EXHIBIT A

July 5, 2001

Dear Shareholders, Clients and Friends:

By now, you've probably heard the news of the acquisition of Park Meridian Financial Corporation by Regions Financial Corporation which we announced on June 27. The agreement signed by Park Meridian and unanimously approved by our directors provides for a tax-free stock-for-stock merger, with Regions exchanging 0.55 of a share of its common stock for each share of Park Meridian common stock, subject to possible adjustment if Regions' average stock price declines below \$29.00 per share over a defined period.

Regions is headquartered in Birmingham, Alabama, has \$46.1 billion in assets and ranks among the 25 largest financial services companies in the nation. Its banking affiliate, Regions Bank, offers banking services from more than 680 banking offices in Alabama, Arkansas, Florida, Georgia, Louisiana, South Carolina, Tennessee and Texas. Regions provides investment and brokerage services from more than 50 offices of Morgan Keegan & Company, Inc., one of the South's largest investment firms. Regions' stock is traded on the Nasdaq National Market System under the symbol "RGBK." Regions is currently paying dividends on its common stock at an annual rate of \$1.12 per share.

We believe that Regions chose Park Meridian to make its entry into North Carolina's banking market because of our unique market niche here in Charlotte/Mecklenburg and because of our strong performance since opening in 1991. "We are very excited to expand our commercial banking franchise into Charlotte, North Carolina, through affiliation with Park Meridian," Regions' Chairman and Chief Executive Officer, Carl E. Jones, Jr. stated in our joint press release on June 27. "Park Meridian is a high growth commercial bank that has built its business by serving small business and affluent clientele in the Charlotte area. This operation will complement our existing Morgan Keegan presence in the rapidly growing, attractive Mecklenburg County area."

The initial merger will occur between the two holding companies, with Park Meridian Financial Corporation being merged into Regions Financial Corporation. For the time being, Park Meridian Bank will continue to operate as such; however, at some point, we anticipate that our bank will be merged into Regions Bank. Our goal is to continue the same level of customer service that our Park Meridian customers have come to expect. As part of Regions, we would be able to offer our customers a wider range of products and services in the fields of investment banking, asset management, trust, mutual funds, securities brokerage, insurance, leasing and mortgage banking.

The merger, which is anticipated to close during the fourth quarter of 2001, requires the approval of Park Meridian's shareholders and regulatory authorities. As a shareholder, you will receive notice of the special shareholder meeting for this purpose along with a proxy statement, Regions' registration statement and other relevant documents concerning the proposed transaction. We urge you to read the information you receive because it will contain important information.

We are extremely pleased to affiliate with Regions, as we feel the combination will offer a great deal of benefits to our shareholders, customers, employees and community. As always, we greatly appreciate your support of Park Meridian. If we can answer any questions or assist you in any way with your financial needs, please contact us.

Best regards,

Henry A. Harkey
Chairman of the Board

Kevin T. Kennelly
President and CEO
