PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD JUNE 22, 2004

To the Stockholders of Chico's FAS, Inc.:

April 28, 2004

These proxy materials are delivered in connection with the solicitation by the Board of Directors of Chico's FAS, Inc. (Chico's, the Company, we, or us), a Florida corporation, of proxies to be voted at our 2004 Annual Meeting of Stockholders and at any adjournments or postponements thereof.

You are invited to attend our Annual Meeting of Stockholders on June 22, 2004, beginning at 2:00 P.M., Local Time. The Annual Meeting will be held at the Sanibel Harbour Resort, Fort Myers, Florida. Stockholders will be admitted beginning at approximately 1:30 P.M.

It is important that proxies be returned promptly to avoid unnecessary expense to the Company. Therefore, whether you plan to attend the Annual Meeting or not and regardless of the number of shares of stock you own, please date, sign and return the enclosed proxy promptly.

ABOUT THE ANNUAL MEETING

What is the purpose of the meeting?

At the Annual Meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including the election of directors, the Articles of Amendment to the Amended and Restated Articles of Incorporation, the amendment and restatement of the Chico's FAS, Inc. 2002 Employee Stock Purchase Plan, and ratification of the Company's independent certified public accountants. In addition, the Company's management will report on the performance of the Company during the fiscal year ended January 31, 2004 and respond to questions from stockholders.

When are these materials being mailed?

This proxy statement and the form of proxy are being mailed starting on approximately April 30, 2004.

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. The form of proxy card included with this proxy statement designates each of Marvin J. Gralnick, Scott A. Edmonds and Patricia Murphy Kerstein as proxies for the 2004 Annual Meeting.

What is a proxy statement?

It is a document that SEC regulations require us to give you when we ask you to sign a proxy card designating individuals as proxies to vote on your behalf.

Table of Contents

What is the difference between a stockholder of record and a stockholder who holds stock in street name?

(a) If your shares are registered in your name, you are a stockholder of record. Owners of record receive their proxy materials from us. When you properly complete, sign and return your proxy card, you are instructing the named proxies to vote your shares in the manner you indicate on the proxy card.

(b) If your shares are held in the name of your broker or other financial institution, which is usually the case if you hold your shares in a brokerage or similar account, your shares are held in street name. Your broker or other financial institution is the stockholder of record for your shares. As the holder of record, only your broker or other institution is authorized to vote or grant a proxy for your shares. Accordingly, if you wish to vote your shares in person, you must contact your broker or other institution to obtain the authority to do so. Street name holders receive their proxy materials from their broker or other institution. When you properly complete, sign and return your proxy card, you are giving your broker or other financial institution instructions on how to vote the shares they hold for you.

What is the record date and what does it mean?

Owners of record of common stock at the close of business on the record date are entitled to:

(a) receive notice of the meeting, and

(b) vote at the meeting and any adjournments or postponements of the meeting.

The record date for the 2004 Annual Meeting is April 26, 2004. The record date is established by the Board of Directors as required by law and the Company's Articles of Incorporation and By-laws.

What are abstentions and broker non-votes?

An abstention occurs when a stockholder of record (which may be a broker or other nominee of a street name holder) is present at a meeting (or deemed present) but fails to vote on a proposal, indicates that the stockholder abstains from voting on the proposal, or withholds authority from proxies to vote for director nominees while failing to vote for other eligible candidates in their place. A broker non-vote occurs when a broker or other nominee who holds shares for another does not vote on a particular item because the nominee does not have discretionary voting authority for that item and has not received instructions from the street name owner of the shares.

What constitutes a quorum for the meeting?

At least a certain number of shares must be present or represented by proxy at a meeting before any stockholder vote at the meeting can be effective. A quorum is necessary to conduct business at the meeting. For the Annual Meeting, a majority of the outstanding shares of common stock present or represented by proxy will constitute a quorum. You are part of the quorum if you have voted by proxy. Abstentions, broker non-votes and votes withheld from director nominees count as shares present at the meeting for purposes of determining a quorum. However, abstentions and broker non-votes do not count in the voting results.

Who is entitled to vote and how many votes do I have?

If you are a common stockholder of record at the close of business on the record date, you can vote. For each matter presented for vote, you have one vote for each share you own. If you are a holder in street name at the close of business on the record date, you generally will have the right to instruct your broker or other financial institution how to vote your shares, although specific procedures depend on the terms of your account arrangement. As of the record date, there were 89,141,254 common shares outstanding. Each common share is entitled to one vote on each matter properly brought before the Annual Meeting. Shares of common stock, par value \$.01 per share, are the only outstanding voting securities of the Company.

Table of Contents

How do I vote my shares?

Stockholders of record can vote by:

returning a completed proxy card by mail to Registrar and Transfer Company, Attn: Proxy Department, P.O. Box 1159, Cranford, New Jersey 07016-9748;

delivering a completed proxy card to an inspector of election prior to the Annual Meeting; or

completing a ballot and returning it to an inspector of election during the Annual Meeting.

If you hold your shares in street name, you can vote by submitting a voting instruction card to your broker or other institution in accordance with the procedures and requirements applicable to your account. If your shares are held in street name and you wish to cast your vote in person at the Annual Meeting, you must either (i) obtain a legal proxy, executed in your favor, from the bank, broker, or nominee, as the case may be, or (ii) obtain a proxy direction form from the bank, broker, or nominee, as the case may be, and follow the instructions on the form so as to provide such bank, broker or nominee with your directions as to how you want such shares to be voted.

Can I vote by telephone or electronically?

The Company has not established procedures to allow telephone or electronic voting by stockholders of record, but we may do so for future stockholder meetings if we determine that the added convenience to our stockholders would justify the additional costs to the Company associated with these voting methods.

Street name holders may vote by telephone or the Internet if their bank or broker makes those methods available, in which case your bank or broker will enclose the instructions with this proxy statement.

Can I change my vote?

You may revoke your proxy or change your voting instructions before the time of voting at the meeting in several ways.

If you are a stockholder of record, you may revoke or change your proxy instructions at any time prior to the vote at the Annual Meeting. To do so:

mail a revised proxy card dated later than the prior one;

give us written notice of your change or revocation; or

attend the Annual Meeting and vote in person.

If you hold your shares in street name, you may revoke or change your proxy instructions at any time prior to the vote at the Annual Meeting by submitting new voting instructions to your broker or other institution in accordance with the procedures and requirements applicable to your account.

If I submit a proxy, how will my shares be voted?

If you submit a properly executed proxy card, the individuals named on the card, as your proxies, will vote your shares in the manner you indicate. If you sign and return the card without indicating your instructions, your shares will be voted for the election of the three nominees to serve three-year terms on our Board of Directors, for the election of the one nominee to serve the remaining two years of a three-year term on our Board of Directors, for approval of the amendment to the Amended and Restated Articles of Incorporation, for ratification and approval of the Amended and Restated Chico's FAS, Inc. 2002 Employee Stock Purchase Plan, for ratification of the appointment of Ernst & Young LLP as the Company's independent certified public accountants for the fiscal year ending January 29, 2005 (fiscal 2004), and otherwise as recommended by the Board of Directors.

Your vote is important. Whether or not you plan to attend the meeting, we encourage you to vote by proxy as soon as possible.

Table of Contents

What are the Board's recommendations?

The Board's recommendations regarding the proposals to be considered at the Annual Meeting are set forth together with the descriptions of the proposals in this proxy statement. In summary, the Board recommends a vote:

for election of the nominees for the Class II Director positions (see page 5).

for election of the nominee for the Class I Director position (see page 5).

for approval of the Articles of Amendment to the Amended and Restated Articles of Incorporation (see page 14).

for ratification and approval of the Amended and Restated Chico's FAS, Inc. 2002 Employee Stock Purchase Plan (see page 15).

for ratification of the appointment of Ernst & Young LLP as the Company's independent certified public accountants for the fiscal year ending January 29, 2005 (fiscal 2004) (see page 18).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion. At the date this proxy statement went to press, we did not know of any other matter to be raised at the Annual Meeting.

What vote is required to approve each item?

Election of Directors. Directors shall be elected by a plurality of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

Approval of Amendment to Amended and Restated Articles of Incorporation. The Articles of Amendment to the Amended and Restated Articles of Incorporation will be approved if the number of votes cast "FOR" approval is at least 66 2/3% of the number of shares of common stock outstanding that are eligible to vote.

Ratification and Approval of Amended and Restated Employee Stock Purchase Plan. The Amended and Restated Chico's FAS, Inc. 2002 Employee Stock Purchase Plan will be ratified and approved if the number of votes cast "FOR" ratification and approval by holders entitled to vote exceeds the number of votes cast opposing the ratification and approval.

Ratification of Appointment of Accountants. The appointment of Ernst & Young LLP as the Company's independent certified public accountants for the fiscal year ending January 29, 2005 will be ratified if the number of votes cast "FOR" ratification of the appointment by holders entitled to vote exceeds the number of votes cast opposing the ratification of the appointment.

Other Items. If any other item requiring a stockholder vote should come before the meeting, the item will be approved if the number of shares voting for the item is greater than the number of shares voting against the item.

A properly executed proxy marked "ABSTAIN" with respect to any matter will not be voted, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. Accordingly, for purposes of any vote, an abstention will have the same effect as does a share that is not present or is not voted.

Table of Contents

Are votes confidential? Who counts the votes?

The votes of all stockholders are held in confidence from directors, officers and employees, except:

- (a) as necessary to meet applicable legal requirements and to assert or defend claims for or against the Company,
- (b) in case of a contested proxy solicitation,
- (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management, or
- (d) to allow the independent inspectors of election to certify the results of the vote.

All votes will be tabulated by employees of The Registrar and Transfer Company, the Company's transfer agent for the common stock, whose representatives will serve as one or more of the inspectors of election.

How are abstentions and broker non-votes counted when tabulating the vote?

Abstentions and broker non-votes do not count as votes and are not included in any vote totals for directors or for or against any other matter. Accordingly, abstentions and broker non-votes do not affect the outcome of any vote.

Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, mail, electronic transmission, facsimile transmission or telegram. The Company will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to stockholders and the Company will reimburse such institutions for their out-of-pocket expenses incurred thereby. The Company has not engaged any outside service provider to assist in the solicitation of proxies.

Does each stockholder receive his or her own copy of the 2003 Annual Report and this proxy statement?

In some cases we may send only one annual report and proxy statement to an address shared by two or more stockholders, unless we have received contrary instructions from one or more stockholders at that address. This practice, known as householding, is designed to reduce our printing and postage costs. If you are a stockholder of record residing at such an address and you wish to receive a separate copy of our 2003 Annual Report or this proxy statement, please contact Sherry Terzian by phone at (239) 274-4425 or in writing at 11215 Metro Parkway, Ft. Myers, Florida 33912 and we will promptly send you separate copies. If we have been sending only one annual report and proxy statement to your household but you or another stockholder in the household wishes to receive separate copies of annual reports and/or proxy statements in the future, please contact us in the same manner. Please also contact us if your household receives multiple copies of our annual report and proxy statement and you would prefer that we send only one copy for the entire household.

Governance of the Company

Board of Directors

Corporate governance is typically defined as the system that allocates duties and authority among a company's stockholders, board of directors and management. The stockholders elect the board and vote on extraordinary matters; the board is the Company's governing body, responsible for hiring, overseeing and evaluating management, particularly the Chief Executive Officer; and management runs the Company's day-to-day operations. Our Board of Directors currently consists of eight directors. The current Board members and nominees for election include four independent directors and four individuals who are or who

Table of Contents

recently were members of the Company's senior management. The Company is engaged in a diligent search for an additional independent director, preferably one with financial experience who can qualify as a financial expert.

The primary responsibilities of the Board of Directors are oversight, counseling and direction to the Company's management in the long-term interests of Chico's and its stockholders. The Board's detailed responsibilities include: (a) selecting, regularly evaluating the performance of, and approving the compensation of the Chief Executive Officer and other senior executives; (b) planning for succession with respect to the position of Chief Executive Officer and monitoring management's succession planning for other senior executives; (c) reviewing and, where appropriate, approving Chico's major financial objectives, strategic and operating plans and actions; (d) overseeing the conduct of Chico's business to evaluate whether the business is being properly managed; and (e) overseeing the processes for maintaining Chico's integrity with regard to its financial statements and other public disclosures and compliance with law and ethics. The Board of Directors has delegated to the Chief Executive Officer, working with Chico's other executive officers, the authority and responsibility for managing the Company's business in a manner consistent with the Company's standards and practices, and in accordance with any specific plans, instructions or directions of the Board. The Chief Executive Officer and management are responsible for seeking the advice and, in appropriate situations, the approval of the Board with respect to extraordinary actions to be undertaken by Chico's.

Meetings

The Board and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as appropriate. The Board of Directors held eight meetings during the fiscal year ended January 31, 2004. During the fiscal year ended January 31, 2004, each incumbent director attended at least 75% of the total number of Board and Committee meetings.

The non-employee directors of the Board also meet on a regular basis without the Chief Executive Officer or other members of management present.

Lead Director

In August 2003, the Board created a new position of lead director, whose primary responsibility is to preside over periodic executive sessions of the Board in which management directors and other members of management do not participate. Verna K. Gibson is serving in the position of lead director and has been designated by the non-management members of the Board to continue serving in this position until at least the Company's 2004 annual meeting of stockholders.

Independence

In January 2004, the Board enhanced its corporate governance by adopting Corporate Governance Guidelines. The Guidelines adopted by the Board meet or exceed the new listing standards adopted in late 2003 by the New York Stock Exchange. The full text of the Corporate Governance Guidelines can be found under the Investors Relations portion of the Company's website (www.chicos.com). A copy may also be obtained upon request from the Secretary of the Company.

Pursuant to the Corporate Governance Guidelines, the Board undertook a review of director independence in March 2004. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. As provided in the Corporate Governance Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that four of the eight current directors (with four of the current directors being nominated for re-election at the annual meeting) are independent of the Company and its management under the standards set forth in the Corporate Governance Guidelines.

Table of Contents

Messrs. Edmonds and Kleman are considered inside directors because of their continued employment as senior executives of the Company. Mr. Gralnick and Ms. Gralnick are considered inside directors both because of their recent employment as senior executives of the Company and because of their continuation as at-will employees from and after early March 2004.

Code of Ethics

The Company has a Code of Ethics, which is applicable to all employees of the Company, including the principal executive officer, the principal financial officer, the principal accounting officer and the directors. The Code of Ethics is available in the Investor Relations portion of the Company's website (www.chicos.com). The Company intends to post amendments to or waivers from its Code of Ethics (to the extent applicable to the Company's chief executive officer, principal financial officer, principal accounting officer or its directors) at this location on its website.

Committees of the Board

The Board of Directors has a standing Corporate Governance Committee (which acts as the Company's Nominating Committee), Audit Committee and Compensation and Benefits Committee.

Corporate Governance Committee

The current members of the Corporate Governance Committee are Ms. Gibson (chair), Mr. Burden, Mr. Roeder and Ms. Atkins, with Ms. Atkins becoming a member upon her appointment to the Board in January 2004. The Corporate Governance Committee held five meetings during the fiscal year ended January 31, 2004. The Corporate Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's Corporate Governance Guidelines. In addition, its principal responsibilities from the perspective of its role as a Nominating Committee are to interview, evaluate, nominate, and recommend individuals for membership on the Company's Board of Directors and committees thereof, and to evaluate and provide input with respect to individuals to be elected as officers of the Company by the Board of Directors. The Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Corporate Governance Committee is available under the Investors Relations portion of the Company's website (www.chicos.com).

All of the members of the Corporate Governance Committee have been determined to be independent within the meaning of the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

Audit Committee

The current members of the Audit Committee are Mr. Roeder (chair), Ms. Gibson and Mr. Burden. The Audit Committee held eight meetings during the fiscal year ended January 31, 2004. The Audit Committee's principal responsibilities are to assist the Board in its general oversight of Chico's financial reporting, internal controls and audit functions. The Committee is directly responsible for the appointment, compensation and oversight of the work of the Company's independent certified public accountants, reviews the annual audit of the Company's financial statements and meets with the independent accountants from time to time in order to review the Company's internal controls and financial management practices. During each fiscal year, at least one (and usually more) of the meetings between the Audit Committee and the independent accountants is held separately without management present. The Audit Committee has established policies and procedures for the engagement of the independent accountants to provide permissible non-audit services, which includes pre-approval of all permissible non-audit services to be provided by the independent accountants. The Audit Committee has the authority to hire its own outside legal and other advisors. A restated charter of the Audit Committee was recently adopted and this current charter is attached to this proxy statement as Annex I and is also available under the Investors Relations portion of the Company's website (www.chicos.com).

Table of Contents

All members of the Audit Committee have been determined to be independent within the meaning of the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines. Newly created federal regulations require the Board to determine if a member of its Audit Committee is an Audit Committee Financial Expert. According to these new regulations, an audit committee member can be designated an Audit Committee Financial Expert only when the audit committee member satisfies five specified qualification requirements, such as experience in (or experience actively supervising others engaged in) preparing, auditing, analyzing, or evaluating financial statements presenting a level of accounting complexity comparable to what is encountered in connection with the Company's financial statements. The regulations further require that such qualifications to have been acquired through specified means of experience or education. The Company's Board of Directors has determined that the Company does not have an Audit Committee Financial Expert, within the meaning of the federal regulations, serving on its Audit Committee. Although a person with such qualifications does not serve on the Company's Audit Committee, the members of the Company's Audit Committee nevertheless have extensive experience in dealing with financial statements, accounting issues, internal controls and other matters relating to public companies and the Board has confidence in the ability and effectiveness of its Audit Committee. The Company is currently in the process of searching for a suitable independent director nominee who may qualify as an Audit Committee Financial Expert, and who may be added to the Company's Board of Directors. The Board does not believe that the absence of an Audit Committee Financial Expert has negatively impacted the Company's performance or the integrity of the Company's financial statements. See the Audit Committee Report on page 19 for further information.

Compensation and Benefits Committee

The current members of the Compensation and Benefits Committee are Mr. Burden (chair), Ms. Gibson, Mr. Roeder and Ms. Atkins. The Compensation and Benefits Committee held six meetings during the fiscal year ended January 31, 2004 and regularly acts by written consent. The principal responsibilities of the Compensation and Benefits Committee are to review and make recommendations to the Board of Directors concerning the compensation of all officers of the Company; to review and make recommendations with respect to the Company's existing and proposed compensation and bonus plans, and to serve as the committee responsible for administering the Company's 1992 Stock Option Plan, 1993 Stock Option Plan, Amended and Restated 2002 Employee Stock Purchase Plan, 2002 Omnibus Stock and Incentive Plan and Deferred Compensation Plan. The charter of the Compensation and Benefits Committee is available under the Investors Relations portion of the Company's website (www.chicos.com).

All of the members of the Compensation and Benefits Committee have been determined to be independent within the meaning of the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

Identifying and Evaluating Nominees for Director Positions

Responsibility for Selection of Director Candidates

The Board is responsible for selecting director candidates. The Board has delegated the screening process to the Corporate Governance Committee, with the expectation that other members of the Board and executives will be asked to take part in the process as appropriate. Candidates recommended by the Corporate Governance Committee are subject to approval by the Board.

Stockholder Nominees

The policy of the Corporate Governance Committee is to consider written recommendations from stockholders for positions on the Board of Directors. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Secretary of the Company or any member of the Corporate Governance Committee in writing with whatever supporting material the stockholder considers appropriate, including the nominee's name and qualifications for Board membership. In evaluating such nominations, the

Table of Contents

Corporate Governance Committee seeks to address the criteria set forth under **Director Criteria** and **Director Obligations** below. The Corporate Governance Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions set forth in the Amended and Restated Articles of Incorporation of the Company relating to stockholder nominations. See - **Stockholder Proposals for Presentation at the 2005 Annual Meeting** for further information. The Company received no stockholder nominations in 2003.

Identifying and Evaluating Nominees

The Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director positions. The Corporate Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Corporate Governance Committee considers various potential candidates for the director positions. Candidates may come to the attention of the Corporate Governance Committee through current Board members, current management, professional search firms, stockholders (as described above) or other persons.

Once the Corporate Governance Committee has identified a prospective nominee, the Committee will make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the applicable criteria for directors.

If the Committee determines, in consultation with the Chairman of the Board and other Board members, as appropriate, that additional consideration is warranted, it may ask Board members or engage third parties to gather additional information about the prospective nominee's background and experience and to report the findings to the Committee. The Committee then evaluates the prospective nominee against the criteria set out in the Company's Corporate Governance Guidelines. The Committee also considers such other relevant factors as it deems appropriate, including the backgrounds, qualifications and skills of existing Board members, the balance of management and independent directors, the need for Audit Committee expertise, and the Committee's evaluation of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, the Chair of the Committee, one of the other independent directors, as well as the Chief Executive Officer and/or President, and others as appropriate, interview prospective nominees in person or by telephone. After completing these evaluations and interviews, the Committee deliberates and makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

Director Criteria

The Company's Corporate Governance Guidelines, which are available under the Investors Relations portion of the Company's website (www.chicos.com), set forth the criteria that apply to Board candidates. The Corporate Governance Committee of the Board is responsible for reviewing with the Board the requisite skills and characteristics of new Board candidates in the context of the then current composition of the Board. This assessment includes experience in industry, finance, administration, operations and marketing, as well as diversity. Director candidates should be able to provide insights and practical wisdom based on their experience and expertise.

Table of Contents

Director Obligations

Directors are expected to prepare for, attend and participate in Board meetings and meetings of the committees of the Board of Directors on which they serve, to ask direct questions and require straight answers, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities and duties as directors. Each Board member is expected to ensure that other existing and planned future commitments do not materially interfere with the member's service as a director. Service on other boards and other commitments are considered by the Corporate Governance Committee when reviewing Board candidates and in connection with the Board's annual self-assessment process.

Communications to Non-Management Directors

Stockholders and other parties interested in communicating with the lead director or with the other non-management directors as a group may do so by writing to Lead Director, Chico's FAS, Inc., 11215 Metro Parkway, Ft. Myers, Florida 33912. Letters addressed to the lead director or any of the other non-management directors will be routed to the corporate secretary who will review all such correspondence, will keep a file with copies of such correspondence (including a log thereof), will regularly forward such correspondence that, in the opinion of the corporate secretary, deals with the functions of the Board or committees thereof or that he or she otherwise determines requires their attention and may also provide each of the board members with summaries of all such correspondence. Directors may at any time review the file of such correspondence or the log of such correspondence and may request copies of any such correspondence.

A separate process has been established for dealing with concerns relating to accounting, internal controls or auditing matters. Stockholders and other parties interested in communicating about any of these particular matters may alternatively submit such communications by calling in such report to a third party hotline that has been established by the Board of Directors (1-888-361-5813) and such reports will immediately be brought directly to the attention of the chair of the Company's Audit Committee and separately to the head of the Company's internal audit department. If instead a communication relating to accounting, internal controls or auditing matters is received in writing by the Company, the corporate secretary will promptly forward such written correspondence to the chair of the Company's Audit Committee and separately to the head of the Company's internal audit department. These particular reports, whether received through the hotline or in writing, will be handled in accordance with procedures established by the Company's Audit Committee.

Director Attendance at Annual Meeting

The Company has no policy with regard to Board members' attendance at stockholders' annual meetings; however, it has been the custom for Chico's directors to attend the annual meeting of stockholders. All then current Board members attended the 2003 annual meeting of stockholders.

Compensation of Directors

Base Compensation and Benefits. Each non-management director receives an annual retainer of \$40,000, an additional \$1,000 for each board and committee meeting attended, whether in person or by telephone, and an additional \$1,000 for each additional day of any such meeting. Each non-management director who serves as a committee chair receives an additional annual retainer of \$10,000, and the lead director receives an additional annual retainer of \$20,000. Beginning on March 1, 2004, Mr. Gralnick and Ms. Gralnick are counted as being within the group of non-management directors as a result of their retirement as officers of the Company. All directors are also entitled to reimbursement of their reasonable out-of-pocket expenses for attendance at board and committee meetings. Non-employee directors may also elect to participate in the Company's health insurance program with coverage provided for the director and his or her dependents and with the cost thereof paid by the Company. During the last fiscal year, Ms. Gibson participated in this program.

Table of Contents

Stock Options. Each year following the annual meeting of stockholders, each continuing non-employee director receives an automatic grant of stock options to purchase 10,000 shares of common stock. In the fiscal year ended January 31, 2004, Ms. Gibson and Messrs. Burden and Roeder received automatic grants under the Company's 2002 Omnibus Stock and Incentive Plan. Each such option grant, which vested in full on December 24, 2003 and has a ten-year term, permits the holder to purchase shares at their fair market value on the date of grant, which in the case of these particular stock options was \$19.73.

Each new non-employee director receives 10,000 options upon election or appointment. Ms. Atkins, upon her appointment to the Board of Directors on January 23, 2004, received a grant of 10,000 options under the Company's 2002 Omnibus Stock and Incentive Plan, which vest in full on the date of the Company's 2005 Annual Meeting of Stockholders, has a ten-year term, and permits Ms. Atkins to purchase shares at the fair market value on the date of grant, which in the case of these particular stock options was \$38.50.

In addition, Ms. Gibson, Ms. Atkins, Mr. Burden and Mr. Roeder may occasionally receive option grants at the discretion of the Board of Directors under the Company's 2002 Omnibus Stock and Incentive Plan.

Indemnification. We indemnify our directors and certain of our officers to the fullest extent permitted by law so that they will serve free from undue concern that they will not be indemnified. This is authorized under our By-laws, and accordingly we have signed agreements with each of those individuals contractually obligating us to provide this indemnification to them.

**2. PROPOSAL TO AMEND THE AMENDED AND RESTATED ARTICLES OF
INCORPORATION ITEM TWO ON YOUR PROXY CARD**

The Company's Amended and Restated Articles of Incorporation currently provide that the size of the Board of Directors shall consist of not less than three nor more than nine members. The Board of Directors has approved and recommends that the stockholders approve an amendment to the Amended and Restated Articles of Incorporation of the Company (the "Articles of Amendment"), as permitted by the Florida Business Corporation Act, to increase the authorized size of the Board of Directors from not less than three nor more than nine members to not less than three nor more than twelve members.

If this proposal is approved, effective upon filing of the proposed amendment with the Florida Department of State, Section 1 of Article VI of the Company's Amended and Restated Articles of Incorporation will be amended to read as follows:

1. *Number.* The Board of Directors of this Corporation shall consist of not less than three (3) nor more than twelve (12) members, the exact number of directors to be fixed from time to time as provided in the bylaws of this Corporation.

In reviewing recent corporate governance matters, the Board of Directors concluded that it would be desirable to increase the number of directors authorized to serve on the Board. The purpose of this amendment to the Company's Amended and Restated Articles of Incorporation is primarily to enable the Company to take timely advantage of the availability of well-qualified candidates to serve as independent directors of the Company. The Board of Directors believes that this amendment is in the best interests of the Company and its stockholders because it will enable the Company to add talented individuals with a diversity of experience to our Board, when such individuals become available for service. As is the case currently, the Board of Directors would continue to have the authority in between meetings of stockholders to increase the number of directors of the Company and to fill vacancies resulting from such newly created directorships; provided however that, without an appropriate vote of the Company's stockholders, the Board of Directors would not be able to increase the size of the Board above the maximum number of directors authorized in the Amended and Restated Articles of Incorporation. If the proposed amendment is approved, the Board of Directors would be able to increase the size of the Board from its current eight members to up to twelve members and fill any such newly created vacancies. If the proposed amendment is not approved, the Board of Directors would only be able to increase the size of the Board to a maximum of nine members. In either event, in accordance with applicable Florida law, any director vacancy so filled by action of the Board of Directors must be presented for election at the next stockholders' meeting at which directors are to be elected.

Table of Contents

THE BOARD RECOMMENDS THAT YOU VOTE **FOR** APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED ARTICLES OF INCORPORATION. In accordance with Article IX of the Amended and Restated Articles of Incorporation, the affirmative vote of the holders of at least 66 2/3% of the outstanding shares of common stock is required to approve the amendment to Article VI of the Company s Amended and Restated Articles of Incorporation. Abstentions and broker non-votes will have the same effect as a vote against the proposal.

3. PROPOSAL TO APPROVE THE COMPANY S AMENDED AND RESTATED

**2002 EMPLOYEE STOCK PURCHASE PLAN ITEM THREE
ON YOUR PROXY CARD**

On February 18, 2002, the Company s 2002 Employee Stock Purchase Plan (the 2002 ESPP) was adopted by the Board of Directors. The Board solicited and received stockholder approval of the 2002 ESPP at the 2002 Annual Meeting of Stockholders. On March 1, 2004, the Board of Directors, upon recommendation of the Compensation and Benefits Committee, acted to amend and restate the 2002 ESPP, effective as of April 1, 2004, to, among other things:

change the formula with respect to computing the number of shares that would be added each year to the number of shares covered by the plan so as to reduce such number of additional shares and to clarify the maximum number of shares that may be issued under the plan over the entire remaining term of the plan; and

make certain conforming and corresponding changes of a ministerial nature.

The purpose of the amended and restated 2002 ESPP (the Restated 2002 ESPP) continues to be to provide the Company s employees with an opportunity, through the purchase of stock, to become part owners of the Company, or to increase the amount of their stock ownership. The Company believes that employees finding themselves in the dual roles of part owners and employees will have every reason to do all that they can to maintain and increase the success of the Company. The Restated 2002 ESPP replaces the Company s 2002 ESPP in its entirety in order to facilitate ease of administration of the plan.

THE BOARD RECOMMENDS THAT YOU VOTE **FOR** APPROVAL OF THE RESTATED 2002 ESPP. The Restated 2002 ESPP will be approved if the votes cast **FOR** approval of the Restated 2002 ESPP by holders entitled to vote exceed the votes cast opposing the approval of the Restated 2002 ESPP.

A summary of the material features of the Restated 2002 ESPP follows. This summary is qualified in its entirety by reference to the full text of the Restated 2002 ESPP found in Annex II.

Summary of the Restated 2002 ESPP

An aggregate of 400,000 shares of common stock were initially reserved for issuance under the 2002 ESPP. This aggregate shares remaining available under the 2002 ESPP was increased to 800,000 shares as a result of the Company s two for one stock split effectuated in July 2002, was automatically increased further by an additional 426,412 shares at the beginning of fiscal year 2003 and has been decreased through purchases under the 2002 ESPP aggregating 150,659 shares. Because it was believed that there were sufficient shares available under the 2002 ESPP, the Board acted to eliminate the automatic increase in the number of shares that would otherwise have been effectuated at the beginning of fiscal year 2004. As of April 1, 2004, immediately before the effective time of the Restated 2002 ESPP, the aggregate number of shares remaining available under the 2002 ESPP was 1,075,753 shares.

The Restated 2002 ESPP initially reserves an aggregate of 1,100,000 shares of common stock for issuance under the Restated 2002 ESPP from and after the effective date of the amendment and restatement. In addition, the aggregate number of shares that may be offered under the Restated 2002 ESPP will be increased automatically, without further action of the Board of Directors or the stockholders, at the beginning of each fiscal year of the Company after April 1, 2004, by a number of shares equal to (i) one hundred twenty percent (120%) of the total number of shares acquired pursuant to the Restated 2002 ESPP during the immediately

Table of Contents

preceding fiscal year, (2) 75,000 or (3) such lesser number of shares as may be specified by the Board of Directors prior to the last day of such preceding fiscal year. The number of shares reserved under the Restated 2002 ESPP is also subject to automatic adjustment, without further action of the Board of Directors or the stockholders, in the event of a stock dividend, a stock split or certain other recapitalizations with respect to the Company's stock.

Under the Restated 2002 ESPP, which is intended to qualify as an employee stock purchase plan under the provisions of Section 423 of the Internal Revenue Code of 1986, as amended (the Code), eligible employees are given the right to purchase shares of the common stock of the Company twice each year at a price equal to 85% of the fair market value of the stock immediately prior to the beginning of each exercise period. The Restated 2002 ESPP also provides that the Compensation and Benefits Committee may, for any offering period and provided that action is taken at least one month before the beginning of such offering period, elect to utilize an alternative purchase price equal to 85% of the lesser of (a) the fair market value of the stock immediately prior to the beginning of the exercise period or (b) the fair market value of the stock immediately prior to the last day of the exercise period. The fair market value of a share of common stock on any date will be the closing price on the immediately preceding trading day of the common stock on the New York Stock Exchange or, if the common stock is not traded on the New York Stock Exchange, as otherwise determined in accordance with the Restated 2002 ESPP. On April 16, 2004, the closing price of the Company's common stock on the New York Stock Exchange was \$45.31.

During the remainder of 2004 the exercise period will occur from September 1, 2004 through September 30, 2004. Thereafter the offering periods will start on the first day and conclude on the last day of the months of March and September in each of the years 2005 through 2011, inclusive.

All employees of the Company and its subsidiaries are eligible to participate except for those who have been employed by the Company for less than one year, customarily work 20 hours or less per week, customarily work five months or less per year, or own at least 5% of the Company's stock. Rights to acquire stock are to terminate if the employee's employment is terminated for any reason, and the rights are not to be transferable by the employees. No consideration will be received by the Company for the granting of the right to acquire stock under the Restated 2002 ESPP other than the services rendered to the Company by the employee in such capacity.

During each exercise period, an eligible employee is entitled to purchase one share of common stock of the Company for each \$250 of compensation received by him or her for the calendar year preceding the exercise period. However, no eligible employee is entitled to purchase fewer than 10 shares or more than 400 shares in any one exercise period. In addition, the terms of an offering may not allow an employee's right to purchase shares under all stock purchase plans of the Company and its subsidiaries to which Section 423 of the Code applies to accrue at a rate that exceeds \$25,000 of fair market value of shares, as determined on the offering date, for each calendar year in which the offering is outstanding. Within these limits, an eligible employee is able to elect to purchase as many or as few shares in each exercise period as he or she chooses. Unlike the number of shares reserved under the Restated 2002 ESPP, these dollar amounts and share limits are not impacted, and are not automatically adjusted, in the event of any stock dividend, stock split or other recapitalization with respect to the Company's stock.

Payment for the shares must be made at the time of the exercise of the rights and may be made in cash, by check or by withdrawal from a payroll deduction account established by the employee under the terms of the Restated 2002 ESPP. Payroll deductions may not exceed an aggregate of \$25,000 in any calendar year.

The Committee may from time to time determine that any shares issued pursuant to the Restated 2002 ESPP will only be issued in certificated form and that such certificates will be held in safekeeping by the Company until two years after the date of issuance or, if earlier, the date on which such shares are sold or transferred by the employee.

The Restated 2002 ESPP will terminate upon the earlier of when all of the shares reserved for purposes of the Restated 2002 ESPP have been purchased or following the offering period in September 2011, provided that the Board of Directors in its sole discretion may terminate the Restated 2002 ESPP at any time. The

Table of Contents

Board may at any time amend the Restated 2002 ESPP in any and all respects, provided that without stockholder approval, the Board may not increase the number of shares reserved for under the Restated 2002 ESPP, change the formula by which the price at which the shares shall be sold is determined, increase the maximum number of shares that an employee may purchase, materially modify the requirements to become eligible to participate under the Restated 2002 ESPP, otherwise materially increase the benefits to employees under the Restated 2002 ESPP or remove the administration of the Restated 2002 ESPP from the Compensation and Benefits Committee.

The Restated 2002 ESPP is administered by the Compensation and Benefits Committee, whose members currently are Verna K. Gibson, Ross E. Roeder, John W. Burden and Betsy S. Atkins, none of whom are eligible to participate in the Restated 2002 ESPP.

Participation in the Restated 2002 ESPP

The Company cannot determine the amount of shares that the officers and other eligible employees will purchase under the Restated 2002 ESPP because the purchase of those shares is, subject to the applicable limitations described on pages 15 through 17 under the heading Summary of the Restated 2002 ESPP, entirely within the discretion of the officers and eligible employees. Currently, each of the Company's executive officers is eligible to purchase shares under the Restated 2002 ESPP on the same terms as the Company's other employees. Though not necessarily an indicator of how many shares will be purchased during the 2004 fiscal year, executive officers, as a group, purchased 2,800 shares under the 2002 ESPP during the 2003 fiscal year. During that same time, non-executive employees purchased 52,693 shares under the 2002 ESPP.

Federal Income Tax Consequences

The following is a summary of some of the more significant federal income tax consequences under present law of the acquisition of shares under the Restated 2002 ESPP.

Generally, no gain or loss is recognized until the stock is sold or otherwise disposed of by its owner.

If the shares acquired under the Restated 2002 ESPP are held by the employee for the holding period required by the Code (two years from the beginning of the exercise period in which the shares were acquired), upon the disposition of the stock, the employee will recognize ordinary income (as compensation) to the extent of the lesser of: (i) the amount by which the fair market value of the stock at the beginning of the exercise period exceeded 85% of such fair market value or (ii) the amount by which the fair market value of the stock at the time of disposition exceeds the purchase price. Any further gain will be taxed as a capital gain. If the sales price is less than the purchase price, there will be no ordinary income; and the employee will recognize a long-term capital loss equal to the difference between the purchase price and the disposition price. If the holding period is satisfied, the Company will not be entitled to an income tax deduction at any time.

If the two-year holding period is not satisfied, the employee will generally recognize in gross income (as compensation) in the year of disposition the amount by which the fair market value of the stock on the date of transfer exceeded the purchase price. Any difference between the fair market value of the stock on the date of transfer and the sales price upon disposition will be taxed as a capital gain or loss. The Company will be entitled to an income tax deduction in the year of disposition equal to the amount of ordinary income recognized by the employee.

The specific application and impact of the tax rules will vary depending on the specific personal situation of individual employees.

4. PROPOSAL TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

ITEM FOUR ON YOUR PROXY CARD

Appointment Proposed for Ratification

Based on the recommendation of the Company's Audit Committee, the Company has selected Ernst & Young LLP (E&Y) as its independent certified public accountants for the current fiscal year ending January 29, 2005 (fiscal 2004), subject to ratification of such appointment by the stockholders. Ratification of the Company's independent certified public accountants is not required by the Company's By-Laws or otherwise, but the Board of Directors has decided to seek such ratification as a matter of good corporate practice. E&Y has audited the accounts of the Company since first being engaged by the Company effective July 1, 2002. Representatives of E&Y are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions by stockholders.

We have been advised by E&Y that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in the Company or its subsidiaries.

The persons named in the enclosed form of proxy intend, unless otherwise directed, to vote such proxy **FOR** ratification of the appointment of Ernst & Young LLP as independent certified public accountants for the period specified. If the stockholders do not ratify this appointment, other certified public accountants will be considered by the directors upon recommendations of the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE RATIFICATION OF APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS FOR THE PERIOD SPECIFIED. The appointment will be ratified if the number of votes cast **FOR** ratification of the appointment by holders entitled to vote exceeds the number of votes cast opposing the ratification of the appointment.

All audit-related services, tax services and other services in fiscal 2003 were pre-approved by the Audit Committee, which concluded that the provision of such services by E&Y was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's outside auditor independence policy provides for pre-approval of audit, audit-related and tax services specifically described by the Audit Committee on an annual basis and, in addition, individual engagements anticipated to exceed pre-established thresholds must be separately approved. The policy authorizes the Committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

AUDIT COMMITTEE REPORT

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this report by reference therein.

The Audit Committee of the Company's Board of Directors consists of three directors and operates under a revised written charter adopted by the Board of Directors, which is included in this Proxy Statement as Annex I. The charter is required to be provided to stockholders every three years, unless amended earlier. The members of the Audit Committee are Ross E. Roeder (Chair), Verna K. Gibson and John W. Burden. Each member of the Audit Committee is independent in the judgment of the Company's Board of Directors, as required by the listing standards of The New York Stock Exchange and as set forth in the Company's Corporate Governance Guidelines. The Audit Committee is responsible for selecting, engaging and negotiating fee arrangements with the Company's independent accountants with input from the Company's Board of Directors and management. Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for expressing an opinion thereon. The Audit Committee's responsibility is to monitor and oversee these processes. In this context, the Audit Committee has met and held discussions with management, the internal auditors and the independent accountants.

The Sarbanes-Oxley Act of 2002 and regulations issued thereunder added a number of provisions to federal law to strengthen the authority of, and increase the responsibility of, corporate audit committees. Related rules concerning audit committee structure, membership, authority and responsibility have been promulgated by The New York Stock Exchange.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent accountants, nor can the Audit Committee certify that the independent accountants are independent under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management, internal auditors, and the independent accountants on the basis of the information it receives, and discussions with management, internal auditors, and the independent accountants, and the experience of the Audit Committee's members in business, financial and accounting matters.

As part of its oversight of the Company's financial statements, the Audit Committee reviews and discusses with both management and the Company's independent accountants all annual and quarterly financial statements prior to their issuance. During fiscal 2003, management represented to the Audit Committee that each set of the Company's consolidated financial statements was prepared in accordance with accounting principles generally accepted in the United States, and reviewed significant accounting and disclosure issues with the Committee. Discussions regarding the Company's audited financial statements included the independent accountant's judgments about the quality, not just the acceptability, of the Company's accounting principles and underlying estimates used in the Company's financial statements, as well as other matters, as required by Statement on Auditing Standards (SAS) No. 61 (Communication with Audit Committees), as amended by SAS No. 90 (Audit Committee Communications) and by the updated

audit committee charter. The Company's independent accountants also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants that firm's independence.

Based upon the Committee's discussion with management and the independent accountants, the Committee's review of the representations of management, and the report of the independent accountants to the Committee, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's annual report on Form 10-K filed with the Securities and Exchange Commission as of and for the fiscal year ended January 31, 2004.

The Compensation and Benefits Committee of the Board of Directors (the Compensation Committee) is currently composed of four members, each of whom is an outside director of the Company (during fiscal 2003, the Compensation Committee was comprised of three outside directors). Table of Contents

The Company's executive compensation policies are designed to attract, motivate, and retain highly qualified executive officers who can enhance stockholder value, and to support a performance-oriented environment that rewards achievement of the Company's planned financial goals. The Compensation Committee meets periodically during each fiscal year to review the Company's existing compensation and benefits programs and to consider modifications that seek to provide a direct relationship between executive compensation and sustained corporate performance.

The Company compensates its executive officers through three principal types of compensation: annual base salary, semi-annual incentive bonuses and long-term incentive awards through stock options, restricted stock and/or restricted stock units. The Company, as a matter of policy, places substantial emphasis on incentive bonuses and long-term stock-based awards since these two forms of compensation are viewed as very effective at correlating executive officer compensation with corporate performance and increases in stockholder value.

In addition to the three types of compensation just mentioned, executive officers are eligible to participate in the Company's Employee Stock Purchase Plan and Deferred Compensation Plan.

Base Salary

The annual base salary of each executive officer is based on the scope of his or her responsibility and accountability within the Company, as well as on performance and experience criteria. In addition, the Compensation Committee considers salary and other compensation arrangements of other specialty retailers of similar size and similar growth to determine appropriate levels required to attract, motivate, and retain the most qualified management personnel.

The Compensation Committee believes that the Company's most direct competitors for executive talent are not necessarily all of the companies that would be included in a peer group established to compare stockholder returns. Thus, the compensation peer group is not the same as the peer group index in the Comparison of Cumulative Total Return graph included in this proxy statement.

The Compensation Committee, upon the recommendation by the Chief Executive Officer, determines and makes final decisions regarding base salary of executives on an annual basis. The Compensation Committee recognizes that, to some degree, the determination of an executive officer's base salary involves subjective considerations.

Incentive Bonuses

A significant component of an executive officer's total cash compensation consists of an incentive bonus, which is intended to make the executive compensation dependent on the Company's performance and to provide executive officers with incentives to achieve Company goals, increase stockholder value, and work as a team. The bonuses are based on the Company's achievement of its targeted earnings per share goal, which is part of the Company's overall plan. The earnings per share goal, as well as the overall plan, is reviewed and approved by the Compensation Committee prior to or promptly following the start of each fiscal year, with mid-year reviews when determined necessary. To encourage high levels of performance, the targeted earnings per share goal is established at a level which builds in, among other things, a conservatively aggressive growth in sales and comparable store sales.

Bonuses are awarded to the executive team based on the Company's attainment of specific pre-determined earnings per share levels relative to the targeted earnings per share goal established in the Company's overall plan. If the Company does not match its minimum earnings per share goal level, then no bonuses are awarded. Bonuses are awarded midway through the fiscal year and at year end. The Company's executive officers were awarded a total of approximately \$3.8 million in bonuses in the fiscal year ended January 31, 2004.

Deferred Compensation Plan

The Company has adopted an unfunded, nonqualified plan that permits executive officers to defer current compensation for retirement savings. Pursuant to the deferred compensation plan, participants may defer all or a portion of qualifying remuneration payable by the Company. A book account is then maintained for each such executive officer in which there is an accounting of such deferred compensation and deemed earnings thereon based upon selection of deemed investment options by the executive officer. In accordance with the terms of the plan, the deferral must be placed in a rabbi trust. This trust arrangement offers a degree of assurance for ultimate payment of benefits without causing constructive receipt of the deferral or earnings thereon for income tax purposes. The assets in the trust remain subject to the claims of creditors of the Company and are not the property of the executive officer.

Long Term Stock Based Compensation

The Compensation Committee believes that providing key employees, including executive officers, with the opportunity to acquire stock ownership and the potential to realize growth in stock value over time is the most desirable way to align their interests with those of the Company's stockholders. Stock options awarded under the Company's 1992 and 1993 Stock Option Plans, the 2002 Omnibus Stock and Incentive Plan, and in some limited cases outside of the plans pursuant to separate individual stock option agreements, provide an incentive that focuses the attention of executive officers on managing the Company from the perspective of an owner with an equity interest in the business. In addition, stock options have been and continue to be a key part of the Company's program for motivating and rewarding managers over the long term. The Company currently intends to continue to have stock options serve as an important part of the compensation program for key employees. The 2002 Omnibus Stock and Incentive Plan has expanded the type of stock based awards that may be granted to include restricted stock and restricted stock units, in addition to stock options. Stock based compensation that has been and that may in the future be granted to key employees, including stock options previously issued and awards that may be granted under the 2002 Omnibus Stock and Incentive Plan, is tied to future performance of the Company's common stock and will provide increased value as the price of the Company's common stock increases.

The Compensation Committee, upon the recommendation by the Chief Executive Officer, has in the past determined and made, and expects to continue to determine and make, final decisions regarding stock based awards. Such factors as performance and responsibilities of individual managers and the management team as a whole, as well as general industry practices, play an integral role in the determination of the number of stock options, restricted stock and/or restricted stock units awarded to a particular senior executive. In determining the size of the individual award of stock options, restricted stock and/or restricted stock units, the Compensation Committee also considers the amounts of stock based awards outstanding and previously granted, the amount of stock based awards remaining available for grant under the Stock Plans, the aggregate amount of current awards, and the amount necessary to retain qualified management.

In accordance with its business strategy and compensation philosophy, the Company has previously granted stock options to a significant number of employees in managerial positions to afford them an opportunity to participate in the Company's future growth and to focus them on the contributions which are necessary for the financial success and business growth of the Company and, thereby, the creation of value for its stockholders. In the fiscal year ended January 31, 2004, a total of 1,039,450 stock options were granted to employees, including 660,000 stock options that were awarded to senior executives.

Stock options have typically been awarded each year based on an assessment of each recipient's ongoing contribution to overall corporate performance and it is contemplated that stock options and other stock based awards will continue to be awarded on a similar basis and following a similar process. As a means to encourage the recipient of a stock based award to remain in service with the Company, stock based awards vest over time. Most stock options granted to key employees in the past vest in equal amounts over a period of three years from the date of grant. All stock options have exercise prices at least equal to the market value of the Company's stock on the date of grant.

401(k) Plan and Stock Purchase Plan for Employees

In 1992, the Company adopted a profit sharing plan to provide a means for all eligible employees at all levels of the Company to share in the Company's profits and accumulate retirement savings. Effective January 1, 1999, the Company incorporated a 401(k) feature into its profit sharing plan as a further means for all eligible employees at all levels of the Company to accumulate retirement savings. Under the 401(k) aspect of the plan, eligible employees can elect to defer up to 20% of their respective compensation and have it contributed to the plan. The Company is obligated to match a portion of the deferral and can elect to make additional contributions over and above the mandatory match, based on the amount it deems appropriate in light of the results of the Company's operations for the respective year. During the fiscal year ended January 31, 2004, the Company's aggregate matching contributions, including both mandatory and additional matching contributions, were approximately \$1.2 million.

In 2002, the Company adopted a new stock purchase plan (replacing its 1993 stock purchase plan) to continue to provide all eligible employees at all levels an opportunity to become stockholders of the Company. This plan is viewed as an effective way to help align the interest of all employees with those of the Company's stockholders. As an inducement, eligible employees may purchase shares of stock in the Company during each exercise period at a 15% discount to the value of the stock. An amendment and restatement of this plan, to address certain technical amendments, is being presented for ratification and adoption at the 2004 Annual Meeting.

Compensation for the Chief Executive Officer for the Fiscal Year Ended January 31, 2004

The general policies described above for the compensation of the executive officers also apply to the compensation approved by the Compensation Committee with respect to (1) the compensation for Mr. Gralnick, who served as the Company's Chairman of the Board for the fiscal year ended January 31, 2004 and as the Company's Chief Executive Officer until September 3, 2003, and (2) the compensation for Mr. Edmonds, who has served as the Company's Chief Executive Officer since September 3, 2003.

Pursuant to an employment agreement entered into in February 2000 and subsequently amended, Mr. Gralnick's base salary was increased to \$1,000,000 in the fiscal year ended January 31, 2004, which reflected a \$150,000 increase from his base salary in the prior fiscal year. This base salary continued in effect after Mr. Gralnick stepped down from his position as Chief Executive Officer and through March 1, 2004. For the fiscal year ended January 31, 2004, Mr. Gralnick also was awarded an aggregate bonus of \$1,000,000, as a result of the Company having reached certain targeted performance incentive goals. The Compensation Committee awarded him 125,000 stock options in the fiscal year ended January 31, 2004 in order to continue to recognize his efforts in leading the Company in achieving a very strong financial performance.

Under a new employment agreement that was effective September 2003 commensurate with his appointment to the position of Chief Executive Officer and that extends through March 1, 2005, Mr. Edmonds' annualized base salary was increased to \$750,000 for the remainder of the fiscal year ended January 31, 2004, which reflected a \$150,000 increase from his base salary that was in effect immediately prior to such appointment in September 2003. For the fiscal year ended January 31, 2004, Mr. Edmonds also was awarded an aggregate bonus of \$662,500, as a result of the Company having reached certain targeted performance incentive goals. The Compensation Committee awarded him an aggregate of 225,000 stock options in the fiscal year ended January 31, 2004 in part to recognize his leadership efforts and the Company's very strong financial performance and in part in recognition of his promotion to Chief Executive Officer of the Company.

The compensation for both Mr. Gralnick and for Mr. Edmonds was based on industry comparisons as well as on the Company's performance over the most recent years, as reflected in the Company's Annual Report to Stockholders which accompanies this proxy statement. Under the leadership of Mr. Gralnick, Mr. Edmonds and the rest of the management team, total revenues for Chico's increased from approximately \$59 million in 1994 to approximately \$768 million for the fiscal year ended January 31, 2004. Between 1994 and the fiscal year ended January 31, 2004, income before income taxes grew from approximately \$6 million to

Table of Contents

approximately \$162 million, and net income grew from approximately \$3 million to approximately \$100 million.

Mr. Gralnick's February 2000 employment agreement terminated on March 1, 2004. Consistent with the provisions of Mr. Edmonds' employment agreement and taking into account his role in the Company's performance, Mr. Edmonds' base compensation has been further increased to \$900,000 for the fiscal year ending January 29, 2005. In addition, in February 2004, Mr. Edmonds was awarded an additional 100,000 stock options.

Compliance With Internal Revenue Code Section 162(m)

The Compensation Committee has reviewed the applicability of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), which disallows a tax deduction for compensation to an executive officer when the included compensation exceeds \$1 million per year. Although both Mr. Gralnick's compensation earned during the fiscal year ended January 31, 2004 and Mr. Edmonds' compensation earned during the fiscal year ended January 31, 2004 exceeded this threshold during such fiscal year and, as for Mr. Edmonds, could exceed this threshold in future years, depending of course on the Company's performance, the provisions of Mr. Gralnick's employment agreement provided that any cash compensation in excess of the threshold that would otherwise be payable will be deferred instead until such date as such deferred amount can be paid without exceeding the applicable threshold and Mr. Edmonds' employment agreement permits Mr. Edmonds to defer specified portions of his cash compensation. For the fiscal year ended January 31, 2004, Mr. Edmonds elected to defer amounts, including all amounts in excess of the threshold. These deferrals were made pursuant to and consistent with the Company's deferred compensation plan. The Committee intends to periodically continue further review of the potential consequences of Section 162(m) and, depending upon the risk of applicability of this provision to the Company, may elect to structure the performance-based portion of its executive officer compensation in a manner so as to comply with certain exemptions provided for in Section 162(m) and possibly modify the provisions which effectuate deferral of certain portions of the cash compensation amounts.

This report has been provided by the Compensation Committee.

Scott A. Edmonds. Effective September 3, 2003, the Company entered into a new employment agreement with Mr. Edmonds which replaces his previous 1995 employment agreement and provides for an annual base salary and certain other benefits. Pursuant to the new employment agreement and certain further

Table of Contents

actions of the Board of Directors, Mr. Edmonds' current base salary is \$900,000 and is subject to increases as established from time to time by the Board of Directors. Mr. Edmonds is also eligible for an annual bonus under the Company's incentive bonus plan, with a minimum target bonus equal to his base salary and to be considered in the future for additional awards of stock options or other stock-based compensation of the Company. Under the terms of Mr. Edmonds' employment agreement, the Company contracted to employ Mr. Edmonds for a period which currently extends through March 1, 2005, and which period, by the terms of the agreement, is automatically extended for additional one year periods until the employment agreement is terminated by the Company or Mr. Edmonds with appropriate notice.

In addition, in the event of termination of Mr. Edmonds' employment by the Company without good cause, termination by him for good reason as described below, or notice of non-renewal given by the Company to Mr. Edmonds, Mr. Edmonds is entitled to receive all then accrued compensation, a lump sum equal to two times the sum of (i) his then current base salary and (ii) his then current target bonus, a pro rata bonus for the year in which such termination occurs, continued health benefits for two years, accelerated vesting of all of his outstanding stock options and outplacement assistance. If Mr. Edmonds' employment is terminated as a result of death or permanent disability, Mr. Edmonds or his estate will be entitled to receive a continuation of his salary for an additional twelve months, an additional monthly amount equal to the greater of the target bonus or the highest annual bonus during the three preceding years divided by twelve, payable for twelve months, accelerated vesting of all of his outstanding stock options and continued health benefits for his dependents for two years.

Mr. Edmonds has the right to terminate the agreement for good reason in the event he is not elected or retained as a director of the Company or in the event the Company acts to reduce or diminish his titles, positions, duties or responsibilities, materially breaches the agreement, relocates its executive offices by more than 50 miles following a change in control of the company or a successor to the Company fails to expressly assume in writing the agreement.

If a change in control occurs and within 18 months thereafter Mr. Edmonds' employment is terminated by the Company for other than good cause or by Mr. Edmonds for good reason or such termination occurred in contemplation of the change in control, then Mr. Edmonds would be entitled to receive all then accrued compensation, a lump sum equal to three times the sum of (i) his then current base salary and (ii) his then current target bonus, a pro rata bonus for the year in which such termination occurs, continued health benefits for three years, accelerated vesting of all of his outstanding stock options and outplacement assistance.

If Mr. Edmonds exercises his right to terminate his employment agreement other than for good reason or if the Company terminates his employment for cause, as defined in the agreement, the Company's only obligation is to pay any earned but unpaid salary and accrued benefits.

If any payments to or benefits under Mr. Edmonds' employment agreement would be subject to excise tax as excess parachute payment under federal income tax rules, he will receive a gross up payment to adjust for the incremental tax costs to Mr. Edmonds of such payments.

Mr. Edmonds' employment agreement also contains certain non-competition provisions that are limited to specialty retail in women's apparel and intimates which continue for two years following termination of employment. The Company also appointed Mr. Edmonds to the Board on January 23, 2004, consistent with the Company's obligation set forth under the terms of his employment agreement.

Marvin J. Gralnick and Helene B. Gralnick. Effective February 7, 2000, the Company entered into employment agreements with Mr. Gralnick and Ms. Gralnick that each provided for an annual base salary and certain other benefits. These employment agreements were amended to ultimately extend the employment term until March 1, 2004, at which point each of the agreements terminated. Pursuant to the employment agreements, the annualized base salaries of Mr. Gralnick and Ms. Gralnick, respectively, were \$1,000,000 and \$300,000 for fiscal 2003 and through March 1, 2004. Under each agreement, bonus compensation was to be determined through a bonus formula adopted by the Compensation Committee. The employment agreements contemplated the granting of stock options each year through fiscal 2003 to each of Mr. Gralnick and

Ms. Gralnick under the Company's stock option plan. All of the stock options required to be granted to Mr. Gralnick and Ms. Gralnick pursuant to such agreements were granted. As of March 1, 2004, both Mr. Gralnick and Ms. Gralnick have continued as at-will employees of the Company in a much reduced capacity and time commitment, and not as executive officers, each being entitled to receive compensation of \$2,500 per month as long as such employment continues. Such compensation is in addition to and separate from the compensation they receive on and after March 1, 2004 in their respective capacities as non-management directors of the Company.

Charles J. Kleman and Patricia Murphy Kerstein. Effective April 1, 1993, the Company entered into an employment agreement with Mr. Kleman which provides for an annual base salary and certain other benefits. This employment agreement was amended effective as of August 21, 2000. Pursuant to the amended employment agreement and certain further actions of the Board of Directors, Mr. Kleman's current base salary is \$475,000 and is subject to annual increases as set from time to time by the Board of Directors. Under the terms of the amended employment agreement, the Company contracted to employ Mr. Kleman for a period which currently extends through December 31, 2004, and which period, by the terms of the agreement is automatically extended for additional one year periods until the employment agreement is terminated by the Company or Mr. Kleman.

Effective August 21, 2000, the Company entered into an employment agreement with Ms. Murphy Kerstein which provides for an annual base salary and certain other benefits. Pursuant to the employment agreement and certain further actions of the Board of Directors, Ms. Murphy Kerstein's current base salary is \$525,000 and is subject to annual increases as set from time to time by the Board of Directors. Under the terms of Ms. Murphy Kerstein's employment agreement, the Company contracted to employ Ms. Murphy Kerstein for a period which currently extends through December 31, 2004, and which period, by the terms of the agreement, is automatically extended for additional one year periods until the employment agreement is terminated by the Company or Ms. Murphy Kerstein.

The employment agreements for Mr. Kleman and Ms. Murphy Kerstein provide that such executives are entitled to certain severance benefits in the event that their employment is terminated by the Company without cause or by such executive within a specified period following a change of control (both as defined in the employment agreements). If the executive is terminated without cause, the executive would receive his or her salary for the remainder of the then effective employment term (or, if longer, for 12 months). If the executive's employment is terminated within the specified period following a change of control, the executive would be entitled to receive a lump sum equal to the aggregate salary that he or she would otherwise have been entitled to receive over the remainder of the then effective term (or, if longer, over 36 months), plus three times his or her annual target bonus. Each employment agreement is also subject to termination in the event of disability, death or voluntary retirement by the individual or his or her termination for cause. Each employment agreement provides for a covenant not to compete which is to continue for two years following any termination.

A stockholder's notice with respect to a proposal to be brought before the annual meeting must set forth in addition to the matters required to be set forth by the General Rules under the Securities Exchange Act of 1934; (a) a brief description of the proposal and the reasons for conducting such business at the annual meeting, (b) the name and address, as they appear on the Company's books, of the stockholder proposing such business and any other stockholders known by such stockholder to be supporting such proposal, (c) the class and number of shares of the Company which are beneficially owned by such stockholder on the date of such stockholder notice and by any other stockholders known by such stockholder to be supporting such proposal on the date of such stockholder notice, and (d) any financial interest of the stockholder in such proposal.

A stockholder's notice with respect to a director nomination must set forth (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of the Company which are beneficially owned by such person, and (iv) all information that would be required to be included in a proxy statement soliciting proxies for the election of the nominee director (including such person's written consent to serve as a director if so elected). ARTICLE 4

EMPLOYEES ELIGIBLE TO PARTICIPATE

4.1 *General Eligibility Standards.* Any person, including any officer but not a person who is solely a director, who is employed by the Company or any Subsidiary on the first day of an Offering Period is eligible to participate in the Plan with respect to that offering, except (a) a person who has been employed less than one year; (b) a person whose customary employment is 20 hours or fewer per week; and (c) a person whose customary employment is for not more than five months in any calendar year.

4.2 *Certain Exclusions.* Notwithstanding any provision of the Plan to the contrary, no person shall be eligible to participate in the Plan, to subscribe for or purchase any Common Stock under the Plan if:

(a) immediately after the subscription, the person, together with any other person whose stock would be attributed to such employee pursuant to Section 424(d) of the Code, would own stock and/or hold outstanding options to purchase stock, possessing 5% or more of the total combined voting power or

value of all classes of stock of the Company or of any Subsidiary (as determined in accordance with the provisions of Section 423(b)(3) of the Code);

(b) the subscription would provide the person rights to purchase shares under all employee stock purchase plans of the Company and any parent and subsidiary corporations to accrue at a rate that exceeds \$25,000 of Fair Market Value of such shares (or such other limit as may be imposed by the Code), determined at the time such right to subscribe accrues, in respect of any calendar year in which such right to subscribe is outstanding at any time;

(c) the person provides services to the Company or any of its Subsidiaries as an independent contractor who is reclassified as a common law employee for any reason except for federal income and employment tax purposes;

(d) the subscription is otherwise prohibited by law; or

(e) the person's employment is terminated for any reason prior to the time revocation or cancellation of participation in an Offering is prohibited under Section 6.2 (in which event such person no longer shall be an Eligible Employee and any previous subscription for Shares in such Offering Period shall be null and void).

ARTICLE 5

OFFERING PERIODS; PURCHASE PRICE; NUMBER OF SHARES OFFERED

5.1 *Offering Periods.* There shall be 15 Offering Periods under the Plan. The first Offering Period shall commence on September 1, 2004 and shall conclude on September 30, 2004. Thereafter, a separate Offering Period shall commence on the first day and conclude on the last day of the months of March and September in each of the years 2005 through 2011, inclusive.

5.2 *Number of Shares Available for Purchase.* Subject to the other terms and conditions of the Plan limiting the number of Shares which may be purchased hereunder, there shall be no limit on the aggregate number of Shares for which subscriptions may be made with respect to any particular Offering Period. The right of an Eligible Employee to subscribe for Shares in an Offering Period shall not accrue until the first day of that Offering Period.

5.3 *Purchase Price Generally.* Unless the Committee acts to set the purchase price as provided in Section 5.4, the per Share purchase price applicable to an Offering Period shall be 85% of the Fair Market Value of the Common Stock on the last trading day immediately preceding the first day of the Offering Period.

5.4 *Alternative Purchase Price.* The Committee, in its discretion, may decide not to set the per Share purchase price under Section 5.3 but instead to set the per Share purchase price for an Offering Period on an alternative basis, such per Share purchase price being equal to 85% of the lesser of:

(a) the Fair Market Value of the Common Stock on the last trading day immediately preceding the first day of the Offering Period, or

(b) the Fair Market Value of the Common Stock on the last trading day immediately preceding the last day of the Offering Period. Any decision to employ the alternative per Share purchase price determination under this Section 5.4 shall be made by the Committee not less than one month prior to the commencement of the Offering Period(s) to which the alternative purchase price procedure is to apply. The Committee shall notify Eligible Employees promptly of any decision to set the per Share purchase price pursuant to this Section 5.4.

5.5 *Number of Shares Offered to Eligible Employees.*

(a) Subject to the limitations set forth in this Section 5.5 and any adjustments required by other provisions of the Plan, in each Offering Period, an Eligible Employee shall be entitled to subscribe for one

Table of Contents

share of Common Stock for each Two Hundred Fifty (\$250.00) of Compensation paid to him for the calendar year immediately preceding the year in which the Offering Period occurs. Subscriptions shall be allowed for full Shares only. Any rights to subscribe for fractional shares of Common Stock shall be void and disregarded; and, any computation resulting in fractional shares shall be rounded down to the next lowest whole number of Shares.

(b) Notwithstanding the provisions of Section 5.5(a), in any Offering Period, no Eligible Employee shall be entitled to subscribe for more than four hundred (400) Shares; no Eligible Employee who is entitled to subscribe for ten (10) or more Shares shall be permitted to subscribe for fewer than ten (10) Shares; and, no Eligible Employee who is entitled to subscribe for fewer than ten (10) Shares shall be entitled to subscribe for fewer than the maximum number of Shares he or she is entitled to purchase.

(c) Notwithstanding the provisions of Section 8.1, no stock adjustment referred to therein shall operate to change (i) from ten (10) the minimum number of Shares required to be subscribed for by an Eligible Employee in any Offering Period, (ii) from four hundred (400) the maximum number of Shares that may be subscribed for by an Eligible Employee in any Offering Period, or (iii) from Two Hundred Fifty (\$250.00) the dollar amount used in computing the number of Shares for which an Eligible Employee is entitled to subscribe in any Offering Period.

(d) If, with respect to any Offering Period, the aggregate Shares subscribed for by Eligible Employees computed in accordance with other provisions of the Plan exceed the number of Shares available for issuance under the Plan, the aggregate number of Shares covered by such subscriptions shall be reduced to such lower number of Shares as may be necessary to eliminate the over-subscription. Such reduction shall be effected in respect of the subscriptions of Eligible Employees participating in such Offering Period on a proportionate basis as equitably as possible; but, in no event shall such reduction result in a subscription for fewer than the minimum number of Shares or a subscription for fractional Shares. In the event of an over-subscription and cutback as provided in this Section 5.5(d), the Company shall refund any excess payments for subscribed Shares as soon as practicable after closing of the Offering Period.

ARTICLE 6

PARTICIPATION AND PAYMENT

6.1 *Election To Participate.*

(a) During any Offering Period, an Eligible Employee desiring to become a Participant must (1) complete a subscription agreement, indicating the number of shares of Common Stock to be purchased, and such other documents as the Company may require (the Purchase Documents) and (2) tender to the Plan Administrator the Purchase Documents and cash or a check (payable in U.S. funds) for the full purchase price for the Shares covered by the Purchase Documents (less any amount to be withdrawn from such Eligible Employee's Payroll Deduction Account pursuant to Section 7.3) at any time before the conclusion of the Offering Period. Such Eligible Employee will become a Participant upon acceptance by the Company of the Purchase Documents and consideration for the Shares being purchased under the Plan immediately after the close of the Offering Period.

(b) With respect to any Offering Period in which the Committee has elected to employ the alternative per Share purchase price determination pursuant to Section 5.4, the Eligible Employee shall tender an amount equal to the purchase price based on the Fair Market Value of the Common Stock on the last trading day before the commencement of the Offering Period. If the final purchase price is less than the amount tendered, the Company shall refund the excess amount to the Eligible Employee as soon as practicable after the close of the Offering Period.

(c) Purchase Documents and cash or check received by the Plan Administrator before or after an Offering Period shall be void and shall be given no effect with respect to the particular Offering Period; and, the Plan Administrator shall return such documents and cash or check to the involved person as soon as practicable after receipt.

Table of Contents

6.2 *No Revocation of Election.* No election to participate in an Offering Period may be revoked or cancelled by an Eligible Employee once the Purchase Documents and full payment have been tendered to the Company. Any such election, however, is subject to cancellation or reduction by the Company as provided elsewhere in the Plan.

6.3 *No Interest.* No interest shall be payable on the purchase price of the Shares subscribed for or on the funds returned to employees as a result of an over-subscription, an overpayment, or pursuant to Section 6.1 for early or late delivery.

6.4 *Custodial Safekeeping Arrangement.*

(a) For the purpose of assuring compliance with applicable provisions of the tax laws, the Committee in its discretion may condition the issuance of Shares under the Plan upon the delivery of certificates representing such Shares to the Company as temporary custodial safekeeping agent for the benefit of the Eligible Employee purchasing the Shares under the Purchase Documents.

(b) Such custodial safekeeping arrangement shall not affect the right of the affected Participants as owners of such Shares and such Shares may be sold or otherwise transferred by the owners thereof during the pendency of the custodial safekeeping arrangement. A written safekeeping receipt evidencing the Shares so held in safekeeping, bearing the name of the Participant, indicating the number of the certificate or certificates and the number of Shares so represented shall be delivered promptly to each Participant. In its capacity as safekeeping agent for Participants purchasing Shares, the Company shall act in accordance with instructions received from such Participants, which instructions are to be confirmed in writing if deemed appropriate by the Company.

(c) The custodial safekeeping arrangement shall terminate upon the first to occur of (1) the sale or other transfer of the Shares by the owner or (2) the second anniversary of the issuance of the Shares.

6.5 *Delivery of Certificates Representing Shares.*

(a) Subject to the provisions of Section 6.5(b), as soon as practicable after the completion of each Offering Period, the Company shall cause a certificate or certificates representing the Common Stock purchased in the Offering Period to be issued in the name of each Participant.

(b) If determined by the Committee in its discretion to be appropriate in order to administer the custodial safekeeping arrangements of Section 6.4, but only for so long as such provisions remain in effect, certificates representing Shares shall not be delivered to Participants but shall be delivered to the Company to be held by the Company as temporary custodial safekeeping agent for the benefit of each Participant pursuant to Section 6.4.

(c) Upon the termination of any custodial safekeeping arrangement applicable to Shares issued to any Participant pursuant to Section 6.4, the certificate(s) representing the Shares owned by the Participant, registered in the name of the Participant, shall be delivered promptly to such Participant.

(d) Certificate(s) representing shares of Common Stock to be delivered to a Participant under the Plan will be registered in the name of the Participant, or if the Participant so directs, by written notice to the Company prior to the termination date of the pertinent offering, and to the extent permitted by applicable law, in the names of the Participant and one such other person as may be designated by the Participant, as joint tenants with rights of survivorship.

6.6 *Rights as Stockholder.* No Eligible Employee participating in the Plan shall have any right as a stockholder until after the completion of the Offering Period in which he or she participated and the date on which he or she becomes a record owner of the Shares purchased under the Plan (the Record Ownership Date). No adjustment shall be made for dividends or other rights for which the record date is prior to the Record Ownership Date.

6.7 *Termination of Employment.* An Eligible Employee whose employment is terminated for any reason (including but not limited to termination because of death, retirement or disability) shall have no right to participate in the Plan after termination. However, the termination shall not affect any election to

Table of Contents

participate in the Plan that is made prior to termination in accordance with the provisions of Section 6.1 and as to which, at the time of such termination, the Eligible Employee's right to withdraw from or cancel his or her purchase of Common Stock in the Offering Period is no longer permitted under Section 6.2.

6.8 *Rights Not Transferable.* The right of an Eligible Employee to participate in the Plan shall not be transferable, and no right of an Eligible Employee under the Plan may be exercised after his death, by his Personal Representative or anyone else, or during his lifetime by any person other than the Eligible Employee.

ARTICLE 7

PAYROLL DEDUCTIONS

7.1 *Election of Payroll Deduction.* Each Eligible Employee may elect to have a portion of his or her Compensation deducted from each paycheck (or, if the Company so permits, from only the first paycheck in each month), which amounts shall not exceed in the aggregate Twenty-Five Thousand Dollars (\$25,000.00) in any calendar year. Elections to begin, change or terminate payroll deductions may be made on such forms as may be provided from time to time by the Company and in accordance with rules established by the Committee, which rules may include, among other things, limitations on the number of times changes are permitted and when changes are permitted and effective. A change shall be effective no earlier than the first full payroll period following receipt of the new form by the Committee. The Committee may, however, on a uniform and non-discriminatory basis delay the effective date of any change if it determines that such a delay is either necessary or appropriate for the proper administration of the Plan.

7.2 *Maintenance of Accounts.* A separate Account shall be maintained for each Eligible Employee who has amounts withheld from his Compensation under this Article 7. The maintenance of separate Accounts shall not require the segregation of any assets from any other assets held under this Article 7. The Accounts shall not bear interest. Each Account shall be adjusted from time to time to reflect the amounts withheld from the Compensation of the Eligible Employee to whom the Account relates, the amounts withdrawn by such Eligible Employee for purchases of Common Stock under the Plan, and for other amounts withdrawn by such Eligible Employee from the Account.

7.3 *Use of Accounts To Purchase Common Stock.* At the time that an Eligible Employee elects to participate in an offering under Section 6.1, the Eligible Employee may elect to have a specified amount from his Account (up to the whole amount thereof) used to pay all or a portion of the purchase price.

7.4 *Withdrawals.* At any time that a person is no longer an employee (including by reason of death) or an Eligible Employee, the balance in such person's Account shall be paid to such person or his legal representative. In addition, the Committee may also permit the complete withdrawal of the amounts in an Account under such uniform and non-discriminatory conditions as it may impose from time to time (including, without limitation, not permitting the Eligible Employee making such withdrawal from again electing payroll deductions for a specified period of time). Except as otherwise provided in Section 7.3 and this Section 7.4, an Eligible Employee shall not withdraw any amount from his Account, in whole or in part.

ARTICLE 8

MISCELLANEOUS

8.1 *Stock Adjustments.*

(a) In the event of any increase or decrease in the number of issued shares of Common Stock resulting from a stock split or other division or consolidation of shares or the payment of a stock dividend (but only on the Common Stock) or any other increase or decrease in the number of such shares effected without any receipt of consideration by the Company, then, in any such event, the number of shares of Common Stock that remain available under the Plan, and the number of shares of Common Stock and the purchase price per share of Common Stock then subject to subscription by Eligible Employees, shall be proportionately and appropriately adjusted for any such increase or decrease.

Table of Contents

(b) Subject to any required action by the stockholders, if any change occurs in the shares of Common Stock by reason of any recapitalization, reorganization, merger, consolidation, split-up, combination or exchange of shares, or of any similar change affecting the shares of Common Stock, then, in any such event, the number and type of shares then subject to subscription by Eligible Employees, and the purchase price thereof, shall be proportionately and appropriately adjusted for any such change.

(c) In the event of a change in the Common Stock as presently constituted that is limited to a change of all of its authorized shares with par value into the same number of shares with a different par value or without par value, the shares resulting from any change shall be deemed to be shares of Common Stock within the meaning of the Plan.

(d) To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustments shall be made by, and in the discretion of, the Committee, whose determination in that respect shall be final, binding and conclusive.

(e) Except as hereinabove expressly provided in this Section 8.1, an Eligible Employee shall have no rights by reason of any division or consolidation of shares of stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class or by reason of any dissolution, liquidation, merger or consolidation, or spin-off of assets or stock of another corporation; and any issuance by the Company of shares of stock of any class, securities convertible into shares of stock of any class, or warrants or options for shares of stock of any class shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to any subscription.

(f) The existence of the Plan, and any subscription for Shares hereunder, shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge or to consolidate, or to dissolve, to liquidate, to sell, or to transfer all or any part of its business or assets.

8.2 *Necessity for Delay.* If at any time the Committee shall determine, in its discretion, that the listing, registration or qualification of the Shares covered by the Plan upon any securities exchange or under any state or federal law or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the Plan or the offering, issue or purchase of Shares thereunder, the Plan shall not be effective as to later offerings unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee. Notwithstanding anything in the Plan to the contrary, if the provisions of this Section 8.2 become operative and if, as a result thereof, an Offering Period is missed in whole or in part, then and in that event, the missed portion of the Offering Period shall be passed and the term of the Plan shall not be affected. Notwithstanding the foregoing or any other provision in the Plan, the Company shall have no obligation under the Plan to cause any Shares to be registered or qualified under any federal or state law or listed on any stock exchange or admitted to any national marketing system.

8.3 *Term of Plan.* The Plan, unless sooner terminated as provided in Section 8.4, shall commence upon its adoption by the Board and shall terminate on the conclusion of the Offering Period commencing on September 1, 2011.

8.4 *Amendment of the Plan; Termination.* The Board shall have the right to revise, amend or terminate the Plan at any time without notice, provided that no Eligible Employee's existing rights are adversely affected thereby without the consent of the Eligible Employee, and provided further that, without approval of the stockholders of the Company, no such revision or amendment shall (1) increase the total number of Shares to be offered other than with evergreen increases provided for in Section 1.3; (2) change the formula by which the price at which the Shares shall be sold is determined; (3) increase the maximum number of Shares that an Eligible Employee may purchase; (4) materially modify the requirements as for becoming an Eligible Employee under the Plan; (5) otherwise materially increase the benefits under the Plan to Eligible Employees; or (6) remove the administration of the Plan from the Committee. The foregoing prohibitions shall not be affected by adjustments in Shares and purchase price made in accordance with the provisions of Section 8.1. It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide Eligible Employees with the benefits available under

Table of Contents

Section 423 of the Code relating to employee stock purchase plans or to bring the Plan or rights granted under the Plan into compliance therewith.

8.5 *Application of Funds.* The proceeds received by the Company from the sale of Common Stock pursuant to the Plan will be used for general corporate purposes.

8.6 *No Obligation to Participate.* The offering of Shares under the Plan shall impose no obligation upon any Eligible Employee to subscribe to purchase any such Shares.

8.7 *No Implied Rights to Employees.* The existence of the Plan, and the offering of Shares under the Plan, shall in no way give any employee the right to continued employment, give any employee the right to receive any Common Stock or any additional Common Stock under the Plan, or otherwise provide any employee any rights other than those specifically set forth in the Plan.

8.8 *Withholding.* Whenever (1) the Company proposes or is required to issue, transfer or approve the transfer or Shares issued under the Plan or (2) if a Participant previously receiving Shares under the Plan makes any disposition of such Shares prior to the expiration of the holding periods required under Section 423(a)(1) of the Code, and such Participant is then employed by the Company, then in either event, the Company shall have the right, but shall not be obligated, to require a Participant to remit to the Company an amount sufficient to satisfy any federal, state or local withholding tax liability. Pending receipt of such payment, the Company may delay the delivery of any certificate or certificates for such Shares or may deduct the required amount from amounts otherwise due and payable to the Participant by the Company. Whenever under the Plan payments are to be made in cash, such payments shall be made net of an amount sufficient to satisfy any federal, state or local withholding tax liability.

8.9 *Participants Personal Tax Responsibilities.* Each Participant shall be personally responsible to pay or make adequate provision to pay any individual foreign, federal, state or local tax obligations which may arise as a result of his or her acquisition or disposition of Shares.

8.10 *Designation of Beneficiary.* A Participant may file a written designation of a beneficiary who is to receive any Shares and, if applicable, funds from the Participant's Account in the event of the Participant's death subsequent to the end of an Offering Period but prior to delivery to the Participant of such Shares and funds. In addition, a Participant may file a written designation of a beneficiary who is to receive any cash from the Participant's Account in the event of the Participant's death during an Offering Period. Such designation of beneficiary may be changed by the Participant at any time by written notice in the form prescribed by the Committee. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living (or if an entity, is otherwise in existence) at the time of the Participant's death, the Company shall deliver such Shares and funds to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its sole discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may determine.

8.11 *Choice of Law.* All questions concerning the construction, validity and interpretation of the Plan shall be governed by the substantive laws of the State of Florida (but any provision of Florida law shall not apply if the application of such provision would result in the application of the law of a state or jurisdiction other than Florida).

8.12 *Effective Date of Plan; Stockholder Approval.* The Amended and Restated Plan shall become effective April 1, 2004, with such date being the effective date of the Amended and Restated Plan; provided that (1) the Amended and Restated Plan is approved by the stockholders of the Company within 12 months after its adoption by the Board and (2) no Purchase Documents may be tendered and no Shares may be purchased under the Restated and Amended Plan from and after April 1, 2004 and prior to such approval by the Company's stockholders.
