ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

The following information is being furnished under Item 2.02 - Results of Operations and Financial Condition.

On July 25, 2016, Las Vegas Sands Corp. (the "Company") issued a press release announcing its results of operations for the second quarter ended June 30, 2016. The press release is attached as Exhibit 99.1 to this report and is incorporated by reference into this item.

Within the Company's second quarter 2016 press release, the Company makes reference to certain non-GAAP financial measures including "adjusted net income," "adjusted earnings per diluted share," and "consolidated adjusted property EBITDA," which have directly comparable accounting principles generally accepted in the United States of America ("GAAP") financial measures along with "hold-normalized adjusted property EBITDA," "hold-normalized adjusted net income," and "hold-normalized adjusted earnings per diluted share." The Company believes that these measures represent important internal measures of financial performance. Whenever such information is presented, the Company has complied with the provisions of the rules under Regulation G, Item 10(e) from Regulation S-K and Item 2.02 of Form 8-K. The specific reasons why the Company's management believes that the presentation of the non-GAAP financial measures provides useful information to investors regarding the Company's financial condition, results of operations and cash flows are set forth in the press release.
