;

receipt by each party of an opinion that, for federal income tax purposes, Illinois Community shareholders who exchange their shares for shares of common stock of the combined company will not recognize any gain or loss as a result of the merger, except in connection with the receipt of cash in exchange for shares of Illinois Community common stock and the payment of cash instead of fractional shares, or the payment of cash resulting from the exercise of appraisal rights (this opinion will be subject to various limitations and we recommend that you read the more detailed description of federal income tax consequences provided in this document beginning on page 21); and

the absence of any injunction or legal restraint blocking the merger, or of any proceedings by a government body trying to block the merger.

Table of Contents

A party to the merger agreement could choose to complete the merger even though a condition to its obligation has not been satisfied, as long as the law allows it to do so. We cannot be certain when or if the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Termination and Termination Fees

(page 31)

The parties can mutually agree at any time to terminate the merger agreement without completing the merger. Also, either party can decide, without the consent of the other, to terminate the merger agreement if the merger has not been completed by June 30, 2005, unless the failure to complete the merger by that time is due to a violation of the merger agreement by the party that wants to terminate the merger agreement.

In addition, either Centrue Financial or Illinois Community can terminate the merger agreement if the conditions to its respective obligation to complete the merger have not been satisfied. Centrue Financial also may terminate the agreement if environmental investigations indicate the presence of material adverse environmental conditions that cannot be removed or remediated at a cost of \$50,000 or less.

Either Centrue Financial or Illinois Community may be required to pay the other party a termination fee if the merger agreement is terminated due to certain circumstances outlined in the merger agreement. For a discussion of these conditions and fees, *see* Description of Transaction Termination and Termination Fees.

Waiver and Amendment

(page 32)

Centrue Financial and Illinois Community may jointly amend the merger agreement and either party may waive its right to require the other party to adhere to any term or condition of the merger agreement. However, neither may do so after Illinois Community's shareholders approve the merger, if the amendment or waiver would materially and adversely affect the rights of Illinois Community's shareholders.

Regulatory Approvals

(page 32)

We cannot complete the merger unless it is approved by the Board of Governors of the Federal Reserve System, referred to as the Federal Reserve, and the Illinois Department of Financial and Professional Regulation. Once the Federal Reserve approves the merger, we have to wait anywhere from 15 to 30 days before we can complete the merger, during which time the U.S. Department of Justice can challenge the merger on antitrust grounds.

Centrue Financial has filed all of the required applications or notices with the Federal Reserve and the Illinois Department of Financial and Professional Regulation.

Management and Operations After the Merger

(page 33)

Following the merger, Community Acquisition LLC, the surviving entity in its merger with Illinois Community, will dissolve, leaving Centrue Financial as the direct holding company of Illinois Community Bank. The directors and officers of Centrue Financial will remain the same as they were prior to the merger.

Interests of Certain Persons in the Merger

(page 33)

Some of Illinois Community's directors and officers have interests in the merger that differ from, or are in addition to, their interests as shareholders in Illinois Community, as described beginning on page 33.

The members of Illinois Community's board of directors knew about these additional interests and considered them when they approved the merger agreement and the transactions it contemplates.

Accounting Treatment

(page 35)

The merger will be accounted for as a purchase transaction in accordance with accounting principles generally accepted in the United States.

Expenses

(page 35)

Each of Centrue Financial and Illinois Community will pay its own expenses in connection with the merger, including filing, registration and application fees, printing fees and fees and expenses of its own financial or other consultants, accountants and counsel.

Material Differences in the Rights of Shareholders

(page 36)

Upon completion of the merger, Illinois Community shareholders, other than those receiving only cash in the merger, will become shareholders of Centrue Financial and their rights will be governed by Delaware law and by Centrue Financial's certificate of incorporation and bylaws. There are material differences between the rights of the shareholders of Centrue Financial and Illinois Community, which we describe in this document.

Comparative Per Share Data

The following table presents comparative historical per share data of Centrue Financial and Illinois Community and unaudited pro forma per share data that reflect the combination of Centrue Financial using the purchase method of accounting.

The information listed as equivalent pro forma for Illinois Community was obtained by multiplying the amounts for Illinois Community by the exchange ratio of 0.262, which is the exchange ratio based on the average Centrue Financial common stock price of \$27.97 during the 10 trading days prior to December 30, 2004, the day before the execution of the merger agreement was announced. However, as explained in this proxy statement-prospectus, the exchange ratio may go up or down as the market price of the common stock of Centrue Financial fluctuates.

We expect that we will incur merger and integration charges as a result of combining our companies. We also anticipate that the merger will provide the combined company with financial benefits that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect these expenses or benefits and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the combined company would have actually been had our companies been combined as of the dates or for the periods presented. The pro forma combined numbers represent the combination of the net income/ (loss) of Centrue Financial and Illinois Community for the periods presented. Additionally, share amounts were increased for the amount of shares expected to be issued in the merger.

The Equivalent Price Per Share of Centrue Financial Common Stock at each specified date in the above table represents the product achieved when the closing sales price of a share of Centrue Financial common stock on that date is multiplied by the exchange ratio of 0.262, which is the number of shares of Centrue Financial common stock that an Illinois Community shareholder would receive for each share of Illinois Community common stock based on the \$27.97 average market price of Centrue Financial common stock for the 10 prior trading days ending on December 30, 2004, the day before the execution of the merger agreement was announced. Shareholders should obtain current market price quotations for share of Centrue Financial common stock prior to making any decision with respect to the merger.

The market price of Centrue Financial common stock will likely fluctuate between the date of this document and the date on which the merger is completed and after the merger. Because the market price of Centrue Financial common stock is subject to fluctuations, the exchange ratio will change and the value of the shares of Centrue Financial common stock that Illinois Community shareholders will receive in the merger may increase or decrease after the merger.

By voting to approve the merger agreement and the transactions it contemplates, Illinois Community shareholders will be choosing to invest in Centrue Financial to the extent they receive Centrue Financial common stock in exchange for any portion of their shares of Illinois Community common stock. An investment in Centrue Financial's common stock involves significant risk. In addition to the other information included in this proxy statement-prospectus, including the matters addressed in A Warning About Forwarding-Looking Statements beginning on page 13, Illinois Community shareholders should carefully consider the matters described below in Risk Factors beginning on page 12 when determining whether to approve the merger agreement and the transactions it contemplates.

The financial ratios for the nine-month periods ended September 30, 2003, and 2004, are presented on an annualized basis. The historical financial information is based on the historical financial information that is contained in reports Centrue Financial has previously filed with the Securities and Exchange Commission, which can be found in its Form 10-Q for the quarter ended September 30, 2004, and its Annual Report on Form 10-K for the year ended December 31, 2003. RISK FACTORS

By voting in favor of the merger, Illinois Community shareholders will be choosing to invest in Centrue Financial's common stock to the extent they receive Centrue Financial common stock in exchange for any portion of their shares of Illinois Community common stock. In addition to the information contained elsewhere in this proxy statement-prospectus or incorporated in this proxy statement-prospectus by reference, as a shareholder of Illinois Community you should carefully consider the following factors in making your decision as to how to vote on the merger.

Because the market price of Centrue Financial common stock may fluctuate, an Illinois Community shareholder cannot be sure of the value of the merger consideration that he or she will receive.

Upon completion of the merger, each share of Illinois Community common stock will be converted into shares of Centrue Financial common stock, cash or a combination of Centrue Financial common stock and cash under the terms of the merger agreement. The value of the stock consideration will depend on the average closing price of Centrue Financial common stock during the 10 trading day measurement period ending on the third day prior to completion of the merger. The price of Centrue Financial common stock will vary between the date the merger was announced, the date this document is mailed to Illinois Community shareholders and the date of the special meeting. The price of Centrue Financial common stock may also vary from the average price during the 10 day pricing period used to determine the number of shares you are to receive. You will not be entitled to receive additional shares in the merger if the price of Centrue Financial common stock on the closing date of the merger is less than the average price during the pricing period. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in Centrue Financial's business, operations and prospects, and regulatory considerations. Many of these factors are beyond Centrue Financial's control.

Accordingly, you will not know when you vote or make your election, either the number or the exact value of the shares of Centrue Financial common stock that you will receive in the merger. Moreover, the market value of Centrue Financial shares at the time of the merger and afterwards could be substantially higher or lower than the current market value. You are urged to obtain current market quotations for Centrue Financial stock, and to consult with your financial advisors before you vote.

You may receive more or less stock or more or less cash than you desire.

To preserve the treatment of the merger as a tax-free reorganization under the Internal Revenue Code, the merger agreement requires that, on an aggregate basis, taking into account dissenters' shares, 50% of the Illinois Community shares outstanding at the effective time be converted into shares of Centrue Financial common stock and 50% of the Illinois Community shares outstanding at the effective time be converted into cash. Although you will be permitted to elect the form of consideration you desire in the merger, your elections are subject to a proration procedure that will enable Centrue Financial to implement this 50% stock and 50% cash limitation. Accordingly, you will not know, either when you vote or when you make your election, the number of shares of Centrue Financial common stock or the amount of cash that you will actually receive in the merger.

The interests of certain management officials of Illinois Community may be different from those of other shareholders.

Illinois Community's directors and executive officers have interests in the merger other than their interests as Illinois Community shareholders. These interests may cause Illinois Community's directors and executive officers to view the merger proposal differently than you may view it. The board of directors of Illinois Community was aware of these interests at the time it approved the merger. *See* Description of Transaction - Interests of Certain Persons in the Merger.

Table of Contents

Difficulties in combining the operations of Illinois Community and Centrue Financial may prevent the combined company from achieving the expected benefits from its acquisition.

The combined company may not be able to achieve fully the strategic objectives and operating efficiencies it hopes to achieve in the merger. The success of the merger will depend on a number of factors, including the combined company's ability to:

integrate the operations of Illinois Community with those of Centrue Financial;

maintain existing relationships with depositors so as to minimize withdrawals of deposits after the merger;

maintain and enhance existing relationships with borrowers so as to limit unanticipated losses from loans of Illinois Community and Centrue Financial;

control its incremental non-interest expense so as to maintain overall operating efficiencies;

retain and attract qualified personnel; and

compete effectively in the communities served by Illinois Community and Centrue Financial and in nearby communities.

These factors could contribute to the combined company not achieving the expected benefits from the merger within the desired time frames, if at all.

A WARNING ABOUT FORWARD-LOOKING STATEMENTS

We have each made forward-looking statements in this document (and in documents to which we refer you in this document) that are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of our operations or the performance of the combined company after the merger is completed. When we use any of the words "believes," "expects," "anticipates," "estimates" or similar expressions, we are making forward-looking statements. These statements are based on Centrue Financial's and Illinois Community's respective managements' existing expectations, which in turn are based on information that is currently available to them and on the current economic, regulatory and competitive environment, including factors such as the strength of the U.S. and local economies; federal, state and local laws, regulations and policies; interest rates and regulatory policies; and expectations as to competitors and customers. Many possible events or factors, including changes from current conditions in the factors mentioned above, could affect the future financial results and performance of each of our companies and the combined company after the merger and could cause those results or performance to differ materially from those expressed in our forward-looking statements.

In addition to the factors listed above and the risks discussed in the "Risk Factors" section of this proxy statement-prospectus, factors that could have a material adverse effect on our operations and future prospects include, but are not limited to, the following:

the economic impact of past and any future terrorist threats and attacks, acts of war or threats thereof and the response of the United States to any such threats and attacks;

technological changes implemented by us and by other parties, including third party vendors, which may be more difficult or more expensive than anticipated or which may have unforeseen consequences to us and our customers;

the availability of capital to fund the expansion of the combined business; and

other factors referenced in this proxy statement-prospectus or the documents incorporated by reference.

These risks and uncertainties should be considered in evaluating forward-looking statements and undue reliance should not be placed on such statements.

Any forward-looking earnings estimates included in this proxy statement-prospectus have not been examined or compiled by either of our independent public accountants, nor have either of our independent accountants applied any procedures to our estimates. Accordingly, our accountants do not express an opinion or any other form of assurance on them. The forward-looking statements included in this proxy statement-prospectus are made only as of the date of this proxy statement-prospectus. INTRODUCTION

Illinois Community is furnishing this proxy statement-prospectus to holders of Illinois Community common stock, \$0.01 par value per share, in connection with the solicitation of proxies by Illinois Community's board of directors. Illinois Community's board of directors will use the proxies at the special meeting of shareholders of Illinois Community to be held on March 31, 2005, and at any adjournments or postponements of the meeting.

Shareholders will be asked at this special meeting to vote to approve the Agreement and Plan of Merger, dated as of December 31, 2004, among Illinois Community, Centrue Financial and Community Acquisition LLC, and the transactions it contemplates. Under the merger agreement, Illinois Community will merge into Community Acquisition LLC and Community Acquisition LLC will be dissolved immediately after the merger. As a result, Illinois Community Bank, which is currently a wholly-owned subsidiary of Illinois Community, will become a wholly-owned subsidiary of Centrue Financial. It is Centrue Financial's present intention that after the effective time of the merger among Illinois Community, Centrue Financial, and Community Acquisition LLC, Illinois Community Bank will merge with Centrue Financial's wholly-owned subsidiary, Centrue Bank. The bank merger is currently expected to occur several months after the holding company merger. If the merger among Illinois Community, Centrue Financial and Community Acquisition LLC is approved by Illinois Community's shareholders, each of the outstanding shares of Illinois Community common stock will be converted into the right to receive shares of Centrue Financial common stock, cash or a combination of both, as described in this proxy statement-prospectus.

SPECIAL MEETING

Date, Place, Time and Purpose

The special meeting of Illinois Community's shareholders will be held at the Keller Conference and Convention Center, 1202 North Keller Drive, Effingham, Illinois 62401, at 2:00 p.m., local time, on March 31, 2005. At the special meeting, holders of Illinois Community common stock will be asked to vote upon a proposal to approve the merger agreement and the transactions it contemplates.

Record Date, Voting Rights, Required Vote and Revocability of Proxies

The Illinois Community board fixed the close of business on February 16, 2005, as the record date for determining those Illinois Community shareholders who are entitled to notice of and to vote at the special meeting. Only holders of Illinois Community common stock of record on the books of Illinois Community at the close of business on the record date have the right to receive notice of and to vote at the special meeting. On the record date, there were 452,310 shares of Illinois Community common stock issued and outstanding, held by approximately 253 holders of record.

At the special meeting, Illinois Community shareholders will have one vote for each share of Illinois Community common stock owned on the record date. The holders of one-third of the outstanding shares of Illinois Community common stock entitled to vote at the special meeting must be present for a quorum to exist at the special meeting.

Table of Contents

To determine if a quorum is present, Illinois Community intends to count the following:

shares of Illinois Community common stock present at the special meeting either in person or by proxy; and

shares of Illinois Community common stock for which it has received signed proxies, but with respect to which holders of shares have abstained on any matter.

Approval of the merger agreement requires the affirmative vote of the holders of at least two-thirds of the outstanding shares of Illinois Community common stock.

Brokers who hold shares in street name for customers who are the beneficial owners of such shares may not give a proxy to vote those shares without specific instructions from their customers. Any abstention, non-voting share or broker non-vote will have the same effect as a vote against the approval of the merger agreement.

Properly executed proxies that Illinois Community receives before the vote at the special meeting that are not revoked will be voted in accordance with the instructions indicated on the proxies. If no instructions are indicated, these proxies will be voted **FOR** the proposal to approve the merger agreement and the transactions it contemplates, and, **FOR** any resolution to adjourn the special meeting, if necessary, to solicit additional proxies, and the proxy holder may vote the proxy in its discretion as to any other matter that may properly come before the special meeting.

An Illinois Community shareholder who has given a proxy solicited by the Illinois Community board may revoke it at any time prior to its exercise at the special meeting by:

giving written notice of revocation to the secretary of Illinois Community;

properly submitting to Illinois Community a duly executed proxy bearing a later date; or

attending the special meeting and voting in person.

All written notices of revocation and other communications with respect to revocation of proxies should be sent to: Illinois Community Bancorp, Inc., 1300 North Keller Drive, Effingham, Illinois 62401, Attention: Roger D. Dotson, President.

On the record date, Illinois Community's directors and executive officers owned 144,310 shares, or approximately 31.9% of the outstanding shares, of Illinois Community common stock. These individuals have agreed to vote their shares in favor of approving the merger agreement and the transactions it contemplates. However, because they hold only 31.9% of the voting power, approval of the merger agreement and the merger is not assured.

Solicitation of Proxies

Directors, officers and employees of Illinois Community may solicit proxies by regular or electronic mail, in person or by telephone or facsimile. They will receive no additional compensation for these services. Illinois Community may make arrangements with brokerage firms and other custodians, nominees and fiduciaries, if any, for the forwarding of solicitation materials to the beneficial owners of Illinois Community common stock held of record by such persons. Illinois Community will reimburse any brokers, custodians, nominees and fiduciaries for the reasonable out-of-pocket expenses incurred by them for their services. Illinois Community will bear all expenses associated with the printing and mailing of this proxy statement-prospectus to its shareholders, as provided in the merger agreement. *See* Description of Transaction Expenses.

Authority to Adjourn Special Meeting to Solicit Additional Proxies

Illinois Community is asking its shareholders to grant full authority for the special meeting to be adjourned, if necessary, to permit solicitation of additional proxies to approve the transactions proposed by this proxy statement-prospectus.

Dissenters' Rights

Under Illinois law, you are entitled to exercise dissenters' rights and obtain a cash payment for your shares as a result of Centru Financial's acquisition of Illinois Community, provided that you comply with the provisions of Sections 11.65 and 11.70 of the Illinois Business Corporation Act, or the IBCA. A copy of those sections are attached as Appendix B and incorporated in this proxy statement-prospectus by reference. If you comply with the provisions of Section 11.70 of the IBCA, then upon consummation of the merger, you are entitled to receive payment in cash from Centru Financial for the fair value of your shares, with accrued interest. The term "fair value" means the value of the shares immediately before the closing of the merger excluding any appreciation or depreciation in anticipation of the merger, unless the exclusion would be inequitable. If Centru Financial and you cannot agree on the fair value of your shares or the accrued interest, then the IBCA provides for a judicial determination of these amounts. The value determined by an Illinois court may be more or less than the value you are entitled to receive under the merger agreement. **If you desire to exercise dissenters' rights, you should refer to the statute in its entirety and should consult with legal counsel before taking any action to ensure that you comply strictly with the applicable statutory provisions.**

In summary, to exercise dissenters' rights, you must do all of the following:

before the vote on the merger is taken, deliver to Illinois Community a written demand for payment of your shares;

not vote in favor of the merger; note, however, that a vote, in person or by proxy, against approval of the merger agreement will not constitute a written demand for appraisal; and

continue to hold your shares of Illinois Community common stock through the effective time of the merger.

Your failure to vote against the proposal to approve the merger agreement will not constitute a waiver of your dissenters' rights under the IBCA. Also, a vote against approval of the merger agreement will not by itself be sufficient to satisfy your obligations if you are seeking an appraisal. You must follow the procedures set forth in Section 11.70 of the IBCA to obtain dissenters' rights.

Each outstanding share of Illinois Community common stock for which a legally sufficient demand in accordance with Section 11.70 of the IBCA has been made and that was not voted in favor of approval of the merger will, after the effective time of the merger, represent only the rights of a dissenting shareholder under the IBCA. This includes the right to obtain payment for the fair value of those shares as provided under the IBCA.

If you make a legally sufficient demand, within 10 days after the effective date of the merger or 30 days after you have delivered your written demand for payment, whichever is later, Centru Financial will send to you a statement setting forth its opinion as to the fair value of your shares, as well as certain financial statements and a commitment to pay to you the estimated fair value for your shares. If you do not agree with the opinion of Centru Financial as to the estimated fair value of the shares, then within 30 days of your receipt of Centru Financial's valuation statement, you must notify Centru Financial of your estimated fair value of your shares and demand the difference between your estimated fair value and the amount of the proposed payment by Centru Financial.

If within 60 days from delivery of Centru Financial's notice to the dissenting shareholders you and Centru Financial have not agreed in writing to the fair value of your shares, Centru Financial either will pay the difference in value demanded by you, or file a petition in the circuit court requesting the court to determine the fair value of the shares. Centru Financial will be required to then make all dissenters to the merger a party to this proceeding. If Centru Financial does not commence the action, you are permitted by law to commence an action.

In a proceeding brought by Centru Financial to determine value, the court will determine the costs of the proceeding, including the reasonable compensation of expenses of the appraisers appointed by the court and excluding fees and expenses of counsel and experts for the respective parties. If the fair value of the shares as determined by the court materially exceeds the price that Centru Financial estimated to be the fair value

Table of Contents

of the shares or if no estimate was given, then all or any part of the costs may be assessed against Centrue Financial. If the amount that any dissenter estimated to be the fair value of the shares materially exceeds the fair value of the shares as determined by the court, then all or any part of the costs may be assessed against that dissenter. The costs may also be awarded to the dissenter if the court finds that Centrue Financial did not substantially comply with the procedure to dissent in the statute. In addition, costs can be assessed against either party if the court finds that that party acted arbitrarily or not in good faith with respect to the dissenter's rights.

A share for which you have properly exercised your dissenter's rights and followed the correct procedures in the IBCA will not be converted into, or represent, a right to receive Centrue Financial common stock and/or cash as provided under the merger agreement. None of these dissenting shares after the effective time of the merger will be entitled to vote for any purpose or receive any dividends or other distributions. If, however, you, as the holder of the shares fail to properly perfect, effectively withdraw, waive or lose or otherwise become ineligible to exercise dissenter's rights under the IBCA, then at that time the shares held by you will be converted into Centrue Financial common stock, cash or a combination of both as provided in the merger agreement.

Recommendation of Illinois Community's Board

*Illinois Community's board of directors has unanimously approved the merger agreement and the transactions it contemplates and believes that the proposal to approve the merger agreement and the transactions it contemplates are in the best interests of Illinois Community and its shareholders. Illinois Community's board of directors unanimously recommends that Illinois Community's shareholders vote **FOR** approval of the merger agreement and the transactions it contemplates and **FOR** any resolution to adjourn the special meeting, if necessary, to solicit additional proxies. See Description of Transaction Illinois Community's Reasons for the Merger and Board Recommendation.*

DESCRIPTION OF TRANSACTION

The following information describes material aspects of the merger and related transactions. This description does not provide a complete description of all the terms and conditions of the merger agreement. It is qualified in its entirety by the Appendices to this document, including the merger agreement, which is attached as Appendix A to this proxy statement-prospectus and which is incorporated into this proxy statement-prospectus by reference. We urge you to read the Appendices in their entirety.

General

The merger agreement provides for the acquisition by merger of Illinois Community by Centrue Financial. At the time the merger becomes effective, each share of Illinois Community common stock then issued and outstanding will be converted into and exchanged for the right to receive shares of Centrue Financial common stock, cash or a combination of both, as described below.

Merger Consideration

General. Under the merger agreement, Illinois Community shareholders will have the right to receive for each share of Illinois Community common stock that they own \$7.33 payable either in cash or shares of Centrue Financial common stock. The number of shares of Centrue Financial common stock to be issued will be based on an exchange ratio that varies with Centrue Financial's average trading price shortly before the merger. This exchange ratio will be a number, rounded to the nearest one-thousandth of a share, equal to the quotient of:

\$7.33, divided by

the unweighted average of the high and low sale prices of Centrue Financial common stock, as reported on the Nasdaq National Market System for each of the 10 trading days ending on the third trading day preceding the closing of the merger.

Table of Contents

Value of Merger Consideration. As stated, Illinois Community shareholders will be entitled to receive consideration of \$7.33 per share. Based on the maximum of 452,310 shares of Illinois Community common stock that may be outstanding at the effective time, the total consideration paid by Centrue Financial will be valued at approximately \$3,315,430.

Because the merger agreement requires that 50% of the total outstanding shares of Illinois Community common stock be converted into the right to receive cash consideration, Centrue Financial expects to pay a total of \$1,657,716.15 in cash to Illinois Community shareholders at the effective time of the merger ($452,310 * 0.50 = 226,155$; $226,155 * \$7.33 = \$1,657,716.15$).

For the consideration paid in the form of stock, the number of shares that Centrue Financial will issue, and the trading price of those shares, will fluctuate between the date of this document, the date on which the merger is completed and after the merger. Because of these fluctuations, and because the determination period that will be used for the calculation of the exchange ratio, as described above, has not yet occurred, the actual exchange ratio cannot be determined at this time. However, the following examples describe the effect of various prices on the exchange ratio.

*Example: Using \$27.97, which is the average of the high and low trading prices of Centrue Financial common stock during the 10 trading days ended December 30, 2004, the last trading day before the merger agreement was announced, the exchange ratio for each share of Illinois Community common stock would be 0.262 shares of Centrue Financial common stock ($\$7.33 \div \$27.97 = 0.262$). Based on the maximum of 452,310 shares of Illinois Community common stock that may be outstanding at the time of the merger, and taking into account the requirement that 50% of the outstanding shares of Illinois Community common stock be converted into Centrue Financial common stock, Centrue Financial would issue 59,253 shares of its common stock in the merger ($452,310 * 0.50 = 226,155$; $226,155 * 0.262 = 59,253$).*

The average trading price of Centrue Financial common stock during the 10 trading days ended February 22, 2005 is \$27.98, which also results in an exchange ratio of 0.262, as calculated in the above example.

Share prices cannot be accurately predicted. The following table illustrates the effective exchange ratio as a function of several possible average closing prices, in each case calculated based on a per share purchase price of \$7.33:

Price of Centrue Financial Stock	Number of Centrue Financial Shares to be Received for Each Illinois Community Share
\$27.00	0.271
\$27.25	0.269
\$27.50	0.267
\$27.75	0.264
\$28.00	0.262
\$28.25	0.259
\$28.50	0.257
\$28.75	0.255
\$29.00	0.253
\$29.25	0.251

You should obtain current market price quotations for Centrue Financial common stock to determine the effect of changes in the market price on the exchange ratio.

Centrue Financial will not issue any fractional shares in the merger. Instead, for each fractional share that would otherwise be issued, Centrue Financial will pay cash in an amount determined by multiplying this fraction by the closing price of Centrue Financial common stock as reported on the Nasdaq National Market System on the effective date of the merger.

Election of Merger Consideration. Illinois Community shareholders may elect to receive their share of the merger consideration entirely in Centrue Financial common stock, entirely in cash or in a combination of Centrue Financial common stock and cash. However, all shareholder elections are subject to the requirement that, on an aggregate basis, 50% of Illinois Community shares outstanding at the effective time up to the merger must be converted into the right to receive Centrue Financial common stock and the remaining 50% of Illinois Community shares outstanding at the effective time of the merger must be converted into the right to receive cash. This requirement exists to preserve the expected federal income tax treatment of the merger.

If you do not make any election, you will receive consideration in the form of either cash or Centrue Financial common stock in proportions necessary to satisfy the total consideration requirement as described below.

If after taking into account all valid elections more than 50% of the total outstanding shares of Illinois Community common stock would be converted into cash, including appraisal shares, then any Illinois Community shareholders who elected to receive any portion of the merger consideration in cash and any Illinois Community shareholders who did not make an election will be subject to a proration process that will result in the holder receiving additional shares of Centrue Financial common stock in lieu of some cash. This proration will result in a final prorated number of shares of Centrue Financial common stock being issued for 50% of the total outstanding shares of Illinois Community common stock.

Similarly, if after taking into account all valid elections more than 50% of the total outstanding shares of Illinois Community common stock would be converted into Centrue Financial common stock, then all Illinois Community shareholders who did not make an election will be entitled to receive only cash, and any Illinois Community shareholders who elected to receive any portion of the merger consideration in Centrue Financial common stock will, if necessary, be subject to a proration process that will result in the holder receiving more cash in lieu of some Centrue Financial common stock. This proration will result in a final prorated amount of cash being paid for 50% of the total outstanding shares of Illinois Community common stock.

We are not making any recommendation as to whether Illinois Community shareholders should elect to receive only Centrue Financial common stock, only cash or a combination of both. We are also not making any recommendation as to whether Illinois Community shareholders should elect to receive a specific ratio of cash and Centrue Financial common stock. Each Illinois Community shareholder must make his or her own decision with respect to the election to receive Centrue Financial common stock, cash or a combination of both for their shares of Illinois Community stock.

Election Procedures; Surrender of Stock Certificates

Shortly after the merger, an election form will be mailed to every Illinois Community shareholder. Illinois Community shareholders can use this election form to elect the proportion of shares of Centrue Financial common stock and cash that they would like to receive in exchange for their shares of Illinois Community common stock. Illinois Community shareholders do not need to make an election. If no election is made, a Illinois Community shareholder will receive cash or Centrue Financial common stock in such amounts that will enable us to satisfy the requirement that 50% of Illinois Community shares be converted into Centrue Financial common stock and 50% of Illinois Community shares, including shares with respect to which shareholders have asserted their dissenters' rights under the IBCA, be converted into cash.

To make an effective election, you must submit a properly completed election form to LaSalle Bank, National Association, which will act as the exchange agent, on or before the election deadline of 5:00 p.m., Kankakee, Illinois time, on May 27, 2005. You may change your election at any time prior to the election deadline by written notice accompanied by a properly completed and signed revised election form received by the exchange agent prior to the election deadline. All elections will be revoked automatically if the merger is not approved or the merger agreement is otherwise terminated.

With the election forms, all Illinois Community shareholders will also receive a letter of transmittal, together with a return envelope. The letter of transmittal will include instructions for the surrender and exchange of certificates representing Illinois Community common stock for the merger consideration. A letter

Table of Contents

of transmittal will be deemed properly completed only if signed and accompanied by stock certificates representing all shares of Illinois Community common stock or an appropriate guarantee of delivery of the certificates.

Until you surrender your Illinois Community stock certificates for exchange after completion of the merger, you will not be paid dividends or other distributions declared after the merger with respect to any Centrue Financial common stock into which your Illinois Community shares have been converted. When Illinois Community stock certificates are surrendered, Centrue Financial will pay to the surrendering holder any of his or her respective unpaid dividends or other distributions, without interest. After the completion of the merger, no further transfers of Illinois Community common stock will be permitted. Illinois Community stock certificates presented for transfer after the completion of the merger will be canceled and exchanged for the merger consideration.

No fractional shares of Centrue Financial common stock will be issued to any holder of Illinois Community common stock upon completion of the merger. For each fractional share that would otherwise be issued, Centrue Financial will pay cash in an amount determined by multiplying this fraction by the closing price of Centrue Financial common stock as reported on the Nasdaq National Market System on the effective date of the merger. No interest will be paid or accrued on cash payable to holders of Illinois Community common stock in lieu of fractional shares. No shareholder of Illinois Community will be entitled to dividends, voting rights or any other rights as a shareholder of Centrue Financial in respect of any fractional shares.

None of Centrue Financial, Illinois Community or any other person will be liable to any former holder of Illinois Community common stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

If a certificate for Illinois Community common stock has been lost, stolen or destroyed, the exchange agent will issue the consideration properly payable under the merger agreement upon compliance by the holder of Illinois Community common stock with the conditions reasonably imposed by the exchange agent. These conditions will include a requirement that the shareholder provide a lost instruments indemnity bond in form, substance and amount reasonably satisfactory to the exchange agent and Centrue Financial.

Effective Time of the Merger

Subject to the conditions to each party's obligations to complete the merger, the merger will become effective when articles of merger reflecting the merger are filed with the Secretary of State of the State of Illinois. Unless we agree otherwise, each party will use reasonable efforts to cause the merger to become effective 10 business days after the end of the month in which both of the following conditions are satisfied:

the receipt of all required regulatory approvals and the expiration of all statutory waiting periods relating to the approvals; and

the satisfaction or waiver of all of the conditions to closing set forth in the merger agreement.

We anticipate that the merger will become effective in the second quarter of 2005, however, delays could occur.

We cannot assure you that the necessary shareholder and regulatory approvals of the merger will be obtained or that other conditions precedent to the merger can or will be satisfied. Either party's board of directors may terminate the merger agreement if the merger is not completed by June 30, 2005, unless it is not completed because of the failure by the party seeking termination to comply fully with its obligations under the merger agreement. *See* Conditions to Completion of the Merger and Termination and Termination Fees.

United States Federal Income Tax Consequences of the Merger

The following is a summary of the material United States federal income tax consequences of the merger generally applicable to Illinois Community shareholders. This discussion assumes you hold your shares of Illinois Community common stock as capital assets within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended, or the Code, and does not address all aspects of United States federal income taxation that may be relevant to you in light of your particular circumstances or if you are subject to special rules, such as rules relating to:

shareholders who are not citizens or residents of the United States;

financial institutions;

tax-exempt organizations;

insurance companies;

dealers in securities or currencies;

traders in securities that elect to use a mark-to-market method of accounting;

shareholders who acquired their shares of Illinois Community common stock pursuant to the exercise of employee stock options or otherwise acquired shares as compensation; and

shareholders who hold their shares of Illinois Community common stock as part of a hedge, straddle or other risk reduction, constructive sale or conversion transaction.

In addition, this summary does not address any state, local or foreign tax consequences of the merger that may apply. The following discussion is based on the Code, existing and proposed regulations promulgated under the Code, published Internal Revenue Service rulings and court decisions, all as in effect as of the date of this document, and all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of this discussion.

Tax Consequences of the Merger Generally. It is intended that the merger of Illinois Community with and into Community Acquisition LLC will be treated as a reorganization within the meaning of Section 368(a) of the Code. Centrue Financial's and Illinois Community's obligations to complete the merger are conditioned on, among other things, their receipt of an opinion from Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLP dated as of the date of the registration statement filed with the Securities and Exchange Commission in connection with the merger and updated through the effective date, to the effect that:

the merger will constitute a reorganization within the meaning of Section 368(a) of the Code;

no gain or loss will be recognized by Centrue Financial as a result of the merger pursuant to Section 1032 of the Code;

no gain or loss will be recognized by Illinois Community as a result of the merger pursuant to Section 361 of the Code; and

no gain or loss will be recognized by holders of Illinois Community common stock upon their receipt of Centrue Financial common stock, except that gain, if any, will be recognized to the extent of any cash received.

The opinion of Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLP will be based upon existing law, assumes the absence of changes in existing facts, relies upon customary assumptions and representations contained in certificates executed by officers of Centrue Financial and Illinois Community. The opinion neither binds the Internal Revenue Service nor precludes it from adopting a contrary position, and it is possible that the Internal Revenue Service may successfully assert a contrary position in litigation or other proceedings. Neither Centrue Financial nor Illinois Community intends to obtain a ruling from the Internal Revenue Service with respect to the tax consequences of the merger.

Table of Contents

The following discussion assumes that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code.

Illinois Community Shareholders Who Receive Only Centrue Financial Common Stock. If you are a holder of Illinois Community common stock and you receive only Centrue Financial common stock (plus any cash in lieu of a fractional share of Centrue Financial common stock) in exchange for your Illinois Community common stock in the merger, you will not recognize any gain or loss for federal income tax purposes with respect to such exchange, except with respect to any cash received in lieu of a fractional share, as discussed below.

Illinois Community Shareholders Who Receive Both Centrue Financial Common Stock and Cash. If you are a holder of Illinois Community common stock and you receive both Centrue Financial common stock and cash (other than cash received in lieu of a fractional share of Centrue Financial common stock) in exchange for your Illinois Community common stock in the merger, you will recognize gain, but not loss, in an amount equal to the lesser of:

(a) the excess, if any, of:

(1) the sum of the fair market value (at the effective time of the merger) of the Centrue Financial common stock plus the amount of cash received; over

(2) your aggregate tax basis in the shares of Illinois Community common stock exchanged in the merger; and

(b) the amount of cash that you receive in exchange for your Illinois Community common stock.

Any such gain will be treated as capital gain unless the receipt of the cash has the effect of a distribution of a dividend for federal income tax purposes, in which case the gain will be treated as ordinary dividend income to the extent of your ratable share of Illinois Community's accumulated earnings and profits. Any capital gain will be long-term capital gain if, as of the date of the merger, your holding period in your Illinois Community common stock is greater than one year.

The stock redemption provisions of Section 302 of the Code apply in determining whether cash received by you in exchange for your Illinois Community common stock has the effect of a distribution of a dividend under Section 356(a)(2) of the Code, which we refer to as a hypothetical redemption analysis. Under the hypothetical redemption analysis, you will be treated as if that portion of your Illinois Community common stock that you exchange for cash in the merger will instead be exchanged for Centrue Financial common stock (which we call the hypothetical shares) followed immediately by a redemption of the hypothetical shares by Centrue Financial for cash. Under the principles of Section 302 of the Code, you will recognize capital gain rather than dividend income with respect to the cash received if the hypothetical redemption is not essentially equivalent to a dividend or is substantially disproportionate with respect to you. In applying the principles of Section 302 of the Code, the constructive ownership rules of Section 318 of the Code will apply in comparing your ownership interest in Centrue Financial both immediately after the merger (but before the hypothetical redemption) and after the hypothetical redemption.

If you are a holder of Illinois Community common stock, whether the hypothetical redemption by Centrue Financial of the hypothetical shares for cash is not essentially equivalent to a dividend will depend on your particular circumstances. However, the hypothetical redemption must, in any event, result in a meaningful reduction in your percentage ownership of Centrue Financial common stock. In determining whether the hypothetical redemption by Centrue Financial results in a meaningful reduction in your percentage ownership of Centrue Financial common stock and, therefore, does not have the effect of a distribution of a dividend, you should compare your interest in Centrue Financial (including interests owned actually, hypothetically, and constructively) immediately after the merger (but before the hypothetical redemption) to your interest after the hypothetical redemption. The Internal Revenue Service has indicated in Revenue Ruling 76-385 that a shareholder in a publicly-held corporation whose relative stock interest in the corporation is minimal and who exercises no control over corporate affairs is generally treated as having had a meaningful reduction in his or her stock after a redemption transaction if his or her percentage stock

Table of Contents

ownership in the corporation has been reduced to any extent, taking into account the shareholder's actual and constructive ownership before and after the hypothetical redemption.

If you are a holder of Illinois Community common stock, the hypothetical redemption transaction would be substantially disproportionate and, therefore, would not have the effect of a distribution of a dividend if you own less than 50 percent of the voting power of the outstanding Centrue Financial common stock and the percentage of Centrue Financial common stock actually and constructively owned by you immediately after the hypothetical redemption is less than 80 percent of the percentage of Centrue Financial common stock actually, hypothetically and constructively owned by you immediately before the hypothetical redemption. Nevertheless, you should consult your own tax advisor about the possibility that all or a portion of any cash received in exchange for Illinois Community common stock will be treated as a dividend.

Tax Basis and Holding Period. The aggregate tax basis of any Centrue Financial common stock you receive as a result of the merger will be the same as your aggregate tax basis in Illinois Community common stock you surrender in exchange for the Centrue Financial common stock, decreased by the amount of cash received in the merger, and increased by the amount of income or gain recognized in the merger. Your holding period for the Centrue Financial common stock you receive as a result of the exchange will include the period during which you held Illinois Community common stock you surrender in the merger.

Cash Received in Lieu of Fractional Shares. If you receive cash in the merger instead of a fractional share of Centrue Financial common stock, you will be treated as having received the fractional share pursuant to the merger and then as having exchanged the fractional share for cash in a redemption of the fractional share by Centrue Financial. Assuming that immediately after the merger you hold a minimal interest in Centrue Financial, you exercise no control over Centrue Financial and, as a result of the deemed redemption and after giving effect to certain constructive ownership rules, you experience an actual reduction in your interest in Centrue Financial, you will generally recognize capital gain or loss on the deemed redemption in an amount equal to the difference between the amount of cash received and your adjusted tax basis allocable to such fractional share. This capital gain or loss will be long-term capital gain or loss if, as of the effective date of the merger, you held your shares of Illinois Community common stock for more than one year. Long-term capital gain of a non-corporate United States shareholder is generally subject to a maximum federal tax rate of 15%. The deductibility of capital losses is subject to limitations.

Backup Withholding and Information Reporting. Unless you provide a taxpayer identification number (social security number or employer identification number) and certify, among other things, that such number is correct, or you provide proof of an applicable exemption from backup withholding, the exchange agent will be required to withhold 28% of any cash payable to you in connection with the merger. Any amount so withheld under the backup withholding rules is not an additional tax and will be allowed as a refund or credit against your United States federal income tax liability, provided that you furnish the required information to the Internal Revenue Service. You should complete and sign the substitute Form W-9 the will be included as part of the transmittal letter that accompanies the election form to provide the information and certification necessary to avoid backup withholding, unless an applicable exception exists and is established in a manner that is satisfactory to the exchange agent.

You will be required to retain records pertaining to the merger and will be required to file a statement with your United States federal income tax return for the taxable year in which the merger takes place that sets forth certain facts relating to the merger, including your basis in your Illinois Community common stock that you surrender in connection with the merger and the fair market value of the Centrue Financial common stock and/or cash that you receive in connection with the merger. In addition, pursuant to the American Jobs Creation Act of 2004, Centrue Financial (or, if required by to-be-published regulations, Illinois Community) will be required to provide to the Internal Revenue Service and Illinois Community shareholders information with respect to the merger, including information regarding your identity (and the identities of other Illinois Community shareholders) and the amount of cash and the fair market value of Centrue Financial common stock received by you (and by each other Illinois Community shareholder) in the merger.

The foregoing discussion is not intended to be a complete analysis or description of all potential federal income tax consequences of the merger. In addition, the discussion does not address tax consequences that

Table of Contents

may vary with, or are contingent on, your individual circumstances. Moreover, the discussion does not address any non-income tax or any foreign, state, or local tax consequences of the merger. Accordingly, you are strongly urged to consult with your own tax advisor to determine the particular federal, state, local and foreign income and other tax consequences to you of the merger.

Background of the Merger

In March 2001, Illinois Community's wholly owned subsidiary, Illinois Community Bank, was placed under a Cease and Desist Order by the FDIC and the Illinois Office of Banks and Real Estate (the OBRE). The primary areas of concern were Illinois Community Bank's asset quality, negative earnings and weak capital position. Also in March 2001, the Federal Reserve Bank of St. Louis issued a Cease and Desist Order against Illinois Community primarily directed at management issues and violations of Section 23A and 23B of the Federal Reserve Act. At that time, Illinois Community's board of directors decided to investigate a possible affiliation with another financial institution. As a result of these actions, Illinois Community entered into a merger agreement with Illini Corporation on November 21, 2001. Applications were filed in connection with the merger in 2002, but in 2003 the Board of Governors denied Illini Corporation's application to acquire Illinois Community, and the merger was never consummated.

During 2002, while applications were pending with the various regulatory authorities, Illinois Community went through numerous changes, including a change in management resulting from the resignation of Illinois Community's then-president and the hiring in August 2002 of Illinois Community's current president and CEO, Roger Dotson. Following Mr. Dotson's engagement as President, the board adopted a strategic plan which included the termination of the Illini Corporation merger, if deemed necessary; resolving the issues on the cease and desist order; improving credit quality and earnings; and addressing the capital deficiency.

In April 2003, Illini Corporation and Illinois Community mutually agreed to terminate their merger agreement. By June 2003, Illinois Community and Illinois Community Bank had made significant progress on their strategic plans, and by June 2004 following a joint examination by the FDIC and the Illinois Department of Financial and Professional Regulation (formerly, the OBRE), it was recommended that the Cease and Desist Order against Illinois Community Bank be lifted. The Cease and Desist Order was replaced with a Memorandum of Understanding, primarily requiring Illinois Community Bank to address the two significant issues remaining under the original Cease and Desist Order—earnings and capital.

In September 2004, the board authorized management to again begin investigating strategic alternatives, including a possible affiliation with another financial institution as a possible solution to the remaining issues under the Memorandum of Understanding. Illinois Community's President, Roger Dotson, and its Chairman conducted informal meetings with approximately fifteen banks to investigate their interest in possibly affiliating with Illinois Community and the terms upon which such affiliation would be based.

In October 2004, the Chairman and Mr. Dotson reported back to the board the results of their initial meetings and based on such meetings, narrowed the fifteen parties down to three. At the October 2004 meeting, the board authorized the Chairman and Mr. Dotson to pursue talks sequentially with the three remaining parties, based on order of preference.

The Chairman and Mr. Dotson first began negotiating with a party other than Centrue Financial. After a relatively short negotiating period, it was determined that the first party would not be able to complete the transaction it had outlined without first raising capital needed for the transaction. Based on Illinois Community's previous experience and because of its strong desire to complete a transaction without unreasonable delay, Illinois Community decided to terminate its discussions with the first party and began negotiating with Centrue Financial.

On November 4th and 5th, 2004, representatives of Centrue Financial conducted an on-site due diligence investigation of Illinois Community. Between December 6, 2004, and December 30, 2004, representatives of Centrue Financial and its legal counsel, Barack Ferrazzano Kirschbaum Perlman & Nagelberg LLP, and Illinois Community's Chairman, Mr. Dotson, and Illinois Community's legal counsel, Howard & Howard

Centrue Financial's Reasons for the Merger

The board of directors of Centrue Financial believes that the merger presents a unique opportunity to combine two strong franchises in central and downstate Illinois, and is consistent with Centrue Financial's goal of creating the premier financial institution in central Illinois.

In reaching its decision to approve the merger agreement and the merger, the board of directors of Centrue Financial consulted with Centrue Financial's management as well as with its legal counsel, and considered a variety of factors, including the following:

information with respect to the businesses, earnings, operations, financial condition, prospects, capital levels and asset quality of Centrue Financial and Illinois Community, both individually and as combined; in particular, the board of directors of Centrue Financial focused on the strategic fit of the business lines and the operating philosophies of the two institutions;

the consistency of the merger with Centrue Financial's long-term business strategy of pursuing growth opportunities in central and downstate Illinois, particularly the fact that Illinois Community is an excellent bridge between Centrue Financial's existing Champaign-Urbana and Metro East St. Louis regions;

the advantages of a combination with an institution, such as Illinois Community, that has opportunities for increased efficiencies and significant cost savings from a combination with Centrue Financial, resulting in increased profitability of the combined entity over time;

the current and prospective economic and competitive environments facing Centrue Financial and other financial institutions characterized by intensifying competition from both banks and nonbank financial services organizations, the increasing necessity for strong fee-based income producing components within a bank holding company and the growing costs associated with regulatory compliance in the banking industry;

the belief that, following the merger, the combined company would be well positioned to continue to grow through possible future acquisitions or expansion;

the belief that the merger would result in shareholders of Centrue Financial holding stock in a high quality combined company that should benefit shareholders through enhanced operating efficiencies and better penetration of commercial and consumer banking markets throughout central and downstate Illinois;

the scale, scope, strength and diversity of operations, product lines and delivery systems that could be achieved by combining Centrue Financial and Illinois Community;

the complementary nature of the businesses of Centrue Financial and Illinois Community, which both have a strong community banking orientation;

the belief that, while no assurances could be given, the business and financial advantages contemplated in connection with the merger were likely to be achieved within a reasonable time frame; and

the likelihood that the merger will be approved by the appropriate regulatory authorities without undue conditions or delay (*see* Regulatory Approvals).

The foregoing discussion of the information and factors considered by the board of directors of Centrue Financial is not intended to be exhaustive, but includes all material factors considered by the board of directors of Centrue Financial. In reaching its determination to approve the merger, the board of directors of Centrue Financial did not assign any relative or specific weights to the foregoing factors, and individual directors may have given differing weights to different factors.

Illinois Community s Reasons for the Merger and Board Recommendation

The Illinois Community board believes that the merger is fair to, and in the best interests of, Illinois Community and the Illinois Community shareholders. Accordingly, the Illinois Community board has unanimously approved the merger agreement and unanimously recommends that the Illinois Community shareholders vote FOR the adoption of the merger agreement.

The Illinois Community board believes that the merger presents a unique opportunity to aid in the creation of one of central Illinois premier community banking franchises.

In reaching its decision to approve the merger agreement, the Illinois Community board consulted with Illinois Community s management, as well as with its legal advisors, and considered a variety of factors, including the following:

the attractive price that Centrue Financial agreed to pay to shareholders of Illinois Community in the merger;

the value to be received by Illinois Community shareholders in the merger as compared to the shareholder value projected for Illinois Community as an independent entity;

Centrue Financial s historically strong capital position and expressed commitment to improving and maintaining good asset quality;

the prospect that the merger will be approved by the appropriate regulatory authorities without undue burden and in a timely manner (*see* Regulatory Approvals);

the increased liquidity of Centrue Financial stock to be received by Illinois Community shareholders in the merger;

the complementary nature and similarities in the markets served by Centrue Financial and Illinois Community and the opportunities for revenue enhancements offered by Centrue Financial s more extensive product offerings;

the cash and stock election provision of the merger agreement, which would enable many Illinois Community shareholders to carry over their tax basis in the event that they received Centrue Financial common stock in the merger and defer any federal income tax liability;

the perceived depth, competence, experience, and integrity of Centrue Financial s management team;

the increasing costs of legal, regulatory compliance, and accounting costs for financial institutions and the current and prospective competitive environment facing Illinois Community; and

the increasingly high costs of product development and technology for Illinois Community and the banking industry in general.

The foregoing discussion of the information and factors considered by the Illinois Community board is not intended to be exhaustive, but includes all material factors considered by the Illinois Community board. In reaching its determination to approve and recommend the merger, the Illinois Community board did not assign any relative or specific weights to the foregoing factors, and individual directors may have given differing weights to different factors. Conduct of Business Pending the Merger and Certain Covenants

Under the merger agreement, Illinois Community has agreed to certain restrictions on its activities until the merger is completed or the merger agreement is terminated. In general, Illinois Community and Illinois Community Bank are required to conduct their operations in the ordinary course of business. The following is a summary of the more significant restrictions and obligations imposed upon Illinois Community and Illinois Community Bank. Subject to the exceptions set forth in the merger agreement, Illinois Community must:

not issue any additional shares of stock;

confer with Centrue Financial on material operational matters;

make loans only in accordance with sound credit practices and on arms-length terms;

not enter into any new client or new lending relationships in excess of \$50,000, without the prior written consent of Centrue Financial;

other than incident to a reasonable loan restructuring or without the prior written consent of Centrue Financial, not extend additional credit to borrowers or certain affiliates of borrowers, if the indebtedness of such borrower or affiliates of borrowers constitutes a non-performing loan, or against any part of such indebtedness any Illinois Community subsidiary has established loss reserves or any part of which has been charged-off by any Illinois Community subsidiary;

not buy or sell any securities held for investment;

report periodically to Centrue Financial concerning the status of its financial operations and finances;

file on a timely basis all required regulatory filings; and

not take any action that would cause a breach of any of its representation and warranties.

Illinois Community has also agreed that it will not encourage any third-party proposals to acquire Illinois Community and will not participate in negotiations regarding a proposal to acquire Illinois Community, except that Illinois Community may provide information and negotiate with a third party if Illinois Community's board of directors determines that failure to do so would be inconsistent with its fiduciary duties. Illinois Community is required under the merger agreement to provide Centrue Financial notice of any proposal it receives to acquire Illinois Community.

Illinois Community has also agreed to provide Centrue Financial with certain documents before the closing date, including:

interim financial statements;

preliminary title reports and surveys for its owned real property;

if requested by Centrue Financial, a Phase 1 environmental assessment report covering its owned real property, and if necessary, a Phase 2 environmental report; and

reasonable notice of any fact or condition creating a breach of the merger agreement.

Neither party can be certain as to when or if all of the conditions to the merger can or will be satisfied or waived by the party permitted to do so. If the merger is not completed by June 30, 2005, the board of directors of either Centrue Financial or Illinois Community may terminate the merger agreement and abandon the merger; provided, however, that the party responsible for a condition not being met prior to June 30, 2005, may not terminate the merger agreement if the merger is not completed by that date. *See* Waiver, Amendment and Termination.

The foregoing is an outline of the types of conditions precedent to the obligations of Centrue Financial and Illinois Community contained in the merger agreement, a copy of which is included at Appendix A. You should carefully review the entire agreement and in particular Articles 9 and 10, containing the detailed conditions to each party's obligation to complete the merger.

Termination and Termination Fees

Ability to Terminate the Merger Agreement. At any time before the merger becomes effective, the boards of directors of Illinois Community and Centrue Financial may mutually agree to terminate the merger agreement. In addition, the merger agreement may be terminated as follows:

by Centrue Financial, if any of the conditions to its obligation to complete the merger, as described above, has not been satisfied or has become impossible, and Centrue Financial has not waived the condition;

by Illinois Community, if any of the conditions to its obligation to consummate the merger, as described above, has not been satisfied or has become impossible, and Illinois Community has not waived the condition;

by Centrue Financial, if environmental investigations indicate the presence of material adverse environmental conditions that cannot be removed or remediated at a cost of \$50,000 or less; and

by either Centrue Financial or Illinois Community, if the closing of the merger has not occurred, other than through the failure of the party seeking to terminate the merger agreement to perform any of its required obligations under the merger agreement, by June 30, 2005.

Effect of Termination. If the merger is terminated, the merger agreement will become void and have no effect, except that certain provisions of the merger agreement, including those relating to the obligation to pay expenses and maintain the confidentiality of certain information obtained in connection with the merger and the merger agreement, will survive.

Termination Fees. If either:

Centrue Financial terminates the merger agreement because (a) Illinois Community committed a breach of its covenants or agreements under the merger agreement or (b) there was a breach of Illinois Community's representations and warranties as of the date of the merger agreement, and in either case the breach was not a result of a failure by Centrue Financial to comply with its material obligations under the merger agreement and the breach has or would reasonably be expected to have a material adverse effect on either Centrue Financial or Illinois Community; or

Centrue Financial or Illinois Community terminates the merger agreement because the shareholders of Illinois Community failed to approve the merger agreement before June 30, 2005;

Table of Contents

then, in either case, as long as Centrue Financial is in material compliance with its material obligations under the merger agreement, Illinois Community is required to pay Centrue Financial a termination fee of \$300,000.

Alternatively, if Illinois Community terminates the merger agreement because either:

Centrue Financial committed a breach of its covenants or agreements under the merger agreement; or

there was a breach of Centrue Financial's representations and warranties as of the date of the merger agreement,

then, in either case, as long as (a) the breach was not a result of a failure by Illinois Community to comply with its material obligations under the merger agreement and (b) the breach has or would reasonably be expected to have a material adverse effect on either Centrue Financial or Illinois Community, Centrue Financial is required to pay Illinois Community a termination fee of \$300,000.

The foregoing is an outline of the termination provisions contained in the merger agreement, a copy of which is included at [Appendix A](#). You should carefully review the entire agreement and in particular Article 11, containing the detailed termination provisions.

Waiver and Amendment

To the extent permitted by law, the boards of directors of Centrue Financial and Illinois Community may agree in writing to amend the merger agreement, whether before or after Illinois Community's shareholders have approved the merger agreement. However, no amendment agreed to after the merger agreement has been approved by Illinois Community's shareholders may materially and adversely affect the rights of Illinois Community's shareholders. In addition, before or at the time the merger becomes effective, either Centrue Financial or Illinois Community or both may waive any default in the performance of any term of the merger agreement by the other or may waive or extend the time for the compliance or fulfillment by the other of any of its obligations under the merger agreement. Either of Centrue Financial or Illinois Community may also waive any of the conditions precedent to their respective obligations under the merger agreement, unless a violation of any law or governmental regulation would result. To be effective, a waiver must be in writing and signed by one of Centrue Financial's or Illinois Community's duly authorized officers.

Regulatory Approvals

It is a condition to the completion of the merger that the parties receive all necessary regulatory approvals of the merger. Neither Centrue Financial nor Illinois Community is aware of any material governmental approvals or actions that are required to complete the merger, except as described below. If any other approval or action is required, Centrue Financial will also seek this approval or action.

Federal Reserve. The merger is subject to the prior approval of the Federal Reserve under Section 3 of the Bank Holding Company Act and Sections 225.11 and 225.15 of Regulation Y of the Federal Reserve. In evaluating the merger, the Federal Reserve is required to consider, among other factors, the financial and managerial resources and future prospects of the institutions and the convenience and needs of the communities to be served. These provisions prohibit the Federal Reserve from approving the merger if:

it would result in a monopoly or be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the business of banking in any part of the United States; or

its effect in any section of the country could be to substantially lessen competition or to tend to create a monopoly, or if it would result in a restraint of trade in any other manner, unless the Federal Reserve should find that any anti-competitive effects are outweighed clearly by the public interest and the probable effect of the merger in meeting the convenience and needs of the communities to be served.

The merger may not be completed until 30 days following the date of the Federal Reserve approval, although the U.S. Department of Justice may reduce that period to 15 days. During this period, the U.S. Department of Justice is given the opportunity to challenge the transaction on antitrust grounds. The

Table of Contents

commencement of any antitrust action would stay the effectiveness of the approval of the agencies, unless a court of competent jurisdiction specifically ordered otherwise.

Illinois Department of Financial and Professional Regulation. The change of control of Illinois Community Bank is subject to the prior approval of the Illinois Department of Financial and Professional Regulation, referred to as the DFPR, under Section 8015 of the Illinois Savings Bank Act and Section 1075.1700 of the administrative rules for the Illinois Savings Bank Act. These provisions prohibit the DFPR from approving a change of control of an Illinois savings bank if:

the poor financial condition of any acquiring party may adversely affect the financial stability of the savings bank or may adversely affect the interests of its depositors, borrowers, creditors or shareholders;

the plan or proposal of the acquiring party to liquidate the savings bank, to sell its assets, to merge it with any person or to make any other major change in its business, corporate structure or management may adversely affect the financial stability of the savings bank, is not fair and reasonable to its depositors, borrowers, creditors or shareholders or is not otherwise in the public interest;

insufficient banking and business experience or a lack of competence or integrity of any acquiring party may adversely affect the savings bank or the savings bank's depositors, borrowers, creditors or shareholders;

the information provided by the application is insufficient for the DFPR to determine whether the acquisition should be approved or the DFPR is unable to verify the information provided or to examine the qualifications of the acquiring party; or

the acquisition is not otherwise in the public interest.

Management and Operations After the Merger

Immediately following the merger of Illinois Community with and into Community Acquisition LLC, Community Acquisition LLC will dissolve, leaving Centrue Financial as the direct holding company of Illinois Community Bank. The directors and officers of Centrue Financial will remain the same as they were prior to the merger. Information concerning the management of Centrue Financial is included in the documents incorporated by reference in this proxy statement-prospectus. *See* Where You Can Find More Information. For additional information regarding the interests of certain persons in the merger, *see* Interests of Certain Persons in the Merger.

Interests of Certain Persons in the Merger

General. Some members of Illinois Community's management and board of directors may be deemed to have interests in the merger that are in addition to their interests as shareholders generally. The boards of directors of each of Centrue Financial and Illinois Community were aware of these interests and considered them, together with the other matters described in this proxy statement-prospectus, in approving the merger agreement and the merger.

Employment Agreement with Roger D. Dotson. Centrue Financial's wholly-owned subsidiary, Centrue Bank, has entered into an employment agreement with Roger D. Dotson, which will become effective upon completion of the merger. This employment agreement provides for Mr. Dotson's employment following the merger as a Regional President of Centrue Bank. The agreement is for a three-year term and provides for an annual base salary of \$110,000 and a performance bonus as determined by Centrue Bank's board of directors of up to 25% of Mr. Dotson's base salary. The agreement also provides for Mr. Dotson's participation in all plans or benefits generally accorded to the senior executives to Centrue Bank, including pension, profit sharing, supplemental retirement incentive compensation and group life and health insurance, as well as other perquisites extended to similarly situated senior executives.

If Mr. Dotson's employment is terminated without cause, Centrue Bank will be obligated to make a severance payment equal to his then-current annual base salary which would have been payable through the end of the term of the agreement. Additionally, Centrue Bank will be obligated to provide health insurance for

Table of Contents

the number of months remaining on the term of the agreement, up to a maximum of twelve months. In the event of a constructive discharge, as defined in the agreement, Mr. Dotson will have the right to terminate his employment and receive the same severance amount, payable on a monthly basis over a twelve month period, as if he had been terminated without cause. In general, he will be deemed to be constructively discharged if: (a) he is removed from his position; (b) there is a substantial diminution in his responsibilities; (c) he is relocated, without his consent, to a location more than 50 miles from the main office of Centrue Bank; or (d) Centrue Bank commits a material breach of its obligations under the agreement.

If Mr. Dotson voluntarily terminates his employment with Centrue Bank, Centrue Bank will only be obligated to pay his salary and benefits accrued through the effective date of termination, plus any expense reimbursements incurred prior to termination and properly submitted in accordance with the agreement. If Centrue Bank terminates Mr. Dotson for cause, Centrue Bank's only obligation under the agreement is to pay his salary and benefits accrued through the effective date of termination. In the event of a change of control of Centrue Bank, if Centrue Bank or its successor terminates Mr. Dotson's employment within one year after a change of control, then he will be entitled to the same cash payment and benefits he would be entitled to if he were terminated without cause.

The agreement also includes a covenant limiting Mr. Dotson's ability to compete with Centrue Financial or Centrue Bank or any of their respective subsidiaries in an area encompassing a 25-mile radius of Effingham County, Illinois. The restrictive covenant applies for a period of one year following the termination of employment.

Management Continuity Agreements. Illinois Community has entered into management continuity agreements with three of its executive officers, Roger D. Dotson, Tim L. Clark and Colette J. Meyer. Each of these agreements provides that upon a change of control, if either:

the officer is terminated by Illinois Community or its successor within three months prior or six months after the change of control, or

the officer voluntarily resigns after: (a) a material change in his or her title, authorities or duties, as in effect immediately prior to the change of control; (b) a reduction in his or her compensation or benefits below that in effect immediately prior to the change of control; or (c) a change in his or her principal place of employment to a city more than 25 miles from Effingham, Illinois,

then the officer will have no further obligations to Illinois Community or its successor, other than to maintain the confidentiality of information learned during the course of his or her employment. In addition, the officer will be paid: (a) 12 months of his or her salary, paid over 12 months; (b) the benefits due under Illinois Community's compensation and benefit plans; plus (c) reasonable outplacement expenses actually incurred. When it becomes effective at the time the merger is completed, the employment agreement between Centrue Bank and Roger Dotson will supersede his management continuity agreement. The other two agreements will remain in effect after the merger and Centrue Financial will succeed to Illinois Community's obligations under those agreements.

Indemnification for Directors and Officers. Centrue Financial has agreed to honor for at least two years from the effective date of the merger all of Illinois Community's obligations with respect to indemnification currently provided by Illinois Community in its articles of incorporation in favor of the current and former officers and directors of Illinois Community or any of Illinois Community's subsidiaries with respect to matters occurring prior to the effective time.

Additional Agreements

Voting Agreement. Each of the directors and executive officers of Illinois Community has entered into a voting agreement with Centrue Financial. Under this agreement, these shareholders have agreed to vote their respective shares of Illinois Community common stock:

in favor of the merger and the transactions contemplated by the merger agreement;

against any acquisition of Illinois Community or Illinois Community Bank by a party other than Centrue Financial;

against any action or agreement that would result in a material breach of any term or any other obligation of Illinois Community under the merger agreement; and

against any action or agreement which would impede or interfere with the transactions contemplated by the merger agreement.

Furthermore, and without Centrue Financial's prior approval, each of these shareholders has also agreed not to solicit, initiate or encourage any inquiries or proposals for a merger or other business combination involving Illinois Community. The shares subject to the voting agreement represent approximately 31.9% of the outstanding shares of Illinois Community common stock on the record date. The voting agreement will terminate upon the earlier of the consummation of the merger or termination of the merger agreement in accordance with its terms. The voting agreement was entered into by the directors and executive officers of Illinois Community solely in their capacity as shareholders. Therefore, these persons are in no way restricted in their capacity as directors from acting in accordance with their fiduciary duties.

Non-Competition Agreements. Centrue Financial has entered into non-competition agreements with each of Roger D. Dotson, Dr. Michael F. Sehy, Fredrick C. Schaefer, Gerald E. Ludwig, and Garrett M. Andes II, each of whom is a current director of Illinois Community. Each of these agreements provides that such person may not, for the one-year period following the closing of the merger, compete with Centrue Financial or its subsidiaries in a restricted area, defined as Effingham County, Illinois, and the area encompassing a 25-mile radius of the county.

Accounting Treatment

The merger will be accounted for using the purchase method of accounting under generally accepted accounting principles as applied in the United States. Under this method of accounting, Centrue Financial will record the assets acquired and liabilities assumed of Illinois Community at their fair market values. Any difference between the purchase price and the fair market value of the net tangible and identifiable intangible assets and liabilities is recorded as goodwill, which in accordance with Statement of Financial Accounting Standard No. 142 will not be amortized for financial accounting purposes, but will be evaluated annually for impairment.

Expenses

Each of Centrue Financial and Illinois Community will pay its own expenses in connection with the merger, including filing, registration and application fees, printing fees and fees and expenses of its own financial or other consultants, accountants and counsel.

Resales of Centrue Financial Common Stock

Centrue Financial common stock to be issued to Illinois Community shareholders in the merger will be registered under the Securities Act. All shares of Centrue Financial common stock received by Illinois Community shareholders in the merger will be freely transferable after the merger by persons who are not considered to be affiliates of either Centrue Financial or Illinois Community. These affiliates would generally include any persons or entities who control, are controlled by or are under common control with either Illinois Community or Centrue Financial at the time of the special meeting (generally, executive officers, directors and 10% or greater shareholders).

Table of Contents

Rule 145 promulgated under the Securities Act restricts the sale of Centrue Financial common stock received in the merger by affiliates of Illinois Community and certain of their family members and related entities. Under the rule, until the first anniversary of the effective date of the merger, affiliates of Illinois Community may publicly resell the Centrue Financial common stock they receive in the merger, but only within certain limitations as to the amount of Centrue Financial common stock they can sell in any three-month period and as to the manner of sale. After this first anniversary, affiliates of Illinois Community who are not affiliates of Centrue Financial may resell their shares without restriction. Centrue Financial must continue to satisfy its reporting requirements under the Securities Exchange Act of 1934, as amended, for affiliates to continue to be able to resell under Rule 145 the shares of Centrue Financial common stock they receive in the merger. Affiliates would also be permitted to resell Centrue Financial common stock they receive in the merger pursuant to an effective registration statement under the Securities Act or an available exemption from the registration requirements. This proxy statement-prospectus does not cover any resales of Centrue Financial common stock received by persons who may be deemed to be affiliates of Illinois Community.

General

Illinois Community is an Illinois corporation governed by Illinois law and Illinois Community's articles of incorporation and bylaws. Centrue Financial is a Delaware corporation governed by Delaware law and Centrue Financial's certificate of incorporation and bylaws.

In the merger, many shareholders of Illinois Community will receive shares of Centrue Financial common stock that will include all rights attaching to shares of Centrue Financial common stock. There are significant differences between the rights of Illinois Community's shareholders and the rights of Centrue Financial's shareholders. The following is a summary of the principal differences between those rights.

The following summary is not intended to be complete and is qualified in its entirety by reference to the Illinois Business Corporation Act and the Delaware General Corporation Law, as well as Illinois Community's articles of incorporation and bylaws and Centrue Financial's certificate of incorporation and bylaws.

Anti-Takeover Provisions Generally

Centrue Financial's certificate of incorporation and bylaws contain provisions designed to assist Centrue Financial's board of directors in playing a role in any attempt by a group or person to acquire control of Centrue Financial. These provisions are intended to enable Centrue Financial's board of directors to protect the interests of Centrue Financial and its shareholders under certain circumstances. Aided by these provisions, Centrue Financial may determine that a sale of control is in the best interests of Centrue Financial's shareholders or will enhance the board's ability to maximize the value to be received by the shareholders upon a sale of control of Centrue Financial.

Although Centrue Financial's management believes that these provisions are beneficial to Centrue Financial's shareholders, they may also tend to discourage some takeover bids. As a result, Centrue Financial's shareholders may be deprived of opportunities to sell some or all of their shares at prices that represent a premium over prevailing market prices. On the other hand, defeating undesirable acquisition offers can be a very expensive and time-consuming process. To the extent that these provisions discourage undesirable proposals, Centrue Financial may be able to avoid those expenditures of time and money.

These provisions may also discourage open market purchases of Centrue Financial common stock by a company that may desire to acquire Centrue Financial. Those purchases may increase the market price of Centrue Financial common stock temporarily and enable shareholders to sell their shares at a price higher than they might otherwise obtain. In addition, these provisions may decrease the market price of Centrue Financial common stock by making the stock less attractive to persons who invest in securities in anticipation of price increases from potential acquisition attempts. The provisions may also make it more difficult and time consuming for a potential acquiror to obtain control of Centrue Financial through replacing the board of

Table of Contents

directors and management. Furthermore, the provisions may make it more difficult for Centrue Financial's shareholders to replace the board of directors or management, even if a majority of the shareholders believe that replacing the board of directors or management is in the best interests of Centrue Financial. Because of these factors, these provisions may tend to perpetuate the incumbent board of directors and management.

Authorized Capital Stock

Centrue Financial. Centrue Financial is authorized to issue 5,500,000 shares of common stock, \$0.01 par value per share, and 500,000 shares of preferred stock, \$0.01 par value per share. As of December 31, 2004, 2,380,666 shares of Centrue Financial common stock were issued and outstanding, and 1,819,334 shares were held by Centrue Financial as treasury shares. No shares of Centrue Financial preferred stock are issued and outstanding.

Under Centrue Financial's certificate of incorporation, Centrue Financial's board of directors is authorized to issue preferred stock from time to time in one or more series, subject to applicable provisions of law. The board of directors is authorized to fix the designations, powers, preferences and relative participating, optional and other special rights of such shares, including voting rights and conversion rights. In the event of a proposed merger, tender offer or other attempt to gain control of Centrue Financial that the board of directors does not approve, it may be possible for the board of directors to authorize the issuance of a series of preferred stock with rights and preferences that would impede the completion of such a transaction. If Centrue Financial issues any preferred stock that disparately reduces the voting rights of the common stock, the common stock may be required to be delisted from the Nasdaq National Market System. An effect of the issuance of preferred stock, therefore, may be to deter a future takeover attempt. Under a certificate of designation, 3,500 shares of Centrue Financial preferred stock have been designated as Series A Junior Participating preferred stock. These shares are reserved for issuance under the Centrue Financial rights plan. *See* Rights Plan below

Illinois Community. Illinois Community is authorized to issue 4,000,000 shares of common stock, \$0.01 par value per share, and 1,000,000 shares of preferred stock, \$0.01 par value per share. As of December 31, 2004, 502,550 shares of Illinois Community common stock were issued, including 50,240 shares that are held by Illinois Community as treasury shares. No shares of Illinois Community preferred stock are issued and outstanding.

Illinois Community's board of directors has substantially the same powers with respect to the issuance of preferred stock as does Centrue Financial's board of directors.

Voting Rights

Centrue Financial. Generally, holders of Centrue Financial common stock are entitled to one vote per share on all matters submitted to a vote of shareholders. However, Centrue Financial's certificate of incorporation provides that in no event will any record owner of any outstanding Centrue Financial common stock that is beneficially owned, directly or indirectly, by any person who beneficially owns more than 10% of the then-outstanding shares of common stock, be entitled or permitted to any vote in respect of the shares held in excess of 10%. This limit does not inhibit any person from soliciting or voting proxies from other beneficial owners for more than 10% of the common stock. This provision may be enforced by Centrue Financial's board of directors to limit the voting rights of persons owning more than 10% of Centrue Financial's common stock, and thus could be used in a proxy contest or other solicitation to defeat a proposal that is desired by a majority of the shareholders.

As stated above, Centrue Financial's board of directors is authorized to issue up to 500,000 shares of preferred stock and may designate various characteristics and rights of Centrue Financial preferred stock, including voting and conversion rights. Centrue Financial's board of directors may also authorize the conversion of shares of other classes of Centrue Financial preferred stock into any number of shares of Centrue Financial common stock and thus dilute the voting power of the outstanding shares of Centrue Financial common stock. Therefore, subject to the board's fiduciary duties, Centrue Financial could issue

Table of Contents

convertible preferred stock with the purpose or effect of deterring or preventing a takeover of Centrue Financial.

Centrue Financial's certificate of incorporation does not provide for cumulative voting rights in the election of directors.

Illinois Community. Generally, holders of Illinois Community common stock are entitled to one vote per share on all matters submitted to a vote of shareholders. However, under Illinois Community's articles of incorporation, any shareholder that beneficially owns more than 10% of Illinois Community common stock can only vote the shares of stock that exceed the 10% limit in accordance with a formula contained in Illinois Community's articles of incorporation.

As stated above, Illinois Community's board of directors is authorized to issue up to 1,000,000 shares of preferred stock and may designate various characteristics and rights of Illinois Community preferred stock including, among other things, the voting powers of such series.

Illinois Community's articles of incorporation do not provide for cumulative voting rights in the election of directors.

Rights Plan

Centrue Financial. The board of directors of Centrue Financial adopted a Rights Plan in 1999 which created one preferred share purchase right that is attached to each share of Centrue Financial common stock. Each right entitles the holder, under certain limited circumstances, to purchase from Centrue Financial one one-thousandth of a share of Series A Junior Participating preferred stock of Centrue Financial at a price of \$95.00.

Until the earlier to occur of: (a) 10 days following a public announcement that a person or group of affiliated persons (with certain exceptions, an acquiring person) has acquired beneficial ownership of 15% or more of the outstanding shares of common stock; or (b) 10 business days (or such later date as may be determined by action of the board of directors prior to such time as any person or group of affiliated persons becomes an acquiring person) following the commencement of, or announcement of an intention to make, a tender offer or exchange offer the completion of which would result in the beneficial ownership by a person or group of 15% or more of the outstanding shares of common stock (the earlier of such dates being called the distribution date), the rights will be evidenced, with respect to any common stock certificate outstanding as of the record date, by that common stock certificate together with a summary of rights.

The rights are not exercisable until the distribution date. The rights will expire on May 11, 2009, unless the expiration date is advanced or extended or unless the rights are earlier redeemed or exchanged by Centrue Financial.

Because of the nature of the preferred stock's dividend, liquidation and voting rights, the value of the one one-thousandth interest in a share of preferred stock purchasable upon exercise of each right should approximate the value of one share of common stock.

If any person or group of affiliated or associated persons becomes an acquiring person, each holder of a right, other than rights beneficially owned by the acquiring person (which will thereupon become void), will thereafter have the right to receive upon exercise of a right and the payment of \$95.00 per right, that number of shares of common stock having a market value of \$190.00.

If after a person or group has become an acquiring person Centrue Financial is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or earning power are sold, proper provisions will be made so that each holder of a right (other than rights beneficially owned by an acquiring person, which will become void) will thereafter have the right to receive upon the exercise of a right and the payment of \$95.00 per right, that number of shares of common stock of the person with whom Centrue Financial has engaged in the foregoing transaction (or its parent) that at the time of such transaction have a market value of \$190.00.

Table of Contents

At any time after any person or group becomes an acquiring person and prior to the earlier of one of the events described in the previous paragraph or the acquisition by this acquiring person of 50% or more of the outstanding shares of common stock, the board of directors of Centrue Financial may exchange the rights (other than rights owned by acquiring person, which will become void), in whole or in part, for shares of common stock or preferred stock (or a series of Centrue Financial's preferred stock having equivalent rights, preferences and privileges), at an exchange ratio of one share of common stock, or a fractional share of preferred stock (or other preferred stock) equivalent in value thereto, per right.

With certain exceptions, no adjustment in the purchase price will be required until cumulative adjustments require an adjustment of at least 1% in the purchase price. No fractional shares of preferred stock or common stock will be issued (other than fractions of preferred stock that are integral multiples of one one-thousandth of a share of preferred stock, which may, at the election of Centrue Financial, be evidenced by depositary receipts), and in lieu thereof an adjustment in cash will be made based on the current market price of the preferred stock or the common stock.

At any time prior to the time an acquiring person becomes such, the board of directors of Centrue Financial may redeem the rights in whole, but not in part, at a price of \$0.01 per right (the redemption price). Immediately upon any redemption of the rights, the right to exercise the rights will terminate and the only right of the holders of rights will be to receive the redemption price.

For so long as the rights are then redeemable, Centrue Financial may, except with respect to the redemption price, amend the rights agreement in any manner. After the rights are no longer redeemable, Centrue Financial may, except with respect to the redemption price, amend the rights agreement in any manner that does not adversely affect the interests of holders of the rights.

Until a right is exercised or exchanged, the holder thereof, as such, will have no rights as a shareholder of Centrue Financial, including, without limitation, the right to vote or to receive dividends.

Illinois Community. Illinois Community does not have a preferred stock purchase plan.

Classification of Board of Directors

Centrue Financial. Centrue Financial's certificate of incorporation provides for the division of its board of directors into three classes of approximately equal size. Centrue Financial's directors are elected for three-year terms, and the terms of office of approximately one-third of the members of the classified board of directors expire each year. This board classification may make it more difficult for a shareholder to acquire immediate control of Centrue Financial and remove management by means of a proxy contest. Because the terms of approximately one-third of the incumbent directors expire each year, at least two annual elections would be necessary for shareholders to replace a majority of Centrue Financial's directors, while a majority of directors of a non-classified board could be replaced in one annual meeting.

Illinois Community. Illinois Community's articles of incorporation also provide for a classified board, with the same effects.

Size of the Board of Directors; Vacancies; Removal

Centrue Financial. Centrue Financial's certificate of incorporation and bylaws contain provisions that may impede changes in majority control of the board of directors. Centrue Financial's bylaws provide that the size of the board of directors may be increased or decreased only by a majority vote of the whole board or by a vote of holders of at least 80% of the shares eligible to be voted at a duly constituted meeting of shareholders called for such purpose. The bylaws also provide that any vacancy occurring in the number of directors may be filled for the remainder of the unexpired term by a majority vote of the directors then in office.

Under the Delaware General Corporation Law, members of a classified board of directors may only be removed for cause, unless the certificate of incorporation provides otherwise. Centrue Financial's certificate of incorporation provides that a director may only be removed for cause, and then only by the affirmative vote of holders of at least 80% of the shares eligible to vote. Centrue Financial's certificate of incorporation does not

Table of Contents

include a definition of cause. The purpose of this provision is to prevent a majority shareholder from circumventing the classified board system by removing directors and filling the vacancies with new individuals selected by that shareholder. This provision may have the effect of impeding efforts to gain control of the board of directors by anyone who obtains a controlling interest in Centru Financial's outstanding common stock.

Illinois Community. Illinois Community's articles of incorporation provide that the size of the board of directors must consist of at least six, but no more than fifteen, directors, and may be increased or decreased with a two-thirds vote of the board of directors then in office. The articles of incorporation and bylaws also provide that any vacancy occurring on the board of directors may be filled for the remainder of the unexpired term by a two-thirds vote of the directors then in office.

Under the IBCA, if a board is classified, the articles of incorporation may provide that a director may be removed only for cause. Illinois Community's articles of incorporation and bylaws provide that a director may be removed only for cause and only by the affirmative vote of at least 80% of the outstanding shares of capital stock of Illinois Community entitled to vote generally in the election of directors, and only at an annual meeting or at a special meeting called for that purpose. Illinois Community's articles of incorporation do not contain a definition of cause. This provision has the same effect as the comparable provision in Centru Financial's certificate of incorporation.

Shareholder Nominations and Proposals

Centru Financial. Under Centru Financial's bylaws, the only business that may be conducted at an annual meeting of shareholders is the business brought before the meeting by the board of directors or by any shareholder who is entitled to vote and who complies with the notice procedures set forth in Centru Financial's bylaws. For business to be brought before an annual meeting by a shareholder, the shareholder must have given timely notice in writing to the secretary of Centru Financial. To be timely, a shareholder's notice must be delivered or mailed and received at the principal executive offices of Centru Financial not less than 30 days prior to the date of the meeting; provided, however, that in the event that less than 40 days' notice or prior public disclosure of the meeting date is given or made to shareholders, such notice by the shareholder to be timely must be delivered no later than 10 days after the earlier of the date of the notice of the meeting or public disclosure of the date of the meeting.

A shareholder's notice to the secretary must set forth as to each matter the shareholder proposes to bring before the annual meeting:

a brief description of the matter the shareholder desires to present;

the name and record address of the shareholder who proposed the matter;

the class and number of shares of Centru Financial's capital stock that are beneficially owned by the shareholder; and

any material interest of the shareholder in the matter.

Centru Financial's bylaws provide that nominations for election to Centru Financial's board of directors may be made only by the board of directors or by any shareholder entitled to vote for the election of directors who complies with the notice procedures set forth in the bylaws and described above. The shareholder's notice must set forth, as to each person the shareholder proposes to nominate for election or re-election as a director, such person's name and qualifications and, as to the shareholder giving the notice, his or her name and address, and the class and number of shares of Centru Financial's capital stock owned by the nominated shareholder.

Illinois Community. Illinois Community's articles of incorporation and bylaws contain a comparable shareholder proposal provision as that contained in Centru Financial's bylaws. The shareholder nomination provision in Illinois Community's articles of incorporation is also comparable to that contained in Centru Financial's bylaws.

Special Meetings of Shareholders

Centrue Financial. Centrue Financial's certificate of incorporation and bylaws provide that a special meeting of shareholders may be called only by a resolution of the board of directors adopted by a majority of the total number of directors Centrue Financial would have if there were no vacancies. Shareholders are not authorized to call special meetings.

Illinois Community. Illinois Community's articles of incorporation and bylaws provide that special meetings may be called by the president, the board of directors, by a committee of the board or directors that has specifically been given the power to call special meetings, or by holders of at least one-fifth of the outstanding shares entitled to vote on the matter for which the meeting is called.

Action by Written Consent

Centrue Financial. Centrue Financial's certificate of incorporation prohibits its shareholders from taking action by written consent.

Illinois Community. Illinois Community's articles of incorporation also prohibit its shareholders from taking action by written consent.

Dividends

Centrue Financial. Generally, Centrue Financial's ability to pay dividends is governed by Delaware corporate law. Under Delaware corporate law, unless there are restrictions in the corporation's certificate of incorporation, dividends may be declared from the corporation's surplus, or if there is no surplus, from its net profits for the fiscal year in which the dividend is declared and the preceding years. Dividends may not be declared, however, if the corporation's capital is less than the amount of all capital represented by the issued and outstanding stock of all classes having a preference upon the distribution of assets.

Centrue Financial shareholders are entitled to dividends as and when declared by the board of directors. In April of 2004, Centrue Financial's board of directors voted to eliminate its quarterly dividend. The reinstatement and declaration of dividends by the Centrue Financial board of directors is discretionary, and depends on Centrue Financial's earnings and financial condition, regulatory limitations, tax considerations and other factors, including limitations imposed by the terms of Centrue Financial's outstanding junior subordinated debentures.

Centrue Financial issued approximately \$10.3 million of these debentures in April of 2002 to Kankakee Capital Trust I, which contemporaneously issued \$10.0 million of preferred securities to MM Community Funding III, Ltd. in a private placement. In April of 2004, Centrue Financial issued approximately \$10.3 million of additional debentures to Centrue Statutory Trust II, which contemporaneously issued \$10.0 million of preferred securities to First Tennessee Bank National Association in a private placement. All of the common stock of Kankakee Capital Trust I and Centrue Statutory Trust II is owned by Centrue Financial and the debentures are the only assets of the trusts. When the debentures mature, the preferred securities must be redeemed. The debentures issued to Kankakee Capital Trust I mature on April 7, 2032, and the debenture issued to Centrue Statutory Trust II mature on April 22, 2034. The debentures and preferred securities pay interest and dividends, respectively, quarterly. Under the terms of the debentures, Centrue Financial may be prohibited, under certain circumstances, from paying dividends on shares of its common stock. None of these circumstances currently exist.

Illinois Community. Illinois Community's ability to pay dividends on its common stock is governed by Illinois corporate law. Under Illinois corporate law, dividends may be paid so long as after giving effect to their payment, the corporation would not be insolvent and the corporation's net assets would not be less than zero or less than the maximum amount necessary at the time of payment of the dividends to satisfy the preferential rights upon dissolution to shareholders whose preferential rights are superior to those receiving the dividends. Subject to Illinois law, Illinois Community's articles of incorporation provide that the board of directors may declare and pay dividends out of any assets legally available for the payment of dividends.

Table of Contents

Most of the revenues of Illinois Community available for the payment of dividends derive from amounts paid to it by its banking subsidiary. There are various statutory limitations that limit the ability of this subsidiary to pay dividends to Illinois Community.

Evaluation of Proposals

Centrue Financial. Centrue Financial's certificate of incorporation provides that the board, when evaluating any offer by another person to: (a) make a tender or exchange offer for any equity security; (b) merge or consolidate Centrue Financial with another corporation or entity; or (c) purchase or otherwise acquire all or substantially all of the properties and assets of Centrue Financial, may, in connection with the exercise of its judgment in determining what is in the best interests of Centrue Financial and its shareholders, give consideration to all relevant factors, including the social and economic effect of acceptance of the offer on Centrue Financial's present and future employees and those of its subsidiaries, on the communities in which Centrue Financial and its subsidiaries operate or are located, on the ability of Centrue Financial to fulfill its corporate objectives and on the ability of its subsidiary financial institution to fulfill its objectives under applicable rules and regulations.

Illinois Community. The articles of incorporation of Illinois Community contain similar provisions. When evaluating certain business combinations with affiliates or tender or exchange offers, in addition to considering the adequacy of the amount to be paid in connection with the transaction, the board of directors may consider other relevant factors, including: (a) the social and economic effects of the transaction on Illinois Community, its subsidiaries, employees, depositors, loan and other customers, creditors and other elements of the communities in which it is located or operates; (b) the business and financial condition of the acquiring person or entity; and (c) the competence, experience and integrity of the acquiring person or the entity and its or their management.

Special Voting Requirements; Business Combinations

Centrue Financial. Centrue Financial's certificate of incorporation requires that certain business combinations between Centrue Financial (or any majority-owned subsidiary) and a 10% or more shareholder either:

be approved by holders of at least 80% of the total number of outstanding voting shares, voting as a single class, of Centrue Financial;

be approved by at least two-thirds of the continuing board of directors, meaning persons serving prior to the 10% shareholder becoming a 10% shareholder, and be approved by holders of a majority of the total number of outstanding voting shares; or

meet certain price conditions, and be approved by holders of a majority of the total number of outstanding voting shares.

In addition, Section 203(d) of the Delaware General Corporation Law prohibits Centrue Financial from engaging in a business combination, as defined by the Delaware General Corporation Law, with an interested shareholder, defined as a person who owns, directly or indirectly, 15% or more of Centrue Financial's voting stock, for a three year period from the date the person became an interested shareholder, referred to as the acquisition date, unless:

prior to the acquisition date the Centrue Financial board approved the business combination or the transaction that resulted in the shareholder becoming an interested shareholder;

upon completion of the transaction in which the shareholder became an interested shareholder, the shareholder owns at least 85% of Centrue Financial's voting stock, excluding stock held by officers and directors and employee stock plans in which the participants do not have the right to determine confidentially whether shares held by the plan will be tendered in an exchange offer or a tender offer; or

on or after the acquisition date, the business combination is approved by the Centrue Financial board and by the Centrue Financial shareholders, at a meeting duly called for that purpose, provided that

Table of Contents

shareholders owning at least two-thirds of Centrue Financial's voting stock approve the business combination. When determining whether this two-thirds vote requirement has been satisfied, voting stock held by the interested shareholder is not included.

Illinois Community. Subject to contrary provisions in a corporation's articles of incorporation, the IBCA provides that a corporation may engage in any merger, consolidation or a sale or lease of all or substantially all of its assets if such transaction is approved by the corporation's board of directors and ratified by the vote of holders of at least two-thirds of the corporation's issued and outstanding shares of voting stock.

Illinois Community's articles of incorporation require that certain business combinations between Illinois Community (or any majority-owned subsidiary) and a 10% or more shareholder be approved by:

the holders of at least 80% of the outstanding shares entitled to vote; and

at least a majority of the outstanding shares entitled to vote, not including shares deemed beneficially owned by the 10% shareholder.

A business combination with a 10% or more shareholder will not require the shareholder approval described above if the transaction is approved by at least two-thirds of the continuing board of directors. Continuing directors are directors who are unaffiliated with the 10% shareholder and who were serving prior to the time when the 10% shareholder became a 10% shareholder.

Amendment of Charter Documents

Centrue Financial. The Delaware General Corporation Law provides that amendments to a corporation's certificate must be approved by holders of a majority of the issued and outstanding shares of a corporation's voting stock. Centrue Financial's certificate of incorporation may be amended in the manner prescribed by the Delaware General Corporation Law unless a proposed amendment is approved by a resolution of less than two-thirds of the number of directors, in which case the amendment must be approved by holders of at least 80% of the then-outstanding shares.

Centrue Financial's bylaws may be amended by a majority vote of the board of directors or the affirmative vote of holders of at least 80% of the then-outstanding shares.

Illinois Community. Generally, Illinois Community may amend its articles in the manner permitted by Illinois law. The IBCA provides that a corporation's articles may be amended by holders of two-thirds or more of the shares entitled to be voted on an amendment, unless the corporation's articles provide otherwise. However, amending certain provisions of Illinois Community's articles of incorporation requires the affirmative vote of 80% of the outstanding shares unless a majority of the continuing directors approves the amendment, in which case, a majority vote of the outstanding shares is necessary.

Illinois Community's bylaws provide that they may be amended only in the manner provided for in the articles of incorporation. The articles of incorporation provide that the bylaws may be amended in either of the following ways:

by holders of 80% of the outstanding shares of stock of Illinois Community; or

by a vote of two-thirds of the board of directors.

Limitations on Director Liability

Centrue Financial. Centrue Financial's certificate of incorporation provides that a director will not be personally liable to Centrue Financial or its shareholders for any breach of fiduciary duty as a director, except for liability:

for any breach of the director's duty of loyalty;

for acts or omissions not in good faith or involving intentional misconduct or a knowing violation of law;

Table of Contents

under Section 174 of the Delaware General Corporation Law, which relates to unlawful payment of dividends or unlawful stock purchase or redemption and expressly sets forth a negligence standard with respect to such liability; and

for any transaction from which the director derived an improper personal benefit.

If the Delaware General Corporation Law is amended to further limit or eliminate the personal liability of directors, then the liability of directors of Centrue Financial will be limited or eliminated to the fullest extent permitted by the Delaware General Corporation Law as so amended.

Illinois Community. The articles of incorporation of Illinois Community provide that no director will be liable to Illinois Community or its shareholders for monetary damages for breach of fiduciary duty as a director, except:

for any breach of the director's duty of loyalty to Illinois Community or its shareholders;

for acts or omissions not in good faith that involve intentional misconduct or knowing violation of the law;

under Section 8.65 of the Illinois Business Corporation Act, which relates to unlawful payment of dividends and liability of directors upon dissolution for failing to give proper notice to creditors or for continuing the business of the corporation (outside of necessary winding-up) subsequent to filing by the Secretary of State of articles of dissolution; or

for any transaction from which the director derived any improper benefit.

Indemnification

Centrue Financial. Under Delaware law, a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The certificate of incorporation of Centrue Financial provides that Centrue Financial must indemnify, to the fullest extent permitted by the Delaware General Corporation Law, but subject to the limits of federal law applicable to bank holding companies, any person made or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or officer of Centrue Financial or is or was serving at Centrue Financial's request as a director, officer, employee or agent of another corporation or other enterprise, against liabilities and expenses reasonably incurred or paid by such person in connection with any such action, suit or proceeding.

Centrue Financial may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of Centrue Financial or another corporation or enterprise against any expense or loss, whether or not Centrue Financial would have the power to indemnify such person under the Delaware General Corporation Law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling Centrue Financial under the provisions described above, Centrue Financial has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Table of Contents

Illinois Community. Under Illinois law, directors, officers, employees and agents of a corporation may be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement under certain circumstances. Illinois law is substantially the same as Delaware law in this area, and the articles of incorporation of Illinois Community contain substantially the same provisions governing indemnification as does Centru Financial's certificate of incorporation.

Dissenters' Rights

Centru Financial. Under Section 262 of the Delaware General Corporation Law, shareholders of a Delaware corporation generally are entitled to dissent from a merger or consolidation and receive payment in cash of the fair value of their stock, as determined by the Delaware Court of Chancery. However, dissenters' rights are not granted under Delaware law with respect to any transaction involving the sale, lease or exchange of substantially all of the assets of a corporation. In addition, dissenters' rights are not available in certain circumstances with respect to shares of stock that are listed on a national securities exchange, such as the shares of Centru Financial common stock. Centru Financial's certificate of incorporation and bylaws do not provide for any additional dissenters' rights.

Illinois Community. Under the Illinois Business Corporation Act, a shareholder is generally entitled to dissent from a corporate action and receive payment in cash for the fair value of his or her shares in certain events. These events generally include:

mergers, share exchanges and sales or leases of substantially all of the corporation's assets if the shareholder is entitled to vote on the transaction;

certain types of amendments of the corporation's articles that materially and adversely affect a shareholder's rights; or

other corporate actions taken pursuant to a shareholder vote, to the extent that the articles of incorporation, bylaws or a resolution of the board provide for dissenters' rights.

Illinois Community's articles and bylaws do not provide for any additional dissenters' rights. See *Special Meeting - Dissenters' Rights* for additional information.

BUSINESS OF CENTRUE FINANCIAL

Centru Financial is a financial holding company registered under the Bank Holding Company Act of 1956. Centru Financial's primary business activity is acting as the holding company for Centru Bank, a state chartered commercial bank. Centru Bank is Centru Financial's only financial institution subsidiary, and is the bank resulting from the merger of KFS Bank, F.S.B., a subsidiary of Centru Financial, with and into the State Bank of Aviston. That merger occurred upon Centru Financial's acquisition of Aviston Financial Corporation in October 2003. KFS Bank (and its predecessor financial institution) was originally founded in 1885. Centru Bank has one subsidiary, Centru Service Corp., which itself has a wholly-owned subsidiary, Centru Insurance Agency, Inc., which is engaged in the business of providing insurance and annuity products to its customers.

At September 30, 2004, the Centru Financial had consolidated assets of over \$600 million and shareholders' equity of \$43.0 million.

Financial and other information relating to Centru Financial, including information relating to its current directors and executive officers, is set forth in Centru Financial's Quarterly Report on Form 10-Q for the quarter ended September 30, 2004, Centru Financial's 2004 Annual Report on Form 10-K, Centru Financial's Proxy Statement for its 2004 Annual Meeting of Shareholders filed with the Securities and Exchange Commission on March 19, 2004, and Centru Financial's Current Reports on Form 8-K filed during 2004 and 2005, which are incorporated by reference in this proxy statement-prospectus and copies of which may be obtained from Centru Financial as indicated under *Where You Can Find More Information* on page 47. All fees, costs and expenses of the Exchange Agent shall be borne solely by Centrue Financial.

(c) Neither the Exchange Agent nor any party hereto shall be liable to any former ICB Shareholder for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

(d) No dividends or other distributions with respect to Centrue Financial Common Stock with a record date occurring after the Effective Time shall be paid to the holder of any unsurrendered Old Certificate representing shares of ICB Common Stock converted in the Merger into the right to receive shares of Centrue Financial Common Stock until the holder of such unsurrendered Old Certificate shall be entitled to receive a new certificate representing shares of Centrue Financial Common Stock in exchange therefor in accordance with the procedures set forth in this Section. After becoming so entitled in accordance with this Section, the record holder thereof also shall be entitled to receive any such dividends or other distributions by the Exchange Agent, without any interest thereon, which theretofore had become payable with respect to shares of Centrue Financial Common Stock such holder had the right to receive upon surrender of the Old Certificates.

(e) Any portion of the Merger Consideration that remains unclaimed by the ICB Shareholders on the six (6) month anniversary of the Effective Time shall be paid to Centrue Financial to be held for the benefit of holders of unsurrendered Old Certificates. Any ICB Shareholders who have not theretofore complied with this Article shall thereafter look only to Centrue Financial for payment of the Merger Consideration, cash in lieu of any fractional shares and unpaid dividends and distributions on Centrue Financial Common Stock deliverable in respect of each share of ICB Common Stock such shareholder holds as determined pursuant to this Agreement, in each case without any interest thereon.

(f) If a certificate representing shares of Centrue Financial Common Stock or a check representing Cash Consideration is to be issued in a name other than that in which the Old Certificate surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the Old Certificate so surrendered shall be properly endorsed, accompanied by all documents required to evidence and effect such transfer and otherwise in proper form for transfer and that the Person requesting such exchange shall pay to Centrue Financial any transfer or other taxes required by reason of the issuance of a certificate representing shares of Centrue Financial Common Stock or a check representing Cash Consideration in any name other than that of the registered holder of the Old Certificate surrendered, or otherwise required, or shall establish to the satisfaction of Centrue Financial that such tax has been paid or is not payable.

SECTION 3.7 Anti-Dilution Provisions.

(a) If Centrue Financial issues additional shares of Centrue Financial Common Stock (other than as provided below) or declares a stock dividend, stock split, reverse split or other general distribution, reclassification or recapitalization of Centrue Financial Common Stock and the record date for such stock dividend, stock split, distribution, reclassification or recapitalization occurs at any time after the

Agreement Date and prior to the Effective Time, then the number of shares of Centrue Financial Common Stock distributable to ICB Shareholders shall be equitably adjusted as necessary to give effect to the change in Centrue Financial capitalization. Notwithstanding the foregoing, no adjustment shall be made in such number of shares of Centrue Financial Common Stock distributable: (x) in the event of the issuance of additional shares of Centrue Financial Common Stock pursuant to the grant or sale of shares to, or for the account of, employees of Centrue Financial pursuant to Centrue Financial's stock option, qualified and non-qualified retirement and dividend reinvestment plans; or (y) in the event of the issuance of additional shares of Centrue Financial Common Stock or other securities pursuant to a public offering, private placement or an acquisition of one or more banks, corporations or business assets for consideration which the board of directors, or a duly authorized committee of the board of directors, of Centrue Financial in its reasonable business judgment determines to be fair and reasonable.

(b) Subject only to making any adjustments and related computations prescribed by this Section, nothing contained in this Agreement is intended to preclude Centrue Financial from amending its certificate of incorporation to change its capital structure or from issuing additional shares of Centrue Financial Common Stock, preferred stock, shares of other capital stock or securities that are convertible into shares of capital stock.

SECTION 3.8 Tax Free Reorganization. The parties to this Agreement intend for the Merger to qualify as a nontaxable reorganization within the meaning of Section 368 and related sections of the Code and agree to cooperate and to take such actions as may be reasonably necessary to ensure such result and no party shall file any tax return or take any action or position inconsistent therewith, except as required pursuant to any Legal Requirement.

SECTION 3.9 Dissenting Shares. Notwithstanding anything to the contrary contained in this Agreement, to the extent appraisal rights are available to shareholders of ICB pursuant to the provisions of any applicable Legal Requirements, including the IBCA, any shares of ICB Common Stock held by a Person who objects to the Merger, whose shares were not voted in favor of the Merger and who complies with and satisfies all of the provisions of the applicable Legal Requirements concerning the rights of such Person to dissent from the Merger and to require appraisal of such Person's shares and who has not withdrawn such objection or waived such rights prior to the Effective Time (collectively with respect to all such ICB shareholders, the **Dissenting Shares**), shall not be converted pursuant to the provisions of this Article, but shall become the right to receive such consideration as may be determined to be due to the holder of such Dissenting Shares pursuant to the applicable Legal Requirements, including, if applicable, any costs determined to be payable by ICB to the holders of Dissenting Shares pursuant to an order of any court pursuant to any applicable Legal Requirements; *provided, however*, that each Dissenting Share held by a Person at the Effective Time who shall, after the Effective Time, withdraw the demand for appraisal or lose the right of appraisal, in either case pursuant to applicable Legal Requirements shall be deemed to have been converted, as of the Effective Time, into the right to receive the Merger Consideration as is determined in accordance with this Article.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES OF ICB

ICB hereby represents and warrants to Centrue Financial that the following are true and correct as of the Agreement Date, and will be true and correct as of the Effective Time:

SECTION 4.1 ICB Organization. ICB: (a) is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois and is also in good standing in each other jurisdiction in which the nature of the business conducted or the properties or assets owned or leased by it makes such qualification necessary; (b) is registered with the Federal Reserve as a bank holding company under the federal Bank Holding Company Act of 1956, as amended (the **BHCA**); and (c) has full power and authority, corporate and otherwise, to operate as a bank holding company and to own, operate and lease its properties as presently owned, operated and leased, and to carry on its business as it is now being conducted. Copies of the articles of

incorporation and bylaws of ICB and all amendments thereto are set forth on **Schedule 4.1** and are complete and correct. ICB has no Subsidiaries other than the Bank and as set forth on **Schedule 4.1**.

SECTION 4.2 ICB Subsidiary Organization. The Bank is an Illinois chartered commercial bank duly organized, validly existing and in good standing under the laws of the State of Illinois. Each other ICB Subsidiary is duly organized, validly existing and in good standing in its state or jurisdiction of organization. Each ICB Subsidiary has full power and authority, corporate and otherwise, to own, operate and lease its properties as presently owned, operated and leased, and to carry on its business as it is now being conducted, and is duly qualified to do business and is in good standing in each jurisdiction in which the nature of the business conducted or the properties or assets owned or leased by it makes such qualification necessary. Copies of the charter and bylaws (or similar organizational documents) of each ICB Subsidiary and all amendments thereto are set forth on **Schedule 4.2** and are complete and correct.

SECTION 4.3 Authorization; Enforceability.

(a) ICB has the requisite corporate power and authority to enter into and perform its obligations under this Agreement. The execution, delivery and performance of this Agreement by ICB, and the consummation by it of its obligations under this Agreement, have been authorized by all necessary corporate action, subject to shareholder approval, and this Agreement constitutes a legal, valid and binding obligation of ICB enforceable in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally and subject to general principles of equity.

(b) Except for ordinary corporate requirements, no business combination, moratorium, control share or other state anti-takeover statute or regulation or any provisions contained in the articles or certificate of incorporation or bylaws or similar organizational documents of ICB or any ICB Subsidiary: (i) prohibits or restricts ICB's ability to perform its obligations under this Agreement, or its ability to consummate the Contemplated Transactions; (ii) would have the effect of invalidating or voiding this Agreement, or any provision hereof; or (iii) would subject Centru Financial to any material impediment or condition in connection with the exercise of any of its rights under this Agreement. The board of directors of ICB has unanimously approved the execution of, and performance by ICB of its obligations under, this Agreement.

SECTION 4.4 No Conflict. Except as set forth on **Schedule 4.4**, neither the execution nor delivery of this Agreement nor the consummation or performance of any of the Contemplated Transactions will, directly or indirectly (with or without notice or lapse of time): (a) contravene, conflict with or result in a violation of any provision of the articles or certificate of incorporation or charter or bylaws (or similar organizational documents), each as in effect on the Agreement Date, or any currently effective resolution adopted by the board of directors or shareholders of ICB or any ICB Subsidiary; (b) contravene, conflict with or result in a violation of, or give any Regulatory Authority or other Person the valid and enforceable right to challenge any of the Contemplated Transactions or to exercise any remedy or obtain any relief under, any Legal Requirement or any Order to which ICB or any ICB Subsidiary, or any of their respective assets that are owned or used by them, may be subject, except for any contravention, conflict or violation that is permissible by virtue of obtaining the regulatory approvals necessitated by the Contemplated Transactions, including any such approvals under the BHCA, the Federal Deposit Insurance Act, as amended (the **FDIA**), the Securities Act, the Exchange Act, the DGCL, the IBCA, the Illinois Act and the Illinois Banking Act (the **IBA**); (c) contravene, conflict with or result in a violation or breach of any provision of, or give any Person the right to declare a default or exercise any remedy under, or to accelerate the maturity or performance of, or to cancel, terminate or modify any material Contract to which ICB or any ICB Subsidiary is a party or by which any of their respective assets is bound; or (d) result in the creation of any lien, charge or encumbrance upon or with respect to any of the assets owned or used by ICB or any ICB Subsidiary. Except for the approvals referred to in **Section 8.1** and the requisite approval of its shareholders, neither ICB nor any ICB Subsidiary is or will be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement or the consummation or performance of any of the Contemplated Transactions.

Table of ContentsSECTION 4.5 ICB Capitalization.

(a) The authorized capital stock of ICB currently consists exclusively of: (i) 5,000,000 shares of ICB Common Stock, of which, as of the Agreement Date, 502,550 shares are duly issued, fully paid and non-assessable, including 50,240 shares that are held by ICB as treasury shares; and (ii) 1,000,000 shares of preferred stock, \$0.01 par value per share, none of which are issued and outstanding as of the Agreement Date. ICB acknowledges that the Merger Consideration was determined based upon the accuracy of the representations and warranties made in this Section with respect to the number of outstanding shares of ICB Common Stock and the absence of any options or other rights to purchase additional shares of ICB Common Stock, and acknowledges that any Breach of such representations and warranties shall be deemed to have a Material Adverse Effect on ICB for purposes of this Agreement.

(b) None of the shares of ICB Common Stock have been issued in violation of any federal or state securities laws or any other Legal Requirement. Since December 31, 2003, except as disclosed in or permitted by this Agreement or as provided on **Schedule 4.5**, no shares of ICB capital stock have been purchased, redeemed or otherwise acquired, directly or indirectly, by ICB or any ICB Subsidiary and no dividends or other distributions payable in any equity securities of ICB or any ICB Subsidiary have been declared, set aside, made or paid to the ICB Shareholders. To the Knowledge of ICB, none of the shares of authorized capital stock of ICB are, nor on the Closing Date will they be, subject to any claim of right inconsistent with this Agreement. There are, as of the Agreement Date, no outstanding subscriptions, contracts, conversion privileges, options, warrants, calls or other rights obligating ICB or any ICB Subsidiary to issue, sell or otherwise dispose of, or to purchase, redeem or otherwise acquire, any shares of capital stock of ICB or any ICB Subsidiary, and except as provided in this Section or otherwise disclosed in this Agreement, ICB is not a party to any Contract relating to the issuance, purchase, sale or transfer of any equity securities or other securities of ICB. ICB does not own or have any Contract to acquire any equity securities or other securities of any Person or any direct or indirect equity or ownership interest in any other business except for the capital stock of the Bank and as set forth in **Schedule 4.5**.

SECTION 4.6 ICB Subsidiary Capitalization. The authorized capital stock of the Bank consists, and immediately prior to the Effective Time, will consist exclusively of 43,130 shares of capital common stock, \$1.00 par value per share (the **Bank Shares**), all of which shares are, and immediately prior to the Closing will be, duly authorized, validly issued and outstanding, fully paid and nonassessable. ICB is, and will be on the Closing Date, the record and beneficial owner of one hundred percent (100%) of the Bank Shares and all of the issued and outstanding shares of capital stock of each other ICB Subsidiary, free and clear of any lien or encumbrance whatsoever. The Bank Shares are, and will be on the Closing Date, freely transferable and are, and will be on the Closing Date, subject to no claim except pursuant to this Agreement and as set forth on **Schedule 4.6**. There are no unexpired or pending preemptive rights with respect to any shares of capital stock of any ICB Subsidiary, except for such rights held exclusively by ICB. There are no outstanding securities of any ICB Subsidiary that are convertible into or exchangeable for any shares of such ICB Subsidiary's capital stock, except for such rights held exclusively by ICB, and no ICB Subsidiary is a party to any Contract relating to the issuance, sale or transfer of any equity securities or other securities of such ICB Subsidiary. Neither ICB nor any ICB Subsidiary owns or has any Contract to acquire, any equity securities or other securities of any Person or any direct or indirect equity or ownership interest in any other business, except as set forth on **Schedule 4.6**.

SECTION 4.7 Financial Statements and Reports. True, correct and complete copies of the following financial statements are included in **Schedule 4.7**:

(a) audited Consolidated Balance Sheets for ICB as of December 31, 2001, 2002 and 2003, and the related audited Consolidated Statements of Operations, Statements of Cash Flows and Consolidated Statements of Changes in Shareholders' Equity of ICB for the years ended December 31, 2001, 2002 and 2003;

Table of Contents

(c) Call Reports for the Bank as of the close of business on December 31, 2001, 2002 and 2003, and for the nine months ended September 30, 2004.

The financial statements described in clause (a) have been prepared in conformity with GAAP and comply in all material respects with all applicable Legal Requirements. The financial statements described in clauses (b) and (c) above have been prepared on a basis consistent with past accounting practices and as required by applicable Legal Requirements and fairly present the consolidated financial condition and results of operations at the dates and for the periods presented. Taken together, the financial statements described in clauses (a), (b) and (c) above (collectively, and including the notes thereto, the **ICB Financial Statements**) are complete and correct in all material respects and fairly and accurately present the respective financial position, assets, liabilities and results of operations of ICB and the Bank as at the respective dates of, and for the periods referred to in, the ICB Financial Statements, subject to normal year-end non-material audit adjustments in amounts consistent with past practice in the case of the unaudited ICB Financial Statements. The ICB Financial Statements do not include any material assets or omit to state any material liabilities, absolute or contingent, or other facts, which inclusion or omission would render the ICB Financial Statements misleading in any material respect as of the respective dates and for the periods referred to in the respective ICB Financial Statements.

SECTION 4.8 Books and Records. The books of account, minute books, stock record books and other records of ICB and each ICB Subsidiary are complete and correct in all material respects and have been maintained in accordance with ICB's business practices and all applicable Legal Requirements, including the maintenance of any adequate system of internal controls required by the Legal Requirements. The minute books of ICB and each ICB Subsidiary contain accurate and complete records in all material respects of all meetings held of, and corporate action taken by, its respective shareholders, board of directors and committees of the board of directors. At the Closing, all of those books and records will be in the possession of ICB and the ICB Subsidiaries.

SECTION 4.9 Title to Properties. ICB and each ICB Subsidiary has good and marketable title to all assets and properties, whether real or personal, tangible or intangible, that it purports to own, subject to no valid liens, mortgages, security interests, encumbrances or charges of any kind except: (a) as noted in the most recent ICB Financial Statement or on **Schedule 4.6** or **Schedule 4.9**; (b) statutory liens for Taxes not yet delinquent or being contested in good faith by appropriate Proceedings and for which appropriate reserves have been established and reflected on the ICB Financial Statements; (c) pledges or liens required to be granted in connection with the acceptance of government deposits, granted in connection with repurchase or reverse repurchase agreements, pursuant to borrowings from Federal Home Loan Banks or similar borrowings, or otherwise incurred in the Ordinary Course of Business; and (d) minor defects and irregularities in title and encumbrances that do not materially impair the use thereof for the purposes for which they are held (all of such exceptions in clauses (a) through (d) are collectively referred to as **Permitted Exceptions**). Except as set forth on **Schedule 4.9**, ICB and each ICB Subsidiary as lessee has the right under valid and existing leases to occupy, use, possess and control any and all of the respective property leased by it. Except where any failure would not reasonably be expected to have a Material Adverse Effect on ICB on a consolidated basis, all buildings and structures owned by ICB and each ICB Subsidiary lie wholly within the boundaries of the real property owned or validly leased by it, and do not encroach upon the property of, or otherwise conflict with the property rights of, any other Person.

SECTION 4.10 Condition and Sufficiency of Assets. The buildings, structures and equipment of ICB and each ICB Subsidiary are structurally sound, are in good operating condition and repair, and are adequate for the uses to which they are being put, and none of such buildings, structures or equipment is in need of maintenance or repairs except for ordinary, routine maintenance and repairs that are not material in the aggregate in nature or in cost. Except where any failure would not reasonably be expected to have a Material Adverse Effect on ICB on a consolidated basis, the real property, buildings, structures and equipment owned or leased by ICB and each ICB Subsidiary are in compliance with the Americans with Disabilities Act of 1990, as amended, and the regulations promulgated thereunder, and all other building and development codes and other restrictions, including subdivision regulations, building and construction regulations, drainage codes, health, fire and safety laws and regulations, utility tariffs and regulations, conservation laws and zoning laws

and ordinances. The assets and properties, whether real or personal, tangible or intangible, that ICB or any ICB Subsidiary purport to own are sufficient for the continued conduct of the business of ICB and each ICB Subsidiary after the Closing in substantially the same manner as conducted prior to the Closing.

SECTION 4.11 Loans: Allowance for Loan and Lease Losses. Except as contemplated as set forth in **Schedule 4.11**, all loans and loan commitments extended by any ICB Subsidiary and any extensions, renewals or continuations of such loans and loan commitments (the **ICB Loans**) were made materially in accordance with the lending policies of such ICB Subsidiary in the Ordinary Course of Business. The ICB Loans are evidenced by appropriate and sufficient documentation and constitute valid and binding obligations to such ICB Subsidiary enforceable in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally and subject to general principles of equity. All such ICB Loans are, and at the Closing will be, free and clear of any encumbrance or other charge (except for liens, if any, set forth on **Schedule 4.9**) and each ICB Subsidiary has complied, and at the Closing will have complied with all Legal Requirements relating to such ICB Loans, except where any such failure to comply would not reasonably be expected to have a Material Adverse Effect on ICB on a consolidated basis. The allowance for loan and lease losses of each ICB Subsidiary is and will be on the Closing Date adequate in all material respects to provide for possible or specific losses, net of recoveries relating to loans previously charged off, and contains and will contain an additional amount of unallocated reserves for unanticipated future losses at an adequate level. To the Knowledge of ICB: (i) none of the ICB Loans is subject to any material offset or claim of offset; and (ii) the aggregate loan balances in excess of the Bank's allowance for loan and lease losses are, based on past loan loss experience, collectible in accordance with their terms (except as limited above) and all uncollectible loans have been charged off.

SECTION 4.12 Undisclosed Liabilities: Adverse Changes. Except as set forth on **Schedule 4.12**, neither ICB nor any ICB Subsidiary has any material liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for liabilities or obligations reflected or reserved against in the ICB Financial Statements and current liabilities incurred in the Ordinary Course of Business since the respective dates thereof. Except as set forth on **Schedule 4.12**, since the date of the latest ICB Financial Statement, there has not been any change in the business, operations, properties, prospects, assets or condition of ICB or any ICB Subsidiary, and, to ICB's Knowledge, no event has occurred or circumstance exists, that has had or would reasonably be expected to have a Material Adverse Effect on ICB on a consolidated basis. All costs and expenses, both current and projected as a result of the consummation of the Contemplated Transactions, associated with that certain plan of ICB known as the Illinois Guarantee Savings Bank, FSB Retirement Plan for Non-Employee Directors (the **Directors Retirement Plan**) have been fully accrued in the ICB Financial Statements, and the Directors' Retirement Plan has not been amended or modified after October 3, 2004.

SECTION 4.13 Taxes. ICB and each ICB Subsidiary has duly filed all material Tax Returns required to be filed by it, and each such Tax Return is complete and accurate in all material respects. ICB and each ICB Subsidiary has paid, or made adequate provision for the payment of, all Taxes (whether or not reflected in Tax Returns as filed or to be filed) due and payable by ICB or any ICB Subsidiary, or claimed to be due and payable by any Regulatory Authority, and is not delinquent in the payment of any Tax, except such Taxes as are being contested in good faith and as to which adequate reserves have been provided. There is no claim or assessment pending or, to the Knowledge of ICB, Threatened against ICB or any ICB Subsidiary for any Taxes owed by any of them. No audit, examination or investigation related to Taxes paid or payable by ICB or any ICB Subsidiary is presently being conducted or, to the Knowledge of ICB, Threatened by any Regulatory Authority. ICB has delivered or made available to Centru Financial true, correct and complete copies of all Tax Returns filed with respect to the last three fiscal years by ICB and each ICB Subsidiary and any tax examination reports and statements of deficiencies assessed or agreed to for any of ICB or any ICB Subsidiary for any such time period.

SECTION 4.14 Compliance with ERISA. Except as set forth on **Schedule 4.14**, all employee benefit plans (as defined in Section 3(3) of ERISA) and all ICB Employee Benefit Plans established or maintained by ICB or any ICB Subsidiary or to which ICB or any ICB Subsidiary contributes, are in compliance with all applicable requirements of ERISA, and are in compliance with all applicable requirements (including

qualification and non-discrimination requirements in effect as of the Closing) of the Code for obtaining the tax benefits the Code thereupon permits with respect to such employee benefit plans. No such employee benefit plan has any amount of unfunded benefit liabilities (as defined in Section 4001(a)(18) of ERISA) for which ICB or any ICB Subsidiary would be liable to any Person under Title IV of ERISA if any such employee benefit plan were terminated as of the Closing. Such employee benefit plans are funded in accordance with Section 412 of the Code (if applicable). There would be no obligations of ICB or any ICB Subsidiary under Title IV of ERISA relating to any such employee benefit plan that is a multi-employer plan if any such plan were terminated or if ICB or such ICB Subsidiary withdrew from any such plan as of the Closing. All contributions and premium payments that are due under any such benefit plans have been made.

SECTION 4.15 Compliance with Legal Requirements. ICB and each ICB Subsidiary holds all licenses, certificates, permits, franchises and rights from all appropriate Regulatory Authorities necessary for the conduct of its respective business. Except as set forth on **Schedule 4.15**, and except for the Existing MOU (as defined in **Section 4.16**), each of ICB and each ICB Subsidiary is, and at all times since January 1, 2001, has been, in compliance with each Legal Requirement that is or was applicable to it or to the conduct or operation of its respective businesses or the ownership or use of any of its respective assets, except where the failure to comply would not reasonably be expected to have a Material Adverse Effect on ICB on a consolidated basis. No event has occurred or circumstance exists that (with or without notice or lapse of time): (a) may constitute or result in a violation by ICB or any ICB Subsidiary of, or a failure on the part of ICB or any ICB Subsidiary to comply with, any Legal Requirement; or (b) may give rise to any obligation on the part of ICB or any ICB Subsidiary to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement; except, in either case, where the failure to comply or the violation would not reasonably be expected to have a Material Adverse Effect on ICB on a consolidated basis. Except as set forth on **Schedule 4.15**, and except for the Existing MOU, neither ICB nor any ICB Subsidiary has received, at any time since January 1, 2001, any notice or other communication (whether oral or written) from any Regulatory Authority or any other Person, nor does ICB have any Knowledge regarding: (x) any actual, alleged, possible or potential violation of, or failure to comply with, any Legal Requirement; or (y) any actual, alleged, possible or potential obligation on the part of ICB or any ICB Subsidiary to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement, except where any such violation, failure or obligation would not reasonably be expected to have a Material Adverse Effect on ICB on a consolidated basis.

SECTION 4.16 Legal Proceedings; Orders.

(a) **Schedule 4.16** is a true and correct list of all Proceedings and Orders pending, entered into or, to the Knowledge of ICB, Threatened against, affecting or involving ICB or any ICB Subsidiary or any of their respective assets or businesses, or the Contemplated Transactions, since January 1, 2001, that has not been fully satisfied and terminated and that would reasonably be expected to have, a Material Adverse Effect on ICB on a consolidated basis, and there is no fact to ICB's Knowledge that would provide a basis for any other Proceeding or Order. To the Knowledge of ICB, no officer, director, agent or employee of ICB or any ICB Subsidiary is subject to any Order that prohibits such officer, director, agent or employee from engaging in or continuing any conduct, activity or practice relating to the businesses of ICB or any ICB Subsidiary as currently conducted.

(b) Except for the memoranda of understanding described on **Schedule 4.16** (the **Existing MOU**), neither ICB nor any ICB Subsidiary: (i) is subject to any cease and desist or other Order or enforcement action issued by, or (ii) is a party to any written agreement, consent agreement or memorandum of understanding with, or (iii) is a party to any commitment letter or similar undertaking to, or (iv) is subject to any order or directive by, or (v) is subject to any supervisory letter from, or (vi) has been ordered to pay any civil money penalty, which has not been paid, by, or (vii) has adopted any policies, procedures or board resolutions at the request of, any Regulatory Authority that currently (w) restricts in any material respect the conduct of its business or (x) that in any material manner relates to its capital adequacy, or (y) restricts its ability to pay dividends, or (z) limits in any material manner its credit or risk management policies, its management or its business; nor has ICB or any ICB Subsidiary

been advised by any Regulatory Authority that it is considering issuing, initiating, ordering or requesting any of the foregoing. ICB is in compliance with all of the material terms of the Existing MOU.

SECTION 4.17 Absence of Certain Changes and Events. Except as set forth on **Schedule 4.17**, since December 31, 2003, ICB and each ICB Subsidiary have conducted their respective businesses only in the Ordinary Course of Business. Without limiting the foregoing, with respect to each, since December 31, 2003, there has not been any:

SECTION 4.24 Indemnification Claims. To ICB's Knowledge, no action or failure to take action by any director, officer, employee or agent of ICB or any ICB Subsidiary has occurred that may give rise to a claim or a potential claim by any such Person for indemnification against ICB or any ICB Subsidiary under any Contract with, or the corporate indemnification provisions of, ICB or any ICB Subsidiary, or under any Legal Requirements.

SECTION 4.25 Insider Interests. Except as set forth on **Schedule 4.25**, no officer or director of ICB or any ICB Subsidiary, or any member of the Family of any such Person, and no entity that any such Person controls within the meaning of Regulation O of the Federal Reserve, has any loan, deposit account or any other agreement with ICB or any ICB Subsidiary, any interest in any material property, real, personal or mixed, tangible or intangible, used in or pertaining to the business of ICB or any ICB Subsidiary.

SECTION 4.26 Brokerage Commissions. None of ICB, any ICB Subsidiary or any of their respective Representatives has incurred any obligation or liability, contingent or otherwise, for brokerage or finders fees or agents commissions or other similar payment in connection with this Agreement or the Contemplated Transactions.

SECTION 4.27 Approval Delays. To the Knowledge of ICB, there is no reason why the granting of any of the regulatory approvals referred to in **Section 8.1** would be denied or unduly delayed. The Bank's most recent CRA rating is satisfactory or better.

SECTION 4.28 Code Sections 280G, 409A and 4999. Except as set forth on **Schedule 4.28**, no payment that is owed or may become due to any director, officer, employee or agent of ICB or any ICB Subsidiary will be non-deductible to ICB or any ICB Subsidiary (or, following the Merger, Centrue Financial) or subject to tax under Section 280G, Section 409A or Section 4999 of the Code, nor will ICB or any ICB Subsidiary (or, following the Merger, Centrue Financial) be required to gross up or otherwise compensate any such person because of the imposition of any tax or excise tax on a payment to such person. No event has occurred or circumstance exists that (with or without notice or lapse of time): (a) may constitute or result in a violation by Centrue Financial or any Centrue Financial Subsidiary of, or a failure on the part of Centrue Financial or any Centrue Financial Subsidiary to comply with, any Legal Requirement; or (b) may give rise to any obligation on the part of Centrue Financial or any Centrue Financial Subsidiary to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement; except where the failure to comply would not reasonably be expected to have a Material Adverse Effect on Centrue Financial on a consolidated basis. (b) use its Best Efforts to preserve intact the current business organization of ICB and each ICB Subsidiary, keep available the services of the current officers, employees and agents of ICB and each ICB Subsidiary, and maintain the goodwill of suppliers, customers, landlords, creditors, employees, agents and others who have business relationships with ICB or any ICB Subsidiary;

(c) confer with Centrue Financial concerning operational matters of a material nature;

(d) enter into loan transactions only in accordance with sound credit practices and only on terms and conditions that are not materially more favorable than those available to the borrower from competitive sources in arm's-length transactions, and in that connection, from the date hereof to the Closing Date, shall not:

(i) enter into any new credit or new lending relationships in excess of \$50,000 to any Person and such Person's Borrowing Affiliate (as defined below); or

(ii) other than incident to a reasonable loan restructuring, extend additional credit to any Person and any director or officer of, or any owner of a ten percent (10%) or greater equity interest in, such Person (any of the foregoing with respect to a Person being referred to as a **Borrowing Affiliate**) if such Person or such Borrowing Affiliate is the obligor under any indebtedness to any ICB Subsidiary which constitutes a non-performing loan or against any part of such indebtedness any ICB Subsidiary has established loss reserves or any part of which has been charged-off by any ICB Subsidiary;

provided, however, that a ICB Subsidiary shall be permitted to make any loan that is otherwise prohibited by this subsection with the prior written consent of Centrue Financial, or if a ICB Subsidiary has made a written request for permission to make an otherwise prohibited loan and has provided Centrue Financial with all information necessary for Centrue Financial to make an informed decision with respect to such request, and Centrue Financial has failed to respond to such request within five (5) Business Days after Centrue Financial's receipt of such request and all such information;

(e) consistent with past practice, maintain an allowance for possible loan and lease losses which is adequate in all material respects under the requirements of GAAP to provide for possible losses, net of

recoveries relating to loans previously charged off, on loans outstanding (including accrued interest receivable), and charge-off any loans or leases that would be deemed uncollectible in accordance with GAAP or any Legal Requirements and place on non-accrual any loans or leases that are past due greater than ninety (90) days

(f) maintain all of its assets necessary for the conduct of its business in good operating condition and repair, reasonable wear and tear and damage by fire or unavoidable casualty excepted, and maintain policies of insurance upon its assets and with respect to the conduct of its business in amounts and kinds comparable to that in effect on the date hereof and pay all premiums on such policies when due;

(g) not buy or sell any security held, or intended to be held, for investment, but such restriction shall not affect the buying and selling by any ICB Subsidiary of Federal Funds or the reinvestment of dividends paid on any securities owned by any ICB Subsidiary as of the date of this Agreement;

(h) file in a timely manner all required filings with all Regulatory Authorities and cause such filings to be true and correct in all material respects;

(i) maintain its books, accounts and records in the Ordinary Course of Business, on a basis consistent with prior years;

(j) comply with all Legal Requirements and Contracts; and

(k) report periodically to Centrue Financial concerning the status of the business, operations and finances of ICB and the ICB Subsidiaries.

SECTION 6.3 Negative Covenant. Except as otherwise expressly permitted by this Agreement, between the date of this Agreement and the Closing Date, ICB will not, and will cause each ICB Subsidiary not to, without the prior written consent of Centrue Financial, take any affirmative action, or fail to take any reasonable action within its control, as a result of which any of the changes or events listed in **Section 4.17** is likely to occur. Notwithstanding anything contained herein to the contrary, ICB shall be permitted to renew or extend the maturity of its current credit agreement with Illini Bank, Springfield, Illinois, on substantially the same terms and conditions as currently in effect.

SECTION 6.4 Subsequent ICB Financial Statements. As soon as available after the date hereof, ICB will furnish Centrue Financial copies of the quarterly unaudited (and when available, annual audited) consolidated balance sheets, consolidated statements of income, consolidated statements of cash flow and consolidated statements of changes in shareholders' equity, of ICB prepared for its internal use, and the Call Reports of any ICB Subsidiary for each quarterly or annual period completed after December 31, 2003, and all other financial reports or statements submitted after the date hereof by ICB or any ICB Subsidiary to any Regulatory Authority, to the extent permitted by law (collectively, the **Subsequent ICB Financial Statements**). Except as may be required by changes in GAAP effective after the date hereof, the Subsequent ICB Financial Statements shall be prepared on a basis consistent with past accounting practices and shall fairly present in all material respects the consolidated financial condition and results of operations for the dates and periods presented. The Subsequent ICB Financial Statements will not include any material assets or omit to state any material liabilities, absolute or contingent, or other facts, which inclusion or omission would render such Subsequent ICB Financial Statements misleading in any material respect.

SECTION 6.5 Title to Real Estate. As soon as practical, but in no event later than sixty (60) days after the Agreement Date, ICB shall obtain at its own expense and deliver to Centrue Financial, with respect to all real estate owned by ICB or the Bank (excluding any Other Real Estate Owned, the **ICB Real Estate**), an owner's preliminary report of title covering a date subsequent to the date hereof, issued by Chicago Title Insurance Company or such other title insurance company as is reasonably acceptable to Centrue Financial, showing fee simple title in ICB or the Bank in such real estate with coverage over all standard exceptions and subject to no liens, mortgages, security interests, encumbrances or charges of any kind except for the Permitted Exceptions.

SECTION 6.6 Surveys. Centrue Financial may, in its reasonable discretion, within sixty (60) days after the Agreement Date, request ICB to provide at ICB's expense and deliver to Centrue Financial a current

ALTA survey of each parcel of ICB Real Estate disclosing no survey defects that would materially impair the use thereof for the purposes for which it is held or materially impair the value of such property.

SECTION 6.7 *Environmental Investigation.*

(a) Centrue Financial may, in its reasonable discretion, within forty-five (45) Business Days of the Agreement Date, request ICB to provide at ICB's expense a Phase 1 environmental site assessment (the **Phase 1 Report**) conducted by an independent professional consultant reasonably acceptable to Centrue Financial to determine if any ICB Real Estate contains or gives evidence that any violations of Environmental Laws have occurred on any such property. If the Phase 1 Report discloses any material adverse environmental conditions, or reports a reasonable suspicion thereof, then ICB shall promptly obtain, at ICB's expense, a Phase 2 environmental report with respect to any affected property which report shall contain an estimate of the cost of any remediation or other follow-up work that may be necessary to address those conditions in accordance with applicable laws and regulations (the **Phase 2 Report**, and collectively referred to with the Phase 1 Report, as the **Environmental Report**). Centrue Financial shall have no duty to act for the benefit of ICB, any ICB Subsidiary or any other Person upon any information produced by the Environmental Report, but shall provide such information to ICB as soon as practicable after such information becomes available to Centrue Financial.

(b) Upon receipt of the estimate of the costs of all follow-up work to the Environmental Report, Centrue Financial and ICB shall attempt to agree upon a course of action for remediation of any environmental condition suspected, found to exist, or that would tend to be indicated by the Environmental Report. The estimated total cost for completing all necessary work plans or removal or remediation actions is referred to collectively as the **Remediation Cost**. If the Remediation Cost exceeds Fifty Thousand Dollars (\$50,000), Centrue Financial may, at its sole option, terminate this Agreement. If the Remediation Cost is less than Fifty Thousand Dollars (\$50,000), such cost shall be taken into account when computing the Adjusted Shareholders' Equity.

SECTION 6.8 *Advice of Changes.* Between the Agreement Date and the Closing Date, ICB shall promptly notify Centrue Financial in writing if ICB or any ICB Subsidiary becomes aware of any fact or condition that causes or constitutes a Breach of any of ICB's representations and warranties as of the Agreement Date, or if ICB or any ICB Subsidiary becomes aware of the occurrence after the Agreement Date of any fact or condition that would (except as expressly contemplated by this Agreement) cause or constitute a Breach of any such representation or warranty had such representation or warranty been made as of the time of occurrence or discovery of such fact or condition. If any such fact or condition would require any change in the Schedules if such Schedules were dated the date of the occurrence or discovery of any such fact or condition, ICB will promptly deliver to Centrue Financial a supplement to the Schedules specifying such change. During the same period, ICB will promptly notify Centrue Financial of the occurrence of any Breach of any covenant of ICB in this Agreement or of the occurrence of any event that might reasonably be expected to make the satisfaction of the conditions in **Article 9** impossible or unlikely.

SECTION 6.9 *Other Offers.*

(a) Until such time, if any, as this Agreement is terminated pursuant to **Article 11**, ICB will not, and will cause each ICB Subsidiary and their respective Representatives not to, directly or indirectly solicit, initiate or encourage any inquiries or proposals from, discuss or negotiate with, provide any non-public information to, or consider the merits of any unsolicited inquiries or proposals from, any Person (other than Centrue Financial) relating to any Acquisition Transaction (as defined below) or a potential Acquisition Transaction involving ICB or any ICB Subsidiary. Notwithstanding such foregoing restriction, ICB may provide information at the request of, or enter into negotiations with, a third party with respect to an Acquisition Transaction if the board of directors of ICB determines, in good faith, that the exercise of its fiduciary duties to ICB's shareholders under applicable law, as advised by its counsel, requires it to take such action, and, *provided further*, that ICB may not, in any event, provide to such third party any information which it has not provided to Centrue Financial. ICB shall promptly notify Centrue Financial orally and in writing in the event it receives any such inquiry or proposal and shall

provide reasonable detail of all relevant facts relating to such inquiries, along with a summary of the advice provided by its counsel.

(b) **Acquisition Transaction** shall, with respect to ICB, mean any of the following: (i) a merger or consolidation, or any similar transaction (other than the Merger) of any company with either ICB or any significant subsidiary, as defined in Rule 1.2 of Regulation S-X of the SEC (a **Significant Subsidiary**), of ICB; (ii) a purchase, lease or other acquisition of all or substantially all the assets of either ICB or any Significant Subsidiary of ICB; (iii) a purchase or other acquisition of beneficial ownership by any person or group (as such terms are defined in Section 13(d)(3) of the Exchange Act) (including by way of merger, consolidation, share exchange or otherwise) that would cause such person or group to become the beneficial owner of securities representing twenty percent (20%) or more of the voting power of either ICB or any Significant Subsidiary of ICB; (iv) a tender or exchange offer to acquire securities representing twenty percent (20%) or more of the voting power of ICB; (v) a public proxy or consent solicitation made to ICB Shareholders seeking proxies in opposition to any proposal relating to any aspect of the Contemplated Transactions that has been recommended by the board of directors of ICB; (vi) the filing of an application or notice with any Regulatory Authority (which application has been accepted for processing) seeking approval to engage in one or more of the transactions referenced in clauses (i) through (iv) above; or (vii) the making of a *bona fide* proposal to ICB or its shareholders, by public announcement or written communication, that is or becomes the subject of public disclosure, to engage in one or more of the transactions referenced in clauses (i) through (v) above.

SECTION 6.10 Voting Agreement . Concurrently with the execution and delivery of this Agreement, ICB shall deliver to Centru Financial a voting agreement in the form of **Exhibit D**, signed by all directors and executive officers of ICB who are ICB Shareholders.

SECTION 6.11 Non-Competition Agreement . Concurrently with the execution and delivery of this Agreement, ICB shall deliver to Centru Financial a non-competition agreement in the form of **Exhibit E**, signed by the directors of ICB and the Bank listed on **Schedule 6.11**.

SECTION 6.12 Shareholders Meeting . ICB shall cause a meeting of its shareholders for the purpose of acting upon this Agreement to be held at the earliest practicable date after the Registration Statement (as defined below) has been declared effective by the SEC. ICB shall send to its shareholders, at least thirty (30) days prior to such meeting, notice of such meeting together with the Proxy Statement, which shall include a copy of this Agreement and a copy of Section 11.70 of the IBCA governing the rights of dissenting shareholders. ICB and its board of directors shall recommend to shareholders the approval of this Agreement and the Merger and shall solicit proxies voting only in favor thereof from the ICB Shareholders, and ICB and its board of directors shall not withdraw, modify or change, in any manner adverse to Centru Financial, or publicly announce its intent to withdraw, modify or change, in any manner adverse to Centru Financial, such recommendation of this Agreement and the Merger; *provided, however*, that ICB shall not be required to make the recommendation required by this Section, and shall be permitted to withdraw, modify or change such recommendation, if the board of directors of ICB determines, in good faith, that the exercise of its fiduciary duties to the ICB Shareholders under applicable law, as advised by its counsel, so requires. For the avoidance of doubt, the parties acknowledge that the failure of ICB to comply with the provisions of this Section shall be deemed to have a Material Adverse Effect on ICB on a consolidated basis and on Centru Financial's rights under this Agreement.

SECTION 6.13 Information Provided to Centru Financial . ICB agrees that the information concerning ICB or any ICB Subsidiary that is provided or to be provided by ICB to Centru Financial for inclusion or that is included in the Registration Statement or Proxy Statement and any other documents to be filed with any Regulatory Authority in connection with the Contemplated Transactions will, at the respective times such documents are filed and, in the case of the Registration Statement, when it becomes effective and, with respect to the Proxy Statement, when mailed, will not be false or misleading with respect to any material fact, or omit to state any material fact necessary in order to make the statements therein not misleading or, in the case of the Proxy Statement, or any amendment thereof or supplement thereto, at the time of the meeting of

ICB's shareholders referred to above, be false or misleading with respect to any material fact, or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of any proxy for the meeting in connection with which the Proxy Statement shall be mailed. Notwithstanding the foregoing, ICB shall have no responsibility for the truth or accuracy of any information with respect to Centru Financial or any Centru Financial Subsidiary or any of their Affiliates contained in the Registration Statement or the Proxy Statement or in any document submitted to, or other communication with, any Regulatory Authority.

SECTION 6.14 Amendment or Termination of Employee Benefit Plans. To the extent permitted by applicable Legal Requirements, upon the written request of Centru Financial, ICB shall take such action as may be necessary to amend or terminate any ICB Employee Benefit Plan of ICB or any ICB Subsidiary on or before the Closing on terms reasonably acceptable to Centru Financial; *provided, however*, that none of ICB nor any ICB Subsidiary shall be obligated to take any such requested action that is irrevocable until immediately prior to the Closing. ICB shall terminate the Directors' Retirement Plan on or before the Closing and all actual and projected costs and expenses associated therewith shall be taken into account in calculating the Adjusted Shareholders' Equity.

SECTION 6.15 Data and Item Processing Agreements. ICB agrees to consult with Centru Financial prior to the entry by it or any ICB Subsidiary by either action or inaction into any new, or any extension of any existing, data or item processing agreements. ICB agrees to coordinate with Centru Financial the negotiation of any new or extension of any existing data or item processing agreement, with the purpose of achieving the best possible economic and business result in light of the Merger.

SECTION 6.16 Tax Matters. Neither ICB nor any ICB Subsidiary shall make any election inconsistent with prior Tax Returns or elections or settle or compromise any liability with respect to Taxes without prior written notice to Centru Financial. ICB and each ICB Subsidiary shall timely file all Tax Returns required to be filed prior to the Closing; *provided, however*, that each such Tax Return shall be delivered to Centru Financial for its review at least fifteen (15) Business Days prior to the anticipated date of filing of such Tax Return.

SECTION 6.17 Dotson Employment Agreement. Concurrently with the execution and delivery of this Agreement, and at Centru Financial's direction and request, ICB shall cause to be delivered to Centru Financial an employment agreement in the form of **Exhibit F**, signed by Roger D. Dotson (the **Dotson Employment Agreement**) to be effective at the Effective Time.

SECTION 6.18 Accounting and Other Adjustments. Subject to applicable Legal Requirements, ICB agrees that it shall, and shall cause each ICB Subsidiary, to: (a) make any accounting adjustments or entries to its books of account and other financial records; (b) make additional provisions to any allowance for loan and lease losses; (c) sell or transfer any investment securities held by it; (d) charge-off any loan or lease; (e) create any new reserve account or make additional provisions to any other existing reserve account; (f) make changes in any accounting method; (g) accelerate, defer or accrue any anticipated obligation, expense or income item; and (h) make any other adjustments that would affect the financial reporting of Centru Financial, on a consolidated basis after the Effective Time, in any case as Centru Financial shall reasonably request, *provided, however*, that neither ICB nor any ICB Subsidiary shall be obligated to take any such requested action until immediately prior to the Closing and at such time as ICB shall have received reasonable assurances that all conditions precedent to ICB's obligations under this Agreement (except for the completion of actions to be taken at the Closing) have been satisfied.

times during normal business hours and with reasonable advance notice prior to the Closing Date, have full and continuing access to the facilities, operations, records and properties of Centru Financial and each Centru Financial Subsidiary in accordance with the provisions of this Section. ICB and its Representatives may, prior to the Closing Date, make or cause to be made such reasonable investigation of the operations, records and properties of Centru Financial and each Centru Financial Subsidiary and of their respective financial and legal condition as ICB shall deem necessary or advisable to familiarize itself with such records, properties and other matters, provided, however, that such access or investigation shall not interfere unnecessarily with the normal operations of Centru Financial or any Centru Financial Subsidiary. Upon request, Centru Financial and each Centru Financial Subsidiary will furnish ICB or its Representatives, attorneys responses to auditors requests for information regarding Centru Financial or such Centru Financial Subsidiary, as the case may be, and such financial and operating data and other information reasonably requested by ICB (provided, with respect to attorneys, such disclosure would not result in the waiver by Centru Financial or any Centru Financial Subsidiary of any claim of attorney-client privilege), and will permit ICB and its Representatives to discuss such information directly with any individual or firm performing auditing or accounting functions for Centru Financial or such Centru Financial Subsidiary, and such auditors and accountants shall be directed to furnish copies of any reports or financial information as developed to ICB or its Representatives. No investigation by ICB or any of its Representatives shall affect the representations and warranties made by Centru Financial. This Section shall not require the disclosure of any information the disclosure of which to ICB would be prohibited by any Legal Requirement.

(b) Any confidential information or trade secrets of ICB received by Centru Financial, its employees or agents in the course of the consummation of the Contemplated Transactions shall be treated confidentially, and any correspondence, memoranda, records, copies, documents and electronic or other media of any kind containing either such confidential information, or trade secrets or both shall be destroyed by Centru Financial or, at ICB's request, returned to ICB if this Agreement is terminated as provided in **Article 11**. Such information shall not be used by Centru Financial or its agents to the detriment of ICB or any ICB Subsidiary.

SECTION 7.2 Subsequent Centru Financial Statements: Securities Reports. As soon as available after the Agreement Date, Centru Financial will furnish ICB copies of the quarterly unaudited (and when available, annual audited) consolidated balance sheets, consolidated statements of income, consolidated statements of cash flow and consolidated statements of changes in shareholders' equity, of Centru Financial prepared for its internal use, and all other financial reports or statements submitted after the Agreement Date by Centru Financial to any Regulatory Authority, to the extent permitted by law (collectively, the **Subsequent Centru Financial Statements**). Without limitation of the foregoing, Centru Financial shall deliver to ICB complete copies of any reports filed with the SEC after the Agreement Date (collectively, the **Centru Financial SEC Filings**). Except as may be required by changes in GAAP effective after the Agreement Date, the Subsequent Centru Financial Statements shall be prepared on a basis consistent with past accounting practices and shall fairly present in all material respects the consolidated financial condition and results of operations for the dates and periods presented. Neither the Subsequent Centru Financial Statements nor the Centru Financial SEC Filings shall include any material assets or omit to state any material liabilities, absolute or contingent, or other facts, which inclusion or omission would render such Subsequent Centru Financial Statements or Centru Financial SEC Filings misleading in any material respect.

SECTION 7.3 Advice of Changes. Between the Agreement Date and the Closing Date, Centru Financial shall promptly notify ICB in writing if Centru Financial or any Centru Financial Subsidiary becomes aware of any fact or condition that causes or constitutes a Breach of any of Centru Financial's representations and warranties as of the Agreement Date, or if Centru Financial or any Centru Financial Subsidiary becomes aware of the occurrence after the Agreement Date of any fact or condition that would (except as expressly contemplated by this Agreement) cause or constitute a Breach of any such representation or warranty had such representation or warranty been made as of the time of occurrence or discovery of such fact or condition. During the same period, Centru Financial will promptly notify ICB of the occurrence of any

Table of Contents

Breach of any covenant of Centrue Financial in this Agreement or of the occurrence of any event that might reasonably be expected to make the satisfaction of the conditions in **Article 10** impossible or unlikely.

SECTION 7.4 Information Provided to ICB. Centrue Financial agrees that none of the information concerning Centrue Financial or any Centrue Financial Subsidiary that is provided or to be provided by Centrue Financial to ICB for inclusion or that is included in the Registration Statement or Proxy Statement and any other documents to be filed with any Regulatory Authority in connection with the Contemplated Transactions will, at the respective times such documents are filed and, in the case of the Registration Statement, when it becomes effective and, with respect to the Proxy Statement, when mailed, be false or misleading with respect to any material fact, or omit to state any material fact necessary in order to make the statements therein not misleading. Notwithstanding the foregoing, Centrue Financial shall have no responsibility for the truth or accuracy of any information with respect to ICB or any ICB Subsidiary or any of their Affiliates contained in the Registration Statement or the Proxy Statement or in any document submitted to, or other communication with, any Regulatory Authority.

SECTION 7.5 Indemnification. Except as may be limited by applicable Legal Requirements, Centrue Financial shall honor any of ICB's obligations in respect of indemnification and advancement of expenses currently provided by ICB in its articles of incorporation in favor of the current and former directors and officers of ICB or any ICB Subsidiary for not less than two (2) years from the Effective Time with respect to matters occurring prior to the Effective Time.

SECTION 7.6 Employee Benefits. For purposes of determining eligibility to participate in and, where applicable, vesting under Centrue Financial's and its Subsidiaries' employee benefit plans, programs and arrangements generally accorded all to employees of Centrue Financial or its Subsidiaries (including tax-qualified retirement plans, welfare benefit plans, vacation pay and Family and Medical Leave Act leave rights), Centrue Financial agrees that all former employees of ICB or the Bank who become employees of Centrue Financial or any of its Subsidiaries shall receive credit for their past service with ICB or the Bank as if such employee had then been employed by Centrue Financial. To the extent that, after taking into account such service with ICB or the Bank, employees of the ICB or the Bank satisfy the minimum age and service requirements of Centrue Financial's and its Subsidiaries' employee benefit plans, employees of the Company shall participate in such plans as of the Effective Time.

SECTION 7.7 Authorization and Reservation of Centrue Financial Common Stock. The board of directors of Centrue Financial shall, prior to the Effective Time, authorize and reserve the maximum number of shares of Centrue Financial Common Stock to be issued pursuant to this Agreement and take all other necessary corporate action to consummate the Contemplated Transactions.

SECTION 7.8 Negative Covenants. Except as otherwise expressly permitted by this Agreement, between the Agreement Date and the Closing Date, Centrue Financial will not, and will cause each Centrue Financial Subsidiary not to, without the prior written consent of ICB:

- (a) take any affirmative action, or fail to take any reasonable action within its control, as a result of which a Breach of Centrue Financial's representations or warranties occurs, if such Breach would have a Material Adverse Effect on Centrue Financial on a consolidated basis;
- (b) take any action to amend Centrue Financial's certificate of incorporation or bylaws, the effect of which would be to materially and adversely affect the rights or powers of holders of Centrue Financial Common Stock generally; or
- (c) take any affirmative action, or fail to take any reasonable action within its control, the effect of which would be to materially impair or otherwise prevent the consummation of the Contemplated Transactions.

(d) by Centrue Financial in accordance with the provisions of **Section 6.7**;

(e) by either Centrue Financial or ICB if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) by the date which is six (6) months after the Agreement Date, or such later date as the parties may agree (the **Termination Date**).

SECTION 11.2 Effect of Termination. Except as provided in **Sections 11.3, 11.4** and **11.5**, if this Agreement is terminated pursuant to **Section 11.1**, this Agreement shall forthwith become void, there shall be no liability under this Agreement on the part of Centrue Financial, ICB or any of their respective Representatives, and all rights and obligations of each party hereto shall cease; *provided, however*, that, subject to **Sections 11.3, 11.4** and **11.5**, nothing herein shall relieve any party from liability for the Breach of any of its covenants or agreements set forth in this Agreement.

SECTION 11.3 Expenses. Except as provided below, all Expenses (as defined below) incurred in connection with this Agreement and the Contemplated Transactions shall be paid by the party incurring such expenses, whether or not the Merger is consummated. **Expenses** as used in this Agreement shall consist of all out-of-pocket expenses (including all fees and expenses of counsel, accountants, investment bankers, experts and consultants to a party hereto and its Affiliates) incurred by a party or on its behalf in connection with or related to the authorization, preparation, negotiation, execution and performance of this Agreement, the solicitation of shareholder approvals and all other matters related to the consummation of the Merger.

(ii) Centrue Financial or ICB because ICB's shareholders fail to approve the Contemplated Transactions and this Agreement on or before the Termination Date (in each case described in clauses (i) and (ii) a **ICB Termination**); and provided in the case of both clauses (i) and (ii), Centrue Financial is in material compliance with all of its material obligations under this Agreement, then ICB shall pay to Centrue Financial, upon its written demand, an amount equal to Three Hundred Thousand Dollars (\$300,000).

(b) The sum payable by ICB under this Section shall constitute liquidated damages and Centrue Financial's receipt thereof shall be Centrue Financial's sole and exclusive remedy under this Agreement for all Breaches of this Agreement by ICB or failure by its shareholders to approve this Agreement.

would not individually or in the aggregate be reasonably expected to have a Material Adverse Effect either on Centrue Financial on a consolidated basis or on ICB's rights under this Agreement, then Centrue Financial shall pay to ICB, upon its written demand, an amount equal to Three Hundred Thousand Dollars (\$300,000).

(b) The sum payable by Centrue Financial under this Section shall constitute liquidated damages and ICB's receipt thereof shall be ICB's sole and exclusive remedy under this Agreement for all Breaches of this Agreement by Centrue Financial.

APPENDIX B

ILLINOIS DISSENTERS RIGHTS LAW

UNDER THE ILLINOIS BUSINESS CORPORATION ACT OF 1983

5/11.65. RIGHT TO DISSENT

(a) A shareholder of a corporation is entitled to dissent from, and obtain payment for his or her shares in the event of any of the following corporate actions:

(1) consummation of a plan of merger or consolidation or a plan of share exchange to which the corporation is a party if (i) shareholder authorization is required for the merger or consolidation or the share exchange by Section 11.20 or the articles of incorporation or (ii) the corporation is a subsidiary that is merged with its parent or another subsidiary under Section 11.30;

(2) consummation of a sale, lease or exchange of all, or substantially all, of the property and assets of the corporation other than in the usual and regular course of business;

(3) an amendment of the articles of incorporation that materially and adversely affects rights in respect of a dissenter's shares because it:

(i) alters or abolishes a preferential right of such shares;

(ii) alters or abolishes a right in respect of redemption, including a provision respecting a sinking fund for the redemption or repurchase, of such shares;

(iii) in the case of a corporation incorporated prior to January 1, 1982, limits or eliminates cumulative voting rights with respect to such shares; or

(4) any other corporate action taken pursuant to a shareholder vote if the articles of incorporation, by-laws, or a resolution of the board of directors provide that shareholders are entitled to dissent and obtain payment for their shares in accordance with the procedures set forth in Section 11.70 or as may be otherwise provided in the articles, by-laws or resolution.

(b) A shareholder entitled to dissent and obtain payment for his or her shares under this Section may not challenge the corporate action creating his or her entitlement unless the action is fraudulent with respect to the shareholder or the corporation or constitutes a breach of a fiduciary duty owed to the shareholder.

(c) A record owner of shares may assert dissenters' rights as to fewer than all the shares recorded in such person's name only if such person dissents with respect to all shares beneficially owned by any one person and notifies the corporation in writing of the name and address of each person on whose behalf the record owner asserts dissenters' rights. The rights of a partial dissenter are determined as if the shares as to which dissent is made and the other shares were recorded in the names of different shareholders. A beneficial owner of shares who is not the record owner may assert dissenters' rights as to shares held on such person's behalf only if the beneficial owner submits to the corporation the record owner's written consent to the dissent before or at the same time the beneficial owner asserts dissenters' rights.

5/11.70. PROCEDURE TO DISSENT

(a) If the corporate action giving rise to the right to dissent is to be approved at a meeting of shareholders, the notice of meeting shall inform the shareholders of their right to dissent and the procedure to dissent. If, prior to the meeting, the corporation furnishes to the shareholders material information with respect to the transaction that will objectively enable a shareholder to vote on the transaction and to determine whether or not to exercise dissenters' rights, a shareholder may assert dissenters' rights only if the shareholder delivers to the corporation before the vote is taken a written demand for payment for his or her shares if the proposed action is consummated, and the shareholder does not vote in favor of the proposed action.

Table of Contents

(b) If the corporate action giving rise to the right to dissent is not to be approved at a meeting of shareholders, the notice to shareholders describing the action taken under Section 11.30 or Section 7.10 shall inform the shareholders of their right to dissent and the procedure to dissent. If, prior to or concurrently with the notice, the corporation furnishes to the shareholders material information with respect to the transaction that will objectively enable a shareholder to determine whether or not to exercise dissenters' rights, a shareholder may assert dissenters' rights only if he or she delivers to the corporation within 30 days from the date of mailing the notice a written demand for payment for his or her shares.

(c) Within 10 days after the date on which the corporate action giving rise to the right to dissent is effective or 30 days after the shareholder delivers to the corporation the written demand for payment, whichever is later, the corporation shall send each shareholder who has delivered a written demand for payment a statement setting forth the opinion of the corporation as to the estimated fair value of the shares, the corporation's latest balance sheet as of the end of a fiscal year ending not earlier than 16 months before the delivery of the statement, together with the statement of income for that year and the latest available interim financial statements, and either a commitment to pay for the shares of the dissenting shareholder at the estimated fair value thereof upon transmittal to the corporation of the certificate or certificates, or other evidence of ownership, with respect to the shares, or instructions to the dissenting shareholder to sell his or her shares within 10 days after delivery of the corporation's statement to the shareholder. The corporation may instruct the shareholder to sell only if there is a public market for the shares at which the shares may be readily sold. If the shareholder does not sell within that 10 day period after being so instructed by the corporation, for purposes of this Section the shareholder shall be deemed to have sold his or her shares at the average closing price of the shares, if listed on a national exchange, or the average of the bid and asked price with respect to the shares quoted by a principal market maker, if not listed on a national exchange, during that 10 day period.

(d) A shareholder who makes written demand for payment under this Section retains all other rights of a shareholder until those rights are cancelled or modified by the consummation of the proposed corporate action. Upon consummation of that action, the corporation shall pay to each dissenter who transmits to the corporation the certificate or other evidence of ownership of the shares the amount the corporation estimates to be the fair value of the shares, plus accrued interest, accompanied by a written explanation of how the interest was calculated.

(e) If the shareholder does not agree with the opinion of the corporation as to the estimated fair value of the shares or the amount of interest due, the shareholder, within 30 days from the delivery of the corporation's statement of value, shall notify the corporation in writing of the shareholder's estimated fair value and amount of interest due and demand payment for the difference between the shareholder's estimate of fair value and interest due and the amount of the payment by the corporation or the proceeds of sale by the shareholder, whichever is applicable because of the procedure for which the corporation opted pursuant to subsection (c).

(f) If, within 60 days from delivery to the corporation of the shareholder notification of estimate of fair value of the shares and interest due, the corporation and the dissenting shareholder have not agreed in writing upon the fair value of the shares and interest due, the corporation shall either pay the difference in value demanded by the shareholder, with interest, or file a petition in the circuit court of the county in which either the registered office or the principal office of the corporation is located, requesting the court to determine the fair value of the shares and interest due. The corporation shall make all dissenters, whether or not residents of this State, whose demands remain unsettled parties to the proceeding as an action against their shares and all parties shall be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law. Failure of the corporation to commence an action pursuant to this Section shall not limit or affect the right of the dissenting shareholders to otherwise commence an action as permitted by law.

(g) The jurisdiction of the court in which the proceeding is commenced under subsection (f) by a corporation is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the power described in the order appointing them, or in any amendment to it.

Table of Contents

(h) Each dissenter made a party to the proceeding is entitled to judgment for the amount, if any, by which the court finds that the fair value of his or her shares, plus interest, exceeds the amount paid by the corporation or the proceeds of sale by the shareholder, whichever amount is applicable.

(i) The court, in a proceeding commenced under subsection (f), shall determine all costs of the proceeding, including the reasonable compensation and expenses of the appraisers, if any, appointed by the court under subsection (g), but shall exclude the fees and expenses of counsel and experts for the respective parties. If the fair value of the shares as determined by the court materially exceeds the amount which the corporation estimated to be the fair value of the shares or if no estimate was made in accordance with subsection (c), then all or any part of the costs may be assessed against the corporation. If the amount which any dissenter estimated to be the fair value of the shares materially exceeds the fair value of the shares as determined by the court, then all or any part of the costs may be assessed against that dissenter. The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable, as follows:

(1) Against the corporation and in favor of any or all dissenters if the court finds that the corporation did not substantially comply with the requirements of subsections (a), (b), (c), (d), or (f).

(2) Against either the corporation or a dissenter and in favor of any other party if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this Section.

If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated and that the fees for those services should not be assessed against the corporation, the court may award to that counsel reasonable fees to be paid out of the amounts awarded to the dissenters who are benefited. Except as otherwise provided in this Section, the practice, procedure, judgment and costs shall be governed by the Code of Civil Procedure.

(j) As used in this Section:

(1) Fair value , with respect to a dissenter's shares, means the value of the shares immediately before the consummation of the corporate action to which the dissenter objects excluding any appreciation or depreciation in anticipation of the corporate action, unless exclusion would be inequitable.

(2) Interest means interest from the effective date of the corporate action until the date of payment, at the average rate currently paid by the corporation on its principal bank loans or, if none, at a rate that is fair and equitable under all the circumstances.
