Item 2. Acquisition or Disposition of Assets.

On September 5, 2003, Chico's FAS, Inc. (the Company) completed the previously announced acquisition of all of the outstanding stock of The White House, Inc. (The White House) pursuant to a Stock Purchase Agreement dated July 30, 2003 (the Stock Purchase Agreement) with The White House, all of the shareholders of The White House (the Sellers) and a representative of the Sellers. As a result of the acquisition, The White House has become the Company's wholly-owned subsidiary. The White House currently operates 103 stores in 30 states, the Virgin Islands, Puerto Rico, and the District of Columbia that sell high-quality fashion and basic merchandise assorted primarily in the classic and timeless colors of white and black and related shades.

Under the terms of the Stock Purchase Agreement, the purchase price for the acquisition was \$90 million (plus certain transaction expenses), comprised of \$85.73 million cash and \$4.27 million represented by 150,622 shares of the Company's common stock, valuing the Company's stock solely for these purposes at the average of the closing prices for the Company's stock for 20 consecutive trading days ended September 2, 2003. The Company's common stock was issued to Richard Sarmiento, Chief Executive Officer of The White House, and Patricia Darrow-Smith, Executive Vice President, Merchandising, of The White House. All other Sellers received only cash consideration. The Company funded the cash portion of the purchase price from current cash and from the liquidation of certain marketable securities.

From the cash consideration, \$12.5 million has been placed in a one-year escrow to cover certain indemnification obligations of the Sellers. The Company's common stock issued to Mr. Sarmiento and Ms. Darrow-Smith was not registered under the Securities Act of 1933 in reliance on an exemption from the registration requirements of such Act. Such common stock carries with it certain piggyback registration rights.

In connection with the acquisition, the Company entered into three-year employment agreements with certain key employees of The White House, including Mr. Sarmiento and Ms. Darrow-Smith, who continue to hold senior officer positions with The White House. Mr. Sarmiento was also appointed as the Company's Senior Vice President-The White House. Other terms of these employment agreements are comparable to those in agreements currently in effect for other executive officers of the Company. Copies of the employment agreements with Mr. Sarmiento and Ms. Darrow-Smith are exhibits to this Current Report.

The foregoing summary of the acquisition is qualified in its entirety by the specific terms and provisions of the Stock Purchase Agreement and the employment agreements. The Stock Purchase Agreement was filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the Quarter Ended September 2, 2003 and is referenced as an exhibit to this Current Report.

On September 5, 2003, the Company issued a press release regarding the closing of the transactions contemplated by the Stock Purchase Agreement. The press release is included with this Current Report as Exhibit 99.1.
