Explanatory Note

This Current Report on Form 8-K/A (Amendment No. 1) amends and restates the Current Report on Form 8-K filed by Navistar International Corporation (the company) on January 23, 2007 (the Original Filing). The Original Filing is being amended and restated to provide a copy of the \$1.5 Billion Credit Agreement dated January 19, 2007 entered into by the company and to correct an inadvertent error in the Original Filing.

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT

On January 19, 2007, Navistar International Corporation (the company) signed a definitive loan agreement for a five-year senior unsecured term loan facility and synthetic revolving facility in the aggregate principle amount of \$1.5 billion (the facilities). The facilities were arranged by J.P. Morgan Chase Bank and a group of lenders that included Credit Suisse, Banc of America Securities and Citigroup Global Markets. The facilities are guaranteed by International Truck and Engine Corporation, the principal operating subsidiary of the company. On January 19, 2007 the company also borrowed an aggregate principle amount of \$1.33 billion under the facilities; the proceeds of which were used to repay all amounts outstanding under the company s senior unsecured \$1.5 billion Credit Agreement dated February 22, 2006 as amended August 2, 2006 and certain fees incurred in connection with the foregoing and the facilities.

All borrowings under the facilities will accrue interest at a rate equal to a base rate or an adjusted LIBOR rate plus a spread. The spread, which will be based on the company s credit rating in effect from time to time, ranges from 200 basis points to 400 basis points. The loan facilities contain customary provisions for financings of this type, including, without limitation, representations and warranties, affirmative and negative covenants and events of default. All draws under the loan facilities are subject to the satisfaction of customary conditions precedent for financings of this type, including, without limitation, certain officers certificates and opinions of counsel and the absence of any material adverse change since October 31, 2004. The foregoing description of the loan facilities and related matters is qualified in its entirety by reference to the Credit Agreement, dated as of January 19, 2007, which is filed as Exhibit 10.59 hereto and incorporated herein by reference.

Forward Looking Statements

Information provided and statements contained in this report that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act, Section 21E of the Exchange Act, and the Private Securities Litigation Reform Act of 1995. Such forward-looking statements only speak as of the date of this report and the company assumes no obligation to update the information included in this report. Such forward-looking statements include information concerning our possible or assumed future results of operations, including descriptions of our business strategy. These statements often include words such as believe, expect, anticipate, intend, plan, estimate or similar expressions. These statements are not guarantees of performance or results and they involve risks, uncertainties and assumptions, including the risk of continued delay in the completion of our financial statements and the consequences thereof, the availability of funds, either through cash on hand or the company's other liquidity sources, to repay any amounts due should any of the company's debt become accelerated, and decisions by suppliers and other vendors to restrict or eliminate customary trade and other credit terms for the company's future orders and other services, which would require the company to pay cash and which could have a material adverse effect on the company's liquidity position and financial condition. Although we believe that these forward-looking statements are based on reasonable assumptions, there are many factors that could affect our actual financial results or results of operations and could cause actual results to differ materially from those in the forward-looking statements. For a further description of these factors, see Exhibit 99.1 to our Form 8-K filed on April 12, 2006.
